

## Masonic Temple Fund Drive—How are We Doing?

We are doing fine, thanks to your support. To-date you have contributed 16.6% of the total needed.

Many of you have been busy with holiday activities (and bills) and have not taken the time to send a check to help complete the Masonic Temple

heating/ventilating system.

Our request for donations has been warmly received as evidenced by many heartfelt letters that have been sent in. Here are excerpts: "My husband . . . celebrates his 86 birthday December 8th. Instead of buying him a gift we wish to contribute

. . . to the Masonic Temple Fund." Another, especially poignant letter: "I am enclosing a check . . . which is even more than I can afford as I have only my Social Security to live on. I want to help our Temple (which) once and I hope still stands for the highest standards

in life: Truth, Honesty, Compassion, and the love for all. Even though it isn't much . . . I know if everyone would give something, it amounts to a lot. Most of all it's everyone working together." Thank you ladies, very much.

It is now that time of the year when we should take inventory of ourselves. What have we accomplished that is worthwhile to ourselves and others during the year that has just passed? What plans have we made to improve our Lodges, our Craft and ourselves during the coming year?

Congratulations to all outgoing Masters—you have fully earned the distinction of your title of Worshipful. Congratulations to the newly installed Masters and Line Officers. You have been entrusted with important responsibilities both to your Lodge Brothers and the Craft. It is only natural that each of you should have the desire to strive to do your work well. My greatest concern is that your responsibilities prove to be a joy and satisfaction rather than a chore.

The Holiday Spirit which filled our hearts and minds affected us in varying degrees. Some of us have lost loved ones during the past year, and others face new and trying situations. If one is sincere, there are many times when "Halpy New Year" just doesn't fit. All through the year the words, "May the peace and understanding of God be with you" seem more appropriate.

Like everyone during the holiday season I tried to spread love and be as generous as possible. Have you shown your appreciation to those near and dear to you during the past few months? I am suggesting we make a sincere effort in this New Year to show appreciation to teach other. If your Master or any other officer is doing a good job and working hard to bring harmony and interesting meetings, be outward in expressing your appreciation for his efforts for your Lodge and the Craft. Also, don't neglect telling your wife, family and friends you appreciate their love and friendship. Kind words costs so little and can do so much.

I have had the pleasure of attending many installations, and it is inspiring to see the Green Coats out in force. The remarks of the outgoing Masters and the plans of the incoming Masters are all so inspiring. As advice to incoming Masters: remember you are the leader, and you should work closely with the Senior and Junior Wardens and seek their full support, and ask the support of the Past Masters. Good changes are not brought about quickly, and the cooperative effort should rest with the incoming officers, with the support of all the brethren of the Lodge. Also, the Masonic relationship that develops between the three top governing officers of the Lodge for the year can and should be a memorable one. I believe the important decisions made during any Master's term should be his with the backing of the other officers.

None of us ever really wants to admit that we might have faults. Many times when visiting a Lodge I have sensed that a well-meaning brother was considered a pain by others. Remember, we are all different and there will be differences in thinking between Brothers. However when this arises let us ask ourselves. "Is he partially right, does he have the well being of the Craft in mind, and can we use his abilities and head him in a different direction or is it best to let well enough alone?"

You can make your Masonic membership a satisfying blend of work for the Craft and good times to the degree appropriate to the lifestyle you choose. For instance, Grotto had an open installation at our Temple downtown, which Margaret and I attended. It was a beautiful experience with the units parading in their colorful regalia and the band playing. This was followed by a reception in the ballroom, music by Gene Harold's Orchestra, a tasty lunch, and much good fellowship. There are numerous events available for your pleasure at nominal costs.

Looking ahead, I hope many Brothers will reserve April 14 for the Grand Master's Ball. Has your Lodge considered making this a Ladies Night?

My Dear Brothers:

My hat is off to those Brothers and Sisters who left their homes Christmas morning to take cheer to the youngsters in the Children's Ward of Rochester General Hospital. They were Brothers Emil Schirano, Bill Stark, Harold Bolotin, Charles Roob and his daughter Tammy, Edward Zorn, with Brother and Sister Will Goodridge who were dressed as Mr. and Mrs. Santa. Also in attendance were the clowns: Brothers Bill Lafferty, John Brice and Harold Feinbery. I wish I could impart to you the joy we received from the smiles of the children. The clowns made balloon animals for the children, the magician had his bag full of tricks and Mr. and Mrs. Santa brought each child a gift. This, my Brothers, is Masonic Social out-reach in action. You too can experience the joy we did. All you have to do is call Br. Emil Schirano and join the team.

My hearty thanks to all of you who responded to my request for items for the Activities Department of the Utica Home. Most Lodges in the Second Monroe District responded; one provided a \$47.00 cash gift. Thanks also for all the clothing. These items have been taken to the Home and presented in your name. Director Dowe has written to you through me a letter of gratitude.

Sincerely and fraternally,

### Brotherhood Fund

WHAT! Not even a penny? To provide the minimum necessities of life for those who are not as fortunate as you. Brethren we in the Masonic Fraternity pride ourselves on our charity, as well we should, but all that is accomplished is being done by less than half of the Masons in Monroe County. Think a moment, are you in the missing half? If so, why? Every Lodge has a Brotherhood Fund chairman, if he has not contacted you find him. He will be glad to take your contribution. Now, Lodge Chairmen, when you send your reports to Grand Lodge a copy should also go to your District Chairman. In the first Monroe to - Bruce Brainerd, 107 East Hickory St., East Rochester, NY 14445. In the 2nd Monroe to Stanley Allen, 532 Rumsen Rd., Rochester, NY 14616. Let us hear from you.

### Washington Bible Coming To Rochester

Trustees of St. Johns Lodge No. 1 in New York City have approved bringing the Washington Bible to Rochester for the Masonic Open House Celebration of our city ses-  
quicentennial. The Bible will be accompanied by four brothers who will act as security for this treasure and provide historic information regarding it.

The Masters and Wardens Association have kindly agreed to underwrite the entire cost of this historic display.

The Bible will be the highlight of the Masonic Open House, Sunday, April 8th, 1984 from 1:00 to 5:00 P.M.

This will be a unique opportunity for the brothers, their families, friends and the general public to participate in some of the early history of the United States.

