

ANNUAL MASONIC CLAMBAKE SEPT. 17

FALL ACTIVITIES ARE ANNOUNCED

It is with mixed emotions that I pen this, my first message for the Masonic News as the District Deputy Grand Master of the Second Monroe District. First of all, I am naturally extremely honored and delighted with the opportunity to serve as the representative of the Most Worshipful Charles F. Gosnell, Grand Master of the State of New York. However, I am also a little apprehensive, but highly confident that with your cooperation it will be a successful and enjoyable year for all of us.

This year promises to be a busy one as my calendar is already splitting at the seams with projected Visits and Duties, however, I will try to be available or fit into my schedule every event, function or problem where my presence is required or desired.

As you know, it is my pleasure and duty to bring you a message from your Grand Master in my Official Visits to your Lodges. In these days of unrest in our Country, the position of the Grand Master becomes a concern of all Masons, therefore, I suggest that you attend your Lodge's Official Visit and become aware of your Grand Master's views and directives. I cannot promise you an eloquent speech, but I can assure you that it will be brief.

The following is a list of the dates for my Official Visits:

- Sept. 8 - Frank R. Lawrence No. 797
- Sept. 18 - Northfield No. 426
- Sept. 22 - Rochester No. 660
- Oct. 1 - Union Star No. 320
- Oct. 6 - Corinthian Temple No. 805
- Oct. 8 - Germania No. 722
- Oct. 13 - Wakan No. 1054
- Oct. 14 - Henrietta No. 526
- Oct. 20 - John A. Robertson No. 1032
- Oct. 22 - Oatka No. 759
- Nov. 6 - Genesee Falls No. 507

- Nov. 13 - Zetland No. 951
- Nov. 18 - Craftsman No. 969
- Dec. 2 - Charlotte No. 1088

I sincerely hope to have the opportunity in my travels this year to meet, work and have fellowship with all of you. See you soon.

Rodney R. Rittenhouse, D.D.G.M., 2nd Monroe District

R. RODNEY RITTENHOUSE

2nd MONROE DISTRICT

It is a real pleasure to greet each of you and before my year is over as District Deputy, I hope to meet and greet many of you in person.

As we start our Fall season let us all try to have a little more "get up and go". Go to lodge meetings more often, your lodge officers need your support. Make the Communion Breakfast a "must" this year. Attend at least one, or both if you can, of the District Convention meetings to be held October 30 and 31.

Think about the Brotherhood Fund and be prepared to give when the campaign starts. This is the backbone of Masonic Charity.

Think about our Brethern who are shut-ins. Take a few minutes to call on them or drop them a card to let them know you are thinking about them.

I shall be starting my Official Visits in October and the schedule is as follows:

MASONIC COMMUNION SERVICES AND BREAKFAST

Our thirty first annual Monroe Masonic Communion Services and Breakfast will take place on Sunday, October 26, 1969. The Communion Services will be held at St. Paul's Episcopal Church, East Ave. at Vick Park B and at the Lutheran Church of the Incarnate Word, 597 East Ave. at Goodman St. S., both services at 8:00 A.M.

Immediately following the services we will proceed to the Masonic Temple, 875 Main St. E. corner Prince Street for breakfast. Please note the change in location, isn't it wonderful that we are coming back home after so many years being away. The breakfast will be in Ballrooms A and B in the Basement. Tickets will be \$1.75 per person.

Our speaker at the breakfast will be Ill. Edward C. Latch, 33°, Chaplain of the House of Representatives in Washington, D.C. He is very highly recommended as a speaker and should have a very worthwhile message.

Our annual award will be presented to a recipient for outstanding community service.

We hope we can have a wonderful attendance at the Communion Services at both churches and show that Masons do actively support that which is taught in our lodge rooms and then break bread together at the breakfast.

Tickets can be obtained from the individual lodges, from the consistory office and from the Masonic Service Bureau office.

MASONIC SERVICE BUREAU

It is so good to welcome you all back to your various Masonic activities after a wonderful summer of rest, relaxation and vacations. Your Masonic Service Bureau was open all summer, as usual, to give services to anyone who requested it and who needed it. The sick-room equipment was in unusually heavy demand due to sickness accidents and causes of disability. Other requests for services varied greatly and we were pleased to help. If you are looking for part time employment, light work, please come in and register as we do have calls come in.

Our next big event will be the Communion Services and Breakfast on Sunday, Oct. 26th. There will be an article on this in another column of the Monroe Masonic News.

As always, we are here to serve you, so call whenever you need us and we will endeavor to help and serve you whatever your need.
Odell B. Kelly
Executive Director

The 7th Annual Masonic Clambake sponsored by Damascus Temple and Rochester Consistory will be held Wed., September 17 at the new Bristol 50 Acres - (see advertisement, page 12). Members of the Shrine and Consistory are welcome to invite Masonic friends as their guests to this usually "sold out" affair, and are encouraged to use coupon on page 12 for early reservations. Potentate James B. Scobell announces that the Imperial Potentate, J. Worth Baker will attend.

MASTERS AND WARDENS ASSOCIATION

Welcome back from our summer recess. W: Bro. President Staples extends his greetings to the Masters and Wardens, encouraged by a refreshed spirit for our fall schedule. To the Masters particularly, "keep going, this year still has much to offer."

The M & W summer picnic was a success, and the committee deserves appreciation for their efforts. The occasion was also enhanced by the presence of all four newly appointed Grand Line Officers who were welcomed to our group.

Congratulations are in order to W: Bro. Irv. Spalty and his bride, Mary Evans, who were married Aug. 23rd. Perhaps our September 27 meeting can be an "extended reception celebration."

As our Fall Season begins, a special attention should be

given to our Junior Organizations. Help promote support for DeMolay, Fidelity Triangle and Constellation activities. We cannot place too much importance on their work, for they represent our future.

Senior Wardens should also be making appointments for committees such as the Interlodge Fellowship and the Brotherhood Fund.

