205th Annual Communication One Month Away . . .

Brethren:

By the time this reaches you, you will in all probability have received a solicitation letter from the Monroe Masonic Service Bureau, requesting a contribution to support its work. It is through this Bureau that the Masons on Monroe County reach out to those less fortunate than themselves in this area, and is worthy of our support. I would remind you that you can designate all or part of your donations to the United Way to this organization by availing yourselves of Option 2 when you are contacted by the representatives of that appeal. Please try to be generous in this as well as in your contributions to the Brotherhood Fund; both of these appeals are worthy of your wholehearted participation.

All Masters aware that the 205th Annual Communication of Grand Lodge is just one month away, and it is important that they have direction from their Lodges concerning the decisions they will be called upon to make. Amendments to the Code of Procedure (Sec. 92) and the Constitutions (Sections 102, 111, 112 and 600) which have already been passed on first reading will be presented for final adoption. These amendments are: (1) That the standard of proof to be observed by Trial Commissions shall be by a fair preponderance of creditable evidence, (2) That the Annual Communication of the Grand Lodge may be held at any place in the State designated by the Grand Master a year in advance, (3) That the Grand Master shall appoint a Deputy Grand Standard Bearer, (4) That the titles of Grand Pursuivant and Grand Tiler shall be Right Worshipful, and (5) That the annual per capita dues shall be increased from \$7.50 to \$12.50. This last item is probably the most significant one and the Master should know the sentiment of the Lodge

and vote accordingly.

Several functions are being planned by the Inter-Lodge Fellowship Committee, which is now being chaired by W: Vernon Goodrich, and the Committee needs a representative from every Lodge to assist and to report back to the Lodge. The kinds of activities that this Committee promotes are extremely important in promoting friendship and brotherly love in our fraternity, and your participation is invited and necessary.

Fraternally,

Brethren:

Our corned beef and cabbage dinner on March 17 was well attended, we are planning another dinner in November; thanks for your support. Special thanks to W. Gerald and Marge Werner; W. Roy Maxwell, our corned beef expert; W. Mel and Sandra Doverspike, and the ladies of Mary Jane Holmes, OES for helping us. It was also a pleasure to join the brethren and their ladies of the Clio and Etolian Lodges for Ladies Nite at the Lodge on the Green, March 8th for dinner and dancing.

We were saddened by the passing of Brothers Ralph E. Browne in Florida, and John H. Markham of Spencerport, who were called home last month. Br. Markham was a member of our Lodge for 63 years.

We shall begin conferring the 1st Degree to our candidates at our next regular meeting, with Kenneth C. Campbell in the East. The 2nd Degree will be conferred with George Brege in the East. We trust that we can count on our brethren to support us both on the sidelines and in the smaller speaking and non-speaking parts, especially for the second section of the 3rd Degree. This is the most important part of our labors, the officers need the assistance of ALL lodge brothers. Your support will be appreciated.

Fairport Lodge 476 To Honor Widows At Next Meeting

My Brethren:

As I write this to you I am a little under the weather. Trying to be a nice fellow a week ago, I slipped and pulled a disc in my lower back. The pain has eased somewhat and my Sec'y, Dr. Roger H. Scott has me on the road to recovery.

That is why I missed the last school. In conversing with R.W. Marty, he tells me the attendance was vastly improved. I am so glad to hear that. Please, my Brothers, don't forget that there are two new banners out for grabs this year.

My lodge, at their next meeting, are going to honor the widows of our deceased Brothers. I am so pleased to see this. Because as all of you know, this is one of G.M. projects for this year. We should and must keep in touch and care for them to the length of our cabledow. Thank you, Fairport 476.

It was a pleasure a couple of weeks ago to have P.G.M. Bruce Widger stop at my home and talk Masonry of our district and throughout the state. He is such a fine man and he also is very concerned about our fraternity.

Just recently, our own G.M., M.W. Calvin G. Bond was a visitor with our Monroe delegation to the Canandaigua V.A. He was very impressed the way our group carried out their duties. In fact, he stated so in a letter to me. Many thanks go out to Chr. R.W. Harry Kennedy, R.W. Warren Trimble, W. Tom Paglia, and the rest.

To the W. Masters, please study the report on the projected per capita tax. Read and reread it and study it thoroughly. Then talk to your conscience. I hope you feel as I do. To me it is a gift. Do you deep down love the fraternity as I do. I am willing to give up a day of golf. I am willing to give up a movie; are you? I am willing to give up a night out; are you? I am willing to give up a bottle of spirits or 2 of my favorite 6 packs; are you? Brethren, if we, you and I, are to see Masonry grow in our state with the proposals brought forth in this proposal with not one cent going to West 23rd St., then I say with all my heart, let your faith direct you in the right pathway to keep Masonry alive in the Empire State.

Peace & Love

Masters & Wardens Association

Brethren:

I was not present at the last meeting on March 2nd, as my wife chose that day to make me the proud father of a baby daughter. In my absence, W: Martin Zillman filled in at short notice regardless of his not feeling well on that day. My sincere thanks to Marty, as well as to W: Paul Robertson for his very fine job as acting Secretary.

Our meeting in March was at Fairport Lodge, and we enjoyed a fine dinner put on by the Eastern Star Ladies.

Don't forget the Grand Ball on April 5 at the Wishing Well on Chili Avenue when Deputy Grand Master Robert C. Singer will be our honored guest.

Welcome home to R: W: Alex Arthur and his wife Flora from their trip to Hawaii. Rumor has it that Alex suffered whip-lash from trying to survey all the curvaceous scenery and we trust that he is fully recovered.

Once again — remember that your reservations and money for

the New York trip must be confirmed with Marty and Betty Zillman. Please do not delay!

See you at the next meeting.

Just For Today
 By I. Vincent Lloyd

"We Can't Close The Door Upon Life!"

By the time you read these words, Palm Sunday and Easter will be past. We will have gotten inspiration, knowledge, and a greater awareness of the importance of life from having read the words as recorded in the Gospels. We will better understand that there is no turning back to life. No one, really, has the right to close his door upon life. We must keep our eyes ahead.

The easy thing is to sit tight, to let the other fellow go ahead and do the dirty and the unpleasant jobs. It is an endless procession to better and higher things, and if we are to share life's completeness, and thus fulfill God's purpose for us, then the road ahead is the only road that is open to us.

The greatest battle, yet to be fought and won, will not be the one that shall be declared as the "war to end all wars." But it will be the one that shall be published to all the world that we have won the battle against greed, poverty, injustice, and inequality. We shall have won the greatest war of all when all human beings, in all this strife-filled world, shall have, at long last, been set free, to pursue their way toward full freedom, and a decent happiness — working and thinking as free human beings.

And so this is the road ahead — a long, hard, and devious road — often to be perhaps bitter and discouraging — but the right and only road possible for a **triumphant** destination.

As never before, we must look into our own hearts for self-examination, and to God for the guidance essential to giving us courage, humility and vision. It's one world now — not a big globe of populated human folk shut away from one, with only selfish, individualistic and nationalistic desires and dreams. We have got to live together on even and equal terms, else perish together on no terms at all. This means that, as Masons, we must be "men of quality."