### Circus Master Mason Night

Damascus Shrine Temple will sponsor a "Gala Master Mason Night" on Thursday Feb. 16th at the Shrine Circus evening performance at the War Memorial. All leaders of our Masonic Family will be invited to parade at the opening ceremonies with their Aprons, Jewels and other Regalia. These ceremonies start at 7:15 P.M. just before the Circus begins. Plan to attend the Circus on Thursday evening and help show all attending the strenght and breadth of our beloved Masonic Family

Our year of OPERATION — TURNAROUND Phase II is chronologically 75% percent complete. Some Lodges established their Committee on Masonic Education in the fall of 1983 and these committees functioned excellently during the degrees of new Brothers and are nearly 100% complete. Many Lodges accomplished only part or none of the program.

During January and February your staff officers are working with all Lodges in the Monroe Districts to see that the entire program has been installed. Many of you have been appointed to these committees and it is now our duty to see that the actual education of new Brothers is done to the best of our ability.

It is our aim to learn as much as we can about Masonry, in all of its parts, and pass this on to others. The better we do, the better our Brothers will be and they will pass this on and strengthen our Lodges.

To make this education process complete, we must see that all of the study materials which are available, are in fact reaching these new members. Most of the actual work of accomplishing this is in the hands of the Lodge Secretary. The committee on Masonic Education should be aware of the materials available and that they are being obtained.

A report summarizing these activities in each Lodge must be submitted to Grand Lodge. All Masters have been made aware of the necessity of this report which must be filled out with the help of your staff officers by March 1, 1984. If there are any questions regarding this report please contact R.W. John Dence or myself as soon as possible to enable us to meet this important deadline. Reports are not an enjoyable things to work on, however, they make us look at ourselves and see how we are doing.

**TEMPLE CIVIC CENTER TRUSTEE NEWS** By Gerald J. Glaser

From our minutes of November and December.

1. Six trustees were reported absent.  
2. We welcome the new trustee from the Shrine. He is Bob VanDenBerg.  
3. Two extremely preliminary discussions are taking place concerning the leasing and/or purchase of the auditorium/temple.

4. It was reported that one lodge is in arrears.

5. Our new tax structure has been received and turned over to the appropriate personnel for study and action.

6. The application to file for historical status for our temple should be ready for filing in about one month.

7. Projected auditorium income for January is \$2,050.

8. Fred Belluscio reported on the balance of work required to update the heating plant. About \$12,000 more is needed, but we do not have the cash at this time. It was referred to the finance committee for study.

9. So far, we have received 161 gifts for \$8,881 on the latest fund drive. Have you sent yours in yet? We really need your help. Fritz Friedrich is doing a real good job and your check will give him the encouragement to continue. Make him feel wanted!! Send him some bread!!

**HIGH TWELVE CLUB**

When we take a good look at our Masonic Fraternity in Monroe County, with 29 Lodges representing almost 7,000 Masons, and then consider that approx 20 to 30 attend the average Lodge meeting, we find that 600 to 900 attend Lodge meetings. Where are the other over 6,000? Some we know live away from this area, some cannot go out at night, some work evenings, some spend their time in Masonry with the Shrine, Grotto, Tall Cedars, or the Scottish or York Rites. But I feel that there are still thousands that could, but do not attend any Masonic body. That is why I feel that a "High Twelve Club can be of great service to our Monroe County Masonic Fraternity.

**WHAT IS HIGH TWELVE?**  
High Twelve was founded by E. C. Wolcott in Sioux City, Iowa on May 17, 1921.

High Twelve is an association of Master Masons who desire an hour of Masonic fellowship independent of the formal ritual of Lodge but dedicated to service to the fraternity.

**Purpose Of High Twelve...**

Practicing the great lessons and truth of Free Masonary without trespassing on the principles and prerogatives of the fraternity, including perpetual encouragement to attend and participate in Blue Lodge activities. Unification of Master

10. After a hotly contested campaign and many floor fights, the same officers were re-elected for 1984. The list, as well as committee appointments will be published next month.  
Editorial:

Not so strange as it seems, we are making progress in our efforts to keep our temple in existence. There are any number of events which occurred in 1983 which would give us opportunities to throw in the towel.

However, in spite of these, we shall survive and flourish.

"Many long years ago, upon the eastern plains, was this our fraternity set up, based upon principals more durable than the metals wrought into the statues of ancient kings.

Age after age rolled by. Storms and tempests hurled their thunders at its head. Wave after wave of bright, insidious sand curled about its feet, and heaped their grinding grains against its sides. Man came and went in fleeting generations. Seasons fled like seconds through the whirling wheel of time. BUT through the tempests and the storms, through the attrition of the waves and the sands of life, through evil reports as well as good, freemasonry still survives, spreading its beneficent influence upon mankind."

Because meetings are at High Noon (daytime) it would provide Masonic fellowship for

those who work evenings, Senior Masons who cannot travel at night, and those Masons who now do not attend Lodge for what ever reason, but would like the socialibility, fellowship and brotherhood that Masonry provides.

High Twelve is a International Masonic Organization with clubs all over the U.S.A., Canada, and many Foreign Countries. Sister states of New Jersey, Pennsylvania and Ohio have active clubs, but we would be the first in N.Y. Our Grand Master M.W. If you are interested in becoming a Charter Member, please fill out the below and either drop off at the Masonic Temple office, or send to Hal Miller, 33 Quinn Rd. Rochester 14623. We have 24 Masons already, and quild like at least 50 before starting this club. An organizational meeting with a Representative from High Twelve Internatioal would then be called, and a Club formed. **GROTTO**

Prophets:

As I reported in the January News, the officers of our Grotto were installed in one of the most colorful ceremonies of the year. It was a beautiful ceremony by our own Past Monarchs and the officers of the E.S.G.A. At the party that followed, over 140 were present and all enjoyed a good time.

This is the first time I have heard a complete report on the Christmas Party held at the Happiness House. Thanks to the efforts of P.M. Merch Merritt, all the children received toys from Santa and refreshments were enjoyed by all.

Did you know that at our December meeting it was reported that two children at the House were in need of boots. A collection was taken up and thanks to the generosity of our Prophets, they both received new winter boots -- I'm not saying this for bragging, but this is Masonry and Grottoism at its best.

Prophets, if you really want to get the true information on the doings of the Temple Civic Center, you should hear the fine reports made by Prophet Percy Klingenberg. If you would like, you are welcome to attend a Board meeting on the Second Tuesday and hear this report -- It's good.

Our Chief Justice, Fred Ambeau, tells us that he sold 75 stamps toward the purchase of Enchanted Lanterns at the Installation meeting. As you know, the year for these purchases ends in June, so let's all support Fred in this worthy cause.

