My wife and I have been looking forward to this for the last three years. I will have a report for you when I return.

Brethren, Summertime is approaching fast and that means the Lodge will be dark for the months of July, August, and the first meeting in September however Brothers that does not mean our activities will stop. Make sure you put these dates on calendar, our annual golf tournament with Charlotte Lodge will be held June 29th at Victor Hills Country Club, cost is \$15.00 this includes camels milk, soft drinks and prizes. Another date to put on your calendar is August 17th, this will be our annual picnic and will be held at Ellison park time will be 12:00 noon till. Our picnic chairman Douglas McBean and his assistant Gerry Brugger have put alot of time in preparing this picnic, they will be making calls to give more information. Yonnondio Lodge #163 F.&A.M. Supports The Lady

The Statue of Liberty Fund Drive is alive and well in Yonnondio Lodge. Brother NEIL CASSATA pictured here has devised a different way to raise money for the SAVE THE LADY FUND DRIVE. A RETURN FOR YOUR INVESTMENT. The hat Brother Cassata is holding can be purchased for \$5.00. The Hat is blue and white and the lettering says "MASONRY SUPPORTS THE LADY" To date over 100 have been sold and the orders are still coming in. Brother Cassata has visited many Lodges and plans to visit several more. Profits will go to the Statue of Liberty Fund Drive, which in the 1st. Monroe District is under the Direction of H. Fritz Frederick. As a brief note Brother Cassata has only been a member for 1 year. We need more of this enthusiasm to keep the Fraternity alive. He is to be commended for this effort. So take a moment and buy a hat for the Lady.

Brother Michael Bell will be in the East to confer the 2nd Degree please come and give us your support.

At this time I would like to say thank you to the Shrine Past Masters Degree Team for great job they did in putting on both sections of the 3rd degree, its always a pleasure to watch. It was a pleasure to see so many Brothers at our 3rd Degree. I was so proud that when our newly raised Brothers were brought to light that there were so many Brothers to greet them. I would also like to say thank you to all of our Brothers who came for the first time in a long while, I think you know now that Yonnondio Lodge is alive and well.

We had a pleasant surprise that evening also W.: Wor. Harold E. Weiser made a special trip up from Florida to see the 3rd Degree and to watch the Shrine Past Masters Degree Team as he was a member for years and wanted to say hello to his many friends. As you know Brother Weiser moved to Florida about two years ago, and it was real nice to see him again.

I was saving the best news for

NEWS AND VIEWS

Believe it nor not, a column was written for publication in the May issue of the Masonic News. However, man proposes and the Lord disposes. Perhaps we shouldn't blame the Lord, but it was disposed of in some unknown fashion.

On a serious note, we wish to extend sincere condolences to W: John Rees on the death of his Mother last month in Wales. Those who met Katie when she visited Rochester last year found her to be a delightful person, and she will be sorely missed by her family and her host of friends here in the States.

Belated congratulations to Bro. Ernest Child and his wife Valerie on the birth of their baby daughter last December. You might know that Ernie works for the IRS — a whole year's deduction!!

Brother Les Russell and his wife Ivy have once again departed for permanent residence in Great Britain. Don't move again right away Les — we hope to visit you shortly.

Our sincere congratulations to W: Frank Denton on his receiving the Dedicated Service Award. While you did not get your picture on the front page of the Masonic News last month, we bet that you were the only one in the Monroes to receive it from the hands of the Deputy Grand Master, R.:W.: Robert C. Singer, with the Deputy Grand Master of the Province of Ontario in attendance.

THANK YOU CARD

Charles and I wish to thank the members of Wakan Lodge, and the Masonic Fraternity for its many kindnesses to Amina, and the support given the family during her long illness. Our profound gratitude to each and every one of you.

John Tijou

We are very pleased to hear that R.:W.: Charles Thompson and his wife Helen are both on the road to recovery. R.:W.: Charles had an operation for the restructuring of a hernia, and Helen suffered a very severe heart attack and is currently recuperating at Rochester General Hospital.

W.: Robert Nichols is home and doing well following a short stay in the hospital. A combination of Jean's auto accident in Florida and too much sniffing the fertilizer did him in. At our age, Bob, the key is moderation in all things.

Your writer is glad that this is the last edition for the Spring session because R.:W.: Robert Pettit and his wife Belva are leaving for a visit in Wisconsin and if I had to write another column without his close supervision, I don't think I could stand another lecture like the one I received the last time I wrote a column alone. The lecture was well deserved I am informed as I write this.

R.:W.: Joseph Savage and his wife Poppy are visiting in England and Ireland and should return about the 11th of the month.

Your writer and R.:W.: Robert Pettit and W: Cecil Holden were invited to speak on Masonry and the Morgan Affair at Roberts Wesleyan College last month. We believe this is the first time anyone had been asked to speak on these subjects there, and we were proud to represent Our Great Fraternity.

Bro. Steve Laiosa was playing catch with Jim Paulino last month and managed to break his ankle. It shows what happens when we do not give due consideration to our age.

The Secretary has called our attention to the fact that there are 10 brothers two years in arrears and 28 who have not paid the current year's dues. Brethren, your dues are what make the operation of the Lodge and its social events possible. You know who you are — please sit down right now and send in your checks.

We Won The Tournament Spade From Charlotte

Our spring has been full of activity. The side lines have been getting fuller and the lodge is on the move. This is really gratifying.

