At completion of the lunch we will tour the Home. We hope to have the Medical Bldg. open. Time will be in later issue.

Everyone is free to make their own tour. All we ask that you return to the Administration Bldg. so that we can leave for Trinkare Manor for dinner (Dutch treat - bring your camera). Grand Master To Attend Annual Inter-Faith Service; To Be Held November 2nd.

M.W. Robert C. Singer Will Be Guest Speaker At Breakfast And Community Service Award

R.W. Charles E. Daycock, Chairman

The Annual Inter-Faith Service and Breakfast will be held at the Masonic Temple, 875 East Main Street, Rochester, N.Y. and Sunday, November 2, with the service at 8:15 A.M., followed at 9:15 A.M. by the breakfast.

The year's principle speaker will be Most Worshipful Grand Master Robert C. Singer. Anyone who has heard the Grand Master realizes that his messages are inspiring and enjoyable. This will be one of the Grand Master's first speeches, open to the general public in the Monroe Districts.

As in the past, this event is sponsored by the Masonic Service Bureau, whose directors are proud to announce that contributions total nearly \$10,000 will be presented to a variety of organizations at the breakfast. Representatives of these groups will be in attendance to receive the donations.

Another highlight of the program will be the announcement of the Annual Community Service Award. This award is given annually to a person or persons, in or out of the Masonic bodies, who has contributed greatly to our community. As in the past, the award will be made by R.W. and Hon. Frank J. Horton.

Last year's breakfast was very well attended and for this reason tickets should be purchased as soon as possible from Lodge representatives. Many people have missed the Inter-Faith

Service in recent years. These services have been both beautiful and uplifting in all aspects. This year R.W. Paul Gleason will direct the services and give the main address. The choir from the United Church of Christ in Churchville will again provide the music. Please try to attend the service as well as the breakfast.

Tickets priced at \$5.00 are also available by contacting the Masonic Service Bureau Office at 875 East Main St. (phone 473-4351), also for reservations.

Masters & Wardens Association

W: Charles Tijou, President

My Brothers,

Our September meeting was most interesting, a very special thanks to W: Gerry Glaser presenting an outstanding overview of the proposed sale of the Masonic Temple and its impact on the tenant bodies.

After speaking with W: Robert Dibble, the president of the 1987 Masters, it appears possible that the location of the Masonic Grand Ball may be changed, more information will follow.

The Western Regional Conference in Buffalo will be held on October 25th next, this is the same evening as our Masters and Wardens meeting, please plan your schedule accordingly.

The 10th of October is the date of the Apron Presentation at the Burgundy Basin Inn. Have you made your reservation yet? The Masters of the Lodges have the tickets and your support is urgently needed to make this a very special evening for our new Grand Lodge Officers.

Your attendance at the Schools of Ritual, Instruction and Lodge Administration is most important. In recent years, the numbers have fallen and a resurgence of enthusiasm is imperative, help yourself and help the craft, be there.

To the Masters, our year is rapidly coming to a close and I would encourage you to continue the good work that has marked our year so far. To the upcoming Masters as we pass the banner to you have your year well planned and I hope you enjoy your year as much as my colleagues and I have enjoyed ours. Junior Wardens, you are fast approaching the year when you will lead the craft, prepare now, for you are the future of Masonry in Monroe county.

Service & Rehabilitation

Volunteer Time At Canandaigua

Now is the time to mark your calendars. Our first visit to Canandaigua VA Hospital for the fall season will be Sunday, October 12th, 1986. We will meet at the Volunteer's Lounge, Building #7 at 1:00 P.M. Our November visitation will be on Sunday the 9th, same time, same place.

After a summer of rest and relaxation it will be good to see each and every one of our regulars and to welcome new Brothers and Sisters. Warren M. Trimble, Jr.

First and Second Monroe Districts' Blood Drives Achieve New Records

R. W. Charles E. Daycock Committee Chairman

One Masonic "Summer Activity" that has been gaining momentum for the past five years is the "August" blood drives. They are sponsored by the area lodges in the various towns surrounding Rochester that compose the two Masonic Monroe Districts. The Rochester Region of the American Red Cross stated that they don't know how they would meet the area hospitals' need for blood during the month of August if it were not for the efforts of the Monroe Masons.