Prophets, I noticed at our Installation meeting the missing faces in our various units -- I realize that 6 of our line officers are members of the Patrol--but where are the rest of the Patrol, the Legion, the Revels, the Clowns, the Greeters? It seems to me that this shows lack of interest -- I say -- let's get out and support our Grotto.

Prophet Ray Snider made a final report on last year's Circus -- and Prophets -- I'm ashmaed to tell you the profit we made. I don't know how any organization can support its philanthropic charities under these circumstances. I feel this is caused by a lack of interest on the members part -- So let's get off our dead butts and give our Grotto the support it deserves.

We understand that P.M. Burt Thompson recently underwent sinus surgery at the Rochester General. Burt should be home by the time you receive this and I understand he would like to hear from our members.

Brethren, this news letter might seem to be written in a "bitchy" mood. I am very proud of my Grotto (as I know you are) so remember "a chain is only as strong as it's weakest link." Don't be a weak link in our Grotto -- let's support it heartily.

**MASONIC QUESTIONS ANSWERED**

Send Questions to: Allied Masonic Degrees, c/o Masonic Service Bureau 875 E. Main St., Rochester, N.Y. 14605

**LODGE PROGRAM**

**QUESTION:** Do you know that "...Pure Ancient Masonry consists of three degrees and no more, viz., those of ENTERED APPRENTICE, THE FELLOWCRAFT, and the MASTER MASON (including the SUPREME ORDER of the HOLY ROYAL ARCH)." -- Constitution, UNITED GRAND LODGE OF ENGLAND.

**ANSWER:** The Symbolic Lodge constitutes the foundation and frame work of Ancient Craft Masonry. The Holy Royal Arch is the cementing factor to that foundation.

**QUESTION:** Do you know that: There is a Royal Arch Program for Symbolic Lodges that is now available to be presented in your Lodge as a program to "dispense true Masonic light and knowledge."

**ANSWER:** The Companions of the 27th Capitular District, Royal Arch Masons, are prepared to present a 30 minute program called "THAT FERVENCY AND ZEAL." It was presented in several Lodges in 1983 and was very favorably received. The program consists of a 10 minute presentation of a brief description of the four Chapter degrees and concludes with the showing of the film "THE SAGA of the HOLY ROYAL ARCH", perhaps the best historical presentation of the development and growth of Masonry from its early beginnings.

Masters and Program Chairmen, you can schedule this program for your Lodge by calling Bro. John Tijou, 288-7697.

The Allied Masonic Degrees are in a position to answer questions on Masonic subjects which will be answered in the same way as were those in the former "Brother Herman" column. The questions and subject matter can be extended to all branches of Masonry. Questions on Masonic ritual, symbolism, history and law should be addressed to Allied Masonic Degrees, c/o Masonic Service Bureau, 875 East Main Street, Rochester, N.Y. 14605.

**INTER-LODGE FELLOWSHIP**

Frist of all I wish to thank all the members of our committee for the devotion and dedication that they gave in making 1983 a gratifying and successful year. This year has high hopes for greater achievements and better fellowship. Below is a list of some of the functions that we will endeavor to bring to the Brothers of our Craft.

1. Annual Hockey Night
2. Annual Masonic Photo Contest.
3. Golf Tournament
4. Euchre Tournament
5. Trap and Skeet Contest
6. Christmas Party
7. Mid-Winter Festival

On March 11th we will present our annual hockey night. There are 110 tickets available at \$8.50 each. There will be a wine and cheese tasting gala prior to the game at 6:00 pm. We will have a representative from one of the local wineries displaying his wares for palates to savor. The cheeses will be prepared by Mrs. Tait who is a gourmet chef and the wife of Larry Tait. Both Larry Tait and Mike Piccione have laborously put this function together and need your patronage to make this affair a smashing success. Tickets are available through your Inter-Lodge Representative or you may contact the Chairman. (328-1136)

On November 22, 1983, a letter was sent to all Senior Wardens asking that they submit the names of the representatives from their Lodge to this committee. We have had a very poor response to this request to date. We ask again that you, please, do this promptly so that we may be able to contact these brothers to inform them of our meetings.

The time is growing very near for anyone who wishes to enter the Annual Photo Contest. This contest is for the District and State wide competition. The cut off date is March 15th, so please hurry, get your contest rules from your Inter-Lodge Representative or by contacting the Chairman. (328-1136)

"FACES"

By I. Vincent Lloyd

If there is anything more interesting than the study of the human face, I do not know what it is. Everything in human experience is there.

The famous novelist, Henry James, was a genius at using words. He took words and molded them into enduring little masterpieces of living thought. In writing of one of his characters, he said: "He would have been ugly, had he not been happy!"

How many there are of us who would be good to look upon, did we not give out, to those who come in contact with us and who meet us from day to day, a happy expression upon the features of our face.

Looking upon the features of a face we see written there the story of that life. It cannot be concealed, though rarely can all the lines and planes be wisely interpreted. Kindness, sympathy, hidden grief, and great character are seen in all the portraits of Lincoln, yet Bliss Perry once wrote that no painter had ever succeeded in giving us the real face of Lincoln — "there was something else there" -- and the painter's brush, or skill, could not get it. It may well be said that one's recommendations are written upon one's face. There they are -- and no words, spoken or written, are necessary.

It is interesting to study the faces of those who make up a fight crowd, a baseball crowd, a political rally, a theatrical presentation, a movie offering, or a musical event. In each are human beings with faces that contain volumes -- unwritten volumes, to be sure, but each offering credentials as to his identity. Everything that we think or do puts something into our face, in the same manner as the artist's brush puts something of himself into his picture.

Installation went well, with Worshipful Bob Hebner in the East doing a fine job as Installing Master. Right Worshipful Warren G. Trimble was there and he honored us by taking a seat in the East with us. Worshipful Marshall Ferguson was Installing Marshall, Worshipful Rocky VerStrete was Installing Chaplain, and Worshipful John Hutteman quietly ran the operation in the Middle West. This is a jewel of a man and Mason, this John Hutteman, and the way he handles Installation chores and ritual work are symptoms of that.