On April 30th we took the tournament spade away from Charlotte Lodge in the Euchre Tournament. It was a real battle and a grand time was had by all. First Place honors went to W.: Ken Rhodes and Bro. George Neighbors (it seems the less Ken knows about a game the better he plays). Second place went to W.: Charles Thompson and W.: Me (the ball and chain). Third place we had to give to Charlotte so W.: Keith Stambach and Bro. Ron Langworthy managed to get it. Now — Mark your calendar for Oct. 29, 1985, for a rematch. These Charlotte guys didn't learn thier lesson yet. They want more instruction.

Our May meetings have not been held as of this waiting but I am sure move up night will be or was good and our Past Masters and brotherly reunion night was a big hit.

June has only one meeting which is our annual "Strawberry Festival and Crazy Sport Shirt Nite." This year the strawberries and ice cream are being donated through the generosity of Bro. Vince Patane and his Carvel ice cream store (Culver at Atlantic). It will be a fun evening with our wives or sweethearts invited as guests. The attire is casual. Last year we all played miniature golf afterwards. If you would like we can do it again this year.

That about covers our spring activities. The annual family

picnic is planned for August 4, 1985. Mark the date down and PLEASE NOTE *It will start at 8:00 AM in Churchville Park*. We are trying something new (again!!) It is going to be a breakfast picnic with sweetrolls, coffee, bacon, ham, eggs and fried potatoes all cooked outdoors. If you have never had this type of a breakfast picnic you haven't lived. Believe me, it is beautiful. The rest of the day is yours to do with as you wish. Please help me make this a big success. Oh yes coffee will be waiting when you get there.

Let me take this opportunity to really give my heartfelt thanks to all who have helped and supported me through the first half of the year. I really do appreciate each and everyone of you. I would like to wish everyone the safest, happiest and most enjoyable summer ever. Please, stay well.

P.S. Plan on attending the very first meeting in September. I promise you "live" entertainment like most of you have never seen before. No kidding. More about this in the September issue of our Fabulous Monroe Masonic News.

A Young Lady Needs Our Help

Brethren and Sisters of the Monroe Masonic Family:

There is a Monroe County Youth in need of help. We as Masons and Eastern Stars can help. The members of the Masonic Youth Committee have voted unanimously to support contributions for this need and urge you to consider the accompany request and to respond as quickly and as generously as within your means.

The request for help, is for a seventeen year old young lady, Ellen McCormick, a member of the American International Student Exchange program. Ellen is scheduled to go to Spain in August on a cultural student exchange, but will be unable to go unless additional funding of nearly \$800.00 is raised.

As both of her grandfathers were active Masons (Monroe Lodge and Corinthian Lodge), we, as members of the same family should be willing — and eager — to contribute to the relief of one of our own. The committee, and I, as Chairman, urge you to consider carefully our reason for being as you consider her request. Donations of any size may be forwarded directly to Mrs. Shirley Monnier, AISE, 36 Barry Street, Brockport, New York 14420. All donations should be received prior to the end of May.

Fraternally,

June has arrived and its time to start enjoying the warm weather. Before you set aside your lodge activities, we have some events coming up for everybody to enjoy, along with other requiring our time and hard work.

First, lets think about the joint picnic with the OES on Sunday, June 30th. It will be held at Webster Park, in the Lake Side Shelter #2, starting at 1:00 P.M. eating about 4:00 P.M.

If you have any lawn games everybody will enjoy, bring them along. Also you can go down to the lake swimming or just sit around and relax. Everybody is asked to bring a dish to pass and your own meat. Also please bring your own beer, etc., non-alcoholic beverages will be provided. If you are not making a reservation through the OES, please call Bro. Dwight Turner at 377-5750 to let us know what you are bringing.

June also has our annual Village Days festivities. Our JW Bro. Dwight Turner will be contacting everybody to get workers. Time slots are set up for those that might only have a few hours available to help us. Any time or day you are available will be appreciated. The more workers we have, the easier it will be for everybody. This year the event will be on June 13th, 14th and 15th. This is one week later than in the past.

July 4th Celebration in Perinton Park will also be a big event this year, if tentative plans are confirmed.

For this event, we set up on the evening of the 3rd, and clean up the evening of July 4th. Your help and time will be appreciated for this one-day event that should be bigger and better than any in the past.

Our June meeting will be short business meetings on the 10th and 24th. June being a warm month, wear sport shirts for both meetings.

So that you will know what is coming up in the fall, our first meeting will be September 9th, and will be our Past Masters Night. Our second meeting on September 23rd, will start our second class and be a first degree. We have a candidate waiting to start, and a second candidate who started in the spring but couldn't complete the degrees at that time.

I look forward to working with you and seeing you at the joint picnic. I hope everybody enjoys and has a safe summer.

Fraternally,

Dear Brethren:

Corinthian Temple Lodge #805 is now in summer recess for June, July and August. Meetings will resume September 16th for the Fall schedule. We all look forward to seeing those brothers returning from their summer vacations.

For those brothers interested, Valley Lodge is hosting a Strawberry Festival June 17th following their evening meeting at the Temple, Corinthian brothers are invited.

Your Master and Lady attended Grand Lodge May 6 through 9th for the election of Officers and regularly scheduled business. Time and space doesn't permit all the business transacted at Grand Lodge in this report.

Save July 20th for our annual Workers Outing hosted by Mabel and Jim Giselson who graciously have offered their home for this yearly occasion.