Fraternally,

MORE ABOUT THE SHRINE

The Ancient Arabic Order Nobles of the Mystic Shrine (A.A.O.N.M.S.) was the creation of two men. Dr. Walter M. Fleming, a noted New York physician and surgeon and William Florence, a very popular actor who had successfully toured America and Europe. Both were active and dedicated Masons.

Dr. Fleming had the idea of an organization purely for fun, with membership limited to Masons who had taken the Consistory or Knight Templar degrees. While in Europe, Billy Flemming had attended some fantastic parties given by visiting Oriental nabobs, and on his return to this country, he told his friend, Dr. Fleming, about these colorful affairs. Between the two of them, thirteen charter members held a meeting and organized Mecca Temple, the first Shrine Temple.

From the simple beginning came the huge organization which today boasts 170 Temples in the United States, Canada, Hawaii and Mexico, with a membership approaching one million.

Dear Brother Herman

Rt. Wor. Herman Sarachan will answer questions on Masonic ritual, symbolism, history and law. Address your questions to **BROTHER HERMAN**, c/o Masonic Service Bureau, 875 East Main Street, Rochester, New York 14605.

Q. My son is a successful young attorney. He knows I am Past Master of my Lodge, but he sees nothing in Masonry to attract him. Will you comment?

A. It is a highly regrettable fact that sons of members of the craft, by and large, do not petition for membership. This is true even of very active and devoted Masons. Standards of living today are very high. Young men are interested in making much money, living in a fine home or costly apartment, drive a showy car, and belonging to a country club, and perhaps a professional organization. For them, Masonry has nothing to offer. Added to these is a distorted image of Masonic initiation. They hear of initiation ceremonies, including a Third Degree, and they equate it to their High School and College fraternity initiations, which were often crude and embarrassing. They do not know that the ceremonies in Masonry are dignified, meaningful and inspirational.

Another negative is the lamentable fact that many, many Masons have very few contacts with Masonry, all too often restricted to mailing in their dues once a year.

The truth is that there is much activity in Masonry. If a person likes Bowling, his Lodge has bowling parties, often with the Ladies. He may bowl on the Lodge Team in the Masonic Bowling League, and may participate in the State Masonic Bowling Tournament, held last year in Rochester. The Masonic Fellowship Committee sponsors a State Golfing Tournament, a Fresh Water Fishing Tournament, a Salt Water Fishing Tournament, and encourages many other activities, such as gun clubs, archery, trap and skeet shoots, card clubs, chess competitions, softball, hiking, etc. Individual Lodges have Ladies Night Parties, banquets, picnics, Christmas parties for young and old, The Masonic Community has an annual Grand Ball, and other country-wide functions.

For a member who wants to be active in the Lodge, there are many opportunities for service; working on committees, visiting the sick, acting on entertainment, picnic and other functions. If he chooses to become an officer there is work, but there are rewards. I know of no man who has progressed in line and served as Master, who did not grow mentally, who has not developed latent abilities of leadership, of maturity, or self-confidence, which have benefited his life at home and in business.

If the member goes on to Scottish or York Rite, there are many more opportunities for participation in degree work in drama and as an officer, and in social and entertainment programs.

If he goes on to the Shrine, the "Playground of Freemasonry," there are new opportunities. If he likes riding, he may join the Horse Patrol, if a musician he may join the Band. Or he may affiliate with one of the uniformed marching units. If he likes to sing, he may join the Chanters, and not only find pleasure, but the opportunity with the group to entertain in hospitals, Homes for the Aged, the Retarded, etc. If he likes pantomime and make-up he can join the Clowns, and bring smiles of happiness to young and old in hospitals, the Aged, and along the line of march of Shrine parades. Finally, as a Shriner he may take his family on the annual Shrine Pilgrimage to the particular Convention City for fun and festivity.

There are also organizations related to Masonry for women (Easter Star, Amaranth, Daughters of the Nile, etc.) for boys (DeMolay) for girls (Triangle, Rainbow, etc.)

But there is another side to Masonry besides the purely personal one. When the member is active, or merely dues-paying, he supports many philanthropic and humanitarian projects. Our own Grand Lodge maintains a Masonic Home and Hospital at Utica for indigent Masons, their widows and orphans. This is one of the outstanding institutions of its kind in the country. In addition, our Grand Lodge through voluntary contributions by Masons, maintains and operates a Research Laboratory on the grounds of the Home, for the study of Geriatrics and Gerontology, which has won national acclaim.

Each of the other Bodies supports its humanitarian project: Scottish Rite - Mental Diseases and Schizophrenia; Commandery - Eye Diseases and an Eye Bank; Royal Arch Masonry - Polio; Royal and Select Masters - Hodgkins Disease, etc. Perhaps the best known are the Shriners Hospitals for Crippled Children (19), and Hospitals for Badly Burned Children (3), which are entirely supported by the Shrine, and treat children without any cost to parents.

Finally, for the active member there is one other important ingredient, FRIENDSHIP, - an intimate relationship among men who work together, which makes them BRETHREN, in the true sense of the word. This friendship is a priceless commodity which cannot be bought, but to which every active member will freely attest.

INTERLODGE FELLOWSHIP COMMITTEE

The Camp-out staged by the Interlodge Fellowship was an exceptional affair. 13 families took part with 7 lodges represented.

The highlight of the camp-out was the Saturday evening festivities. They commenced with a pot luck dinner with a camp-fire and coffee and doughnuts before retiring. This was a happy affair and movies were taken and when processed and of good quality will be shown in various lodges as requested.

The Masonic Stamp and Collectors' Club will open the fall season on Monday, Sept. 15, with a slide show. This will consist of slides produced by the organization, are of top quality and this should be no exception.

The meeting will commence at 8:00 and all interested are invited. The club is collecting stamps for the Masonic Home at Utica and The Shriners Children's Hospital. Any donations of stamps are greatly desired.