Starting from August 11th to August 22nd, ten lodges held separate blood drives. Some of the lodges utilized the assistance of Eastern Star members and some boys from various troops of the Boy Scouts of America units as well as the members of their own lodges. The results - 658 pints of blood (95.3% of the goal set by the Rochester Chapter of the American Red Cross).

Each lodge sponsoring a drive was given a date/or dates and a goal to attain. From these results, Right Worshipful Charlie Daycock and Right Worshipful Mat Gingold were able to determine which two lodges would

number of pints of blood and the second plaque to the lodge attaining the highest percentage exceeding their goal set by the Red Cross. FAIRPORT LODGE, with 110 pints, will be presented the first plaque to display for one year and ETOLIAN LODGE, with 122% over their goal, will hold for one year the second plaque. Certificates of Appreciation will be presented to Union Star Lodge, who had 105% over goal, Northfield Lodge 101%, Clio Lodge 96%, Henrietta Lodge 91%, Churchville Lodge 87%,

over-all picture it was a great effort performed on the part of the Masters, Chairmen and Committees of each lodge. All of you, as well as all of Masonry, can walk with your heads up high and be proud of your results, the part you have played in your community - in addition, you probably helped to save or improve some lives where there was a need for blood plasma. As you may well know, one pint of blood can care for 5 patients.

Exciting Programs Are Planned For The Year

As September begins so does lodge activity and official visits. R. W. Donald Wright and I are very pleased at the turn out of brothers at our visits thus far. It is encouraging. A document was sent to the secretaries and masters of each lodge in the First Monroe District discussing protocol. If you would take a moment and make the following changes. Delete the portion where "The Master Hands The Gavel To The Staff Officer". Also portions where grand officers "Seek Admission" should be admittance. Sorry if this caused any confusion, there was a typing error.

The Widows Luncheon Program is moving along very well. A committee is formed and we are in the final stages of selecting a location for the luncheon. We are pleased to announce that both the First and Second Monroe District will be participating. This promises to be an exciting event. Once we select a location, a final date will be announced. We expect to make that announcement or have it out prior to the next news article.

The School of Lodge Administration will discuss "How To Do It". We hope to provide a better insight for the officers on what it takes to make a lodge work. Items such as administration functions. We are preparing letters and will notify you of the program for that evening.

In all, we have some exciting programs planned for the year. Your support is needed to make them work. So please take a moment to mark dates on your calendar and plan to attend. Masonry needs ... You.
Fraternally yours.

Brethren:

Every Master, Warden and Secretary are supposed to have a copy of the officers training guide. I strongly recommend that all officers, especially those listed above, become familiar with the training guide, The Book of Constitutions, Stations and Places and use the Masonic Library.

Our public image, or lack of it as the case may be, needs immediate medical and cosmetic attention. While we may not solicit we can certainly advertise. We must and we shall elevate the awareness of masonry in the community. It's like wanting to go to an auction, but if you don't know where it is or can't find it, you can't bid. Wear the masonic emblem with pride. Let the world know that the masonic fraternity believes in brotherly love and charity. Practice what we preach.

I would like to thank the Tri Lodge steak roast committee for an outstanding effort. Both my wife and I appreciated being your guest as did the other Grand Lodge officers and their wives. Through such combined events and the interlodge fellowship activities, we can help develop a better esprit de corp.

To whom have you communicated the Good News about our Monroe Masonic Service Bureau? Oh, you say many of your masonic friends are aware of the service bureau, but wait, you do not have to be a mason to borrow any of the bureau's medical equipment, or to be eligible to receive one of the masonic service bureau's scholarships. Could it be that even you did not know about this scholarship.

Do Good But Also Communicate

Let the portrait of a mason be known to your fellowman and he may wish to join our fraternity. Thus, we will grow and so will you my brothers.