August 17th is Family Day planned for the residents of the Utica Home. If possible, plan on attending and enjoy an outing with the residents of the Home. Further information to be made available in subsequent communications.

Have an enjoyable summer, see you all in the Fall.

The 204th Grand Lodge Communication in New York is now history, and the tired feet, etc. of attendees (and their spouses) are nearly forgotten by now. I was moved this year by the number of activities in which your Grand Lodge is deeply, and properly involved. So many things that it makes one proud to be a Mason, and I hope you'll take the time to read the Grand Master's Address which is normally printed in the Empire State Mason magazine, to get a feel for these activities.

Many would feel the dozens of committee reports to be rather boring, or even unnecessary, but they really help to describe the work going on unseen by many people in our Grand Lodge for the benefit of all Masons.

A very lively issue at this year's Communication was that of a necessity to financially help Grand Lodge via a dues increase for 1987. It was narrowly passed by an emotionally charged vote, but I would simply say that if we expect our Grand Lodge to be a healthy, strong and worthwhile organization we should look at the many accomplishments being attempted and ask ourselves if this isn't what Masonry is really all about. For the record, I supported the resolution, which of course must be voted upon again in 1986.

This past year was certainly an exceptional and enjoyable learning experience for me and I only regret I didn't have enough

hours in the day to accomplish everything desired. I hope that the project on "Communications" will be looked at as a starting point from which to build and continue to improve upon, and I see alot of light starting to show at the end of some long tunnels. Lodge Communication's Representatives, Masters, and Wardens, keep up the good work!!

It certainly was a pleasure working in the Second Monroe District with R.W.: Ken Buckland this past year, and together we have shared many enjoyable Masonic functions. Many thanks Ken for the support, as well as the independence.

It has also been good working and traveling with R.W.: Keith Masten and R.W.: Wally Losinger in the "Other" Monroe District, and we have similarly shared many Masonic functions and memories together.

To my Brothers of Churchville Lodge #667, a great big thanks for your support and confidence, and I hope you will always know the affection I have for each and everyone of you.

Last, but certainly not least, I wish to express my public appreciation to my loving wife, Doris, for all her help and patience this year, and for being at my side for so many activities this year. It was a lot of fun for both of us, as well as our family.

Many thanks to all.

Red Cross Blood Drive August 23rd

Brethren,

The month of April was a busy one for us, starting with a visit to Stanley Lodge No. 426 A.F.&A.M. in Toronto, Canada. The purpose of the trip was to witness the installation of Wor. Bro. George (Nick) Moore as Master, and his Lodge Officers. We were as usual well received and had an enjoyable time. Our visits with Stanley Lodge always remind me of how fortunate we are to belong to the Masonic fraternity which is enjoyed worldwide.

April 8th was our annual Family Night Dinner. I was pleased to see so many in attendance and hope everyone enjoyed the dish to pass dinner and talk on metal detecting. My thanks to Bro. Charles Dyer for all his efforts and help in the kitchen.

Our first of two Community Breakfast was held on Sunday the 14th. If you weren't one of the many in attendance, you missed a fine meal. Bro. and Mrs. Gene Brendel, and all who helped them, deserve our thanks.

Wor. Bros. Bill Baldwin and Jim Stuewe arranged a visit to Avon Springs Lodge. After a filling dinner at Georgios, we attended Lodge and heard a short talk on Masonry in Michigan. The Master of Avon Springs Lodge, Wor. Bro. Steve Vanderbilt is the son of Bro. Earl Vanderbilt, a member of Etolian Lodge, who now resides in Colorado. About eleven members turned out for this fun evening of the 18th. We extended an invitation to Avon Springs to visit with us, sometime in the future.

Congratulations to our newly raised Brothers, Bros. Michael Corke, James Farnsworth, and Dennis Miller. We welcome you to this Great Fraternity and Etolian Lodge and invite you to get involved and take part in our many activities. The Third Degree was performed by the Shrine Past Masters Degree Team on the 22nd. Our thanks to Mary Pixley and Etolian Chapter O.E.S. for the chicken pie dinner and all the fixings that preceded the degree.

Wor. Bro. Dennis Huffman was in charge of the Euchre Tournament with Hesperus, Clio, Churchville, and Etolian Lodges. Reports to me indicated a good time was had by all.

Happenings for the month of June are as follows:

June 10th will be Past Masters Night under the direction of Wor. Bro. Russ Holmes. Attendance awards will be presented and a contest held for the

August is Masonic Blood Donor Month

Lets Fill Our Goal, 600 Pints of Blood Needed

So often we hear people say what a wonderful feeling they received in doing something good for someone. Give yourself the opportunity to have that wonderful feeling by donating your blood or encouraging a friend, neighbor or relative to donate their blood at a time when the Red Cross is most in need to meet the demands of the many hospitals in this area — during the summer vacation season.

The committee on the Grand Lodge Blood Donor Program has been trying each year to make it easier for more people to participate in this program by encouraging more lodges in various locations in the two Monroe Districts to sponsor separate drives. This year nine different lodges have agreed to help reach our goal of 600 pints total.

Selected the lodge geographically closest to you and help them to accomplish their mission.