The Trap and Skeet Shoot sponsored by the Fellowship Committee for the Monroe districts will be at the 4-point Rod and Gun Club on Sunday, Sept. 28, starting at 9:30 a.m. This is an all-day affair and refreshments will be served. Trophies will be awarded to the winners. These will include a trophy child with the best score.

4-point Rod and Gun Club is located on Union St. in Chili. Charles Jutsom and Kenneth Frearson are Co-chairmen of the committee staging this shoot. If more information is desired it would be wise to call Charles Jutsom or Kenneth Frearson at 865-8820 or 663-9382 and the information will be forthcoming. They are anxious to make this affair a successful venture for Masons of these districts. The brothers want you to enjoy the day.

BROTHER HERMAN TO BE HONORED AT TESTIMONIAL

A Testimonial Program to honor R:W: "Brother Herman" Sarachan has been scheduled for Wednesday evening, October 27th, at the Masonic Temple in Rochester.

Brother Sarachan has recently retired as Director of the School of Ritual of which he was one of the founders many years ago. Still active as Director of the School of Lodge Administration and as editor of the "Dear Brother Herman" column, his efforts for the benefit of his fellow Masons continue undiminished.

This special program will permit all who have been schooled in Masonry by Bro. Sarachan over the years to honor him for his dedicated service. The Bureau of Masonic Education is sponsoring the testimonial. Further details will be in the October "Monroe Masonic News".

In spite of the muggy, rainy summer, Corinthian Temple members and families had some mighty good times. Luck was with us all the way, weather-wise and committee wise. Jr. Warden Bernie Bonnington whipped up a family picnic that was The Most, and managed to bring out one of the largest groups we have had in years. Brother Al Falk obviously spent a great deal of time and thought as Chairman of the Games, and had everyone up-and-at-em at one time or another.

On July 12th we held our Officers and Workers Picnic. Again, we had an excellent turn-out, and everyone seemed to enjoy the food, the conversation, the euchre, and the hospitality of Al Falk and his wife, Jerry for opening their lovely home in Webster for this event. Thanks Al and Jerry, we appreciated it very much.

Corinthian Temple Lodge No. 805 is starting off the fall work with a First Degree on R.G.&E. Night. W.B. Stan Allen will be in the East to confer the degree, and all stations will be manned by R.G.&E. Master Masons. Lets support this extra work they are doing by having an outstanding attendance; come and bring a Brother with you.

I would like to mention that Oct. 6th is our Official Visit, and R.W:Rodney Rittenhouse District Deputy, 2nd Monroe District will be attending. He He will most certainly have an interesting and important message for us all from Grand Lodge. The way to hear that message is to be present, so let him know he has our support and interest in communications from Grand Lodge.

Once more, many thanks to all the Brothers on committees for our summer fun-affairs, and I suspect I owe a few thanks to the wives too. Your work and support have meant a great deal to me. Fraternally, Dave Hoag

FROM THE WEST

Only four months left to labor in the quarry this year, and there is an awful lot to be done in those four months. We have a class of four to keep us all pretty busy. To start with we have the RG&E night for the next three years in a row. Sept. 20th, that's the date of our annual Clam Bake. After attending this gala event, I'm sure you'll be at the next lodge meeting. Oct. 6th, will be the Official Visit by Rodney R. Rittenhouse, our new D.D.G.M. I'm looking forward to this last half of the year and the interesting work ahead. Fraternally yours, John Hinds, Sr. Warden

FELLOWCRAFT CLUB

Our Annual Clambake will be held on Sept. 20th at Powder Mill Park in the Powder Horn Cabin. Dorothy and Bob Mulcock have again consented to put on this superb bake that everyone in the past who have attended were very well pleased with the quantity and quality of the food.

Cost of the clambake will be pro-rated among all those who attend. Members of the lodge and their guests are cordially invited to attend this fine affair with us and the charge of three dollars per couple over the pro-rated cost will be their price.

Come out early and enjoy good companionship and games. Anyone having a lawn game is invited to bring it along with them to add to the variety of games. Activities should commence about 2p.m.

Reservations can be made by calling 342-5632 on or before Sept. 15th.

FROM THE EAST**

As the summer recess draws to a close and the gavel in the East is about to sound again, a word about our coming program seems in order. Our Sept. 2nd communication will give the brothers a first look at the new regalia for which we are indebted to the thoughtfulness of our late brother, Walter Brockway. This will be a short meeting followed by entertainment. On Sept. 16th, the first degree will be conferred with our Jr. Warden, Brother Dayle Martin in the East. I would particularly direct your attention to the formal summons to this communication, which appears below. A matter of prime importance to the future of our lodge, namely dues, is to be discussed and voted on.

Our first Oct. meeting will feature a Scotch theme and should prove most enjoyable. Our first Nov. meeting will be of particular interest to our ladies, as invited guests. More detailed announcement will follow, but be sure to ask them to reserve this evening.

Over the years our membership in Charlotte has shown a steady and healthy growth. However, at this time, the list of candidates is at the lowest ebb in some time, in fact our first class for the new year is open. This would be a good time to talk again to those interested friends who may have put off signing an application because of the previous long waiting period. Our lodge has much to offer and there is no reason why we should not talk about it.

Hope to see you Sept. 2nd. Fraternally, John A. Booth, Master

SUMMONS**

Brethren:

You are hereby summoned to attend the stated communication of Charlotte Lodge No. 1088, to be held in its lodge room, Charlotte Mason Temple, 4550 Lake Ave., on the 16th day of September, 1969, 7:30 P.M. for the purpose of voting on a change in our By-Laws, Section Eight (8) that now reads "The annual dues of each member shall be twelve dollars(\$12.00) payable in advance". A proposition, submitted in writing, by Bro. Gordon G. Davidson, at a regular communication June 3rd and entered in the minutes on that date reads, "The annual dues of each member shall be fifteen dollars (\$15.00), payable in advance."

