the format from how to handle
the Administration of the Lodge
to the things that the Master, Of-

This approach sounds very

Also for the 2nd reading, it was
voted to increase the Grand

vote was approximately 1400

Multi-cube rejection in ballot-

**EAST ROCHESTER LODGE
No. 1020
2nd and 4th Tuesdays**

East Rochester Lodge 1020. A communication had been mailed out and at precisely 8:00 p.m. there was the sound of the gavel in the East. Then and there Worshipful Master J. H. Cairns with the help of his officers, Senior Warden H. L. Brainerd — Junior Warden J. Boyce — Treasurer L. H. Hoffman — Secretary G. H. McInerney — Junior Decon William Barker — H. G. Cooper Senior Master Ceremonies — Junior Master Ceremonies Frank Karge — M. B. Furman was Chaplin. The two Stewards were James Lynch and Charles Cobb — The Tiler was C.A. Deming, give birth to our lodge. There were 23 Master Masons from all parts of Western New York and the records show that there was one from as far to the West as Cleveland. All the Brethren were introduced and later District Deputy Grand Master William McFarlane. The District Deputy presented a special dispensation to Worshipful Master Corins after receiving the special dispensation he appointed the officers named above, it was then and there that life was given to our lodge.

The records show that the first stated communication of our lodge was mailed and the meeting was held on Tuesday, January 9, 1923. It was that day that the new Masonic Lodge was named East Rochester and was still unnumbered. You will note that at the December 30, 1922 meeting that as of that time there was no name or number of the lodge. The lodge was operating at that time with the letters. U.D. meaning it was Under Dispensation. To be continued.

The lodge both inside and outside has had a face lift. The outside has vinyl siding all around except for the brick front. It is one of the best looking buildings on the street. For the inside at this writing progress is being made at completing the floor in the kitchen and the hallway between kitchen and the bathrooms.

Hope to hear soon that Jim (Buckshoot) Smith is on the road to recovery. I hear from his son Bruce that he is a little better than he was. Bruce said he was able to get out to buy a new chevy station wagon.

Also am waiting to hear how Brother Howard Wood is doing. he has been laid up in the hospital with a heart ailment. Woody I look forward to our going to an auto show with you and your pride and joy "old Betsy"

And to our Brother down Clemens, South Carolina, who is an officer in the Clemens Lodge, Harry Seifert, hope you have recovered from your early this year operation.

Our sympathy goes out to Brother Louis McKie on the loss of his mother. For those who remember Brother McKie and

have lost track of him. You can reach him at 8160 Stalder Street. LaMessa, Calif. 92041. I know he welcomes old friends.

There is a fine man and Mason from this lodge who is one of the faithfuls for showing up in lodge, has been a member since February 8th 1949. He was a die sinker in the former New York Central Car Shops. His name is Burton F. Winebrenner. Burton is the white headed gent that sits in the same seat in the lodge on almost every second and fourth Tuesday for more years than I can remember.

It is now into the month of May and several of the boys are already back from the sunny states. Hope to see you retired folks out to the free steak dinner your lodge is hosting on June 10th and those of you from out of Monroe County (anywhere) we want you to show up. After dinner there will be a short meeting. The dress for the nite will be sport shirt and your old sneaks a good time is promised to all. You don't need to read this again, you read it right, there will be no charge.

It is supposed to be a secret but I heard thru the grapevine that the three top officers are going to keep your coffee cups filled and along with Brother Gary Snyder will be the operators of the grill and serving. Don't forget to bring your appetite.

At one time the lodge was considered a railroad lodge account of East Rochesters one time major industry was the NYC Car Shops. It still has the same flare except now they are men from the Baltimore and Ohio Railroad and to name a few. There is Keith Fisher who is an engineer who hauls freight from Salamanca into Rochester. There is a yardmaster by the name of Charles Schroml. There is a batch of trainmen and conductors firemen, Scott Carney a conductor, Ross Scor, fireman; Gary Snyder is the roundhouse foreman. so you see there will always be railroad people in lodge 1020.

Because of lodge records it is asked of you to fill out the following and mail back to the undersigned before June 3, 1986.

June 10th**

It is with sadness that I report the death of Brother Reginald E. Spring. Brother Spring was raised on April 12th 1949 and passed away April 22nd 1986. A masonic service was held. My brothers, I realize that we get very short notice for masonic funeral services; but please try to attend. Someday, your widow may say; they didn't think too much of my husband because only a few came to the service.

By now you should have received the letter concerning our June 10th meeting, being a Loud Shirt Night and FREE Steak Roast. I hope many can attend, so we can have a good night of fellowship and fun. If some of our out of state brothers are in town that day, we would really enjoy having you attend.

Along with myself, the following brothers painted the ceiling in the lodge room: Brothers Bert Winebrenner, Carlton Smith, Don Moore, Jim Johnson, Gordon Neil, Gary Snyder, Ron Nevin, and W. Merle Rogers. Please accept my thanks for all your help. A big thanks to R.W. Gordon Hoag & Don Moore for setting everything up the night before. Even with nine of us it took 3 hours. R.W. Gordon Hoag has been very instrumental in doing repairs to the building to comply with the orders of the East Rochester Building Inspector & Fire Inspector. If I have missed anyone, please accept my apologies and thanks, the building is looking good now, what with the roof repaired and new siding and the back shed repaired.

At Grand Lodge May 5th and 6th, the \$5.00 raise in per capita tax was passed. So now instead of 7.50 per year; starting in 1987 it will be 12.50. Each lodge will have some thinking to do, as to how this difference will be made up. It was also passed that starting in 1988 Grand Lodge Annual Communications can now be held in other cities outside of New York City. Someday, you may see it in Rochester. At the Grand Masters dinner, General James H. Doolittle received the Distinguished Achievement Medal; and R.W. Norman Vincent Peale, Grand Chaplain Emeritus received his 60 year pin. I was fortunate afterwards to get both of their autographs.

HOPE TO SEE YOU ALL ON JUNE 10th.