The brotherhood fund drive is about to start. Please, my brothers, cement the charitable cornerstone of a mason. Did you know that the masonic research lab in Utica last year received nearly 40% of its income from government grants and current government policy is placing this income in jeopardy. If you want to contribute to this noteworthy cause you can do so thru the brotherhood fund by merely designating a part of your contribution to the Medical Research Lab.

Don't forget to support the Inter-Lodge Fellowship events and the various schools of masonic education. I'll see you at the District Convention on October 29th and at the Inter Faith Breakfast. Our Grand Master will be at the interfaith services and breakfast.

We Have 4 Programs Working

Having placed two Official Visits behind me, I feel much better and am looking forward to the up-coming ones. The reception that R. W. Vernon Goodrich and I received was enthusiastic and heart warming. Yes, the 1986 Fall session is back in full swing.

The Grand Master M. W. Robert C. Singer has charged me with these four programs:

1. Officers training program
2. Widows program
3. Hospital Visitation program
4. Intra-lodge Communications

These Leadership seminars are on the trestleboard:

R.W.: Ralph Biggar has decided that this year he will change the format from how to handle the Administration of the Lodge to the things that the Master, Officers and Brethren are NOT allowed to do in handling the Administration of the Lodge.

This approach sounds very interesting and I hope that there will be a better attendance than in the past. Remember, Brethren: R. W.: Ralph puts quite a bit of time in preparing these sessions and I do believe they are worth the time spent in attending.

Lodge Officers Are Expected To Attend!

I have received feedback from three different lodges telling me how they are doing on the Widows Program. Keep up the good work!

Have you greeted one of your Fraternal Brothers (Masonic Fashion) in public lately? The reactions are interesting to say the least. It happened to me last week at the 1986 New York Masonic Golf Tournament in Albany N.Y. We need to come out of the closet and make the public take notice. Act as a FREE AND ACCEPTED MASON and be proud of it.

Our Light Should Shine Beyond the Walls of Our Lodge Rooms

In 1946 Grand Master Gay H. Brown (1946-1947) appointed a committee to study the advisability of Grand Lodge establishing a foundation to "serve mankind as a whole". At the Grand Lodge session in 1947 Grand Master Raymond C. Elis (1954-1955), who was chairman of this committee, said: "Masonry must have some great and appealing humanitarian objective that goes beyond the confines of the craft itself. Throughout the fraternity, there is a rising demand that masonry play its proper part in the world at large and that our light should shine beyond the walls of our lodge rooms."

As a result of this Grand Lodge resolution the Masonic Foundation for Medical Research and Human Welfare was created in October of that year. The main focus of research began on the "scourge of childhood" - Rheumatic Fever. Having no laboratory of its own, the funds of this foundation, at first went to various Medical Colleges in New York State. Earliest funds came to the foundation by the, then, newly established Brotherhood Fund. Because of the fact that the Masons were contributing so much to alleviate Rheumatic Fever - other groups were encouraged to increase their efforts to eliminate this disease.

In seven years, our researchers determined that Hemolytic Streptococcus was definitely the cause of Rheumatic Fever. This, of course, led to drugs to take the sting out of this disease and to the saving of lives.

While M.W. Raymond Ellis was Grand Master he brought forth the idea of building our own laboratory. Ground breaking ceremonies took place on St. John's Day in June 1955. The building was dedicated June 21, 1958 to the Glory of Almighty God and to the Service of All Humanity.

In time, the need arose for a wing where Scientists could work on Research with experimental material. The Royal Arch Masons met this need and provided funds for a new wing which was completed July 2, 1975. It is being used particularly for major research in the aging and cancer program and in the cardiovascular program.

Some accomplishments, to date, from OUR Masonic Medical Research Laboratory include: the virtual elimination of Rheumatic Fever as a major cause of death in children; very important contributions in the fields of cardiovascular research; electrical abnormalities of heart rhythm have been brought to the attention of clinical medicine; due to efforts made in the Utica Laboratory, coronary care units are now common in community hospitals; and the work that led to the use of Digitalis to sustain the lives of many heart attack patients.