Right Worshipful John Dense provided the theme for Right Worshipful Warren's short address, which took the form of congratulations and commendations, since John has worked admirably to carry out the Grand Master's assignment on Masonic Education. Masonry is one of the most conservative organizations extant and this is ground-breaking work. John's conscientiousness will pay off for the Craft, especially in the coming years, with strong, knowledgeable Masons and leaders. Results from Operation Turnaround are starting to show up only now, I think, in participating lodges' candidate lists and in the nature of the strength of the junior members in the Masters and Wardens Association. We are all proud of John and look forward to seeing the results of his work.

Fame Lodge was quite distinguished in 1983 by the presence of fully three active Masters on our roster, all at the same time. They were Worshipful Marshall

Ferguson of Fame, Worshipful Bob Hebner of Hesperus Lodge in Bergen, and Worshipful Cy Kloner of Flower City. This could only have come about following the change of rules regarding dual membership in 1982.

Congratulations to David L. Palesky, our Junior Warden, for he has been elected Vice-President of the 1986 Masters' Association. Both he and his wife, Cindy, are enthusiastic about their responsibilities, which is one of the major reasons why he was elected.

Congratulations are also in order for our Junior Deacon Frank Jacobi, who is, in real life, Worthy Patron Francis P. Jacobi of Culver Chapter, O.E.S. this year. Frank has worked hard for this honor for several years now, and we all wish him the best of luck.

Brother Chester Slater passed away on July 4th, 1983. We are doubly dismayed because first, we will miss him and second, we knew nothing about his passing at the time. It was only in late December that we learned of it, and we can now only apologize and respectfully tender condolences to his family.

The Great Architect also called our Brother Elmer M. Ball to His side in January. Brother Elmer was 35 years as Mason. He was active for many of those years and we will feel his loss.

Brethren, as you know, we will need to replace the lodge officers' aprons and need your help to do so. The fund is almost at the point where we can order new aprons, and if you can give us a hand with a cheque we would be very appreciative.

Brethren:

The pre-Christmas elections of officers yielded the following results:

- Secretary Bro. Donald G. Moore
  - Treasurer R.W. Grodon Hoag
  - Jr. Warden W. Alex Arthur
  - Sr. Warden Bro. Kieth Fisher
- and of course, sitting in the East in this Orwellian year of 1984, yours truly.

I could let myself ramble on with "newspeak" and "doublethink" but rather than allow such persuasiveness, I am going to listen. Your lodge belongs to "you". Should you have anything to discuss please call me at 624-3548.

Trusting that I will see you in lodge; the meeting nights are the 2nd and 4th tuesday of the month. Our lodge opens at 8:00 P.M. We are located at 152 W. Commercial Street in the Village of East Rochester.

It is no longer necessary to bring raincoats or umbrellas to the Lodge room; nor do you have to worry about tripping over various containers which sat here and there on the lodge room floor. Our new roof with additional insulation is in place. The insulation was well worth the extra money; Brothers may now leave overcoats, blankets, foot warmers and so on, downstairs; needless to say, the additional room on the second floor, in absence of all this unnecessary clothing and paraphernalia allows us to seat dozens of extra people in the lodge room.

The only drawback to all this heat retention is that it has caused extensive discussions regarding the detrimental effects of "so much" heat on the members attending lodge; the fact that you can no longer see your breath in the lodge room does not indicate that you have ceased to breathe, but is only indicative that the temperature of the air is above the "dew point"; beside, I am certain that the snoring from the sidelines is a sure fire indication that the room is aglow with the warmth of Brotherly love and contentment.

By the way Brothers, be sure to make our next meeting, as it is certain to be very interesting

and loaded with heated discussions. It seems that there is a great difference of opinion as to the best location for our new five-ton roof-top Carrier Central Air Conditioning unit and should this issue come to a vote, your presence will be of paramount importance.

Trusting that you all had a great holiday, I'll see you in lodge.

**MASTER'S MESSAGE.**

On January 10th, 1984, in the presence of a huge throng at the Masonic Temple, including more than 60 visitors, among them delegations from Palestine from Lodge, Tornoto, Perseverance Lodge, Buffalo, and the Tartan Square Club of Rochester, I was formally installed as Worshipful Master of Flower City Lodge, by my father, R..W.. Maurice Solomon, assisted by Wor. Alfred Maizels, Palestine Lodge #559, G.R.C., and W. Grodon T. Dodge. Also participating in the ceremonies were Past Masters of Flower City Lodge: R.: W.: Philip Averbach, R.: W.: Myron Kleinberg, W.: Gerald Glaser, W.: Milton Axelrod, W.: Seymour Kopen, W.: Erwin Newell, W.: Gerald Greenberg, W.: Herbert Hirsch, W.: Stanley Weingart, W.: Sanford Hoffman, and W.: Jack Reitkopp. It was a pleasure to see so many Past Masters, including some who do not attend Lodge as frequently as we would like to see. I want to thank my father for a superb performance, which was acclaimed by all present, and the Past Masters who participated; and to all who attended this memorable meeting, with a special "thank-you" to my colleagues, the "Green Machine" masters of 1984. As I write this, our Public Installation has still not been held, but from all indications, we anticipate a "smashing success". I certainly hope so.

As of now, while we have no petitions, we do have several prospects, and we therefore anticipate degree work in the spring. In closing, I just want to say that for all we have planned for the coming year. I need your support. PLEASE! Don't tell me I have your support-SHOW ME! Remember, Actions speak louder than words. Thank you again for your attendance, and you may be assured of my untiring efforts for Flower City Lodge.

Fraternally,  
R. Adrian Solomon  
Worshipful Master

**CORINTHIAN TEMPLE LODGE**  
No. 805  
1st and 3rd Mondays

Thanks brother masons of the investiture group for putting on a marvelous, dignified service at the Temple on Dec. 29th for the 1984 Masters Elect. It was a good demonstration of leadership and the principles of the craft. You give much of your time and many evenings out, so that new MASTERS may be invested properly with the secrets of the chair. When dedicated brethren like to perform rituals properly, it shows that masonry will continue to flourish as the largest body of brotherly love in our nation. More of us masons should try to emulate your devotions to the craft.

Remember, masonry goes beyond the time when you were made a master mason. It is how long you extend your cable tow in the present by attending meetings and living the obligations you have taken in the past as a mason.

Prior to my being installed as Master, I was nervous and concerned about my conduct for that evening. Now that I have been installed in the East, I am more at ease. In our line of officers we have good men who will help run our Lodge properly and successfully in 1984.