**Hold Fast!!!

 Looking Up**

From the February Meeting:

1. The president gave a report on Temple negotiations with several entities who are interested in the purchase of the Temple including one who will lease the third, fourth, and fifth floor back to the Temple Trustees Association.

2. Bruce Hansen reported on negotiations of groups not covered by President Beardsley.

3. A motion by alternate Bill Staples was made to offer Cathedral Hall and the basement for rent to the shrine for \$600 per night. It expired from lack of a second.

4. The President urged that any body which is contemplating leaving the Temple please hold firm for the present, and wait until the current negotiations are concluded.

It is strongly felt that those who leave prematurely will jeopardize their position in many ways.

Listed below are the officers for 1986. We have lots of new faces.

From the March Meeting:

1. Letters submitted by James Crockford and William Staples to the Executive Committee were reported upon.

2. The finance committee submitted a report on the revision of the budget for 1986 due to the loss of income because of the Shrine leaving the Temple Family, Hubbard merging with Wakan and leaving, a ladies group leaving, and monies owed us from the Shrine for the balance of the 1984 assessment.

After a discussion and explanation, it was passed unanimously.

This budget includes a \$5. per member assessment.

Please remember that the original assessment scheduled was \$10, so things appear to be looking up a little. The new group of trustees appear at this time to be a group of hard workers. Every trustee was present except one excused absence.

We received some preliminary information from several groups who now meet at the Chamber of Commerce and who may be interested in renting space at our Temple on a long term basis.

A report was made concerning Thomas Belt of the Valley Lodge who made a presentation to the Executive Committee. His ideas

 fine slide show presentation on Home Security.

A million thanks, Deputy Beer.

Brethren:

With the coming of the better weather, I am hoping for the opportunity to welcome some of our Brothers whom I have never met. Please come out to our Lodge meeting and give me the pleasure of your company.

By the time you receive this communication, I will be in Australia. I am going to attend a meeting in an Australian Lodge. This is going to be quite an experience, and will give me something to talk about when I return at the end of April. The Lodge will be left in the hands of our Sr. Warden, Br. Walt Tallons. Please give him all the support you can.

To our sick Brothers, I wish you all a speedy recovery, and I will do my best to see that you receive a visit from myself and some of the Brothers.

If any Brother would like to make a donation to our Building Fund, it would be most appreciated.

Hope to see you all soon.

Fraternally,

FROM THE SECRETARY

There are two meetings coming this Spring you should mark on your calendar!

1 - April, 23, 1986 - Ron Schroder, Senior Wildlife Biologist, N.Y. State D.E.C. is going to give a talk: "Overview of Game & Fish Wildlife Management." He will give his program downstairs after the business meeting, so bring your friends and relatives. It should start about 8:30 p.m.

2 - June 11, 1986 - the Lodge is going to hold its meeting that night on the 1st floor. This will enable you Brothers who have found it too difficult to climb to the 2nd floor, an opportunity to be able to attend at least one communication this year. I am sure if we get a good turnout, it will be repeated at least once a year. The officers realize the hardship those stairs present to some of our members and this evening is one option the Worshipful Master has stated he is going to try.

Don't forget Lodge now starts at 7:30 p.m. Also, keep the dues coming.

FLOWER CITY LODGE
No. 910

Gordon T. Dodge Master

In Memoriam

It is with deep sorrow that we announce the passing of Rt. Wor. Herman A. Sarachan on March 1, 1986.

Rt. Wor. Herman A. Sarachan, better known as "Brother Herman," was raised in Flower City Lodge 910 on March 23, 1926. He was elected Master of Flower City Lodge in 1939, and was appointed District Deputy Grand Master of the First Monroe District in 1942. He took over as Secretary of Flower City Lodge in 1942 after Wor. Bro. Jacob Rosenszweig passed away suddenly and was elected Secretary of Flower City Lodge for the next thirty-three years.

Brother Herman's educational endeavors began early in his Masonic career. In 1932, he organized an educational program in Flower City Lodge to implement the Lodge system of Masonic Education recommended by Grand Lodge. In 1940, he organized the Bureau of Masonic Education with the aid of the Ruling Masters and was asked to be President of the newly formed Bureau. In 1948, he founded the School of Ritual and was appointed Assistant Grand Lecturer in charge of the School by Rt. Wor. Henry Meachem, Grand Lecturer. In 1954, he organized the School of Lodge Administration to help educate Lodge officers in their functions and duties. He was honored in 1969 by the Bureau of Masonic Education for twenty-nine years of devotion and dedication to teaching Masonic education in Monroe County.

In the early sixties, he decided to compile information on important Masonic events which occurred in Monroe County, and in

1971 published the "History of Masonry in Monroe County" (1810-1970). His "Dear Brother Herman" column in the Monroe Masonic News was one of the most popular features on Masonic questions and memorabilia and in 1979 "Dear Brother Herman" Answers to Questions Relating to Freemasonry was published.

Brother Herman was a member of several Grand Lodge Committees: Board of Relief 1943-1953, District Service Representative and Board of General Activities 1944-1958, Assistant Grand Lecturer 1948-1958, Library and Museum 1954-1968, Custodians of the work 1968 to present.

He was also active in many Concordant Bodies. In the Ancient Accepted Scottish Rite Bodies he was orator of Rochester Consistory for several years and was coronated Thirty Third Degree in 1961. He was a member of Damascus Temple, Doric Council No. 19 R & S. M., Hamilton Chapter No. 62 R. A. M. and was a charter Commander of the Judas Macabee Degree.

His span of sixty years of Masonic Service to Masonry, not only in Monroe County but everywhere throughout the State, will always be remembered for his knowledge of Ritual and his expertise in teaching Masonic Education. He was known as "Mr. Mason" and always demanded perfection from all who had the pleasure of working with him.

"Well done, good and faithful servant, enter thou into the joy of the Lord"

Philip Averbach
Sec. Flower City
Lodge 910

A group of the Fellowcraft members recently attended a play put on by the Penfield Players. A wonderful evening was enjoyed with refreshments, dining, the play and dancing afterwards. Plans are for a repeat of this kind of an affair. Are you interested? It's fun! The Fellowcraft meet on the Third Tuesday at 8 p.m. in the

Temple. The Fellowcraft Bowling team is also looking for bowlers for the fall schedule.

The Annual Grand Ball is scheduled for April 5 and tickets are available from the Master or Wardens. For any information, call the Master at 334-3660.

The School of Instruction was held Feb. 28 and featured two excellent speakers, the Rev. I. Vincent Lloyd, Grand Chaplain Emeritus, who spoke on the scripture lesson of the 1st Degree, and W. William Staples, 33°, who spoke on "Are You a Mason?" A most enlightening evening. I urge any and all to attend these schools. See the listing elsewhere in the News.

My apologies to any member who visited Valley or Fairport and found the Master of Flower City not there. On the Third of March (Valley) I was at R. W. Sarachan's home seeing Emma and on the 24th (Fairport visit) I was flying back from Madrid, Spain after an unexpected vacation.