Brethren, this is some of the history of our laboratory but did you know that many funds come from other sources, other than us? In the past Federal Grants were a part of funding for the Masonic Medical Laboratory at Utica. Federal Budget Cuts are going to effect our laboratory in the near future. Grand Master Robert C. Singer has asked his Deputies and Staff to be sure this message was taken to the Brothers—his message? "Please Support The Laboratory." Please think of this need when you designate your Brotherhood check this year and designate some extra specifically for the Laboratory. There is no Grand Lodge Appeal for the Laboratory this year but that doesn't lessen the need. We still have some insidious diseases attacking us—heart disease, cancer, AIDS and 37 million Americans have high blood pressure and we don't always know why.

It is wonderful to know that progress is currently taking place to alleviate these diseases because of Masonry's benevolent influence. Brothers, please consider this from your heart during this year's Brotherhood Drive. This is an added bonus for masons—a bonus of PRIDE.

Donald W. Wright

Inter-Lodge Fellowship

Euchre Tourney October 17th

Since R.W. Donald Wright and myself appointed W. Larry Geith as chairman of the Inter-Lodge Fellowship Committee, we will be promoting the Fellowship events during our tenure. While we do not want to question the degree of enthusiastic support the Fellowship Committee is receiving, I am afraid we must. The Masters of each and every lodge is not only responsible to appoint a representative to the Fellowship Committee but to enforce attendance and proper reporting as well. If your representative does not attend the meetings then how can you, the Master, receive and pass on to your lodge members sufficient and adequate information. Communications means internal as well as external.

In this issue, you will find an advertisement for the upcoming Euchre Tournament on Fri. October 17th at the Masonic Temple on Main St. There will be a lot of fun. Please let either Wayne Engbrecht of Webster Lodge or Jay Riggs of Genesee Falls Lodge know how many will be coming.

On Sat. December 6th we are planning a trip to Niagara Falls for the Festival of Lights. The price will be \$17.50. We will leave at 11:00 AM and leave Niagara Falls about 7:30 PM. Dinner will be included and there

Just For Today

By I. Vincent Lloyd

"Prayer"

"Let no man enter upon any great, or important, undertaking without first evoking the aid of Deity, Almighty God," 'asking for strength, guidance, and a solution to the many perplexing problems which face us today.'

There is no power given to man that can be more powerful as an agency for the solution of problems, for health, and for happiness than just simple, sincere prayer.

The famous Dr. Alexis Carrell has this to say about prayer: "Prayer is a force as real as terrestrial gravity. As a physician, I have seen men, after all other therapy had failed, lifted out of disease and melancholy by the serene effort of prayer."

Prayer sweeps out the mind. Especially does it drive out all fear and anxiety, replacing them with peace and hope of happiness. All day long this invigorating spirit of prayer may go on — no matter where you may be, for prayer is not necessarily a public affair, but one that is personal and private to the one who utters it. And it can be uttered anywhere and at any time.

To pray is to enter into a partnership with God—walking with Him and talking with Him. And this is possible at any hour and in any place regardless of who any of us may be.

We often hear the phrase "think it over." We should think everything over - meditate on what we read, the decision we have to make, and the results which may follow.

If Freemasonry has a message for us today—and it has many of them—it is simply that ideas must be transmitted into deeds that last.

Let's pray that God will help us in making the many decisions which face us as Masons this year.

Community Service Committee

Wor. Harold Bolotin, Chairman
A Review of our 1986 Activities to date:

JANUARY 19, 1986 - THE CEREBRAL PALSEY TELETHON. This was reported in the March 1986 issue. Six Masons, including myself, from various lodges, participated.

MAY 10, 1986 - MONROE DEVELOPMENTAL CENTER FIELD DAY, AT MONROE COMMUNITY COLLEGE. Our services were requested by my fellow member from Valley Lodge, Brother STANLEY GREEN, who is a volunteer worker for that organization. A magic performance by Professor Korne only, was requested, no other entertainers nor clowns were needed. Approximately 200 people from 19 different residences of clients of the Monroe Developmental Disabilities Service Office were in attendance. The show was very well received and greatly enjoyed by them. I made the announcement, as I customarily do, that my presence was in the name of, and on behalf of, the Masons of Monroe County. Two highly complimentary letters of appreciation were received by me from the Management of the Center Office, expressing their great appreciation, that everyone enjoyed the show, that I helped make the event a success, and that they hoped I would participate again next year. Naturally, on behalf of our committee I am very gratified at the response and reaction.