- Aug. 12 — Charlotte Lodge at the Greece Town Hall.
 - Aug. 13 — Clio Lodge at their lodge in Hilton.
 - Aug. 15 & 16 — Webster Lodge at their lodge in Webster.
 - Aug. 15 & 16 — Northfield Lodge at their lodge in Pittsford.
 - Aug. 19 — Union Star Lodge at their lodge in Honeoye Falls.
 - Aug. 20 — Churchville Lodge at a Churchville Church to be announced.
 - Aug. 21 — Fairport Lodge at their lodge in Fairport.
 - Aug. 23 — Etolian Lodge at their lodge in Spencerport.

most colorful sport shirt. This promises to be a fun evening, and I look forward to seeing you then.

June 17th will be our annual picnic at Churchville Park. Note that it is not the 24th as stated in the Trestleboard. The starting time is 5:30 P.M. Bring a dish to pass, a hearty appetite, and festive mind. This is a fun time for children of all ages. Let's offer Bro. Jim Barker a helping hand with this one.

As you know, the Lodge will be dark during the summer months of July and August, but fear not, events are still planned. Etolian Lodge will again sell french fries at the Spencerport Canal Days. The Red Cross Blood Drive is planned for August 23rd, at the Lodge Hall. Help will be needed at these two events. Let's not leave the work to the same people. I am also in touch with a Lodge in the Niagara-Orleans District to notify me of the time and place of their Quarry Degree. If you are interested in these summer activities, call any lodge officer for information and I will keep them informed with call downs.

If you are in possession of any petitions, please present them no later than June 10th so that we will have time to act on them.

WAGES

Masonic labor is purely a labor of love. He who seeks to draw Masonic wages in gold or silver will be disappointed. The wages of a Mason are earned and paid in their dealings with one another: sympathy begets sympathy, kindness begets kindness, helpfulness begets helpfulness, and these are the wages of a Mason.

Brethren;

The thanks of the Lodge goes out to Bo Medlin; Otis King, Wayne W. Slack, and Jessie Matteson, for a job well done, for preparing, cooking, and putting on Penfields Sunday Brunch on April 21st. It was a great success due to the efforts of these brethren. A special thanks goes out to the Slack connection for their large ticket sales.

Our only meeting in June, before the summer break, will be June 4th. This will be our annual Sport Shirt Night and Steak Dinner. Our telephone committee will be contacting you for your reservation. It is a must that you have a reservation for this dinner, if you are planning to attend. For a reservation please contact our Junior Warden Jessie Matterson.

On August 4th we will be having our Summer picnic at Ellison Park again this year. The telephone committee will be contacting each member with the details. Remember to set aside this date, as it is a good time had by all.

My thanks go out to R.W. Wayne Slack, for attending Grand Lodge as Penfields representative. Due to my work requirements I was unable to attend Grand Lodge. By Penfield sending R.W. Wayne Slack, we were represented well again this year.

I would like to thank Penfield Union Lodges Trustees and Officers for their efforts and work which they did in the first half of the year. It shows that when a team pulls together as a group many things can be accomplished.

This year our first meeting for the second part of the year will be on September 17th.

Word has it that our Senior Warden Bill Segar, is now home from the hospital and doing well. From now on Bill stay close to the ground. W. Don Morgan is now back to work part time and is feeling better.

Sport Shirt Night, Hot Dog Roast To Be June 6th

Brethren:

My apologies to the brethren of the Lodge for not having an article in last month's news. My congratulations to the editor of the news for adhering to the deadline and for the interesting and varying format to be found in the News.

Congratulations are in order to Bro. Wiles Converse for a number of reasons. First and foremost for an excellent 2nd degree by both he and his staff. They were perfect. Wiles also had charge of our Ladies night which was very successful and enjoyable. Thanks for all your time and effort Bro. Wiles. Our annual Communion Service and breakfast was held on April 28th at the United Church of Pittsford. Many thanks to the Rev. Susan Maybeck for leading us in worship and to everyone who helped on the breakfast. It was enjoyed by all.

June 6th will be Sport Shirt night and a hot dog roast. This will be our last meeting before summer recess. Please try and attend as this is where plans for the Strawberry Festival are finalized. We also need to discuss the picnic.

June 7th will be the retirement dinner for our Grand Officers. It will be held at the Party House on Behan Rd. I would like to see a big turnout for this event. Our officers work hard for us all year so let's show them some measure of appreciation. Cost of above is \$12.00 and reservations should be made with me.

On June 22nd we will have a clean-up day, inside and out. This takes alot of work. The more helpers the easier the work and the faster it gets done. So please put this date on your calendar and come if only for an hour or two.

The last event for the month is our annual Strawberry Festival on the 27th. Again we will need alot of help, both early in the day to hull berries and help set up and then at night to cook, serve and clean up.

Linda and I just returned from Grand Lodge. We had a beautiful trip. Too the train along with fifty some others and we had our own car which made it even more enjoyable. Many thanks to W.: Herb Spencer of Valley Lodge for doing all the planning. I will have my report at the June 6th meeting.

Don't forget Pittsford's Colonial Days! In the past they have run for 3 days, but are being cut back to 2 this year. However, we will still have the sausage stand for 3 days, Fri.-Sun., May 31st-June 2nd. We will set up the stand on Thursday evening, May 30th and will need help doing so. Also, it takes alot of man and woman power to keep the stand functioning smoothly, so please plan on giving us a few hours of your time. There are sit down

It is on a sad note that I must inform you of the passing of Worshipful Norman Hegadorn. W.: Brother Norm was called home by the Grand Architect of the Universe on May 4, 1985. I know we will all miss him.