By order of

JOHN A. BOOTH
Master

MERRITT C. VAUGHAN
Secretary

The above summons is in accordance with Section 18 of our By-Laws, effective June 18, 1946.

RE: above, our last change in dues was in 1954 from \$10.00 to \$12.00 thru 1969. From organization (1927) to 1954 dues were \$8.00. From 23 Charter Members, your lodge has grown to 596 as of this date. From a 3rd floor loft on Lake Ave., with apartments below, washing in the approaches, roaches and mos-

quitos in the lodge rooms you now own a beautiful Temple, well furnished in accommodations, maintained AND ALL PAID FOR-NO DEBT. This has been accomplished by two Temple Fund Drives, blood, sweat and tears from the early members for renovation, a good supply of candidates, generous gifts from Charlotte Chapter, O.E.S., who share the Temple for their meetings and supply our 3rd degree dinners. But, dues are our main source of income to keep us solvent. With a \$3.00 increase, it may be possible to cover known Grand Lodge assessments per capita and projected additions. See Grand Lodge convention reports. Enuf said.

I can still receive 1968 and 69 dues. Please let me keep your name on the new Roster ready to go to press after Sept. 16th. You will receive it with your summons of the annual meeting Dec. 16th.

MASTER'S MESSAGE

Brethren:
It is my sincere hope that you have enjoyed the time since our last publication. Our Lodge Steak Roast at W: Steve Pool's cottage on Sodus Bay and our Lodge Family Picnic at Powder Mill Park were well attended and from every indication were very much enjoyed by those of us who were there. I would like to take this opportunity to again thank those who worked so hard to make these events a success!

During this summer you should have received a message from me concerning the controversy between going back to our former bulletin or remaining with the Monroe Masonic News. I feel that this is important to the Lodge and should NOT be decided by a small percent of the members. We have received several replies already and I remind you to get in touch with us before our first meeting of September (September 11, 1969) so that you may be counted!

EDITORS NOTE: IF invited the editor will be present to answer any questions.

Also, during this summer your Master, Senior Warden, and Secretary have been working on a new Lodge Roster which should be of great interest to all of you. We have gone into much greater detail than normally and have found that this research has already been of tremendous value and interest to us. Although it has meant a great deal of work we are quite enthused and think that you will be also.

There seems to be so much that has yet to be accomplished and time seems to go by so quickly. I hope that you will be able to share with us and participate in these events.

Sincerely and Fraternally,
Kenneth L. Myers, Master

Sept. once again starts our bi-monthly meetings and my second half of the year as Master. To make any year successful it is necessary to have a large percentage of your membership in attendance, not only to make meetings interesting but to find the future leaders of the Lodge. With this in mind, ask yourself, "When was I last in Lodge?" If you cannot remember it has been too long, so come to a meeting.

Our first meeting in Sept. is on the 9th and will be a regular business meeting. The second meeting will be the 23rd and will be a Second Degree.

I would like to take this opportunity to express our condolences to the family of Seymour Black, who passed away on Aug. 6. He was a dedicated and loyal Mason.

The officers of the Lodge are reminded that there will be 2nd degree rehearsals on Sept. 2 and 16 at 7:30 P.M. in the Temple.

I hope that each of you have had a fine summer and look forward to seeing you in Lodge this fall.

Brethren:

To all of the brethren, I do hope you have had an enjoyable and enriching summer. As the fall season gets under way, all of your officers hope to see you in lodge to renew old friendships.

Our first meeting in Sept. will be an open meeting and designed to orient us to the fall schedule and coming events.

The second meeting in Sept. will feature a Father-Son-Daughter Pancake Supper which will precede the meeting. It will be necessary that you make reservations directly with Bro. Bob Wyle at 872-2726. Kindly let Bro. Bob know as early as possible if you plan to attend.

At this time I shall mention an important date to keep in mind. Oct. 4th will be the visitation date on which our Brothers from Ionic Lodge in Canada will be our guests in Webster. Please reserve the date and plan to make our Canadian visitors feel welcomed. Bro. Bob Witmer is in charge of the festivities for that date and his committee members can expect to meet shortly.

I might mention that our ex-Sen. Warden Bro. Jim Wilson was seen in the village during July on the evening of the local fireman's parade. He certainly looked in excellent health judging by his tan, size, etc. He conveys his good wishes to all lodge members.

Thos of you who were so instrumental in the success of our spring meetings, look forward as I do to joining with many other brothers in becoming involved with the workings of our lodge, and thus becoming better men and masons.

MASONIC WAR VETERANS
2nd Thursday

Although this reporter was unable to attend, I understand that the picnic held in Spencerport during the later part of July was a high success and is an indication that it will become an annual event. Family fellowship should go hand in hand with Masonic fellowship.

Our Post was honored with the appointment of W: George L. Wetzel as Associate Representative to the VAVS Advisory Committee to the Veterans Administration Hospital at Canandaigua. R:W: Odell Kelly is the Deputy Representative and R:W: Ken Kingston is the Representative. It is the responsibility of these brothers to get volunteers to serve at the hospital but it is the duty of every Mason to serve all mankind. So, when our Fall season begins, please try to attend the Sunday Ward Parties.

Commander Flagg is looking forward to meeting each and everyone of you at our first meeting on September 11th. Our regularly scheduled meetings are held on the 2nd Thursday of each month.

Brother Rudy Bromstrup journeyed to Bath to call on Brother Rosenhagen this summer. He reports that Otto is getting along fine and of course is still providing the nurses with surprise treats when he returns from town. Now, who other than Otto would think of bringing back a plate of fried frogs legs at ten o'clock in the evening to treat the nurses!

Commander Flagg hopes that each of you and your families has had an enjoyable summer and will have the desire to participate in the activities of the Post.

Summer has sped by again leaving us fond memories. Many thanks to Wilson and Ruth Daboll who hosted our picnic at their home. It was a pleasure to welcome P:M: George Spoor and P:M: Lee Perkins from Syracuse and Brother Louis Bonehill from Florida.