R.: W.: Gerald K. Becker

My Brethren;
On behalf of the Monroe Masonic Inter Lodge Fellowship Comm., we have set forth the evening of Wednesday, June 18th as Masonic nite at Silver Stadium. In past years we have had some real good crowds out for this. So please let us regroup and show Monroe County that Masonry is alive. R.W. Ron Mertens and I will have tickets. Annual Strawberry Shortcake & Sport Shirt Night June 9th

Brethren:
This will be the last communication before our Summer recess and I hope that all of you will make a special effort to be present at our June 9th meeting and at all the events planned for the Summer. The June meeting will be our annual strawberry shortcake and sports shirt night, and all should wear their gaudiest sports shirt. There will be appropriate recognition made of the brother with the most outlandish shirt.

Move-up night on May 12 was a great success, and all those who participated did well.

It was my pleasure to attend Grand Lodge the week of May 5th to represent you, and I thoroughly enjoyed the experience. It was an extremely exhilarating experience to be present at a gathering where the great names in Masonry were in attendance and to meet all those who have contributed so much for so many years to promote Masonry in New York. It was noteworthy that the Grand Master of Canada, Province of Ontario, the M:W: Lou Copeland, in his address to those present, made special reference to our Lodge as an example of the friendship and fellowship which makes hands across the border more than a mere phrase. Thanks again for allowing me to represent our Lodge there.

Looking forward to seeing all of you in Lodge, and have a great Summer.

Faternally,

W. Charles A. Tijou, Master Trestleboard

The Gold Spade Returns

The euchre tournament between Charlotte and Fame Lodges on April 29th ended with Charlotte winning the Golden Spade. It was a tough battle but the cards fell the right way. Of course, there was a little skill involved too. The brothers from Fame even tried to bring in a ringer in the person of Rt. Wor. Jack Thibaut of Northfield Lodge. But we had our own ringer. Rt. Wor. Bert Steene of Corinthian Temple Lodge joined us in our quest for the spade. In fact, he and Bill Flemming took second place with 8 wins and 85 points. Brothers Ray Brosshans and Walt Pagel took first with eight wins and 87 points and Mark Hickok and Vern Newell took third with 5 wins and 68 points. It was a clean sweep for Charlotte.

Others who came to the euchre party were Wor. Don Freeman, Brothers Davy Jones, Joe Marinelli, Pat Monaco, Ralph Smith, Shorty Buchanan, Ron Langworthy, John Miller, Al Paget and Wor. Tom Paglia and Wor. Keith Stambach. I mention them last because that is the place they took. Everyone had a great time and the food was good too. Come to the meeting of June 3rd and witness the turning over of the spade ceremony. There has been talk of a 'non-shovel' grudge match in euchre for after the meeting. There will be plenty of opportunity for other card games also.

The Third School of Ritual of the year was held at our own Charlotte Lodge on April 18th. We had 14 members present to bring our count up to 27. Etolian Lodge is right behind us in count so now is not the time to relax. There are four schools this year that count toward the attendance banner. The Fourth and last School of Ritual for the year will be held at Webster Lodge on September 19th. We will be forming car pools at the lodge to venture out to Webster so mark the date on your calendar. The schools have been well attended this year thanks to Rt. Wor. John Tijou and newly made Rt. Wor. Bill Russell who have made the instructions in an interesting and relaxed but authoritative manner. The very good attendance is a reflection of their dedication to the instruction of the craft. On behalf of Charlotte Lodge, I wish to congratulate Bill Russell on becoming a Right Worshipful.

Those from Charlotte who home following surgery and is progressing well.

We hear that Brother Robert Lauzon had an accident. He slipped off a ladder and damaged his back. We understand that Bob has been in a lot of pain and hope that by the time that this gets into print he will be feeling much better.

W: Bro. Charles Tijou was a loss for words at the Grand Master's dinner when he had the pleasure of meeting both Gen. James Doolittle and the Rev. Norman Vincent Peale. However, he recovered enough to collect the autographs of both these eminent brothers.

Brother Carl Busack is home following emergency surgery and is recovering well.

Faternally,
R:W: A. John Tijou

were present at this school were Wor. Don Freeman, Wor. Tom VanLare, Wor. Keith Stambach, Wor. Jim Branigan, and Brothers Eino Laakso, Dave Jones, Ed Holdgate, Bill Collister, Harry Lake, Chuck Hare, Ralph Ward, Shorty Buchanan and our newly raised brother, George Putnam.

The interlodge golf tournament will be held on May 31st. Brother Shorty Buchanan is taking reservations. The main event of the tournament will be the rivalry match between Yonnon-dio and Charlotte. The winner of the match will win the fur-lined pot and the loser will get the infamous award. The golden spade has returned, now is the time for the pot to come back.

Scoring for the tournament will be by the Calloway system. There will be hamburgs, hots, Italian sausage and all sorts of liquid refreshments including camel's milk and soft drinks. There will be prizes. No one will go away without winning something. There will be golf balls and tees to be given away. Also, for the first time, the wives are invited to take part in the tournament. As an added attraction, you can all witness yours truly playing golf for the first time. The cost of this function is \$18. So make your reservations with Shorty as soon as possible. He can be reached at 865-2979 or you can call me at 392-5583 and I will pass your reservation on to Shorty.

Another date to remember is Sunday, June 1st. That is the date of our annual lodge picnic. It will be held at Braddock State Park. The pavilion has been reserved in case of cloudy weather. Some of the brothers from Corinthian Temple Lodge will be there along with some of our widows of masons. The cost will be a dish to pass plus \$3 for adults and \$2 for children under 12 years of age. Children under 6 will be free. Family cost will be no more than \$11.00. The cost to the widows of masons will be zero. Call Ron Langworthy at 865-4995 for reservations and types dishes to pass.

Three of our brothers have been called home by the Great Architect of the Universe. They are Lynn Wood Reynolds who passed away on March 1st, Richard D. Longhouse who passed away on April 16th, and James E. Macklin who passed away on April 23rd. Please remember these brothers and their families in your prayers.

The Brotherhood Fund is coming along very good. We are third in total with over \$1575.00 contributed so far. We are ready to windup the year so please send in your contribution to Chick Hare, our Brotherhood Fund Chairman. Just a reminder to those of you who have not paid your 1986 dues. We would appreciate your payment as soon as possible. If there is any difficulty in paying your dues please let me know.