When I was appointed a deacon by Worshipful Horace Porter, I only intended to help for that year. As I became more involved with lodge duties, I thought, perhaps one day I could become a master. That day came on Monday January 16th, 1984, when I was installed as Master by W.:Horace Porter the Installing Officer, who was assisted by D.D.G.M.R.W. Warren Trimble 2nd Monroe the Installing Marshall.

Due to previous commitments, illness, and other distractions some of our Past Masters were not present at my installation. Thank you Past Master R.:W.: Bertram Steene, Warren Trimble, Luther Webster, W.: Stanley Allen, Bernard Bonnington, Blair Cosman, Donald Fox, Horace Porter, Edward Shaw, George Shayler, James Smith, Raymond Unger Jr. and George Whitewell for taking part in installing our officers for 1984. The Past Masters made this evening a memorable one in my

life, one that I will remember forever.

I thank my brother 1984 Masters for attending my installation. The green coats had to spread themselves around to three different lodges that were having installations on the 16th of January. Those who were in attendance at my installation were W.: James Sterewe, Etoliam; Jay Riggs, Genesee Falls; John Lenzi, Churchville; Walter Whal, Germania; Gerald Jones, Clio; and R. Adrain Solomon, Flower City. It was good to see that line of green coats on the sideline.

Thank you my brethren for the honor to become Master of our Lodge. It will indeed be my pleasure and privilege to guide and govern our lodge towards a successful year.

Remember, this is your lodge as well as mine and how each member plans on supporting the officers in 1984 will show how weak or strong our lodge will become now and in the future. Extend your cabletows as masons by attending our meetings and participating in our lodge doings

There are many of us who pay our dues to the Lodge and think, "Well, I'm a Mason for another year." Masonry, remember, lies within your heart, not in your pocketbook. Why not become a participating Mason, rather than a card holding Mason by getting involved with your lodge meetings and social affairs. Join your fellow Brethren in good brotherly love and Fellowship on which Masonry is founded and is known to endure.

Watch and read the Masonic News for upcoming events, both at Lodge and outside of Lodge.

Remember our brotherhood fund.

Deeply do we mourn the

calling away of these esteemed friends from the cricle of our mystic Brotherhood, but as Masons we have faith that they have entered into a higher Brotherhood, there to share in the more important tasks and the enduring work of the Master of all good workmen. Brethren;

The Installation of Genesee Falls Lodge Officers was held on Thursday January 12, 1984. As Master, I would like to thank all the Brethren that attended.

The Installing Officers were: W. Lawrence Geith, Installing Master; R. W. Ronald Mertens, Installing Marshal; W. Harry Dewitt, Installing Chaplain. I would like to thank R.W. Robert Rudman, Grand Sword Bearer, 1st Monroe District; R. W. John Dense, Grand Director of Ceremonies, 2nd Monroe District; R.W. Wayne Slack, District Deputy Grand Master of the 1st Monroe District and R.W. Warren Trimble, District Deputy Grand Master of the 2nd Monroe District for taking the time from their very busy schedule to attend the Installation of Genesee Falls Officers.

On December 17, 1983 my wife Harriet and I and R.W. Ronald Mertens and his wife Barbara went on the Masonic Service Bureau trip to the Masonic Home in Utica. We stopped and saw Walter Close who was Genesee Falls Tiler for many years. He is doing very good.

We have a very active line of Officers for 1984 which I am very proud. They are: Senior Warden Harry Edick, Junior Warden Robert Uderitz, Secretary W. Lawrence Geith, Assistant Secretary W. Harry DeWitt, Treasurer W. George DeWitt, Senior Deacon John Bryce, Junior Deacon William McCabe, Senior Master of Ceremony James Gronin, Junior Master of Ceremony William Sutton, Marshal Terry Wihlen, Stewards Henry Meech and Christopher Dorland, Organist James Ratcliffe and Tiler Gerald Harradine.

Once again, my Brothers, it saddens me to report the Supreme Architect has called Brother Marshal W. Seemann on December 25, 1983, Brother Ellsworth S. Beeley on January 5, 1984 and W. Harold C. Perry on January 6, 1984 in Florida. The Lodge extends its thoughts and Prayers to their family and friends.

Brethren, please remember the Masonic Brotherhood Fund. This is an important part of Masonry. The contributions we as Masons give help to

support the Masonic Home in Utica and the Masonic Medical Research Laboratory. Please send your contribution to our Senior Warden Harry D. Edick, 45 Belmont Rd., Rochester N.Y. 14612. Thank you for your support of the Masonic Brotherhood Fund.

I recently received from Rt. Wor. MATTHEW L. GINGOLD, a copy of the 1971 Membership and By-Laws of Valley Lodge. Cost permitting, I would like to have a current issue published. Among the interesting items in this book are (1) Wor. MYRON L. DOX SR., (the father of Rt. Wor. MYRON L. DOX, Jr.) was Master in 1927, and (2) The oldest living Past Master is Wor. LOUIS B. FREER, who was Master in 1921, and now resides in California.

On December 29, 1983, I had the honor and pleasure of attending the Joint Investiture Service in the downtown Masonic Temple. It was a very impressive ceremony. Fellow Brothers from Valley who attended are: Rt. Wor. MYRON L. DOX, Rt. Wor. RALPH A. BIGGAR, and Wor. ARTHUR ZILINSKI.

**SICKNESS & DISTRESS:**

Br. EDWIN MILLER, after being in Strong Memorial Hospital for about 3 weeks, recovering from a mild stroke, is now at home. He is still unable to work. Knowing Brother ED, he would appreciate cards and telephone calls, at 30 White Hill Drive, Rochester 14625, telephone 381-585. Bro. GARY T. CASWELL, the "Old Work Horse", suffered a fall and injured his knee. (It is not serious enough to shoot him.) Fortunately, no bones are broken, but he does have painful torn ligaments. He is unable to work as his leg is encased in a steel brace and he gets around with the aid of crutches. He vows that "come h... or high water" he will attend the Open Installation on January 16, 1984. Please send cards or make telephone calls: 172 Norwich Dr. 14624, 594-4160. Our heartfelt condolences are extended to Wor. Bro. WILLIAM E. MINER on the passing of his father on Jan. 5, 1984. Wor. Bro. BILL, our thoughts are with you. BILL's address is 194 Grand Ave., Rochester 14609.