Our annual Corn and Sausage Roast will be held at W.: Norm Routly on August 11. If you wish to make reservations now, please call one of the officers. More on this later.

Our first meeting for the fall will be September 11. This will be a combination Past Masters night and awards night. As always, meeting time is 7:30 p.m.

This will be my last column till September. So I will wish you all a good summer. And I know I will see you in lodge.

Grand Representative Of Four States

By Ronald Mertens

In January, 1983 the Monroe Masonic News carried an article about R.:W.: Ralph A. Biggar and his appointment as a Grand Representative. The article pointed out the fact that he was a Grand Representative of the Grand Lodge of North Carolina near the Grand Lodge of New York as well as a Grand Representative of the Grand Commandery of West Virginia to the Grand Commandery of New York.

Since that time two other appointments have been conferred upon our distinguished brother. He is also now the Grand Representative of the Grand Chapter of Arizona to the Grand Chapter of New York (Royal Arch) and the Grand Representative of the Grand Council of Illinois to the Grand Council of New York. This means that he may be addressed as Right Worshipful, Right Excellent, Right Illustrious and Right Eminent all at the same time!

The Grand Lecturers Convention was held on May 14th 1985 at the Masonic Temple in Dansville, NY. R.E. Hobert C. Cook is the Grand Lecturer. There were 43 Comp. present. A dinner was held before the meeting. The Holy Royal Arch Degree was presented by a team under the direction of V.E. Horace C. Porter, Assistant Grand Lecturer of Ionic Chapter #210. It was a very good meeting and everyone was well pleased with the way it went.

Ionic Chapter #210 will be the Host for the Council Officers meeting to be held on June 15th 1985. You will all be notified of the place.

The Cruise for the Chapter in June is still under the preparation period. Not definite as yet so you will be notified of what will take place.

R.E. Stanley V. Peterson's Official Visit to Ionic Chapter #210 was held on May 28th 1985. More about that in the next issue.

There will be no meetings in June for the Chapter. Our meeting in Sept. is the 24th 1985. Held in Doric Hall at 7:30 PM.

At the Gr. Lecturers Convention the York Rite Man of the Year Award from the Genesee York Rite College #25 was presented to Comp. Richard E. Eades of Dansville Chapter #91. It was presented to him by V.E. Horace C. Porter.

The Genesee York Rite College #25 will have their Annual meeting in Webster Masonic Temple on June 8th 1985. You should have all received letters before now. This is a reminder.

Our Ex. H.P. Ronald J. Bertie and his wife wish all of you a happy and a safe summer vacation during the recess period.

We have no new sickness or deaths to report at this time. Please send cards or pay them a visit. Deeply appreciated.

The dues is still coming in and if you have not done so please take time to make it out. Thanks.

Believe that is all for this time except this saying: "Jesus said, Something good is going to happen to you." Let's all believe that. Have fun till next time.

Chartered in 1819

**Greetings Companions:**

I must apologize for not having had an article in the May issue of the Monroe Masonic News. The deadline always seems to sneak up on one and last month we were participating in the Masonic Bowling Tournament in Watertown, New York.

The next chapter event will be the annual picnic on June 13th. It will be at 6:30 p.m. in Powder Mill Park at Powder Horn Lodge. Hamburgers, hot dogs, condiments and beverages will be furnished. Please bring a dish to pass, e.g., baked beans, potatoe salad, tuna salad, a cake or whatever goody is your specialty. The chapter voted to underwrite a part of the cost, about one third—we estimate, and the hat will be passed to cover the remainder.

Our Temple Civic Center representative has reported that we will be able to raise money for our downtown Temple by helping to sell ticket for a Rodeo to be put on in September. More about this will be published in the Monroe Masonic News. Look for the announcement and please pitch in to help. We are all needed.

Hamilton Chapter has received a bequest of about \$1700 from the estate of Excellent John Sherman — Past High Priest who passed on recently. It was decided unanimously at our May 9th meeting to set aside this money in a high interest account for Right Excellent Harold R. Miller's year as Grand High Priest. This will help defray part of Hal's expenses.

We have had problems in setting a date for our annual joint meeting with Beaver Chapter of Toronto, Ontario, Canada. It is our turn to visit Beaver Chapter this year but their schedule and ours just aren't compatible for the fall season. We have tentatively scheduled our visit to Beaver Chapter for May 3, 1986. By that time the weather should be good and I can assure you that our Canadian Companion will make the visit a memorable one. Put it on your calendars now and plan to join me there with your lady. We are inviting companions from other chapters to join us in Toronto next May.

Have a fine summer.

Fraternally,

Brethren,

I have just returned from Grand Lodge in New York City and found it to be a very rewarding experience. I have never seen so many dedicated men, the leaders of our craft are truly inspiring men.

When this letter is published we will be into the summer months and ready for summer break, but please don't forget our flea market on Aug. 3rd, we will need to make some money to help us through the winter months. Any items you think we can sell can be brought to lodge between now and the date of the sale. To make sure someone is at lodge call me at 247-5581 or Bro. Bert Bastianell, at 247-6270 or Bro. Walt Tallons at 426-1694. We will also need volunteers to work at the sale.