In closing, please remember our brothers in sickness and distress in your prayers and please remember the brotherhood fund.

Be Proud To Wear Your Apron

Dear Brethren,

Do you remember when you received your **White Leather Apron** — the Emblem of Innocence and the Badge of a Mason? So often we put it back in its box, tuck it away in a drawer or chest, and never look at it again.

Yet, we are instructed to WEAR IT throughout an honorable life — "Let its pure and spotless surface be an ever-present reminder of a purity of life and rectitude of conduct; a never-ending argument for nobler deeds, for higher thoughts, for greater achievements."

Yes, we should be proud to wear our Apron because it symbolizes a powerful message — "may the record of your life and actions be as white and as spotless" as your Masonic Apron.

Wouldn't it be great if all men — or at least more men — could proudly wear that White Apron and try to pattern their lives by what it stands for. There would be more Harmony, Friendship, Brotherly Love and less hatred, discord, strife and terrorism.

I do hope that every Brother in John A. Robertson Lodge will strive to recommend at least one good man, worthy and well qualified, on whom we can bestow a White Leather Apron. In that way, more men can be influenced by the great teachings of Free Masonry. Please call me at 266-3074.

Wear your Apron often and with justifiable pride!

Our Tri-Lodge Love Boat has indeed sailed on tranquil waters since it got underway last January. We've had a good time together and there has been a warm feeling of Good Fellowship and Brotherly Love. May it sail on and on in that same spirit!

TRI-LODGE STRAWBERRY FESTIVAL — Monday, June 2. Dinner — with our Ladies — at 6:30 P.M. Valley Lodge will be in charge and Worshipful Master George Bundoc assures me it will be a gala occasion.

The much-publicized **BOAT RIDE ON THE BARGE CANAL** comes next — **June 6 — underway at 6 P.M.** At this writing — May 8 — we already have Sixty-Seven signed up! Now let's continue praying — this time for good weather and smooth sailing!

After the Boat Ride, our Love Boat will tie up for R&R 'til the big **STEAK ROAST AND PICNIC on Sunday, August 24, at the East-West Lodge in Churchville Park.** Please mark your calendar now. A flyer, giving details, will be sent out at an appropriate time.

I am a Better Mason . . .

If you felt the way I did, your enthusiasm was supercharged by your attendance at Grand Lodge. It was the culmination of what we have been working toward for the past few years and was certainly worth the effort. It was an inspiration and something that none of us will ever forget.

The installation of the Grand Master, the M:W: Robert C. Singer, was a most moving experience and it was most touching for me to be sitting next to his father during this ceremony, who was most proud of his son and epitomizes the ultimate sense of Masonic fulfillment that one can ever hope to attain. I feel that I am a better Mason with the insight that I have gained, and will endeavor to continue to grow and improve myself in Masonry.

Our most sincere congratulations are extended to our newly installed Grand Master. We will support him to the utmost and endeavor to make his years in office noteworthy and fruitful. At the same time, our sincere thanks to immediate Past Grand Master, M:W: Calvin G. Bond, for his untiring efforts and glorious contributions to the Craft.

In this our last communication before our Summer recess, I wish you all a pleasant holiday and trust that you will return in the Fall full of enthusiasm and dedication to the Craft.

Fraternally,
W: Charles A. Tijou, President

Looking ahead . . . **SAM GROVER NITE** will be held on **Monday evening, October 6,** with dinner at 6:30 P.M. We will honor our beloved 83-years-young Chaplain, Brother Samuel E.S. Grover, recipient of the Dedicated Service Award. Mark this important event on your calendar.

Looking back . . . **WB ED WALKER NITE**, May 5th, was a most enjoyable occasion. WB Ed, President of the Masonic Stamp Club, gave a most interesting slide presentation on stamps, with a Masonic connotation, before a large audience.

Yes, John A. Robertson had 44 for dinner — 19 ladies — and several more Brethren joined us later in Lodge. Returning from the Sunny South were **RW Tom and Sally Davis** and **Bro. Ed McKee**.

It was also a pleasure to welcome **Bro. Beecher and Shirley Jeffery** who live in Albion. Bro. Beecher has difficulty with his heart and lungs and can't be out in cold weather.

Another very pleasant surprise was the appearance of **Bro. Wayne Gundry**, brother of our **Sr. Deacon Rich Gundry**. Bro. Wayne is with Xerox in Indiana.

It was also a pleasure to welcome **Bro. Carl Wagner** who isn't able to join us during the cold weather.

At this writing, we anticipate conferring the First Degree on May 19th for two candidates.

GOOD NEWS — Congratulations to **Bro. George and Ginnie Wilkinson** who celebrated their 39th Wedding Anniversary on May 10th.

Also to **WB Ed Walker** who became Ill. Master of Doric Council on May 12.

Bro. Norm and Elizabeth Millard are real proud of their granddaughter, Jill, who was awarded a scholarship from Eastman Kodak for four Years at Penn State. Jill belongs to the National Honor Society.

Yours Truly expects to participate in a Shrine 30K (16.8 miles) race, from Canandaigua to Geneva, on June 8.

Our Immediate Past Master, **WB Skip Waterstreet**, is President of the Rochester Youth Hockey League. His son, **Mark**, is a Defenseman for the Bantam Major Travel Team (15 year olds). WB Skip is also President of the Metropolitan Umpires Assn. Busy guy!

Who else has Good News? Please let me know at 266-3074

or drop me a line.

SICKNESS OR DISTRESS — **WB Ed Walker's son, Tom**, who was seriously injured in an automobile accident on April 6, is still in the Strong Hospital. Please send him a card to his home, 162 Campbell Pk., Rochester, N.Y. 14606.

Bro. Harry Barth, who suffered a stroke, has been released from the hospital. We have not been able to determine his present location.

Bro. George Joyce, a very cheerful and optimistic Brother, is receiving radiation treatments. He'd love to hear from you. His address is 88 Calkins Rd., Rochester, N.Y. 14623.

MEMO FROM BRO. SAM GROVER — More famous Masons: Clark Gable, Frank Gannett, former President James A. Garfield and King George VI of England.