By the time you read this, the

Open Installation of Officers will have been held on January 16, 1984. A report will be made in the next issue. In as much as our new regular meeting room, on the second floor of the Temple, will be inadequate to accommodate the anticipated attendance of 100 people, the Wor. Bro. HARRY ELLENDER, and Brethren of Corinthian Temple, have graciously and generously agreed to switch meeting rooms for that night. They have offered us the use of their regular meeting hall, Doric Hall, and they will use our meeting room on the second floor for that evening. This is Brotherhood, and I am deeply grateful to Corinthian Temple for their magnanimous gesture.

Let's have a large turnout of Brothers on the sidelines for the meeting on February 6. The Officers and myself will be very happy to see you, especially those of you who do not attend too often. Attend your lodge!

My name is John W. Setley Master for 1984. It is an honor and I would like to thank all the brethren for electing me. I will do my best to merit your Confidence.

Installation night was 1/11/84. Dick Keehn was installing Master and Maynard Edmeston was installing Marshal. We are going to send each member program cards with all the officers names and other lodge information when the annual dues are mailed. This will provide each member with his own keepsake on the 1984 installation. If you don't receive a program card please ask for one and one will be sent.

We enjoy hearing from members who cannot attend meetings. All letters are read at the lodge meetings and by the faces of some members you can tell they have fond memories. Many times members at the meetings will tell the newer members about the good times the letters recalled. At the last meeting Mrs. Rogers letter was read and it was wonderful letter. The Lodge sure had beautiful memories about her and W. George D. Rogers.

We were saddened by the passing of two brothers. Brother Archie H. Ecott and Brother Robert E. Donald Who were long standing memvers of Ancient Craft Lodge.

Good news for the lodge in this second year of Operation Turn Around. We have three prospective candidates. Let's hope it works out

We are planning a picnic and bowling get together Dates will be announced later.

There will be a meeting at Frank Granata's on 1/25/84, for Past Masters and Officers. At this meeting we will discuss activites for 1984, it also will be used to discuss bussiness usually discussed at the Past Masters yearly dinner. Will update you with the important information in the March Newspaper.

For the months of January, February, and March of 1984 there will be only one meeting per month. It will be held the second Wednesday. The reason is to save on Temple expenses.

As the New Master I want to wish you a Happy New Year for 1984. If any member needs our assistance please feel free to contact the lodge.

Brethren:

You will soon be receiving a letter asking you to submit a name(s) of someone who might be interested in masonry. Think hard, my brothers, because the future of Craftsman Lodge depends on our obtaining new blood.

This year looks like it is off to a good start based on the large group going to the dinner/theater play. Our next major event is the dinner-meeting on Monday, March 19, 1984. Seneca Lodge will be joining us for dinner and an exciting evening is planned.

This year we are expanding our relations with Webster Lodge. We will join with them in several community projects and we will start an alternating joint dinner meeting similar to the one with Seneca which has lasted many years. This year on Sept. 6 we will join Webster Lodge for their opening fall meeting preceded by a dinner.

February 20th is bring a member night. Bring someone you have sponosred or raised. We will see who can bring out the most members. Lets get masonry on the move again. "Let masonry soar in 84" is the theme for the Grand Ball to be held at the Party House on Beahan Road on April 14th. This will be a special evening with much entertainment. Plan on it.

Northfield Lodge started 1984 with an excellent supper preceding our meeting. Our thanks to the Dirty Napkin for an excellent job.

Our meeting opened at 7:30, with all necessary business being conducted prior to the main agenda, that being the installation of Lodge officers for 1984. Installing Officer for the evening was R.: W.: Raymond Beardsley, with the assistance of W.: Jack Thibaut, installing marshall, and R.: W.: Harry Kennedy, installing chaplain. R.: W.: Beardsley is to be commended for doing the complete ceremony without aid of manual.

Following the installation, a reception was held at the home of the Beardsleys. Had a good time, and trust that everyone else did also. Many thanks to the Beardsleys for their hospitality.

**FROM THE SECRETARY**

We are sorry to report that Bro. Ambrose Wheaton's wife Mary died January 2, 1984. R:W: Frank Fulreader's wife Yetty suffered a stroke in the Genesee Hospital, she is improving slowly.

We had a large attendance at the Public Installation of Lodge Officers. R:W: Donald Leisten with only one hour warning became the Installing Officer and performed an excellent job.

Congratulations to the following Brothers who celebrate their Birthday in February: Wor. John Waldock 2/5; Arnold Stevens 2/6; George Moore 2/12; George Rowe 2/14; Peter Vander Hoeven 2/14; Wor. Gordon Wilson 2/20; George Barsky 2/21; Lincoln Drummond 2/24;

improvements, electrical improvements, and heating plant improvements. Due to the nature and immediate necessity, the heating plant improvements were approved and the new furnace was installed in December, 1983.

All parts of the proposals were discussed, with many questions asked and answers given. This was our first discussion of the building projects as a formal package, and in the near future we will be asking the lodge members for approval of the presented package or alternatives presented.

**Dear Berthren,**  
Greetings to all of you in warmer climates. How we envy you at this time of year!

The telephone committe has been busy contacting our members in the Rochester area. The results of these calls have, for the most part, been encouraging. However, some Brothers have said "Please don't bother to call again." This is unfortunate. I would hope that membership in our Fraternity means more to you than paying your dues and carrying a membership card or wearing a Masonic ring.

Worshipful Brother Ray Jay has been appointed Chairman of the Lodge Visiting Committee. He will be contacting most of you personally in the coming months.

Worshipful Brother Mike Lockhard is home recuperating from a recent snowmobiling accident. We hope that this will find you feeling better, Mike.

Congratulations to Right Worshipful Brother Bill Wood on his recent appointment as Worthy Patron of Monroe Chapter of the Eastern Star.

As you know, our meeting nights are now the second and fourth Monday of each month. This appears to have helped our attendance problem substantially. It was a real pleasure for your officers and me to see so many faces on the sidelines at our January meeting. Your regular attendance at meetings and social events will make a difference to the Lodge. Transportation is available for anybody who needs it.

Another year is upon us. The installation was accomplished on schedule. I would like to thank R.W. Frank Barret from the Grand Lodge of Ontario and W. William Von Glahn, Past Master of Euclid Lodge on Long Island, for their assistance. It was also good to see my cousin, Geroge Von Glahn, at the meeting. I was pleased to have a great delegation from the Tartan Square Club in attendance. After the installation there was a collation provided by Senior Deacon Michael Bell and my wife and children. Thanks, guys!

The February meeting will be under the direction of W. Frank Kelsey, a dedicated member and Past Master of Yonnonديو.