All Brothers are urged to attend the Sept. 10th meeting when C.L. Kilmer, D.D.G.M. 1st Monroe District, will be the honored guest. The meeting will be preceded by a 6:30 P.M. dinner. Please make reservations with Earl Branch.

It was a joy to see W:B's Ford Myers, John Holth, and George Romanko in such excellent condition after their illnesses.

2nd Monday

By the time this issue of the Lawrence Letter is read the summer holiday months will be over and fall activities already underway. To start off the season we will welcome our new D.D.G.M. Rodney Rittenhouse to the Sept. Communication (Monday the 8th) for the first official visit of his term. On the same evening we will be initiating four candidates into the First Degree of Masonry. Junior Warden James Vaisey will preside in the East during the degree ceremonies. A dinner in the Temple, Third Floor Dining Room will precede the meeting.

Our social program for the month features a clambake for husbands, wives, and guests to be held at the Canandaigua Yacht Club on Saturday, September 27th. Further details will be available later.

We are glad to report that Eloise DeVisser, wife of Sr. Warden Adrian DeVisser, is home after a long siege in North Miami Hospital following an auto accident. It will be quite awhile before she will be able to move about, and consequently would enjoy visitors.

Junior Warden Jim Vaisey and his family spent most of August in France visiting the family of an exchange student who had previously lived with them for a year. Maybe he will have lost most of his French accent by the time we see him in September.

Greetings, after what I hope was a pleasant summer recess, our Fall Season will begin with First Degrees on September 2nd and 16th. Let us begin again with a renewed interest in teaching our Masonic beliefs.

In the coming weeks plan to attend and participate in as many of the activities as you find available. Lodge meetings are only a part of the benefits available.

The Interlodge Fellowship Committee plans Golf Sept. 6th and 7th; Skeet Shoot Sept. 28th; Bowling Nov. 8th; as well as Archery, Stamp & Collectors hobbies, Photo and Fishing contests. Contact W: Bro. Abbazia for more information.

Our schools of education will present the classes of instruction, ritual, and administration in their usual interesting manner. Keep the date of October 30th and 31st Scheduled for the District Convention.

As President of the Masonic Gothic League which bowls Wednesday night at 9 PM at Clover Lanes, I extend an invitation to join our league. Just come to bowl and a place will be found for you. We have 18 teams which represent 11 Lodges by name, but probably 20 Lodges by membership. Yonnonodio has no team, but our members bowl with Fairport, Hubbard, Lawrence, Seneca, and Simes. If you like to bowl, join our league September 3rd. To most of us, our scores are only incidental to the pleasures of bowling with fellow masons.

R:W: Clarence Kilmer, D. D.G.M. will honor Yonnonodio Lodge by his official visit on October 7th. Our meeting will follow a Dinner at 6:30. Make your reservations NOW with Jr. W. Everett Hoak, 436-2583.

In the busy routine of our lives, we seldom find time for extra activities. But when we plan for a particular appointment, we usually are able to find the necessary time. Plan now for some of these events and you will be rewarded with a better understanding and appreciation for the world in which we live.

Brethren:
Our 1st meeting in Sept. is the 3rd Tuesday. A great deal of work by the Officers and Brothers has been done this summer to ready your Lodge. Let's show your appreciation and turn out. This is also a good time to see where your money has been spent.

Leah Chapter, Eastern Star has been very generous in helping us furnish our Lodge. They are furnishing the stove, refrigerator, 24 dining tables, 150 dining chairs, drapes, and many other items. Their first meeting will be held on Sept. 9th in our new Lodge.

To the members of Clio who generously donated to make this dream come true we thank. We would also like to remind those who still owe on their pledges that their money is very much needed by September 1, 1969.

WAKAN LODGE
No. 1054
2nd and 4th Mondays

Brethren:
We are now approaching the last few meetings of my year as Master of Wakan Lodge. I feel that we have had a banner year up to this point and I hope to do even better before relinquishing the gavel of authority, how successful we are depends upon you and I am asking for your whole hearted support which must start with your attendance at Lodge meetings.

Our first meeting on Sept. 8th will feature an award winning film on sky diving and a talk by Mr. Kenneth Kotwas who has over eight hundred jumps to his credit. Please note that brethren from other Lodges are more than welcome.

The second meeting on Sept. 22nd will see Senior Warden Joe Dimino in the East to confer the First Degree.

It is with deepest regret that I must report the passing of W: Oscar Zabel. Past Master of Wakan Lodge. Bro. Oscar was a charter member of Wakan Lodge and was to have received his fifty year pin this fall. His untimely passing prevents my having the honor of bestowing this award upon him. The sympathy of the brethren is extended to his family. Fraternaly,

W:Bro. Emil Dormeyer and Bro. Bill Kurzrock are at Hill Haven on Empire Blvd., Bro. Ted Aronstan is home at 9 Charmwood, Pittsford. Bro. Joe Giunta is home, Bro. Ray Batterson is home, 400 Driving Park, Bro. Claude Morgan is home. Bro. Walter Lang at home, 345 Magnolia St. W:Bro. William Zabel is at home and would like to see a few friends, too. Bro. Tony Arcola is up but taking it easy.

When the corn roast is over we know we can look forward to lodge again. Our 7th annual corn and sausage roast was Aug. 9th at Powder Mill Park under the excellent eye of W:Bro. Norm Hegedorn. Bro. Bob Banister served the franks which seemed to be especially tasty with the fresh corn. A record turn out of 75 included waiting candidates, Ed Lowery and "Sandy" Eason both of General Dynamics. We were also honored by having our faithful attendees W:Bro. Bill Zabel and Ann Little. Most of you will remember her husband, Al Little, who also never missed a corn roast or any other lodge gathering including the fellowcraft meetings. It was nice to see you, Ann. Horseshoes, jarts, and card games were enjoyed between the dogs and corn. Bro. Paul Wagner proved to be an expert in all the fun and is to be awarded the best hibitzer trophy (when we get one).