Senior Wardens News

Your Senior Warden, accompanied by the Solomon family, journeyed to Los Angeles at the end of February to attend his niece's wedding, and utilized part

of his time communicating with members of the Lodge who are now resident in California. I had a delightful chat with one of our oldest members, Bro. Herman Lieberman, who joined the Lodge in 1920, but who hasn't been in Rochester for many years. He asked kindly after the members of the Lodge, particularly R:W: Joe Silverstein, and was most appreciative that I had contacted him. I also had a lengthy conversation with W: Norman Friedman, who lives in Encino, and has also joined a Lodge out there. Bro. Friedman invited me to attend his Lodge with him, but I had already made arrangements to visit another of our Past Masters that day. Wor. Norman also wished to be remembered to the Lodge, and he told me he is very happy out there, and doing very well. On the Wednesday, Sara and I drove down the coast to San Diego to visit Wor. Joe and Helen Klein, and we received the "Royal" treatment. Joe told me that Kodak had wanted him to return to Rochester, but he and Helen felt that after so many years in the sub-tropical area, it would have been very difficult to make the change, and he opted instead for early retirement. They both look just great, and we spent several hours with them, including an excellent lunch with suitable liquid refreshment for Scottish visitors.

Also during our stay in Los Angeles, I paid a courtesy call, accompanied by W: Adrian Solomon, at the offices of the Masonic Service Bureau, which caters for 87 Lodges in the Los Angeles area, out of over 150

A Mason in Good Standing may Join

Lalla Rookh GROTTO

By George Francis

Full Form Ceremonial To Be Held April 12; Stay for Dinner-Dance

Prophets:

This may sound foolish, but I am unable to give you any details of the March Grotto meeting, the reason: Well, all articles for the Monroe Masonic News are supposed to be turned in by the 12th of the month, and our meeting this month comes on the evening of the 12th. This doesn't sound too bad, BUT when I received my March issue of the News, it was delivered on the 11th. To me this does not make sense and it is very discouraging. (Editor's view.) George Francis.

We understand that "Stonewall" Jackson and his wife were driving to the Monarch's Ball in Warren, Pa. last week when they got tangled up with a big truck. After getting bounced around quite a bit and hitting some guard rails, they merged with very few injuries but with a car that was almost totaled. Dick informed us that he feels that the seat belts saved their lives. We are all very thankful that they are O.K.

The Board of Governors held their meeting on the 11th with 21 officers and members present. As usual, Percy Klingenberg gave us an excellent report on the T.C.C. These meetings are open to Grotto members, so why don't you come down some time and learn how decisions are made and why.

The Home Show which was held on the 13th-16th at the Dome Arena was very well attended and The Grotto wishes to thank the Prophets who turned out and helped.

Prophets, don't forget our Full Form Ceremonial on April 12. This is a must for all Prophets AND the Caldron will be holding their annual Smorgasbord dinner from 5 til 7. Why don't you plan to attend these events and THEN stay for the Grotto's Ladies Night in the ballroom. We know you will enjoy this big event.

Our Grotto is planning to hold a "Magic Show" in the Auditorium in September. The details are being all ironed out and you will all be notified in the very near future. This is a very big endeavor for our Grotto and we need your support to make it a success.

Our Sick and Shut-ins:

Elmer Ellis — at home
Ted Hansen — at home

Ellie Bullis — at home
Gillie Hess — at home

Ernest L. Wilson — Culverton Nursing Home

Prophet Howard Topel — on behalf of the Silver Star Club — presented the Philanthropic Fund with a check for \$100 to be used at the discretion of the Grotto for Worthy Prophets who are in need. Our thanks go to this Club for this fine charitable gesture.

Don't forget that P.M. Fred Ambeau still has Enchanted Lanterns to sell and he tells us that the more we buy, the better he feels.

Marshal Mike Stewart has announced the date of Aug. 16 for a bus trip to Toronto to see a baseball game. More details later.

Prophets, please won't you get some news bits to Ernie. He will see that I get them. That's all for now.

Fraternally,

Our Lifeblood In New Brothers

I am sure there are few of us who do not vividly recall our initiation into Free Masonry. We are asked to don a strange costume and proceed in darkness, having to place our trust in another. That initial experience can influence perhaps more than any other event during our passage, our future understanding of the meaning of Free Masonry, as well as future involvement in our craft. Once again I believe Seneca Lodge can be proud of the manner and decorum in which not only five new brothers in our Lodge, but a brother from Webster Lodge were introduced to Masonic Light. Special thanks to our stewards Brothers Panayotes Holiastos and Gerald Munro for giving the questions and answers as well as the second and third sections of the lantern lecture; our Masters of Ceremony Brothers Raymond Crandall and William Kerber for the whys and wherefores (and Brother Kerber for the first section of the lantern lecture); Brother Richard Shellman for the working tools; Worshipful William Staples for the apron presentation; Worshipful Joseph Fisher for the charge; and especially Worshipful Len Stenzel, our Degree Director.

The lifeblood of our fraternity lies in the new Brothers who join our fraternity. Seneca Lodge has been fortunate in the number of petitions presented, due in no small part to our Masonic information program. We will be holding another informational meeting on May 4th, 1986 under the coordination of Brother Greg Obenauf. As our first degree this Fall will be held in September, it is important that petitions reach our secretary no later than our May 20, 1986 communication. If any of you know of an individual who might be interested in learning more about the craft, please contact Brother Greg Obenauf who will invite him to our program.

I will look forward to seeing as many of you as possible at our next stated communication when the second degree will be presented with Brother Robert Green in the East and Brother Wayne Hoover giving the middle chamber lecture. Let us make a real effort to give as much support as possible, not only to our officers who have labored long and hard to maintain our fine Seneca tradition, but also to our new Brothers as they continue on their journey.

Brethren:

On April 9th, we will have the Past Masters run the meeting. Everybody please come out and cheer them on. I'll be out of town, so it seems like a good time to see if they can still cut the mustard. R.W. Earl will be away also, so maybe we can prevail upon our Treasurer to play Secretary again. Speaking of traveling, W. Leo Pancoast will be in Europe later in April.

On March 10th, the Lodge hosted the Men's Club from the Congregational Church up the street. R.W. Charles Daycock and W. Leo Pancoast set up a program on Masonry, and Concordant bodies. Sort of "All the questions you have about Masonry, but were afraid to ask." This kind of an Open House is a good thing. We could tell by the comments and questions which were the results of misconceptions about Masonry.

The Masonic Grand Ball is scheduled for April 5th. As I already mentioned, I will not be in town but let's have a good attendance anyway. The School of Ritual will be at Charlotte Lodge on April 18th. The Third Degree will be portrayed. Officers, please attend.

CLOSING NOTES: I met Bro. Steve Ginoesky, acting like a new father, which he is. Congratulations, Steve. Plans are firming up for the presentation of W. Rick Erickson's 50 year pin. More later. On February 14th, we put on a Masonic Funer-

al Service for Bro. Harry Pitts, a friend of Churchville Lodge. Thanks again, George, Earl, Charlie and Steve. We were advised of the passing of Bro. William VanLare in Florida. We offer our sincere condolences to his family. If anyone needs a ride to Lodge, please call me at 889-2846 any evening. See you there.

Don't forget to call your dinner reservations in to Gary Burke for the April meeting at 381-5560 (day) or 621-3988 (evening). Joining us for this month's dinner will be the members of Flower City Lodge, so be sure to make reservations. If you have been unable to participate in our pre-meeting dinners, you're missing out on not only the good food but also the good fellowship. This month's consolidation with Flower City should prove most rewarding. Won't you join us?