I NEED YOUR HELP — To make a few phone calls, visit a Brother who is a shut-in or is in a hospital, bring in a candidate or investigate a candidate, help at the Steak Roast or the Christmas Party, etc. In my situation as Master, it's nice to have some Brothers that I can call on for help. Please call me at 266-3074.

IF YOU HAVE NOT PAID YOUR DUES or contributed to the Brotherhood Fund — Please send your check to our Secretary, **WB Ed Walker**, 162 Campbell Pk., Rochester, N.Y. 14606. Phone: 647-2382. Thank you.

Yours for More Fellowship and Brotherly Love,
Paul A. Robertson,
Worshipful Master.

CLIO LODGE
No. 779
1st and 3rd Tuesdays

Brethren:

The Great Architect has called Brother Warren Rowley to the Universe on May 8. Warren was raised in 1959 and our hearts and sympathy go out to his family.

I enjoyed the trip to Grand Lodge in New York City and while I was there I reviewed past records of Clio and found in 1877 initiation fees of \$60, and dues of \$5. The fire brought back memories in 1965 and meetings were held in Spencerport and also my brother flew home from Virginia to take his 3rd Degree.

Our Brotherhood chairman has reported that the Brotherhood Fund drive is coming to a close and 20% of the members contributed in excess of \$1,250. My special thanks go to Brother Harry Clapper for his efforts as Brotherhood chairman.

During my absence Genesee Falls paid Clio a visit with 16 members and made off with the Traveling Gavel. It was the first time the Clio ever had the Gavel; we enjoyed getting it, and also seeing it off.

June 17 is our annual Lodge Picnic. Please bring a dish to pass and wear a sport shirt. The Lodge supplies the rest. So until then, see you at Lodge.

**FAIRPORT LODGE
No. 476
2nd and 4th Mondays**

My Brothers, as I look back upon our accomplishments together over these past few short months we at Fairport Lodge have much that we can feel proud of and I thank all the brothers for their cooperation and support. In our work of the third degree we proved to our visitors and to ourselves that our ritual work at Fairport continues in our tradition of excellence, and I know first hand that our newly raised brother was most impressed with the degree. The officers and degree team members were well deserving of our post rehearsal party at the Village Inn and I thank each of you for your efforts.

Our evening to honor the members of Fairport Chapter #444, Order of the Eastern Star was as enjoyable and entertaining of an evening as I have spent at lodge and was well received by our "Stars" as a tribute to the fraternalism within our Masonic family. I thank brothers Tom Trapanouski, John Lindsay, and W.: George Bracht who learned that they had more talent than they realized, and especially Illustrious Brother Larry Hood for sharing his superb presentation of Crazy Googenheim. I am also grateful to Worthy Sister Lois Hassoldt for the privilege of singing her a love song and to my mother, Worthy Sister Jessie Scott, for providing the accompaniment. Most gratifying was the attendance and participation of all the brothers and sisters who came out for what I hope will be a most memorable evening for all.

Having returned from the 205th Annual Communication of Grand Lodge, I wish to thank the members of Fairport Lodge for the opportunity to represent them and their support of my attendance. It was especially gratifying to sit with the District Deputy from First Monroe District, our own R.W.: Chick Becker, and I was proud to attend with him as the Master of his lodge. As he completes his term as District Deputy we at Fairport Lodge can point with pride to one of our members who has served that office with such dedication and distinction. Congratulations form all of us, R.W.: Bro. Chick.

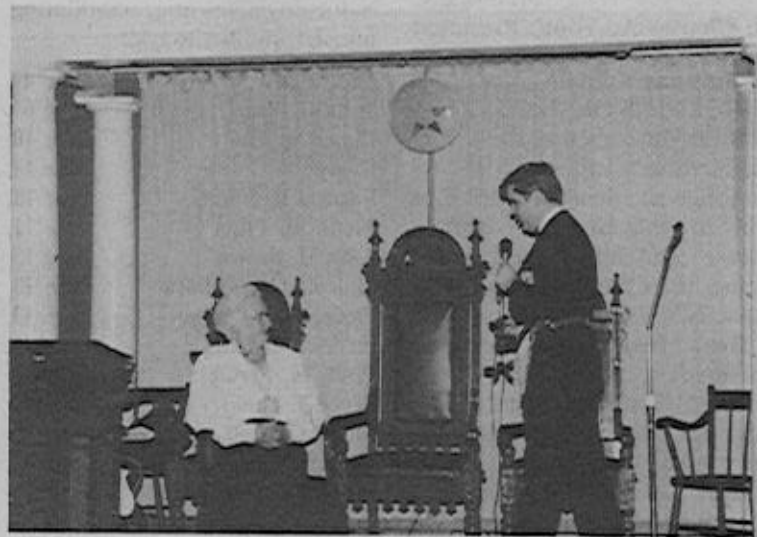

While the Summer months will soon be upon us, I ask each of the brothers for their cooperation to stretch their cable-tows to assist the Lodge's participation in

Fairport Lodge Honors Fairport Chapter

Fairport Chapter #444 OES is entertained by Fairport Lodge in a night of merriment and myrth.

Illustrious 33rd Degree Bro. Larry Hood entertains with his impression of Crazy Googenheim while Worshipful Master Dick Scott looks on.

As Worshipful Master Dick Scott sings a love song to Worthy Sister Lois Hassoldt.

A long stemmed rose is given to each of the ladies in attendance who were the real "Stars" of the evening.

Village Landing Days on June 20 and 21 as well as our Chicken Bar-B-Que on the 4th of July, also remember to tell your friends to visit our concession and enjoy good food served by good people. My wish for all of you is to have an enjoyable summer filled with fun and relaxation and I look forward to our meeting again in the fall.

The trip to New York City to visit the Grand Lodge for the 205th Annual Communication was fantastic. For those who have never been to the Big Apple, to see the skyscrapers like the Empire State Building or the Pan Am and other tall buildings, it's just unbelievable.