Aug. 3rd will also be the date for our Fellowcraft Party. We will all have to help in selling tickets. Bro. Jim Scheerens has gone to alot of trouble to get this project started and the very least we can do is give him our support. Tickets can be had at our last meeting before summer break which is June 12th or by calling Bro. Jim at 377-5735 or myself at 247-5581.

June 26th will not be a regular meeting but I have scheduled a work party for that night, mainly to fix the ceiling in the lodge room and also to clear out the room on the first floor, which we are going to turn into a recreation room. Once again volunteers are needed.

Called home by the Great Architect, Wor. Bob Trussle, Bro. William Decker, sadly missed by all.

See you in lodge.

Summoned Communication June 4th

Keith Stambach
Master

Brethren:
Firstly, of paramount importance is our summoned communication for June 4, 1985 for the purpose of voting on a recommended change in the by-laws of our lodge concerning the annual dues. Please try to attend and participate in the discussion and vote.

On April 29th, eight of our brothers traveled to Fame Lodge for a revived semi-annual euchre tournament for possession of the "Golden Shovel." Unfortunately, we lost to Fame but a great time was had by all and the refreshments flowed freely. We will have a chance to redeem ourselves on October 29th when Fame will come to Charlotte and we use our cards.

Our annual picnic is June 2nd at Braddock Bay State Park. Reservations can be made by calling Bro. Ron Langworthy at 865-4995 or Bro. Joe Privitera at 392-5583. Prices are: \$3.50 for adults, children under 12-\$2.00 and a maximum of \$11.00 per family. There is always plenty to eat and drink and games and contests, so come out for a great day.

Don't forget our annual Charlotte vs Yonondio Golf Tournament for possession of the "Fur Lined Pot" to be held June 29th at Victor Hills Golf Club in conjunction with the Interlodge Golf Tournament. Reservations can be made by calling Bro. Shorty Buchanan at 865-2979 or 458-2550. Other details are probably featured elsewhere in this issue.

Many of our "Snowbirds" have returned from the south and we look forward to seeing them again in Lodge.

Sickness & Distress

Our Tiler, Bro. Tom Williams is at home ill after a stay or two in the hospital and we wish him our very best. Please no phone calls!

Lalla Rookh GROTTO

By George Francis

Prophets: Inasmuch as this column had to be turned into the printer before the results of the Euchre Tournament were announced, the winners will be announced at the Outdoor meeting and prizes will be awarded at that time. Be sure to be there.

P.M. Dan Geska informed us that he and his wife, Barbara, attended the "Ice-Breaker" party held recently in Jamestown. Danny says that more of our Prophets should attend these doings. They're wonderful.

Oue Monarch, Fred Ambeau has invited the Board of Governors to hold their June Meeting at his home. He says there will be light refreshments and a lunch to follow. Better make this our "Big" Board meeting of the year.

The June meeting of our Grotto is the annual Outdoor Meeting (picnic) at Powder Mill Park. This is one of the highlights of the year and the committee promises good music, good liquid refreshments, good food, and GOOD FELLOWSHIP. Please try to attend.

Did you know that at the Spring Ceremonial that our Cast had to set up the stage on Saturday morning for the afternoon performance. This entailed alot of hard work in a short time, and the thanks of the Grotto goes to the members of the Cast for a job well done.

Ralph Lunn tells us that the sale of Enchanted Lanterns has stagnated. He informs us that he has plenty of stamps and Lanterns and hopes that the Prophets will continue to support this very worthy cause.

Glad to hear that Gillie Hess is now at home and doing good. John Gionta is recovering from loss of a toe. He's hobbling around and says he is going to make it. Also Bob David lost a finger in an accident. He finds it awkward to use his hand but is improving. The sympathy of the Grotto is extended to the family of our late Prophet Norm Hegedorn.

As usual, our TCC Rep. Percy Klingenberg, made an excellent report on the Temple. You should come to a Board meeting some time and hear him. It's very enlightening.

Coming Dates:

- June 10 — Cast picnic, Henrietta Park.
- June 11 — Board meeting at the Monarch's home.
- June 12 — Outdoor meeting at Powder Mill Park.
- Sept. 25 — Past Monarchs' Night. Dinner Meeting. (Note date).

During each year, the MCO of the Caldron has a birthday bank. We hear that PMCO Adeanna Merritt had \$40 in her bank during her year. She added \$10 to it and presented the \$50 to the Grotto to help with the Christmas Party for the children at the Happiness House in Geneva. This was a wonderful gesture, Adeanna, and the Thanks of Lalla Rookh Grotto are extended to you.

Last, but not least. Your writer had a very surprising and high honor bestowed on him at the May Board meeting. The Board unanimously elected him as "Prophet of the Year." I am deeply grateful for the trust you have put in me and will do all in my power to live up to your expectations. Again, my thanks to you all.

This is the last column for the summer. See you all again in the fall.

A special "Thank You" to all of you who so cheerfully participated in the 70th Reunion of our meetings with St. Andrews No. 16 GRC of Toronto, Canada on May 10, 11, and 12th. The feelings of warmth and fraternalism between these two groups is to heartwarming. The presence of our Grand Master Bond, R.W. and Hon. Frank Horton, Grand Marshall Fuller, District Deputies R.W. Buckland and R.W. Masten, Grand Steward R.W. Wally Losinger, and our visiting Master of St. Andrews Lodge W. Brother David Davidge made for a superb Ladies Night/Dinner Dance at the Marriott Inn. Thanks to all of you for your help and support. Special thanks and congratulations to Brother Charles Gillman who presided at our Fellowcraft Degree on Saturday, 11 May. Our Senior Warden Brother Paul A. Vick did another excellent job of rendering the Middle Chamber Lecture. Thanks Brothers. Our trip to the 204th Session

of Grand Lodge proved to be very interesting and informative. (A condensed report will have been issued to the Lodge at our 21 May Communication).