Fellowcraft Club will meet this month at W. Joe Bishop's home on April 15. A hearty thanks goes out to W. Bob Guilfoil for hosting March's meeting. We brought back an old tradition of the club at that meeting. A good time was had by all. Hope to see you this month.

Grand Director Of Ceremonies

R.W. Alexander Arthur, Jr.

I was sorry to hear of the retirement of Warren M. Trimble Jr. as Executive Director of the Masonic Service Bureau. Warren did a great job and will be missed by all.

I attended a 1st and 3rd Degree when I was in Hawaii. The content is about half of ours, and candidates must show their proficiency in Lodge before they can be advanced. Most of their work is the same as ours. They are under the Grand Lodge of California.

Remember the School of Ritual at Charlotte Lodge April 18th, when the Third will be put on.

April 5th is the Grand Ball, when our Deputy Grand Master Robert C. Singer will be our guest speaker. It would be nice to have a large group for our next Grand Master, and to hear what his plans are for the next two years. Get your tickets from your Masters.

Letters will be coming out for St. John's Day, June 20th and 21st. If you would like a copy, let R.W. Jack Thibaut or myself know. We do not want to miss anyone who wishes to go.

Congratulations to the new officers of Masters and Wardens 1986. Please, let's have all Masters and Wardens out to the meetings to show your support. Our next meeting will be the annual Ox Roast at Hilton (Clio Lodge) on April 26th. It is always a great dinner with all you can eat.

Get out to the Youth Group meetings when you can, and remember Camp Turk for the summer. Attend Lodge and support the activities. You may find you'd like to be an officer, as many Lodges are in need of them, like my own.

In closing, Flora and I wish all of you a happy Easter!

And now, one for the lighter side: A teacher had just completed a unit on mental health and was giving an oral test. She was expecting the diagnosis of manic-depressive when she asked, "How do you classify a patient who walks around shouting at the top of his voice one moment, and then sits in a chair weeping uncontrollably the next?"

A young fellow raised his hand and said, "A football coach?"

Wildlife Program April 17th

Brethren:

Nearly twenty Brothers from Webster Lodge were entertained by an interesting African Safari program presented by Webster Chapter #171 O.E.S. on Master Mason Night. John Wilbert presented a slide program that he put together from his visits to South Africa. From it, we learned much about the country, its climate, animals, green people, and rare, exotic birds.

At our March 6th meeting, it was decided to participate in the sign program as mentioned in the March column. Craftsman Lodge has agreed to share the expenses of this project with us. Our thanks to Bros. Norman Hilfiker and Gordon Thompson for the research done on this project.

We are saddened to learn that our Honorary Member, R.W. Herman A. Sarachan has been called home by the Great Architect of the Universe. Few Masons have made contributions to Masonry that equal those of Brother Herman.

A Second Degree rehearsal will be held on Wednesday evening, April 2nd at the Lodge. Jr. Warden Stoian Ellia will confer the Second Degree the following evening on our spring class.

On Saturday evening, April 12, the Webster Forest of Tall Cedars Degree Team No. 1 will conduct a Tall Cedars Ceremonial at the Webster Masonic Temple. The Webster Lodge Fellowcraft Club will serve a spaghetti dinner at 5:30 'til all are served. Souvenir tickets for the dinner and ceremony that you will want to keep forever are only \$5.00. The Degree of the Yellow Dog will follow the Tall Cedars Ceremony. Those attending will have the opportunity to obtain an official Yellow Dog Hat - NEVER BEFORE OFFERED, this represents a rare opportunity to own a hat that you will be proud to own and wear anywhere! At the conclusion of the Yellow Dog Degree, a Euchre Tournament will be held for card players. Be sure to attend and bring a candidate. Refreshments available.

On Sunday, April 13, an informational meeting will be held at the Lodge at 2 o'clock for those interested in learning about Masonry.

At the conclusion of our April 17 meeting, we will have the pleasure of viewing a most interesting wildlife program by Brother Leonard E. Lisenbee of Rushville Lodge. Brother Lisenbee is a Special Agent in Law Enforcement with the U.S. Fish & Wildlife Service, U.S. Dept. of the Interior. If you can only make it to Lodge once this year, this is the one program to see.

We will have our First Annual Spaghetti Supper on Saturday, April 26. We all need to pitch in to make this event a success. Brother Vance Collom is the chairman of the dinner. I

My Brothers:

This has not been our best year for the Brotherhood Fund Drive. The way things look our mailing will be late due to unforeseen circumstances. Just because of this problem PLEASE don't forget about sending your gift; whatever amount you send will be put to good use. Please remember the deadline is March 31, 1986. Thank you.

Another reminder that we still have some Brothers who have not yet paid their dues. I know that \$51.00 is a large sum, but it is less than \$1.00 a week. PLEASE PAY YOUR DUES.

My trip to New York in May is fast approaching and I need your help. This year I will have to vote on a raise in the Per Capita Fee of \$5.00 to Grand Lodge. As your Master, I would like to know how you Brothers would like me to vote. I would like to have a discussion at our next meeting. If, for some reason, your cabletow is not long enough to make the meeting, then PLEASE call or write so I will know how to vote at Grand Lodge.

Brethren, there are two important dates to mark on your calendar for the month of June, the 12th and the 13th. These dates mark our 125th anniversary. The committee has planned on June 12th an open meeting with a dinner. The M.W. Grand Master of the State of New York will be present to help us commemorate our 125th year as a Masonic Lodge. Brother Ron Kamp from the Masonic Research Lab will be on hand to present Genesee Falls with an award for the monies that our Lodge has donated to the Research Lab. Also during the evening, we will be awarding our scholarship money and our Community Service Award. Please bring your family to this important night for Genesee Falls.

Friday, June 13th, we are going to have a dinner dance/ladies night. The price will be \$10.00 a person for a fine meal at The Lodge on the Green, and music by the Willi Adams Band. Remember, save those dates and come and renew the friendship that we have in Genesee Falls.

Remember the questions in your mind the day you began your Royal Arch journey? Remember the awe you experienced as your sojourning led you to more and more enlightenment and understanding of the Ancient Masonic story? So much was given to you that you couldn't assimilate it all at once . . . Remember? Now, it's all 'old hat' Right? MAYBE NOT. We don't put on the degrees as often as we might. It takes too much traveling to see them all in sequence. But, precisely because of these facts, the degrees can become NEW AGAIN to each one of us. YOU can come back to Chapter, to any meeting, and learn more! This is the pledge I gave to the Past High Priests of Hamilton Chapter last St. John the Evangelist's Day. Next Convocation we'll discuss the Most Excellent Master's degree.

Next Meeting? What insight will be revealed? You won't find out from the Bill Cosby Show. But at Chapter, we'll regain and re-evaluate some of those thoughts of years ago, when we first knocked on Royal Arch Masonry's door. Return to those days when you went through your degrees and relive again the wonder and fulfillment of seeing Masonry come together in its completion. Companions come back on the second and fourth Thursday nights of the month and enjoy putting Royal Arch Masonry back into your life. Royal Arch Masonry with all of its Mysteries, Revelations and Enchantments.