In March we will have a Scottish Rite presentation. W. Don Carlisle will sit in the East as he is the Representative to our Lodge from the Scottish Rite.

Sickness and Distress: It is good to know that Dr. McVey is recovering and will be out of the hospital soon. Long time Tiler, Don Ballou has broken his wrist. We hope it is not too uncomfortable for him. Mickey Rosner would like to have some visitors as he is housebound in need of our aid or sympathy should contact our Senior Warden, Bro. Emil Schirano (247-4480). He will report to the Lodge.

Candidates: We have begun to fill our coming class. Applications are due by the March meeting.

Masonic Education: Bro. Mike Bell is Chairman of our Masonic Education Committee.

Future: During the coming year we will be discussing the future of the Lodge: our relationship with the Temple, the option of another meeting location, possible merger with another Lodge.

Missing Brothers: Are you one?

Again as the winter has a firm grip on everyone we all look to the spring, and better days. Some of our brothers have been a victim of the bad weather, our tiler Don Ballou fell on the ice and broke his wrist. Don is resting well. We all wish Don a speedy recovery and hope to see him in lodge soon. Bro. Al Ulrup and Mickey Roessner were still reported as ill, we all wish them well and would encourage a call from a Brother. Bro. Doc. MacVay had hip surgery and is recovering. Bro. H. Dean Airys' wife Emily is feeling much better. A letter was received from brother Doug. Stevens and he is settling well in his new home in Virginia. Bro. Stan Fritz also living in Virginia is doing well.

A special note to all masons who have or will have sons attending college for this coming fall semester. Yonnonديو Lodge has available from The Donaldson Memorial Funds to assist the sons of masons to attend college. The Fund is

Administered by the trustees of this lodge. The student may use the fund for the entire time they attend college. You may obtain further details by contacting the secretary Lawrence K. Canfield. Notices are being prepared for all lodges to ensure the brothers are informed.

In closing, the lodge needs your help, remember your dues, it is important to keep the lodge financially strong. Remember your brothers, send a card or letter, and most important try and attend your lodge.

Dear Brothers

Winter is certainly upon us. As I write this it is snowing and we have at least 12 inches on the ground. In spite of the inconveniences of winter, there is something beautiful and exciting about snow. Taking advantage of this Stan Morey(225-2316) Dick Shellman (671-3365) and Jack Van Elzaker are planning a Family Snow Party on Sat. Feb. 4 at Hazelwood Lodge-Ellison Park from 1:00 until-. Come and enjoy a fine winter party. For those who like it warm, We have been promised a roaring fire in the Cabin. At our Feb. 13 meeting we will have a demonstration of video equipment. Come and see what's new on the market.

Seneca brothers have been asked by W Bro. Ray Whitley if we would be interested in helping with selling programs at the Shrine Circus. Any brother who can give just a little time to help can contact Bro. Rich Townsend at 223-8728. The rewards of knowing you're helping a burned or disabled child are great. Try it! Seneca Lodge is going to visit Craftsman Lodge on March 19. Please plan to attend our annual exchange visit.

Looking ahead, please mark your calendars for our annual Ladies night Dinner dance on May 12 at The Century Club. Bro. Paul Vick is promising an exciting evening for all.

As you can see, we have a lot of activities planned. We have provided the events, now we need you. I'm sure you will find fun filled fellowship. Come!

February is the month of hearts and Cupids with Arrows, trying to snare some-one.

It is the month which includes Valentine's day, so we send messages to those we love.

Love is a strange thing to explain but you can show your love to your sick and shut-in brothers by calling them. Let your brotherly love prevail.

As this is written before the dinner and insatiation of officers on Jan. 11, 1984, we cannot write about something that is about to happen.

Germania's Past Master's dinner on Jan. 8th, at Maplewood Inn was attended by 15 Past Master and the Master and Senior Warden.

We had a delightful evening, with the usual swapping of experiences "of life in Germania" some of which has to be taken with a grain of salt.

Business Officers for 1984 are as follows

W B - Walter E. Wahl, Master;

Douglas Spencer, Senior Warden;

Paul Krueger, Junior Warden;

W B - John Foster, Secretary;

W B - Donald Freeman, Treasurer;

Nelson Bertch, Senior Deacon;

Bruce Howland, Junior Deacon;

W B Heinz Gunkel, Tiler;

W B Robert Dibble, Chaplain;

W B Rocert Cook, Organist;

We are planning a booth for the 150th Anniversary of the City of Rochester. A committee has been appointed which consists of the trustees of Germania Lodge.

There are three major events coming up which I am very excited about. On Feb. 10th we will host the School of Ritual at 7:30 P.M. We have missed the banner the past two years by one and two people respectfully so I am looking forward to getting off to a good start. I am sure that win or lose Etolian has truly benefitted from our efforts and our Lodge work proves it. Let's keep the tradition! I would also like to challenge the other Lodges to come out and participate. On Feb. 18th our winter party will be held at Forstridge Ski Center at 5:30 P.M. Bring a dish to pass and enjoy the skiing, card playing and good Fellowship. A special thanks to w/Bro. John Mattern for his hospitality. On March 10th is Ladies night at the Lodge on the Green. Cocktails at 6:30 P.M. Dinner at 7:30 P.M. There will be four Lodges participating so tickets will be limited please order early. The music will be provided by Bro. James Barker and his group.

Remember our regular communications need your attendance and support and so do your officers and myself.

Companions,

It is with great sadness that I must inform you of the passing of two of our members, Companion Frank Pucci and Excellent Companion Joel Johnson. I visited Myrtle Johnson, and she is doing well. I'm sure she would enjoy hearing from some of the companions, especially those that knew Joel so well. I am glad to hear that Excellent Companion Herman Sarachan is progressing well after eye surgery. This operation apparently has helped to restore sight to one eye. I hope to visit Right Excellent Bill Plews in the next two weeks, and I will report on his condition. I also understand that our Sentinel, Excellent Don Ballou, has suffered a fall and broken his wrist. We wish him a speedy recovery, and hope to see him back soon.

I would like to thank Most Excellent Frank Allen, Right Excellent Hal Miller and Right Excellent Horace Denton for conducting the public installation of the new officers on Sunday January, 15th. I hope that all who were there enjoyed the ceremonies and reception. Our intent was that you might have a better understanding of the purpose of Royal Arch Masonry. I would also like to thank all the other Past High Priests and Meritorious Companions who assisted the installing team. A special thank you to Meritorious Companion Dave Cordy for the organ music, and to Brother Bill Kerber for the beautiful solos. I would also like to thank my wife Marty, my mother Evelyn, and Linda Zahn for their work in organizing the reception.