On Tuesday, 4 June, a Special Communication will be held for the conferring of the Master Mason Degree. Please plan to attend to witness the special effort which many of our Brethren have made to put this degree together. Our Senior Warden Brother Paul A. Vick will be presiding.

On Tuesday, 18 June, Seneca Lodge will have an Awards Night and a Past Masters Night. Recognition will be given to all those Brothers who have achieved specific numbers of years in membership, to Brother Dod Rowe who will be receiving the Dedicated Service Award, to Brother Al Vragel who will be receiving the Grand Lodge Service to Youth Award, and several other Brothers who have made special effort in certain areas of endeavor. That evening a group photograph will also be taken of all living Past Masters who are currently members of Seneca Lodge. Please plan to join us and renew some fraternal friendships. Your ladies and friends are invited to dinner as well as the awards presentation ceremonies.

Be glad of life because it gives you the chance to love and to work and to play and to look up at the stars.

It is surprising how time flies and we find ourselves at the beginning of Summer. The last social event before Summer, the Fellowcraft steak roast will be June 4th and the last lodge meeting for the Summer will be June 13. Unfortunately I will miss both as I will be in Detroit for two weeks of Naval Reserve training duty.

May 7-8 I attended Grand Lodge in New York City. We took the train, departing on Monday and returning on Thursday, a high spirited group on the way down but quieter on the way back. No real surprises during Grand Lodge except for the passage of a motion to increase Grand Lodge dues by \$5 per member beginning in 1987. The increase has to be passed again at Grand Lodge in 1986 to become effective. It is sure to create considerable controversy during the next year and at the next Grand Lodge meeting. I voted against the increase as unreasonable. An additional levy of \$.50 was voted for this year, I also opposed that increase.

The Ham dinner held on May 4 was an apparent success with a profit of \$400. Many thanks to the brothers who worked very hard to make it a success. The next dinner will be held in November, shortly before Thanksgiving.

Due to insufficient lead time our Arts and Crafts Day scheduled for May 25th had to be canceled. Thanks goes to Bro. Don Purcell for his dedicated efforts to get it started. We will try again next year.

On May 7 the Lodge regained possession of the Euchre trophy we share with Corinthian Temple. Congratulations and may we successfully defend it in the Fall when we play at Corinthian.

The deadline for contributions to the Brotherhood Fund has been extended to early June. If you wish to contribute its not too late.

With Summer upon us I would like to remind everyone that while there are no Lodge or Fellowcraft meetings until September, every Tuesday you will find a dedicated group of Brothers working on the lodge building and grounds and enjoying a little fellowship. Please join us and see what has been done, what we are doing and to lend a hand.

Wildest Shirt Will Receive An Award

Brethren:

By the time you read this, our Master will have made his trip to the grand lodge, and be back with gavel in hand, even more knowledgeable than he was, I am sure that he will make our lodge better for the trip.

As you know, our last meeting before recessing for the summer is June 11th. That will be "Sport Shirt Nite." remember, the one with the wildest shirt "will win a prize."

I would like to share with you something that I recently come across in a 1963 Corning, N.Y., consistency news — captioned AGE and is food for thought.

Beauty is in the eyes of the beholder and age is in the mind of the aged. God has blessed us in that we never know when we are old. To the college boy, 35 is the age of which a man should retire from the dance floor and make room for a young man who can really dance. 50 is age to the junior partners who feels that old men of 50 should step aside and let young men of 40 take over the business. Men of 50 feel that the old chaps of 60 and 70 should go into the corner and talk of the good old days, and get out of the way of the young men of 50. No man ever feels he has arrived at old age. Old age is like the pot of gold at the end of the rainbow. It recedes as we advance. It is always a little further along on life's pathway. For which, thank goodness.

If you are aware of any brother who may be in need of aid or sympathy please contact someone in the lodge or drop a line to the lodge. The address is 152 West Commercial Street, East Rochester, N.Y. 14445.

In behalf of the brethren of our lodge, I would like to take this portion of this article to thank Brother Jim Lammon for a job well done on the picture and aprons that now hang in the ante room. Past Masters Robert Pendleburg and Charlie Seifert, and in our lodge room the picture and apron of past District Deputy Sid O'Dell.

At our meeting in June, the Worshipful Master has informed the undersigned that he will appoint a committee to get the lodge, both up and downstairs ship shape, going to scrub down fore and aft, he will be the chairman, and his vice chairmen will be Senior and Junior Wardens.

Have received word that Brother Harry Seifert is moving from his home in Glemson, N.C. to the Masonic Home in Utica, N.Y., for those of you who don't know Harry, he has belonged to our lodge for nearly 60 years. Good luck and continue your notes to me Harry.

By the time you read this, Brother R.W. Arnold Mundy will be back among us from the Sunshine State. What I would like you to know, is that Brother Arnold Mundy donated several books to our lodge that concerns masonry. These books are for the members of the lodge to borrow, and can be

"The Eye of the Beholder."