The second meeting in April will be the start of our unique program of Companions' Nights. It is the night put into the charge of our King, Bob Wright. He has a talk he calls 'Bits of History'. Reward yourself on that evening by coming to Chapter to enjoy listening and learning.

Keep the Beaver Chapter visit in mind. This is a day to look forward to that will have an International flavor. Fraternaly,

Brethren:
It is time to get our working tools out, a busy season is ahead of us. The Officers of Germania Lodge have many activities planned. I hope work and health permitting, you will be able to attend as many events as possible.

Our Masonic Grand Ball will be held on April 5th, 1986 at the Wishing Well Party House, Chili Ave. Starting with the social hour at 6:30 p.m., dinner at 7:30 p.m. followed by dancing and fun with the Willi Adam Orchestra. Willi contributed greatly to the success of our Winter Party in February. For tickets to the Grand Ball call me at 671-4144.

Our next event will be on April 23, 1986 in the Temple for an Ice Cream Social with the Ladies. We are having a roast beef dinner with all the trimmings, prepared by well known gourmet cook Ruth Freeman and helpers. After a short meeting of the men, we will see a movie on Australia. Make your reservations with Robert Dibble 427-7229, Oscar Reber 392-2641 or with me. Call no later than April 19th. Dinner is \$6.00 per person.

Following our February meeting, Ancient Craft challenged Germania to a Euchre Tournament. R: W: Don Walzer and W: Heinz Gunkel won 1st and 2nd prize, respectively. Germania will have a rematch after the April 9th meeting. So all Euchre fans come to the meeting and the game. Who knows, maybe Lady Luck is smiling on you.

Happy birthday to all born in April and speedy recovery to those Brethren who are ill.

Last, but not least, do not forget the Brotherhood Fund. As always W: Walter Wahl will be happy to receive your contributions.

My Dear Brothers,
Since the first of the year I have been excited with the idea that this was going to be a special year for your Lodge. I can not tell you how I feel at this time, since I have just left one of the most positive meetings in years. All I can say is that I FEEL GREAT. Your J.D. Richard Friedman and S.D. Arthur Mason, provided a great Bring a Friend Night, complete with some prospective new members followed by a buffet dinner. We also had a few of the Rusty Members present. As far as I know, there has never been a presentation to Masonry in our Lodge like this, nor in Rochester. Masonry everywhere should take a look at what they did tonight. My brothers they are not done yet.

In April we have two more activity filled evenings. On April 9, they have planned a special Ladies Night, complete with a Lasagne Buffet and a presentation which will be of interest to all. This is open to all our members and their ladies, we would love to have guests and widows of our deceased members.

April 23 is a meeting to honor Wor. Brother Earl Branch, with a Special Apron Presentation. If you can't be present I'm sure he would like to hear from his former line officers, and especially from those Brothers who he worked with or has shared his Masonry for many years.

A special reminder that Dues are Due, and a little extra for the Brotherhood Fund will provide help to those less fortunate.

Fraternally,
Frank

Brethren:
The Tri-Lodge Valentine Party at the Hof-Brau Haus was a great success. Everyone had a wonderful time. There were 101 Brethren and their ladies who attended. I would like to thank all who made this event possible, and a special thanks to Doris Robertson, Wor. Br. Paul Robertson's wife, who made the lovely little jewel boxes for the ladies. Doris topped off the night by singing a couple of beautiful songs to entertain everyone.

**We Welcome
 Our Three
 New Brothers**

Dear Brethren,
Wonderful News: At our March 3rd meeting, we welcomed **THREE** new Brothers in our Lodge — **Bro. John Lont, Bro. Bill Lafferty and Bro. Frank Morse.** And we have a petition for another new Brother — thanks to **Bro. Art Judson.** We congratulate our new Brothers and warmly welcome them into John A. Robertson Lodge.

Our Fellowship and Brotherly Love is bearing fruit and with your help we'll continue to **GROW** and keep **GROWING!!**

Did you hear about the fantastic Tri-Lodge Valentine Party we had at the Hof-Brau Haus in February? There were 101 Brethren and their Ladies and we had a Wunderbar Time and are looking forward to the next one? **Bro. Norm Gauch,** General Chairman, did a superb job as usual.

Our thanks also to the Tri-Lodge Masters, **WB Bill Baker** of Corinthian Temple Lodge and **WB George Bundoc** of Valley Lodge.

A Special Thanks to my Special Lady, **Doris,** for making all the gifts for the Ladies. Our gratitude also to **Bro. Samuel E.S. Grover, D.S.A.,** Chaplain of John A. Robertson Lodge for his Inspirational Blessing.

Bro. Harold Tausch, King of the Accordion, was sensational and had us play all kinds of games, including a very lively snake dance! **Bill Oswald,** our genial host and owner of the Hof-Brau Haus, put everything together for a delightful evening.

Our new officers are to be congratulated for opening and closing Lodge on March 3rd without a rehearsal. **Bro. Norm Gauch** very capably served as Jr. Warden in the absence of **WB Elmer Holly** who has been ill. **Bro. Rich Gundry, Sr. Deacon,** was a "Brother of Many Hats" — who not only took care of his normal duties but also conducted the Grand Lodge Officers to the East, handled the balloting with dispatch and accommodated our new Brethren in due and ancient form.

Bro. Don DeBack moved from Tiler to Jr. Deacon in one big leap and is on his way up. **Bro. John DeBack** is studying the Middle Chamber Lecture and preparing himself for Jr. Deacon.

Bro. Sam Grover, our Chaplain, is an inspiration to all — we couldn't be without him. Another inspiration is **WB Newell Ferris,** Assistant to the Master. I'm so lucky to have these two distinguished and dedicated Brothers, both in their 80's, sitting on either side of me!

WB Al Cannon and **WB Ed Walker,** who are so proficient at ritual, could easily qualify for Assistant Grand Lecturer. **Bro. Jim Rotenberry,** our Tiler, drives all the way in from Clarendon to set up the Lodge room and regulate the lights.

Bro. Art Judson and **Bro. Bob Lindeman** have responsibilities that sometimes keep them away from Lodge but they try hard to be with us. **Bro. Bob Traub,** our Organist, is "Semper Fidelis" and

is assisted by our new Brother, **John Lont.** The desk of **RW Tom Davis** has been dark since he and Sally left for Florida, but we hope it will be lighted soon.

Bro. Willis Seville, Officer-at-Large, is now Trustee to the Temple Civic Center and doing a splendid job. **Bro. John Brown,** Asst. Jr. Deacon and gourmet cook, is our backup officer at most any chair.

Another new Brother, **Bill Lafferty,** well-known as "Weary the Clown" at the Shrine Circus, is now our Marshal. And still another new Brother, **Frank Morse,** is now Jr. Steward.

WE WARMLY WELCOME OUR LADIES, who join us for dinner. It pleases us so much to see their number steadily growing! They enjoy being together after dinner and frequently rejoin us in Ionic Hall for entertainment. We're aiming for bigger and better Ladies Nights too — like our Valentine Party!