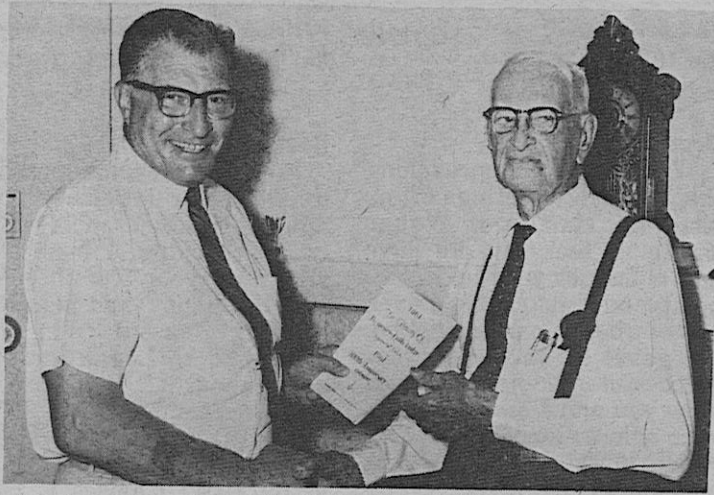

Your Master and Senior Warden enjoyed an outing put on by our new District Deputies, R:W: Lawrence Kilmer of the 1st district and R:W: Rodney Rittenhouse of the second district. This coming year and season promises to be one of the best with their support. Our district deputy R:W: Rodney Rittenhouse will visit our lodge Oct. 8th with the Grand Master's message. Let's all be there to greet him and show him that we are an active lodge which he can praise for attendance.

Modestia's visit was its usual success, however, we noticed some of the regulars missing due to illness. W: Bro. Fred Degener invited all of us to his lodge again in October. The date will be announced in our next letter.

The schedule for our fall season proves to be a busy one. We have our third class of candidates in waiting and extras waiting to start 1970. You men who have turned in petitions are doing a wonderful job in promoting, and recommending your friends to Masonry. But signing the petitions does not complete your obligation. All of you are obligated to obey certain signs. It is an apparent sign that our fellowcraft team needs your support to make the degrees outstanding in the recognized, and talked about, tradition of Germana Lodge. Fellowcraft rehearsals will be on the 3rd Thursday starting Sept. 18th. Refreshments will follow as usual. We seldom run out of refreshments, but let's try, to surprise our Jr. Warden, Don Freeman, who has done such a fine job.

Officers are reminded that our rehearsal is held on the 1st Thursday of each month; no exception.

Sept. 10th will be sport

Mr. Fred Way, 92, with Master Harold Van Lare of Genesee Falls Lodge will receive his 70 year palm next year. Mr. Way resides in St. Petersburg, Florida and traveled over 2800 miles in July visiting friends and relatives in this area. He could well be taken for a man of 75 or less. He was born in Lyons, N.Y., oldest of 8 children and was in business from 1910 to 1963., in Easton, Pa. selling automotive parts. His hobbies are working around the yard and doing jig saw puzzles. He attends Hi-12 Club and Triangle Club every week in St. Petersburg. He would appreciate letters from friends and acquaintances. His address is: Fred L. 1st and 3rd Thursdays

As the summer nears its end, we hope it has been a pleasant and enjoyable one for you.

We are about to resume labor for the remaining months of 1969 and I anticipate the same fine cooperation and support from the officers and members that has been given in the past.

I want to take this opportunity to thank all the brethren who made the effort and who took the time regardless of other commitments, to attend the several services held for our departed brothers during these summer months. Each one was well attended.

Our annual picnic on Aug. 10th was its usual success and it was indeed a pleasure to see so many of you there. I wish to extend the gratitude of the lodge to the committee that worked so hard to ensure a good time for all. Special thanks to Bros. Jay Riggs, Sid Rosenberg, Sol Stillman, Larry Geith, Dave Pinkney, Al Gartland, Austin Garlic, Warren Alhart and W.B. Ray Ring. Their duties were many and varied.

To all of you who contributed so generously to make the 1968-69 Brotherhood Fund Campaign the most successful ever for Grand Lodge and Genesee Falls Lodge, our sincere thanks.

Hope to see you many times

shirt nite, to keep the summer spirit alive just a little bit longer. Wear your comfortable duds and be prepared to describe your exciting vacations. If you have pictures or slides of interest, give me a call (244-4702) so that we can schedule a projector to show the slides during refreshments. This will be our first "get re-acquainted" meeting of the year, and will probably be a good indicator of things to come.

MASTER'S MESSAGE

Before long we will be starting our fall meetings and I trust that all of you have had a good summer. Our picnic was almost rained out, but our luck held and the rain passed off. The Fellowcraft club roasted miles of hotdogs, dispensed gallons of pop, and piles of cracker-jacks and ice cream to the brethren and their families. My thanks to them and to the officers for their help for a successful picnic.

Only four meetings until I join the ranks of the Past Masters. On September 9th there will be a second degree with Jr. Warden Stan Weingart in the East. On October 14th there will be a Third Degree with Flower Cities Past Masters filling all stations and places for the first section, R:W: Philip Averbach in the East, and the Fellowcraft degree team for the second section. Let's have a big turnout that night. There will be a dinner before the meeting.

Our second Annual Reunion will be held on November 11, honoring our 50 year class of 1919 and bring together again the classes of 1929, 1939, 1949, 1959, and the new class of 1969. Also R:W: C.L. Kilmer, D.D.G.M. for the First Monroe District will pay his

MASTER'S MESSAGE

Brethren:

Wor. Bro. Beachner, Bro. Hill and the Fellowcraft Club, with the help of Bro. Max Krause and his charming wife have again demonstrated their hospitality and skills at putting on a lake party for the Brothers and their wives. A good time was had by the many who attended, with the activities including such diverse items as cards, golf, water skiing, ping pong, etc. The next social event includes the whole family, but you do not have to have young children to enjoy the fellowship. In October we entertain our Brothers and their wives from St. Andrews Lodge.