The eyes of us all look about the same, outside a bit of color, yet, no two eyes see the same! Many eyes that are healthy in every way actually see blind. The whole world goes by and nothing is really seen.

The eye of the beholder is a wonderful organ. It can see beauty, mystery, color in all its fascinating power, and it can see into people though that path may appear invisible. Even behind the dark curtain of events the eye can often see with prophetic vision.

The eye of the sculptor sees an angel in the big block of marble before him. The painter sees character unfold as he applies his brush to the canvass. Often he sees in his model what the model didn't know was there! The eye of the Mason sees in the language of all the Masonic Degrees, all the way through to the thirty second. The urge, the call, the winsome challenge to make the quality of his life match the meaning expressed in those marvelous words.

Some eyes see more defects than virtues, while it is their privilege to see what they wish to see. Eyes can be trained to see what they want most to see. Yes! Things that the eye sees in print often impress far more than what their ears hear. This suggest how important it is that words are used with care and discretion. The printed page lasts for generations of eyes.

The eyes of Shakespeare saw — "tongues in trees, books in running brooks, Sermons in stones, and good in everything."

Without the power of sight given to the eyes this would be a dark world indeed. Helen Keller, however, never knew the light of day — yet she saw more of beauty, color, and goodness in the world than thousands who have been blessed with perfect eyes from birth.

The eyes of the beholder are worth watching. Lacking the power of speech, they often write volumes.

TEMPLE TRUSTEES NEWS

By Gerald J. Glaser

A question was raised as to why we did not pay our taxes last year on a timely basis.

Quite frankly, although the "tax shares" were received, we did not have the money, since a much higher priority existed. That priority was to pay the Rochester Gas & Electric who was threatening to shut off our power into the building, while the tax problem did not so threaten.

Some years back, the rent was divided into "rent" and "tax shares" so as to receive the tax portion on a timely basis.

What everyone pays is really rent. The technique used was merely to try to make it a more efficient cash flow.

You may be interested in learning that, due to a somewhat improved cash flow, we have paid over half of this item and should be caught up by the end of June.

From Our Minutes of May 8, 1985

1. The following trustees were reported absent. They are the trustees at large, Ancient Craft, Yonnonadio, Ionic Chapter, and Monroe Commandery.

2. Fellowship Chapter of OES wrote a letter giving notice of their leaving the temple.

3. A letter was received from a company in the parking business requesting that they be allowed to bid on the parking lot.

4. A request was submitted to have a commercial sign put up on the College Avenue side of the property (for money). It was tabled pending investigation.

5. The insurance committee

MASONIC YOUTH COMMITTEE

Are You Involved With Our Youth?

David G. Upham
Chairman

Brethren and Sisters of the Monroe Masonic Family:

We, of the Monroe Masonic Youth Committee, request your help with another project. In order for us to better perform our functions, we need to know the extent, if any, of your involvement with youth. Would you please send a written summary of any activities in which

reported that bids are out for our insurance.

6. They also reported on a needed update for hoses and connections (some new city law).

The contract was let, but not necessarily to the low bidder, a common practice.

7. A letter received from Seneca Lodge was answered by the president and his committee.

8. The building manager reported the following deficiencies in the 1984 assessment.

ORGANIZATION	AMOUNT OWED
Damascus Temple	\$20,850
Germania	\$1,690
Ancient Craft	\$970
W.C. Hubbard	\$260

A motion was made to implement the provisions of the By-Laws in an attempt to expedite the collection of these monies. The motion was tabled.

Our financial picture is looking a little better, but we still have a long way to go. We must make every attempt to climb out of the hole we have dug for ourselves.

you are involved in support of youth. This might be as much as sponsorship of a youth group or as little as involvement in a little league team. Your response is eagerly solicited as we cannot do our job without this knowledge.

We also request that you appoint an active representative to the Youth Committee. Our meetings are on the second Sunday of each month and are usually held at Wakan Lodge at 2:00 P.M.

Finally, there is a DeMolay in Oklahoma who is in need of \$300,000.00 for a heart-lung transplant. Rochester Chapter is holding a garage sale on May 18-19 to raise money to donate to him. Would you please consider donating saleable items and junk for these young men to sell. Donations are tax deductible and receipts will be issued upon request. Contact me for more information.

Interlodge Fellowship Committee

Derek E. Van Houten Chairman 1984-85

Can you believe it, here it is almost time for our summer recess. It seems that the past year has really flown by. We started out on a rather bumpy road but thanks to some hard work from our Sec. Renee Deckhard and with advice from D.D.G.M. Keith Masten and others we moved onto the right road. I want to thank all those who have helped me in the past and special thanks goes to "Shorty" Beachannan and Tom Rauber. We did enjoy several good activities. Our Hockey Night was a great success thanks to Larry Tait and his wife Sue. Our Trap and Skeet Shoot was attended by only a few but George Bundoc of Valley Lodge walked off with a perfect score. We recently presented him with a scroll from Grand Lodge for his efforts. Robert Aldrich and Eric Lundgrin from Henrietta took the honors at our Euchre Tournament.

On the 29th of this month we will be having our annual Golf Tournament at Victor Hills Country Club. Under the direction of our golf Pro "Shorty" Beachannan. I've enjoyed for the most part in being the Chairman of this Comm. I've had the chance to work with and get to know many good masons throughout Monroe County. May you all have an enjoyable and safe summer. My thanks goes out to all the lodge representatives that have helped in this past year.