We were honored to have these ladies for dinner and entertainment on March 3rd: **Elizabeth Clark, Nancy Cannon, Grace DeBack, Florence Ford, Anna Grover, Millie Huggett, Betty Lafferty, Joanne Morse, Doris Robertson, Margaret Russell, Dottie Seville, Jan Seville and Ginnie Wilkinson.**

After a short business meeting, our Ladies joined us for **Bro. Willis Seville's** presentation of "A Trip Thru Europe." we journeyed thru Germany, France, Austria, Switzerland. We got a view of the Von Trapp family home in Austria. It was awe-inspiring to view the snow-capped mountains, beautiful lakes, rivers and flowers. Also the quaint towns and villages with their narrow streets — and everything looked so clean. **Bro. "Baron Seville"** could really pronounce those German names and places!

Recently, **Bro. Don DeBack** and yours truly had a very enjoyable visit with **RW Garson Meyer**

and his brother, **WB Ivan,** at the Jewish Home. **Bro. Garson,** who is now a resident of the Home, is a Charter Member of our Lodge. He was Master in 1927 when Col. Lindbergh flew across the Atlantic. Two years later, he became District Deputy Grand Master. **WB Ivan** was Master in 1940. Both Brothers would like to join us at Lodge soon.

Cost of boat ride \$10. This will be a delightful evening cruise thru Pittsford and thru the Lock at Clover Street. We can accommodate 125 people — please get your reservations in early!

GOOD NEWS — **WB Ed Walker** will soon become Ill. Master of Doric Council of Cryptic Masons. Does any Brother, near or far, have any Good News for us?

SICKNESS OR DISTRESS — **WB Elmer Holly** had a real bout with the flu and his wife, **Eleanor,** fell and injured both knees. Both are progressing slowly.

Bro. Sam Grover fell, got bruised, and damaged his glasses; **WB Skip Waterstreet** was in bed with the flu for a whole week; and **Bro. Harold Russell** had a short stay in the hospital. All 3 Brothers recovered and we welcomed them at our last meeting.

WB Ed Walker expects to enter the hospital on April 18 for surgery on his eye.

Bro. George W. Adams Jr., who was our Sr. Deacon in 1983, very suddenly passed away on February 16 in Largo, Fla. We will greatly miss **Bro. George,** especially for his great sense of humor and qualities of leadership. He was a Major in the U.S. Marine Corps. His father was a Charter Member of our Lodge and son, **Bro. Skip,** is also a member of John A. Robertson.

Our thanks to **Bro. Don DeBack, Jr. Deacon,** for his Happy Birthday Greetings.

MEMO FROM BRO. SAM GROVER — Some more famous Masons; Irving Berlin, William Jennings Bryan, Luther Burbank and Jack Dempsey.

IF YOU HAVE NOT PAID YOUR DUES or contributed to the Brotherhood Fund — Please send your check to our Secretary, **WB Ed Walker, 162 Campbell Pk., Rochester, N.Y. 15606.** Phone 647-2382. Thank you.

Dear Brethren:

Our joint Ladies Night with Union Lodge, Lima, Henrietta Lodge, Oatka and Scottsville, and Union Star Lodge, Honeoye Falls is under discussion and progress is being made. The Committee is making plans, listening to bands, and we are hopefully aiming for an October date.

Joseph Cotteleer, our Junior Warden, is doing a fine job on refreshments for the meetings. We hope all will come and enjoy.

The Monroe County Sheriff's Department has offered to send a speaker for our April meeting.

I am appealing again, Brethren, that you please give some thought to our Brotherhood Fund. Our current drive ends in May. Union Star really needs your assistance and support. **Brother Paul Spillane** will be pleased to hear from you.

We Are Invited To Canada For May 10th

Brethren: Here's hoping that everyone is in good spirits and in good health. By the time you read this article, most of our bad weather will be behind us and signs of spring well on the way.

This past month, I received a call from W. Derek Brown, Past Master of Joseph A. Hearn Lodge, our Sister Lodge in Canada. They are going to be putting on a 3rd Degree on Saturday afternoon, May 10, 1986, and the Brethren of Yonnondio Lodge have been cordially invited. Those of us that visited our Sister Lodge last year had a great time. I'm sure that some of the Brothers would like to take their wives and make a weekend of it, and some might just want to go for one day. Please call me at 247-4480 so that we can make arrangements for sharing of rides as well as accommodations.

On February 15th, we had our bowling party with Charlotte Lodge at the Redman's Club. The food was excellent and there was plenty to eat. All who attended had a good time.

We had our first Fellowcraft Club meeting on February 25th, the first one in quite a while. Co-chairmen, Bros. Brion Phelps and Neil Cassata will be working on getting the Fellowcraft Degree Team together. If you would like to help us get started, please call me. You never know. We just might get invited to put the Degree on for other Lodges, as we did in the past. Also, we had the pleasure of W. Ken Goodrich visiting us at this meeting, with whom we discussed the possibilities of getting together with Craftsman Lodge for the purpose of im-

Our V.A. Visit Will Be Held April 14, 1986

Sunday, April 14, 1986, the V.A. Volunteers will meet in the Volunteer's Lounge in Building #7, Canandaigua V.A. Hospital. It would be great if you would join us. We meet at 1:00 P.M. and we are on our way home by 3:00 P.M. Join us on the 14th — become a part of this Masonic Team of Cheer. We are looking forward to seeing more of the 1986 Masters join in this monthly V.A. visit. So far this year only two of our Masters have been to Canandaigua. How about upping that number for the April visit? Wives and children are welcome. Many thanks to those who have joined us in the past and continue to support our efforts at Canandaigua.

Brethren,

Winter is on its way out and Easter will soon be here. So now is the time to get rid of the winter doldrums and get out of the house. Trade the shovel and snow blower for hedge clippers and lawn mower. For our snowbirds in warmer climates, it is time for the drive North. No matter where you are, I hope that part of your spring schedule includes visiting your blue lodge.

Everyone who attended the bowling party on Feb. 15th had a terrific time. The food was great and all had a good time bowling. The problem was that it was scheduled the same time the circus was in town. To avoid this from happening again, next year we will have the bowling party in March so we don't conflict.

On Feb. 18th, we had a First Degree in which Brothers David A. Saunders and George S. Putnam were made Entered Apprentices. My thanks to all who participated in the degree. Dedicated Service Award winner Brother Tom Williams made the apron presentation. Brother Bill Flemming, our secretary, presented the working tools. Wor. Stan Geer and Brother Jerry Marzano did the questions and answers. Wor. Keith Stambach and I did the whys and wherefores. Our Sr. Warden, Dave Jones, gave the Third Section lecture. Rt. Wor. Warren M. Trimble gave the Charge. My thanks also to Brother Patsy Monaco who pro temed as Sr. Master of Ceremonies for Brother Ed Holdgate and Brother Ralph Ward who pro temed as Steward for Brother Chuck Hare. Brothers Holdgate and Hare were in Florida on vacation.

The Second Degree will be on March 18th with Davy Jones in the East. Brother John Marty-

BROTHERHOOD BEGINS AT HOME Brotherhood Fund

niuk, who went through the 1st Degree in the last class but could not continue due to family illness, will join this class at this time. I urge you all to come out and support Dave and also to congratulate our newly made Fellowcraft.