JUNE 1, 1986 - STRONG MEMORIAL HOSPITAL TELETHON & CHILDREN'S WEEK-END. The services of the committee were offered for the Telethon, but were not utilized since the sponsors had more than sufficient volunteers scheduled already. However, as an alternative, the sponsors scheduled Professor Korne to appear at the Downtown Festival Tent on Sunday afternoon, where a festival for the benefit of former child patients of Strong Memorial Hospital, and their parents, was being held. They neglected to set up a stage for my performance, so instead I performed by going from table to table, informally. During the afternoon, 3 Shrine-Mason Clowns appeared under their own auspices. They were: WILLIAM "Weary" RAFFERTY, John Robertson Lodge; THOMAS "Bubbles" COCKING, Master of Rochester Lodge; and WENDELL "Windy" BURTNER, Charlotte Lodge.

SUNDAY AFTERNOON, SEPTEMBER 7, 1986 - "CURE" PICNIC, ON THE GROUNDS OF THE M.C. STABLES FARM, MENDON, N.Y. This event was sponsored by the Fairport Police Department, for the benefit of the "Cure" organization composed of children who have Cancer, and their parents. Our services were requested by R.W.

a member of the picnic committee. PROFESSOR KORNE performed a 30 minute magic act, which was very well received and enjoyed by the children as well as the grownups. R.W. GERALD-BECKER displayed his outdoor culinary prowess on the charcoal grill, and five SHRINE-MASON Clowns entertained the kids all afternoon, and were very popular and well received. All who participated are:

Wor. HAROLD BOLLOTIN, Chairman, "Professor Korne", Valley Lodge.

R.W. GERALD BECKER, (Hard Worker), "Chick", Fairport Lodge.
HAROLD FEINBERG (Clown), "Bindle-D-Stiff", Flower City Lodge.
FREDDY GRIESMEIER (Clown), "Charlie Chaplin", Germania Lodge.
Wor. THOMAS COCKING (Clown), "Jimbo", Monroe Lodge.
ROBERT BLAKE (Clown), "Happy", Canandaigua Lodge.

Before my act I announced that we were there in the name of Freemasonry, and that we were all Master Masons. In addition to a couple of other program events, our presence helped make the picnic a success. We were very well received, and everyone enjoyed our efforts. I want to sincerely thank "Chick" BECKER and all the CLOWNS above for their excellent cooperation and support. I also want to thank OSCAR "Doctor" REBER, of Germania Lodge, the Director of the Shrine Clown Unit, and also Wendell "Windy" BURTNER of the Clown Unit, from Charlotte Lodge, for their assistance and cooperation in booking the clowns. Their support has always been relied upon and it is very much appreciated.

Again, I want to sincerely thank and express my appreciation on behalf of the Monroe Masonic Community Service Committee for the generous contributions made by WAKAN-HUBBARD LODGE, CHARLOTTE LODGE, and the MASTERS & WARDENS ASSN. The funds will be used directly for the benefit of the people and organizations to which our services are rendered.

On the trestleboard I plan to arrange for visits to the Pediatric Wards of local hospitals and to Nursing Homes, in the near future. In this respect I must point out that our activities should not be confined in, nor restricted only to these areas. Any ideas or suggestions wherein our com-

The fur-lined pot will remain with Yonnondio Lodge for another year, the results of the competition between Charlotte and Yonnondio at the Inter-Lodge Fellowship Golf Tournament held this summer. I would like to thank the brothers who participated for their support and some awards will be announced.

Remember, Our Laides Night is going to be October 4th at the Country House and Restaurant, 321 Linden Ave., E. Rochester. Cocktail hour 6:30 P.M. (cash bar), buffet dinner at 7:30 P.M. and dancing later to the music of The Celebrations. Cost will be \$15.00 per person. For reservations please call Neil Cassata 1-554-6710, Lou Campaniello 247-4480 or Brion Phelps 392-5355. Let's all get together and make this a gala evening.