There are other events I did not list in the Seneca Calendar because they are not strictly Seneca functions. The first is a Scottish Rite Outing on September 12th which will be attended by members of the Ill. Bro.

Brethren:

Welcome back to our fall sessions, most vacations are behind us, we are ready to resume our Lodge work for the balance of '69. To "kick off" the fall program, we will present the District Deputy's Apron to R:W:Rodney Rittenhouse, the Grand Master's representative in the 2nd Monroe District, on Sept. 3rd. R:W:Harley Rittenhouse will be in charge of the program. This is an event few of us have had the opportunity to witness and may be some years before another similar event occurs, when a past District Deputy presents the apron to his son. Those Brothers wishing to attend the dinner, please return reservations before Aug. 30.

At the Officer's Meeting, our agenda for the fall was discussed. The various committees have plans for a family night in October to include the children of our members. This is our 115th Anniversary, a dinner will be held in Nov. to commemorate this event, members, ladies, and friends are invited.

The Fellowcraft Club have plans for a Rummage Sale early this fall, you are urged to give your support to these Officers. Articles of clothing are most desired, they may be left on second floor of the Temple, or you may call 582-2003 or 624-2365 any evening and we will make arrangements to pick up your donation.

The Degree work will be on the Third Wednesday of the month, the First Degree will be exemplified on Sept. 17. Senior Warden Brother Thomas Southern will preside in the East for this Degree. Fraternaly,

FLOWER CITY LINK No. 38

Order of the Golden Chain

Flower City Link extends a cordial welcome back to all members from what we hope has been a pleasant summer of enjoyment, rest and relaxation.

Those who did not attend the end of June festivities for Flower City Link's Official Visit missed a very happy and inspiring weekend. The buffet supper on Saturday night was well attended and much enjoyed. W.M. Naomi Friedman and W.P. Morton Schiff were host and hostess at a delightful brunch on Sunday at the Friedman home. A School of Instruction that afternoon for officers and members was most interesting. R.W. Ann Lazerson, D.D. entertained officers and visiting guests at a delicious beffet supper on Sunday night.

Thirty guests from New York, New Jersey, Pennsylvania, Conn., Mass. and Mich. were among those present at

the Monday evening meeting and for the refreshments which followed. Our officers were highly gratified with the complimentary comments of the visiting grand dignitaries and other guests.

The fall season opens on September 8, a change necessitated by the approaching holidays. An interesting meeting is planned to include a tribute to Past Matrons and Past Patrons, birthday gifts for July, August and September, a Member of the Month Award and a resume of plans for the balance of the year. Surprise entertainment is promised. We look forward to greeting many members.

A Membership Tea was scheduled for August 18, at the home of Gloria Hirschberg, with arrangements by a very active new Membership Chairman Marilyn Lederman.

P.M. Sister Frieda Davidson is to be commended for her activity thru the summer months in preparing a fine list for New Year greetings.

To all who have been ill, we wish speedy recoveries- condolences to those who have had bereavements - and good wishes and congratulations for all the happy occasions. The happiest of holidays to all and a wonderful New Year of health, joy and peace. Sincerely and fraternally, Naomi Friedman, W.M. Eva R. Leve, Sec'y.

UNIVERSITY STAR CHAPTER No. 797

Order of the Eastern Star Dear Members,

We hope all of you have had a wonderful summer and are ready to give another "grand push" to finish out the year. We have some interesting meetings and projects ahead and hope you will take advantage of them and also lend a helping hand. We look forward to seeing you at our September 18th meeting.

We regret to report the loss by death of another one of our members. On June 18th, Sister Lyla McFadden passed away in Florida. She was one of our Charter Members and was very active at the time our Chapter was organized. A contribution was made to our Memorial Fund in her memory and the sym-

pathy of the Chapter was extended to her family.

We do not, as yet, have a report on our Topps Project but we hear that it was a great success. Our thanks agains to Sister Gladys Dobbins.

MASONS**

Companions:

While I was waiting for the late Spring showers to end, I cut the grass a few times and discovered that Summer was nearly gone. It was a good summer as well as a busy one. One of the things accomplished was the presentation of the six remaining 50 year certificates to the companions in this vicinity. The secretary and I found them all well and at home on the first visit. Each of them was pleased to receive his certificate and the attention from the Chapter. All wished to be remembered to the men in Chapter.

The M.E. Club picnic was a big success, mainly due to the work by Les Brown and his crew. The food was great, the weather perfect and the location was beautiful. There were nineteen of us and room for many more.

So now we are at the beginning of the Fall season. We have six meetings and plenty of work to fill them. On Sept. 11th, we will reorganize and plan the others with emphasis on the progress of the Sesqui-Centennial preparations. The degree work will take the rest of the time and we will be lucky if the time isn't gone before the work is all done. We call it "work", but it is really a pleasant task and I hope all the Hamilton men come out and lend a hand. We need everyone.

A special word to the members of the last two or three classes of new Companions. Come out and take part in our work and Chapter will mean so much more to you. Fraternaly,
Ken Pierce, H.P.

IONIC CHAPTER

No. 210

Royal Arch Masons

I trust that all of you had a grand and wonderful summer vacation. Now is the time for the fall activities to begin. Sept. 9th, our first meeting, we will proceed to Dansville, N.Y., Chapter No. 91, to attend the Grand Lecture Convention of Dist. No. 27. The Most Excellent Master Degree will be exemplified by Officers of the Chapters of the Districts. All Officers are required to attend this convention. We'll leave the Temple at 7:00 P.M. Please be present at that time. Sept. 23rd will be an open meeting.