From the Grand Lodge of Free and Accepted Masons of the State of New York, on May 7th — Six key officers were elected and installed in the highest posts of the jurisdiction for the following year:

- Robert C. Singer Grand Master
- Roswell T. Swits Deputy Grand Master
- Charles C. Kysor Sr. Grand Warden
- Frederic A. Williams Jr. Grand Warden
- William Perlman Grand Treasurer
- Wendell K. Walker Grand Secretary

General James H. (Jimmy) Doolittle, World War II flying hero, a member of Norwalk Lodge No. 315, California, received the Grand Lodge Medal for Distinguished Achievement at the Grand Master's Dinner, Tuesday, May 6th.

Rev. Dr. Norman Vincent Peale, Grand Chaplain Emeritus, and member of Midwood Lodge No. 310, N.Y. City, also was honored that evening on his 60th Masonic birthday.

The first meeting of Northfield Lodge in the month of May is traditionally Move-Up Night, at least in part because the Master is usually at Grand Lodge. In keeping with that tradition, the officers filled the chairs they should regularly occupy in 1987. Since an unusual calendar placed the first Thursday before the first Tuesday, your Master had the pleasure of observing from the vantage point of the Chaplain's chair the fine job our officers did in their unfamiliar stations and places.

It was also a pleasure to see Bro. Bill Harvey and Bro. Herm Storrer in Lodge. We have missed you both, and hope your health continues to improve.

Thanks again to R.W.: Jack Thibaut for opening, presiding, and closing in place of our Senior Warden, who was out of town; and to R.W.: Harry Kennedy for serving as Secretary for the meeting.

Many thanks to the Lodge for giving me the opportunity to represent them at Grand Lodge on May 6 & 7. It was good to reassure oneself personally of the vitality of that fine organization; to watch an extremely capable Grand Master preside over his last Grand Lodge, and to renew old acquaintances from other parts of this State.

Northfield Lodge will confer the third degree on June 5. We are all aware that the normal date for that event would have been

September. I hope everyone will have an enjoyable summer.

The Activities
For June & July**

Hello — Northfield Lodge is still very active even though our Monroe Masonic newsletter doesn't indicate otherwise.

May 1 was move up night a spaghetti dinner and wine tasting affair after the Lodge meeting. The dinner was prepared and served by W.: Glenn Hedges and his wife Carol plus other good help.

Being move up night our S.W. Wiles Converse was in California, R.W. Jack Thiabaut presided in the East. He had good back up with R.W. Marty Reitz sitting in the East. R.W. Reitz did not have to give R.W. Jack any cues.

Bro. William Harvey attended lodge for the first time since his illness in December.

W.: Bro. Donald Yorks is in circulation after his December heart attack. Good to see them on the side lines.

A change had to be made due to the fact that our 3rd degree scheduled for May 15th to June 5. He had 2 weeks to serve Uncle Sam.

In place of the degree sports night shirt and hot dog roast was held. Notified by calling committee.

The activities scheduled for May and June is as follows:

June 1 — Remove the hot dog stand and store away for another year. Help needed.

June 5 — Third degree — dinner preceding.

June 21 — Northfield Lodge clean up. Help!

June 26 — Strawberry Social — help needed.

July 26 — Northfield Lodge Picnic to be held at Bro. John Williams home, 34 Kurt Road. More details will follow.

We Will Honor Our Brothers On June 17th

Dear Brethren:

Our next communication on June 17, 1986 provides an opportunity for us to recognize members of our craft who have achieved differing milestones within the masonic fraternity. As a result of longevity of involvement, as well as a consequence of unique contributions which have been made, we are able to honor a number of our brethren. I would urge as many of our membership as possible to join in making this evening a memorable one for each of our honorees.

It was also with a great deal of pleasure that we welcome three new members to our lodge. Scott B. Anthony, Robert E. Crystal and David R. McConnell were all raised to the sublime degree of Master Mason at our May communication. I am sure every brother will join me in extending to them a warm hand of friendship and brotherly love. We are fortunate to have such fine men now within our midst.

This past month was also special for two other reasons. First was the formal receipt by Right Worshipful William Russell of his commission appointment as the grand representative of the Grand Lodge of Belgium near the Grand Lodge of the State of New York. The formal presentation took place at our ladies' night program at the Century Club on May 17th. The presenter was Right Worshipful Gerald K. Becker, District Deputy Grand Master of the First Monroe District. It was most appropriate that this award, and the recognition it entails, could be presented not only in the presence of our brethren, but also of our ladies, especially Brother Bill's wife, Helen.

Second, I had the privilege of representing our lodge at the 205th Annual Communication of Grand Lodge. It was an experience I shall always remember and I thank the lodge for the opportunity of attending the sessions.

There were at least three actions of note taken during Grand Lodge deliberations. The first action allowed Grand Lodge to hold its annual communication outside New York City. It is hoped that some day in the not too distant future, Rochester might hold the Grand Lodge sessions. The second action was the approval by a 2-to-1 margin on a written ballot to raise Grand Lodge dues by \$5. The third was the election of the Senior Grand Warden, Roswell T. Switts as Deputy Grand Master. Three other significant proposals (reducing the age of eligibility to become a Mason from 21 to 18, limiting the term of continuous service for appointed and elected Grand Lodge positions, and eliminating the penalties from the obligation) were all referred back to committee. I would be happy to go into greater detail with any brother concerning these matters.

One final word concerning Grand Lodge. We have been extremely fortunate to have had the

Mondays

By now most of our Brethren have heard about the business transaction at Grand Lodge, with the exceptions of our out of town brother's.

To bring our brethren up to date I'll try to give a short summation. Probably the most controversial business that was voted upon was the increase in dues amounting to \$5.00 more per year. It passed with a plurality of about "2 to 1". Grand Lodge expects to use this money to update and initiate new programs, and to help avoid using money's which Grand Lodge didn't have. Apparently last year Grand Lodge had to receive approx. 3 hundred thousand dollars from their trustees in order to conduct their regular business. Without being a C.P.A. most of us can understand this approach can't go on for long. However now the burden will be on the individual lodges to support his program.

Grand Lodge also has new program's proposed, which will require money. They would like to hire a professional (attorney probably), to bring masonry to the public which would be a great investment for the future of masonry.

All of you may rest, with the assurance that your new Grand Master (Robert Singer) is a very strong individual with the interest of masonry deeply entrenched in his heart. He seems to be a strong person with some very good idea's which will, in time benefit all mason's in N.Y. State.