Our Canadian brothers from Joseph A. Hearn Lodge will be visiting us on October 4th and our Fellowship Club will be exemplifying the third degree,

(For example, a missed opportunity only because of shortness of advance notice and lack of sufficient planning time, is the Picnic-Fund Raiser on September 12, to raise funds for the little Rochester girl who received a liver transplant in Chicago.)

We could use help on the Committee, therefore I am asking for volunteers. If any Mason would like to be a part of our work, your services will be greatly appreciated. You do not necessarily need to be an entertainer or a clown, but you can take an active part in the general committee work in many other important ways. Furthermore, we need the services of a photographer to take pictures at our scheduled events. It's very important, and about time that such photographs be published, as an adjunct to our articles in the MASONIC NEWS. And possibly, they might be published in the EMPIRE STATE MASON, which may be of interest to the newly formed Masonic Communication Committee, under the direction of R.W. RON MERTENS.

in costume, for their pleasure. The degree will begin at 2:00 P.M. and I would like to see a good turnout from our brothers for this occasion.

October 7th meeting will be an official visit from our new D.D.G.M. R.W. Donald W. Wright and will be accompanied by our own R.W. Larry Canfield. There will be a dinner before the meeting and dinner reservations can be made by calling our Junior Warden Neil Cassata 1-544-6710 or Lou Campaniello 247-4480. Let's show our new D.D.G.M. that Masonry is alive and well. Make it a point to attend and make it a good turnout.

Before I close, I would like to wish Br. Don Ballou well. I heard that he had a pacemaker installed recently.

Fraternally yours,

This article is very difficult for me to write. The reason is, I do not have enough words to express my feelings of thanks for the dinner that was held for me in September. The time, interest, hard work and response by those who attended was beyond anything I expected. My deepest and sincere thanks to each and everyone. You have many things in my life come into being. Again thank you and may God bless each and everyone of you. To the members of Yonnondio Lodge, W. Norm Mundt, Emil Schirano, Worshipful Master Lou Campaniello and all who gave of their time and effort ... Thank You. You have afforded me a rare opportunity ... To thank the many people who have helped me through the years, and to the further extend my opportunity to serve our fraternity.

There are several brothers who have not paid their dues for this year. Brethren, there is no reason to lose a brother for non payment of dues. This biggest step is to give me or any officer of the lodge a call and let us know. We can and will work something out. It will be confidential, so please let someone know. Your membership is too important; The fraternity needs you.

Fraternally yours,
R. W. Lawrence K. Canfield

"Great Houdini Magic Show"

Annual Grotto Show To Be Held On October 30th At The Auditorium Theater

Prophets:

The Grotto meeting held on Sept. 24 was designated as Past Monarchs' Night. A good number of P.M.'s turned out and were honored by our present officers and members present. A fine lunch followed and was enjoyed by all. More like it.

The sympathy of Lalla Rookh Grotto is extended to our Monarch, Howard Bullis, on the recent loss of his wife, Ellie. May she rest in peace and the good Lord watch over her.

The Legion of Honor enjoyed a delicious roast beef dinner on Monday, Sept. 8. There were 17 present and congratulations were extended to P.M. and P.C., George Lyon. He recently celebrated his 88th birthday. He is in good health and active in Grotto and V.F.W. affairs. George, keep up the good work and enjoy many more healthy birthdays.

The Legion supplied a Color Guard for the informal opening of the Supreme Caldron Convention held at the Rochester Convention Center, Thursday, Sept. 11. This beautiful ceremony was presided over by our own SMCO, Jean Wood. We would like to tell you more about this convention, but our deadline makes it impossible. More next month.

P.M. Fred Ambeau, tells us that he is still the Enchanted Lantern Ambassador and at the Supreme Sessions he received - through our Grotto - a plaque and a beautiful clock for selling the most Lanterns in the past year. This is our favorite charity so we should all Support Fred and our Grotto in this very worthy cause.