On Oct. 19th, it is requested that all York Rite Masons will please attend the Church service of Monroe Commandery No. 12, together with Cyrene Commandery No. 39, and any other Commandery of the Zone, at the Rochester Divinity School Chapel. Full uniform is requested, with

Chapter No. 91, Dansville, N.Y. Our Grand Lecturer, M.E. Frederick C. Breithaupt will preside at the Convention, with the assistance of our AGL R.E. R. Bruce Dayton. Let's have a large number of Companions from Hamilton Chapter attend.

I hope that at our first convocation, Sept. 11th, you will be handing me the petitions of brothers you have invited to join us. Our fall class is already forming with petitions on my desk. Don't wait it may be too late.

The High Priest has scheduled the Mark Master Degree for the Sept. 25th Convocation. Support your officers and meet your new Brothers by being in attendance this night.

Perhaps some Brothers who are not Royal Arch Masons are reading this column and wonder what is the background and teaching of the Mark Degree. What would you benefit from receiving the Degree.

The Mark Master is the first of four Degrees in the Chapter and in it the candidate is still symbolically laboring on an unfinished temple as in the preceding degrees of the Blue Lodge. He is taught the nobility of labor and that in the erection of his moral and spiritual temple he must determine and prepare the materials of which that temple is to be constructed and to have due care that in so doing the work which he shall present, bearing his mark, shall be such as to designate him as one worthy of admission to "that house not made with hands, eternal in the heavens." This Degree is perhaps as old as, if not, older, than any other Degree of Ancient Craft Masonry. It is so ancient, in fact, that its real origin cannot be traced exactly; but in 1598, in Scotland, Statutes were issued which required the Operative Mason to register his "Mark" No Degree in Freemasonry can hardly be more interesting, more inspiring or more instructive, than that of the Mark Degree.

"See you in Chapter." I hope every Companion will use this expression this fall and mean it. Fraternaly,
Frank F. Gordnier

TEMPLAR

September time once again and time to return to our labors. Vacations are just about over and I hope that the vacation time that you all had was a very pleasant and enjoyable one. Glad to have you all back and in good form and ready to go. Let's make the last half year a very good one for our Commandery.

COMING EVENTS

Sept. 12 - 8 P.M. - Regular

sermon by S.K. Rev. William Plews, "Where Do We Find God," with S.K. Wilbur Saunders, Dean Emeritus, assisting. This will be followed by a dinner at the Treadway Inn, by reservation only, please notify me of your intention to attend this dinner.

In the 18th Century historians first coined the phrase "The Dark Ages" in referring to the period of time that followed the disintegration of the Roman Empire. Since then, other eras in the history of man have been set apart by name. Mankind has passed through the Middle Ages, the Renaissance, the Elizabethan Age, the Age of Reason, The Age of Discovery, The Victorian Age, and many more. Man's technological advancement can be traced through the Stone Age, the Bronze Age, the Iron Age, the Steel Age, the Ages of Sail and Steam, until we find ourselves living in the Atomic Age, with all its potential for good and evil.

Yet, this present age may more truthfully be called the Age of the Image. Corporations spend billions of dollars each year on advertising, in the hope of persuading us that our status, our image, will be improved by eating, drinking, smoking, washing or shaving with, or without driving ourselves in a particular product, usage. Those seeking elective office will try to be all things to all men, to make a good image. Governments, from left to rightest, pour out money in propaganda, in foreign aid and domestic aid, all this to demonstrate concern for the well-being of mankind, and hopefully, to create a better image.

It is, therefore, in keeping with the spirit of the times, that we who have a deep interest in all things Masonic, should have some concern with the image of Masonry, and give thought to the relationship between the fraternity and the public at large.

During its long history, Masonry has been assailed as an enemy of the state and a foe of the church. In our country an Antimasonic political party existed from 1828 to 1840. Such actions come only from complete ignorance, or from those who are, in fact, the real enemies of church and state. Because our established usages and customs preclude the possibility of laying before the uninitiated all details of our order, it becomes a challenge to convince the world at large of its good effects, and establish a favorable image.

To be continued in the next issue.
Kenneth R. Snyder,
High Priest

Conclave with opening in short form. Social time and lunch afterwards.

Sept. 26 - 8 P.M. - Regular Conclave with full form opening. Come on out for this one. Social time and lunch afterwards. This is always a good time for everyone.

PAST EVENTS DURING SUMMER RECESS

Our Commandery held an Officers picnic on July 12th at the Holderle's Cottage and a good time was had by all. S.K: John Sherman and Kitty Decker were present and very glad to see them once again. Also present for the first time were Mrs. Porter, Mrs. White and Mrs. McGee. Hope to see more of you all as the time goes on.

On Aug. 5th we had a K.T. Funeral Service held in Livonia for S.K: Joseph O'Shaw Sr., of Damascus Commandery No. 5, of Orange, N.J. It was requested by his family. We marched from the Temple to the Cemetery and returned as part of the Service. S.K: Shaw was the father of Rev. Joseph Shaw Jr. of Livonia. S.K: John Perin was our Prelate.

We are very thankful at this time to report that no deaths of any of our members has been reported as this report goes to press.

Reminder of one event in October. The Shicker Club rummage sale will be held on Oct. 4th at 216 Main St. West. Save all your things that you do not want at this time and bring them there at the appointed time. We need all your help. Call our Commander S.K: Gorden Mosher or his wife if you have things that you wish them to pick up. Thanks.

On June 29th the VanDeLinder's, Roy and Lucille, celebrated their 40th Wedding Anniversary with a party at their Cottage. Relatives and friends paid them a very handsome visit. A grand time was had by all. The very fine lunch was spread before us by their son & daughter. Know who the cook was? VanDeLinder Jr. with help from his sister. Sure was a grand spread and everyone enjoyed it. Many more happy days ahead for them all. Roy Sr., is in the Grand Line of the Grand Council of the State of New York. Won't be long now. I have some very lovely pictures that I took and everyone will see them in the future.

Our Recorder is very pleased with the response of dues being paid and many thanks. If you have not done so please do it now.

All for now but more later. Fraternaly yours,
Em. Commander,
Gorden Mosher