I was also very impressed with his line officers.

The most impressive and most moving part of Grand Lodge was listening to the State Pres. of DeMolay and the State Queen (I'm not sure of the formal title) of Triangle, and the winner of the Troton Essay contest. Their messages to Grand Lodge were most encouraging. Believe me, when I tell you that this country will always be in great shape if these young adults are an example of our youth. So many times our newspapers seem to write about the failings of our youth, I'm sorry that these young adults don't receive the credits which they are entitled to. Also the parents of those young people certainly deserve some tender thoughts (they raised them and encouraged them). Believe me each and everyone sitting in Grand Lodge was equally proud of them.

Our thoughts and prayers go out to our Brothers who are laid

up with sickness. Especially missed because of all the work he has accomplished for Craftsman Lodge is R.W. Bill Wood. Bill has undergone surgery and is now home recuperating, Bill's friends number in the thousands.

It was very nice seeking R.W. John Skalney and Bro. Ed King out to our May Fellowcraft Meeting, held at Bro. Bob Ogden's home. My thanks to Bro. Bob and his wife Jane for hosting our May meeting, it was probably one of our best attended meetings (a triumph to Bro. Jack Grovor) President of our Fellowcraft, acknowledging all of his hard work. Thanks again to Bro. Jack and his wife Frances and Bro. Bob and his wife Jane.

Our June calendar, June 2nd meeting at Webster Temple, June 9th Fellowcraft at Clyde Siverd's Home, 148 Wildflower Drive in Henrietta. June 16th meeting at Webster Temple.

Also at this time I would like to wish each and everyone of you a happy and safe summer. Enjoy yourselves and we'll be seeing you come fall.

FROM THE SECRETARY

"Move-up-night" went smoothly with the capable Wor. Bill Shelby acting as Master. Wor. Charlie Chatfield sustained a foot injury recently in a lawnmower accident-here's hoping for a speedy recovery, Chuck. It's quite stimulating to hear from exchange student Ellen McCormack who has been living in Spain-the Lodge looks forward to her presentation of slides and I'm sure, an interesting talk on her activities in Spain. Congratulations to Wor. Vernon Goodrich for the excellent job he's doing in chairing the Interlodge Fellowship's Committee — keep up the good work Vern. Our sympathy goes out to Anna Brown whose husband Bro. Joseph R. Brown, recently passed away.

163rd Annual Assembly — August 17 to 19, 1986
Marriott Thruway Hotel — Rochester, New York

Grand Council of Cryptic Masons
Most Illustrious Raymond R. Beardsley, Grand Master

**We Have Been Priveleged
Over The Years With
Nine Grand Masters**

On the average, Doric Council No. 19 has been honored every fourteen years by having one of it's Companions elected as Most Illustrious Grand Master.

In the period 1810 to 1823 until the formation of the Grand Council of Royal Master Masons there were three Grand Masters all from Council No. 1. In the period 1823 to its union with the Grand Council, Royal and Select Masters in 1860 there were nine Grand Masters all from Council No. 1. In the period 1854 to date there have been 41 Grand Masters. The distribution has been from Councils throughout the state.

Adelphic Council No. 7 has had ten Grand Masters.
Doric Council No. 19 has had nine Grand Masters.
Two Councils have had six, two have had five, three have had four, eight have had three, nine have had two and fifteen have had one.
Eight Councils have not had a Grand Master.
Doric Council has indeed been priveleged over the years.

With this record, Doric Council is again proud to host the 163rd Grand Assembly. Companions of Doric Council, do not miss the opportunity to be present to indicate that we are interested in the affairs of Grand Council. You have an unusual opportunity to see Grand Council in action.

Send your reservations promptly as requested. We may then adequately prepare for your attendance. The Grand Assembly session on Monday will not only be a business session but will afford the opportunity to see, meet and hear from many of the Masonic leaders in the eastern part of the United States. The principle speaker at the banquet will be Most Worshipful Robert C. Singer, Grand Master of Masons of the State of New York. Special entertainment for the evening is being scheduled. A reception for the honored guests will follow the

banquet. The ladies in attendance are invited to a special program being hosted by Lady Lila Beardsley on Monday. All of the events and their times are listed on the program you will receive.

**Final Activity,
Annual Picnic,
June 12th**

Companions,

Last month, Hamilton Chapter and several Companions from the 27th Capitular District sojourned to Beaver Chapter in Toronto Canada. The day and evening proved to be more than enjoyable — the Canadians truly extended the Red Carpet of Royal Arch Fellowship. Chapter there

we shall have a Social Event to honor M.I. Raymond R. Beardsley, and to celebrate the 125th anniversary of our Council.

(3) Meeting nights will be the 3rd Wednesdays of the month starting in September. The meeting night was changed to avoid conflicts with other Masonic Bodies.

(4) I have asked our Recorder, Ill. John H. Waldock for the birthdays of all our Companions in our Council, so that I may personally wish each of the local Companions a Happy Birthday, and send a card to you who live out of town. In this way I shall be in personal touch with each of you at least once a year.

(5) I hope to have some sort of entertainment after each meeting, so that each meeting will be something other than a straight business meeting.

These are a few of the activities I have planned for the 1986-87 year. I trust that it meets with your approval.

I hope that each of you will have a safe and happy summer, and am looking forward to seeing you in Aug. at our Annual Assembly.

At our Annual meeting held on May 12, 1986, the following Companions were elected, appointed and installed:

Ill. Master, L. Edward Walker
Deputy Master, Ronald D. Mertens
Prin. Cond. of the Work,
Donald Wright

Treasurer, Roy E. Huff
Recorder, John H. Waldock
Chaplain, Harold W. Gruschow
Capt. of the Guard, Ronald J. Bertie
Cond. of the Council,
Lawrence W. Dunn

Steward, Hugh H. Robertson
Sentinel, Arthur F. Havill

These are the Officers you have selected to govern our Council this year. Good luck to all.

Members of the Genesee York Rite College #25 will have their June meeting on the 14th at the Webster Masonic Temple. Dinner afterwards with the ladies. Just a reminder as you should have received notice by now.

No new sickness or deaths to report at this time.

The dues are coming in good and to those who have not, please ASAP.