The Third Degree will be on April 15th, with our Jr. Warden, Wor. Don Freeman, in the East. Charlotte Chapter will be putting on a ham and scalloped potato dinner starting at 6:30. Reservations for the dinner are to be made by calling Wor. Don Freeman at 544-1149.

I recently met Wor. Luke Grande at a Charlotte Lodge Past Masters meeting. It was a pleasure to meet Luke after I heard so much about him. We did a lot of talking about the past, the pleasures and pains of the present and the uncertain but challenging future. Luke says that he is feeling better and sends his hellos to everyone.

Speaking of the past, some old films were found in the lodge. The films were of Charlotte Lodge picnics from 1938 thru 1942. One film was shown at the last officer's meeting and two others were shown at the March 4th meeting. Times sure have changed. All the women wore dresses and the men were in suits and ties. When you come to the picnic on June 1st at Braddock State Park, count the ties. Don't bother to bring your calculator.

Under lodge improvements, the members recently approved the purchase of three ceiling fans to correct some of our heat and ventilation problems. Wor. Tom Paglia is installing the fans.

Here is a date that you must put down on your calendars: May 20, 1986. Three of our youth organizations will be putting on degrees after the meeting. The lodge will open at 6:00 p.m. and go to refreshment. Labor will be resumed at 7:30 and the meeting will be closed by 8:00 p.m. The program will start immediately after closing the Lodge meeting. The three youth organizations are the Jenny M. Lord #5 Constellation Junior Stars, Fidelity Triangle #4, and the young men of the Order of DeMolay. The DeMolay group will be doing the 'Rose Talk'. I urge you all to come out and support our youth. Remember, this is an open program for everyone, so bring the wife and family.

I hope you and your families have a happy and joyous Easter. Remember our Brothers in sickness and distress in your prayers.

Social Evening & Dinner Planned for May 17, 1986

Our study is now completed. We had no way of determining just how many of our members actually read the Penfield column appearing in the Masonic News, and devised upon a plan to skip a couple issues and see if it were noticed. Our response has been overwhelming!

We hope our timing will be equally successful as we are now announcing our annual April-after-church Sunday Brunch. We invite anyone of good character, friends and neighbors, and all for \$3.50 and half price if you are under twelve. This will be Sunday, April 13th from 10 til 2, in our Lodge dining room at the four corners in Penfield. The cooks have washed their uniforms as well as the pots and pans, and the tables are set. Call Wayne Slack for tickets at 586-7417, and join us for food and fellowship.

We have a class in progress, with the second degree April 1st, and third degree April 15th. Preceding the 3rd degree will be a dinner, with plans now in the making. You will be contacted by the telephone committee for the dinner, or call Wayne Slack at 586-7417. We are concerned regarding those who cannot drive and would like to attend our meetings. If you are one of those, call Wayne Slack at 586-7417 and we will be delighted to arrange transportation, unless, of course, you live in Florida.

Brother Don Morgan is heading up a committee to put some new life in Penfield, and part of his plans are a tureen family dinner at our Lodge. He has tentatively set Saturday, May 17th at 6:30. Dinner will be followed by euchre, pinochle and bridge or whatever!

Some of our Brothers have all the luck, while others of us must take what comes. W. Al Clark and his wife are enjoying the beach in Hawaii, taking "advantage" of the generosity of American Airlines. We wish you a good time but wish it were me instead of you.

Our Senior and Junior Deacons, Otis King and Bo Medlin, are keeping involved these days coaching the basketball team at Good Shepherd Church in Henrietta. Listening to them, one would think all the wins were strictly their efforts and nothing to do with the players.

We are happy to report that our Secretary, R.W. Bruce Brainerd, is doing fine after being in the hospital. Our thanks to W. Don Morgan for taking over during Bruce's absence.

FROM THE RECORD

It was a cold winter's night Dec. 26, 1885. The steam was rising from the horses that pulled the sleds and carried the Brethren to a special communication of Penfield Union Lodge #154 for

PENFIELD UNION LODGE No. 154 1st and 3rd Tuesdays

Peter A. Shuryn Master

the installation of officers for 1886. The Brothers stomped the snow from their boots, hung up their heavy overcoats and entered the Lodge room on the second floor of their building which the Lodge had purchased from Joseph Rich in 1856. That building stood about where the Lincoln First Bank now is on Penfield Road. They crowded around the big potbellied stove, and since it was the Tiler's duty to provide heat he took the usual WHERE'S THE HEAT comments.

After the opening of Lodge Wor. Abram Becker as installing Master and Wor. John S. Beaty, as installing Marshal, the Officers for 1886 were installed.

George P. Strowger, WM; William B. Ely, SW; Walter C. Miller, JW; Elisha Lamb, Treas; John Chadsy, Sec.; William H. Raymond, SD; Charles P. Bancroft, JD; Harmon S. Knapp, SMC; W.W. Bows, JMC; John Beaty, Mar.; Hiram Auchampaugh, Tiler; and Rev. T. J. Parker, Chaplain. More about him later. After the installation the Wor. Master and brethren EXEMPLIFIED THE FIRST DEGREE. What would happen if we tried that today?

On the 6th of Feb. 1886 a petition for affiliation was received from our Rev. T. J. Parker. It was referred to committee and approved on Mar. 6th. On April 3rd Penfield Union received a DIMIT from Walworth Lodge #254 for Rev. Parker. They had the cart before the horse but Walworth is still speaking to us.

In June the Lodge voted that the Trustees BE REQUIRED TO MEET and take such action as they deemed advisable for repairs necessary to the property of the Lodge. Things don't seem to have changed much in 100 years. However, in October the Trustees submitted their bill for \$47.87. Not even the Do-All Construction Co. can beat that.

The late 1870's and early 1880's were not good years for Masonry. Grand Lodge records show a loss of membership. Only one new brother was raised in Penfield Union, and 7 members were unaffiliated in 1886. In spite of all this the Lodge voted that they would have a Public Installation on Dec. 30, 1886 for the officers for 1887. Their spirit and confidence continued today and shows that our Light of Masonry cannot be dimmed.

Bruce Brainerd, Sec.

Triangle Is 60 Years Old
1926-1986
To Install New Officers
April 12 At 8:00 P.M.

New member Tobi Curtis and Beloved Queen Gretchen Rist

Feb. 8 — Our regular meeting was held at 8:00 P.M. in Room A, with initiation of one new member, Tobi Curtis.

Special guests included, Deputy State Director Emeritus, Miss Pauline Overturf; and Senior Advisor, Mr. Richard Miller and Mrs. Miller.

After the meeting, we had refreshments in the second floor dining room. During the refreshment period, we had the unexpected pleasure, of a visit by the Grand Master M.W. Calvin Bond and two other grand officers who were attending another meeting in the Temple that night.

Our Triangle Dad, W: Ronald Bertie, had invited them, to visit the girls in the dining room, and have some refreshment with them. All of us enjoyed that visit very much.

Feb. 15 — Our regular meeting

had to be cancelled, because several of our officers were ill with the flu.

TERM PLANS

April 12 — Formal installation of new officers in Cathedral Hall at 8:00 P.M., followed by refreshments in the second floor dining room.

