The Masonic Service Bureau Board of Directors again has authorized a program of financial assistance to Masonic Organization Members who have “gone back to school” in a Continuing Education Program. It was reasoned that with companies downsizing causing job losses and career adjustments, adults are embarking on paths of continuing education to qualify for new positions. We know of Members who have returned to school to improve their lives. We are putting some of our goodwill into our Masonic family.

The Masonic Service Bureau’s Education Assistance Committee announces that applications for the 2024 Continuing Education Assistance Award Program are now available. It is the plan of the Committee to award TWO, \$1000 Grants, **on a one-time-only basis**, as governed by the following criterion and rules:

1. Applicant must be a member-in-Good-Standing of a Masonic Lodge or Concordant Body in the five Districts supported by the Masonic Service Bureau.
2. Must be enrolled in an accredited Continuing Education Program.
3. The Application is to be **completed and signed** by the student in **his/her own handwriting**.
4. Include a personal letter that briefly explains the curriculum, reasons, circumstances, etc., for pursuing this Continuing Education Program.
5. Have Secretary sign the Application and affix the Seal of your Organization.
6. Applications are rated, based on a point system, for the information provided.

All Applications must be completed and postmarked no later than **Midnight, April 30, 2024**,