Believe that is all for this time except this saying: "Jesus has walked this road before me so all I need to do is follow." Have fun. Will be seeing you in August.

was FASCINATING, to say the least. A couple of points of interest were in their opening ceremonies and their Grand Honors. These two incidents will leave a long lasting impression on all of us privileged to enjoy this experience. It'll be a couple of years before this opportunity arises again but it's one that all Rochester Royal Arch Masons should plan on as a MUST.

During our stay we were lucky enough to be in Two Canadian Masonic Temples: The East Toronto Masonic Temple Hall and The Thornhill Masonic Temple. During the evening we also had the privilege of fellowshipping with a Canadian Symbolic Lodge, St. Alban's Lodge, during their Spring Fling Ladies Festival. Here we enjoyed a tour of the Lodge room and a Buffet Dinner Dance.

What impressed me most as that, although I was a stranger when I arrived, when I left, I left new friends. I was approached by every Beaver Chapter member there and each one took time to talk with me and make me feel welcome.

The final Hamilton Chapter activity before summer break will be the Annual Picnic on June 12th at Powdermill Park. For reservations call Companion Ted Diehl at 334-5824 or R.E. Companion Richard Oliver at 594-2380.

This is our last meeting until Sept. 23rd 1986. We hope to plan a party during the summer and will inform you of the time and place. Hope you can all make it.

Under sickness & distress. We have no deaths to report at this time or any new sickness. Those that were down in the dumps are better now. This includes our H.P.A. John Tijou who had the grip and my wife Dorothy is much better now.

All have a safe time during the summer vacation and be sure and drive carefully and we will all be together this fall. Have fun.

Bowling League

By W. R. Adrian Soloman

End of 1985-86 Season; Quadrants Finish First

The Quadrants Bowling team, the perennial champions, have again captured first place. The Mauls finished second, with Lawrence third, Flower City fourth and Ashlar fifth. In sixth place was Henrietta I, followed by Brothers Five Plus, Tall Cedars, All Stars and Hubbard, in that order.

Many have wondered why the Quadrants win year after year. The answer is really quite simple. The Quadrants are always able to field a team of five men. They have a total of ten bowlers, and five of those ten are available every week, without fail. Some ask if it's fair that the Quadrants have ten men, when other teams struggle to get five. yes, it's fair because the Quadrants don't do anything that the other teams can't do.

Everyone says he knows a million guys who want to bowl, but can't show up every week. What to do is call three or four of those guys and work out a schedule where one or two of them can show up every week.

Here are some interesting statistics for your enlightenment. The league's composite average, computed by taking the total number of pins for all bowlers

FINAL STANDINGS

Position	Team	Won	Lost	Total Pins	Total Points
1	Quadrants	56	34	74069	152
2	Mauls	48.5	41.5	73131	139

8	Tall Cedars	37	53	66426	100
9	All Stars	40.5	49.5	61123	99

Standings based on points. 2 points for each game won, plus 2 points for total series each week.

For bowlers with a minimum of 21 games.

 High game with handicap — Bob Aldrich 287
 High series — Jerry Glaser 652
 High series with handicap — Larry Geith 740
 High average (season) Jerry Glaser 182
 Most Improved Bowler — Larry Geith 176 avg. (+ 14 over last year)

Special recognition to Wayne Geith, who had a 188 average with only 18 games, including a 257 game and a 691 scratch series.

Next year, we will be needing more bowlers. There will be at least a dozen openings for full time bowlers. If you are interested in bowling in the Masonic Gothic Bowling League, full time or substitute, or if you know someone else who is, contact the league secretary Jerry Glaser for more information at 381-4500 (day),

(609, 680) and dividing by the total number of games (3,957), is 154. The average of the averages, the sum of all averages divided by the number of bowlers is 11,581 divided by 76, or 152. Since the composite average is weighted in favor of those who bowl more games, it is clear that those who bowl more often, in general carry a higher average.

Furthermore, the 34 bowlers who averaged 154 or better, bowled a total of 1,936 games, or 57 games per bowler. The 42 bowlers whose averages were 153 or less, bowled 2021 games, or 48 games per bowler, again supporting the theory that those who bowl more often, bowl better. Only three men bowled every single week. Their averages were 175, 171, and 169, all well above average.

There were a total of 3,957 games bowled this past season. For 30 weeks, that's an average of 132 games per week, or 44 series. In a league of 10 five-man teams, that means that on the average, every week six of the ten teams bowled with only four men. EVERY WEEK! It is very difficult to win regularly with only four men on your team.

or 442-5825 (evening).

Next year, the New York State Masonic Bowling Tournament will be held here in Rochester. Bill "Hockey Puck" Wood is the Tournament Director. He'll be needing lots of help in all aspects of the tournament, so be sure to volunteer your time.

YONNONDIO LODGE No. 163 1st and 3rd Tuesdays

Family Picnic August 2nd

Brethren:

I would like to begin by thanking everyone from Yonnondio Lodge for making it possible for me to attend the 105th Annual Summons at Grand Lodge in New York City. It certainly was an experience that I will not soon forget. My wife, Nina, and I had a very good time and it proved to be a very busy week.

By the time you read this, we will have visited our Sister Lodge in Canada and am looking forward to visit with our Canadian Brothers.

Summer is upon us and there will be no Lodge meetings for the months of July and August. Please do not forget to set aside August 2nd which is the date of Yonnondio family picnic. The picnic this year will be at Powdermill Park and the time will be from 12 noon till. As always there will be plenty to eat and drink, so get your families and friends together and join us for a day of fun and enjoyment. Bring bats, balls and whatever outdoor games you feel can be enjoyed by all and remember there is no charge, so come and have some fun. Br. Gerry Brugger, 247-3389, and Br. Joe Ferraro, 225-1075, are putting a lot of work into this and if you need more information, give them a call.

Another date to put aside is October 4th, which will be our annual Ladies Night. More information will be in the September issue of the Masonic News.

SECRETARY'S CORNER

Brethren, I have just been ad-
vised that our Consolidation
papers have been reviewed and
found in order. The Charters
Committee has been signing the
necessary papers to make our
merger official. The effective
date of the joining of the two
lodges has not been made official
and I would guess that it would
be sometime in June or Sep-
tember.