I would like to offer a few observations. It is very easy for us to join Masonry, especially the concordant bodies, pay our dues every year, and then never come to another meeting. But what is that doing for us, or more importantly, for Masonry. Our organizations, Blue Lodge included, are suffering from member disinterest. Officers are becoming frustrated. Programs are disappearing. Membership is dropping. One person can't change that by himself. Neither can a group of officers. Only the membership of an organization pulling together can make things work. Royal Arch Masonry is a vital part of your Masonic background. I believe that Hamilton Chapter can be a source of information and fellowship for all its members. That is the one goal I want to accomplish this year. To make that happen, I need your help. The February meeting will be a chance for you to express your thoughts on what you would like to see the Chapter do for you. What can we offer you, that would make you rather come to a meeting, than anything else you could do? What are your interests? I would ask that you join us for

dinner at our next meeting on February 9th. Dinner will be at 6:30 p.m. in the 3rd floor dining room. We will hold a session to get ideas from you about what we should offer our members this year. Please call the Scribe, Companion Don Wright for your dinner reservation. His number is 621-5764. We look forward to seeing you there.

High Priest**

**IONIC CHAPTER  
No. 210  
ROYAL ARCH MASONS  
2nd and 4th Tuesdays**

We had our first meeting of the Officers of our Chapter on Jan. 3rd 1984 at the home of our H.P. Robert P. Zabel. The evening was very well enjoyed by all. Business was good and a lot of things was accomplished for the Chapter. There were 11 members present. Too the Zabel's for opening up their home for us, THANKS. Will do it again some time.

The Jan. meeting was held on Jan. 10th 1984 and I was not able to be there as well as some of the others. Too many conflicts that night. But we still had a meeting and things of importance were accomplished. Putting events in two weeks in the month that usually take in the four weeks is almost too much.

In Feb. our meeting will be on the 13th and as far as we know now in Ionic Hall, 3rd floor. Read bulletin board in Lobby. We will have rehearsal for the M.E.M. degree under the direction of E. Horace C. Porter. Please all be present as we have candidates coming for the degree in March.

Coming in March for degree is the following: The M.M. & P.M. degree in Ionic Hall at 7:30 PM. Rochester, NY. The date is 8th 1984. On March 13th 1984 the M.E.M. degree will be in Cathedral Hall, Rochester, NY. at 7:30 PM. The H.R.A. degree will be on the 27th 1984 at the Masonic Temple in Webster, NY. Time is 7:30 PM. Candidates will be notified in time for each.

Under Sickness and Distress we have R.E. Stanley V. Peterson who has just had a Hernia operation and is back home at this time. Doing well but quite sore. E. Donald S. Ballou had a fall and broke his right wrist and will have it in a cast for about 6 weeks. It pays to keep off the ice if possible. Ha! Ha! Don't always work that way though. No other new sickness that I know of. Under deaths we have one that we loved very much and will really miss him. E. William C. Angold passed to the other side on Dec. 31st 1983. He joined our Chapter in the year of 1949 and was H.P. in the year of 1955. Was our Chaplain in the Chapter. Cards and sympathy were sent to the family from all.

The dues is coming in real well at this time. Keep it up. Thanks.

Please everyone take notice again of the degree in March. If

Brethren:

I was pleased by the great support offered by the Past Masters at both investiture services in December and at my installation on January 9th

Under the leadership of W: Donald Brugger and R:W: Robert Zabel the participating Past Master did a very impressive job. I am sure that I speak for all the officers as well as myself when I say that we will all do our very best to live up to the expectations of the members.

Our January 23rd meeting was short in order that our wives and friends could join us for a talk arranged by Bro: Carl Busak on the donation of body parts.

The February 13th meeting will be our annual Euchre Tournament with fame Lodge. We have been the winner for the last two years and we want to extend our streak. if you do not have a partner, come anyway and we will arrange one for you.

If all goes well, the second meeting in February, on the 27th, will be the conferral of the 1st degree on a new class of candidates. Remember - we need petitions.

Something else to remember - our good Secretary, W: Frank Denton has asked me to remind all of you that your dues are due. If you have not already sent your dues, please do so just as soon as possible. Lodge operations are financed by your dues and we need them promptly.

I look forward to seeing all of you in Lodge during the coming year

At this writing W; Brother Derek Wiseman is in intensive care in St. Mary's Hospital. Our prayers are with him and his family and we trust that we may shortly hear of an improvement in his condition.

We hope that you all managed to find our column in last month's News. We received a number of questions asking when we had joined Oaka Lodge.

Believe that is all for now except this: "Let thine heart keep My commandments: for length of day, and long life, and peace, shall they add to thee." Please read again. Have fun till next time.

At our conclave on Jan. 13th 1984 we had the reading of reports for the preceding year 1983. Had a good conclave that night and were pleased with the results of all the reports that were given. It is good to hear what took place the preceding year. Corrections if needed can be brought up and made for the better of the Commandery.

Not too early to talk about the Easter Sunrise Service this year. This year Easter will be on April 22nd 1984. The events will be published in the next Issue of the Monroe Masonic News. Keep in touch and read about it. If you can go, it will be a wonderful experience for you and your family.

Our February Conclave will be on Feb. 10th 1984 that being the second Friday. Hopefully in Ionic Hall at 8 PM. May change so read the bulletin board in Lobby. We will have full form opening and rehearsal. If contacted to take part please do.

We have no new sickness but we have one death to report at this time. S.K. William C. Angold passed away to the Great Beyond on Dec. 31st 1983. He joined the Commandery in the year of 1956. He was made Gr. Rep. to the St. of Arizona in 1978. He also was life member in the eye foundation and the year was 1979. He was our Chaplain for a number of years. We will miss his presence for a long time to come. We ask that God be with his wife Nel and family and all relatives. He was deeply loved by all.

Our dues is coming in but if you have not done so as yet please do so ASAP. Thanks.

To all members. Candidates are the life of the Commandery or any Fraternal organization. Can not keep going without them. Keep your eyes and ears tuned for prospects. They are there and all we need do is find them and ask them. Please do so.

The Schicker Club will also meet that night and have their good time together. They enjoy getting together like that.

Believe that is all for this time expect this: "And if ye know that He hears us, Whatsoever we ask, we know that we have the petitions that we desire of Him." Have fun till next time.