Note

"TRIANGLE", is 60 years old this year 1986. "Triangle" was organized in 1926, by Past Grand Matron, M.W. Rose E. Scherer, who was Grand Matron in 1925 and she was our State Director for many years. Our present state director is Mrs. Hazel Koch, who is the daughter of M.W. Rose Scherer.

office after District #3's Deputy resigned. After Debbie's homecoming, we enjoy a weekend of rest after which we travel to our annual Convocation. Some of the activities we will enjoy include: election of officers, a pie-throwing contest, a talent show, People of the Year Awards, and our Installation on Saturday night.

As we near the end of our year, we would like to remind you of some of the events occurring this year. Last April, Miss Debra R. Garbutt was Installed as The Grand Exalted Star of Light and Love of the Grand Constellation of the State of New York. She started her term with a reception in Hilton in June. Over the summer she and her officers travelled to the Demolay Convention. In the fall, she started her official visits to each district. Over the break she kept busy by travelling to meetings of individual constellations and district receptions.

Now, after beginning the last part of her year, Debbie should be congratulated on a very well

School of Lodge Administration

Brethren,

I would like to call your attention to the 1986 meetings of the School of Lodge Administration.

As usual we will have 3 meetings, which are scheduled as follows:

April 30, 1986 — Host Seneca Lodge — 875 Main Street East

October 17, 1986 — Host Eto- lian Lodge — Spencerport, N.Y.

November 7, 1986 — Host Penfield Union Lodge — Pen- field, N.Y.

R:W: Ralph Biggar has decided that this year he will change the format from how to handle the Administration of the Lodge to the things that the Master, Officers and Brethren are NOT allowed to do in handling the Administration of the Lodge.

This approach sounds very interesting and I hope that there will be a better attendance than in the past. Remember, Brethren: R: W: Ralph puts quite a bit of time in preparing these sessions and I do believe they are worth the time spent in attending.

Hope to see you on April 30 at Seneca Lodge, finding out about the NO-NO's of Lodge Administration.

Lawrence F. Geith,
Secretary

Brethren,

The Great Architect has called Elmer Funk to the Joy of the Universe on February 21st. Our hearts and sympathy go to his family and loved ones.

Our 1st degree held on February 18th by W.B. Jerry Jones was on target and a job well done for three new Brothers. We look forward to their advancement.

O.E.S. was infested with Clio Lodge members on Master Mason Night February 25th. We enjoyed the supper and entertaining activities that Leah Chapter presented for the evening. Your support in so many ways is recognized and appreciated. Thanks, Ruby.

"One More For The Road Is Over" says Al Manzer, our Senior Warden who presented an excellent presentation on the rapidly changing laws in regards to drinking and driving. Our thanks to Al for his added efforts in making our meeting on March 4th interesting and meaningful.

Lodges. We had a most interesting conversation with their Executive Director, W: Lloyd Smith, who received us most cordially.

With W: Adrian Solomon having returned earlier to Rochester, I paid a visit to Menorah Lodge No. 623, where I was received with every courtesy. Their meeting place would be the envy of everyone in this area (or any other area, for that matter). It is in the magnificent Scottish Rites Masonic Temple on Wilshire Blvd., and is frankly a place to behold. Menorah Lodge meets every Thursday night, and there is no lack of candidates. Needless to say, I spent a most pleasant, instructive and informative evening, and was quite intrigued by the remarkable differences in their procedures as compared to ours — but such is Freemasonry.

Regretfully, our return to Rochester, apart from the sharp differences in the weather, was to learn of the tragic passing of R: W: Herman Sarachan, about whom our Secretary, R: W: Phil Averbach, has written an appropriate article for this issue of the Masonic News.

The Grand Constellation of the State of New York has started its very busy spring term. We started our busy term by travelling to an Official Visit to District #7 in North Tonawanda. The meeting was very lovely and the District Deputy, Cindy Zuch, did an excellent job running the meeting.

In April, the Constellation starts its busiest time of the year. We start the month by travelling to District #6 in Monroe, just outside of New York City. After travelling to Monroe, we head to our Grand Exalted Star's Official Visit and Homecoming to District #3. This meeting will be run by our new District Deputy, Miss Stephanie Huffman. Stephanie took over this very difficult

CORINTHIAN TEMPLE LODGE No. 805 1st and 3rd Mondays

William Baker Master

Dear Brethren:
Your Master is taking reservations for the Grand Ball scheduled April 5th at the Wishing Well, located at 1190 Chili Ave. This event will be scheduled as a Corinthian Temple Ladies Night. For reservations, please contact me at 227-4329.
In April, there will be two scheduled meetings on the 1st and 3rd Mondays. I'm sure attendance will improve upon the return of our many Brothers wintering in southern climates.
The present merger with Charlotte Lodge is going forward at the expected pace thanks to our Secretary R.W. Bert Steene. We had three meetings with Charlotte Lodge between the committees appointed to look into the merger. After a few preliminaries, papers will be submitted to Grand Lodge for final approval. Your committee will keep you posted in future editions of the Masonic News.
It is with great joy to report that R.W. Luther Webster is home and recovering from his recent illness. The Lodge wishes a speedy recovery and looks forward to his return.
May I encourage any Brothers who haven't sent in their Brotherhood Fund contributions to do so now for this very worthwhile endeavor.

Fraternally,
W. William Baker

7, 1986. This meeting will be very important in the annals of this Lodge. You will be asked to vote on the merger with Charlotte Lodge No. 1088. The items to be covered will be: first, the ratifying of the consolidation agreement containing the name and number of the proposed Lodge, where and when it will meet, the proposed by-laws and officers who will serve until the Annual Meeting next following the effective date of the proposed merger; second, discussion on the financial reports and what recommendations we would have to make the combined lodges fiscally sound. Those of you who have expertise in the stock market should make an effort to attend to guarantee that the two lodges' money is well protected by today's inflation.

At the summoned meeting of Charlotte Lodge in April when they pass the consolidation agreement it should be at least a month later when we will have our official go ahead for the merger.

I am eagerly looking forward to the consolidation as it should be very beneficial for us. Charlotte is a very active lodge as you can see by the installation program that you received in the mail. Plans are being made to attract new initiates which will overcome the gradual drop in membership as all lodges have experienced. Plan to attend the meetings and observe first hand their sociability and variety of programs to induce the members to come out. I hope that the next issue will contain the final report on the status of our merger.

proving our social functions and attendance in Lodge, among other things.

W. Br. Norm Mundt was coming along pretty well from his bypass surgery. As I was writing this article, I received a call from W. Br. Emil Schirano telling me that W. Br. Norm started bleeding and had to be taken back to the hospital for a little more surgery. I will report as I know more. Br. Brion Phelps was flat on his back with bronchitis and flu. He was feeling better at the time of our last meeting. Br. Ron Baker was involved in an accident with his motorcycle while in pursuit of his duties. I was glad to see that his injury was minor and that he was back on his feet.

The Lodge wishes to express its sympathies to the family of Br. Richard Remington, who was called by the Supreme Architect of the Universe. Our prayers will be with him.

May 6th will be Move-Up Night for all the officers. As I

will be in New York that week attending the Annual Communication, please come out and support your officers.

Fraternally yours,
Lou Campaniello
Master