Estimates have been coming in
to have the lodge room at the
Charlotte Masonic Temple and
the outer rooms completely car-
peted and also a storage room
built in the balcony to house all
the cabinets that we will be bring-
ing with us plus those used by
Charlotte. Future projects call for
a suspended ceiling and paneling
on the walls. Rt. Wor. Warren M.
Trimble, Jr., D.S.A. is donating
his wooden desk to the lodge to
be used by the Treasurer. This
was a gift from his mother.

The Past Masters and Workers
Outing will be held on July 12,
1986 at the home of Wor. James
H. Giselson. The Worshipful
Master, William E. Baker will be
getting in touch with those men
who will be invited and the wom-
en also are to join with us. Plan
to attend lodge meetings at Char-
lotte Lodge and get acquainted
with your new Brothers. They
have an active Lodge and we
should get involved with them to
make it even better. Lodge meet-

Just For Today

By I. Vincent Lloyd

"What Are Your Interests?"

We all know how rubber stretches, and we know that if we keep it active it stretches that much better. File a rubber band around some important documents, and let it become inactive for a long while, and then try to make it act its full original service — how disappointed we are!

It's a good deal the same with this life of ours. If we keep actively stretching it, it lasts so much longer than if we put it upon a shelf after we are fifty, sixty, or seventy years old.

Those who "retire" and think they are going to have a glorious time — doing next to nothing — soon find themselves concentrating upon their aches and pains, and filling in their time by finding fault with a good part of the Universe, and all the people within it. And when they get too tired they just lie down and give up!

That's not the way God meant that people should take care of their precious gift of mind, body, and soul. The wisest and most interesting people are those who have been able to accumulate genuine wisdom, and those who also solve life's lessening years by stretching them — keeping the mind active and their interests at new heights.

I think of the three degrees in the Blue Lodge; and the twenty-nine other degrees in the Scottish Rite. How many Masons ask to take part in any of the degrees, assume the part of a character, learn his words, stretch their minds to the fullest to understand them?

Nothing stretches life happily and better and in a more agreeable fashion than to adopt a thrilling hobby of some sort — reading, stamps, learning the degrees in Masonry, or some such adventure.

Whatever the interest, it becomes a glorious pursuit!

Fairport

June

Brethren:

Our "First Annual Spaghetti Dinner" held on April 26th was successful in that we earned a profit, learned from the experience, and gained acceptance of our patrons. I wish to express my gratitude to brother Vance Collom, chairman, and to brothers Robert B. Gallagher and James Hall for managing the kitchen, and to all that assisted and contributed to the success of the event.

On May 1st, we raised two brothers to the sublime degree of Master Mason. We welcome them to our Lodge and invite them to be an active part of our organization.

A committee is being formed to study and put together the "Good Neighbor Days" plans for Webster Lodge. Any brother interested in serving on this committee should call the Master or either Warden. Your ideas and suggestions will be appreciated. The event will be held on August 14, 15 and 16.

Plan to wear your favorite sport shirt to the Hot Dog Roast on June 5th. The Jr. Warden will have juicy old fashioned pop open hot dogs for us to enjoy immediately following the meeting.

Fellowcraft Club president, Richard Patterson, has a work party planned for Thursday evening, June 12, and another on Saturday, June 21, to work on the back hall of the Lodge and other miscellaneous jobs as

required. Plan to help finish the Lodge through the efforts of the Fellowcraft Club.

Fairport Lodge No. 476 will participate at the Fairport Village Days by operating a concession in front of their Masonic Temple on June 20 & 21. They also operate a stand at Perinton Park on July 4th and run a chicken Bar-B-Q. They would appreciate our support. Remember, they helped us last year with our festival at Webster.

Remember to attend the Red, White & Blue picnic with Craftsman Lodge on Thursday evening, June 19. Details will follow through the services of the U.S.P.S.

I wish everyone a safe and enjoyable summer and hope to see as many of you as possible at the Good Neighbor Days Festival.

Our Picnic Is July 12

Well, Grand Lodge is a pleasant memory and a good time was had by all. I'm very pleased that I had a chance to go this year. As a former member of the U.S. Army Air Force, it was a real treat to meet and talk with General James H. Doolittle. A World War II flying hero (member of Norwalk Lodge 315, California), he received the Grand Lodge Medal for Distinguished Achievement at the Grand Master's Dinner, Tuesday, May 6th.

Rev. Dr. Norman Vincent Peale, Grand Chaplain Emeritus, and a member of Midwood Lodge 310, N.Y. City, also was honored that evening on his 60th Masonic birthday. Dr. Peale remarked that anyone could get a 60 year pin merely by living 60 years after being raised and paying dues for those years.

We expected Grand Master Singer to be elected and installed, of course. Most of us were waiting for the nomination of the candidate for Deputy Grand Master. It turned out to be R.W. Senior Grand Warden Roswell T. Swits (St. George's Lodge 6). He was nominated by Past Grand Master Ellis and subsequently elected and installed. Past Grand Master Bruce Widger nominated both

So all you 1985 Masters of the Monroe Districts and your ladies, this includes the Grand Lodge Officers and their ladies who were part of our group. Make your reservations early, as we need to know how many to plan for. Deadline is June 7th.

Plan for a good evening of socialability. We will make a presentation to our advisors, Don and Linda Ferguson. Also we will discuss a fall weekend trip to the Catskills or Poconos. If you have other ideas bring them with you.

Inter-Lodge Fellowship

Brethren:

A whopping 25% of the lodges in the Monroe district were present at the last meeting of the Inter-Lodge Fellowship Committee. The following is the pitifully short list of lodges who were represented at the last meeting:
Charlotte Lodge
Craftsman Lodge
Fame Lodge
Genesee Falls
John A. Robertson
Rochester Lodge
Webster Lodge

If your lodge doesn't care, send me a letter saying so. If you do care, but can't make the meeting, call. It is not an easy task getting the Fellowship Committee revived. Those who have been showing up are an enthusiastic group with many ideas. Remember, if you have been participating, you have the right to complain; if not, you may be part of the problem. Come and support masonic fellowship.