We understand the P.M.s Jay Painton and Merch Merritt recently made 6 picnic tables for the recreation farm of the Hillside Home. This is wonderful and Lalla Rookh Grotto thanks you both.

We heard Monday night that P.M. Burt Thompson is in Rochester General Hospital. He recently had an implant put in his arm in preparation for dialysis. Call first if you want to visit. Also Dotti Harrison, Art's wife, recently received eye implants at Park Ridge and is now at home. They would like to hear from you. How about it.

Prophets - Don't forget the Annual Grotto Show to be held Oct. 30 at the Auditorium Theater. It is billed as the "Great Houdini Magic Show" and promises fine entertainment for both young and old. Performances will be at 5 and 8 p.m.

ALSO - Don't forget the Monarch's Ball to be held on November 1. All officers have tickets.

Prophets - All the important affairs for the month of September are being held after the deadline for the news. We will try to give you more information in the next issue. In the meantime, if you have any news gems or can tell us of any of our Prophets who are sick, please let Ernie W. know at the Grotto office.

That's all, for now. I'll be around next month.

Lalla Rookh Caldron

Supreme Caldron Convention Flashes

The Convention started with registrations, a delicious banquet at the Holiday Inn and the informal opening at the Convention Center.

It was well attended with all the dignitaries including the Supreme Monarch, the President of the E.S.G.A., city officials, SMCO's from as far as Hawaii, and all the officers and ladies in their beautiful gowns.

The Band presented a very nice concert, followed by the entrance of all the dignitaries, our own Caldron ladies and the Past Monarchs of our own Grotto. The colors were presented by the Legion of Honor through an Honor Guard of the Patrol.

That's all for now, my deadline is waiting. More details next month.

ETOLIAN LODGE No. 479 2nd and 4th Mondays

Here we are again with the cold winds of winter blowing the dried leaves around your freshly raked lawn: not to worry, when the snow comes you won't have to rake leaves.

This summer Betty and I took several foreign high school students out to California and back traveling 6800 miles through 16 states. From the mountains, to the prairies, to the ocean, we found many reasons to sing (and we sang loudly) "God Bless America".

35 stout hearted men with three dollars and a helping hand enjoyed a steak dinner on Monday the 8th.

On Sunday, Oct. 5, Bro. Norm Rollo will be serving a nice breakfast between 8 a.m. and 11 a.m. Everybody is welcome to come and bring a friend. Just let Norm or myself know how many.

This may be too late, but Monday, Sept. 29 is Euchre Nite at Clio Lodge Hilton.

Thanks again for all the help on Blood Drive.

Blood Drive

Attention: Wor. Martin Zillman
Wor. Russell Ashman
Wor. Clark Kunes
Wor. Juanita Ashman

On August 21, 1986 the annual Red Cross Blood Drive was held at Etolian Lodge. A large committee was assembled from Etolian Lodge and an Etolian Chapter. The committee served two purposes. The first group was a telephone committee. This group called all known blood donors in the Spencerport area. This group consisted of the following:

Bro. Gene Brendel, Wor. Juanita Ashman, Bro. Gorton Gillette, Wor. Russ Holmes, Bro. Thom Michielsens, Wor. Del Rollo, Wor. Don Walzer, Wor. Chickie Powell, Wor. Denn Huffman, Bro. Jim Barker, Bro. Bradley Goodridge, Wor. Bill Masor, Wor. Linda Michielsen, Wor. Jir Steuwe, Wor. Marty Zillman, Wor. Ruel Lovett, Wor. Russ Ashman, Wor. Ed Gillotte, Wor. Marg Goodridge, Wor. Wally Lessord, Wor. Norm Rollo, Sis. Connit Stuewe, Wor. Jim Powell, Sis. Patt Lovett.

The second group worked in the Lodge during the Blood Drive and assisted the Red Cross Personnel with various tasks, such as registrations, temperatures, serving cookies and beverages, etc. This group consisted of the following:

Wor. Juanita Ashman, Wor. Jan Holmes, Wor. Ruel Lovett, Wor. Russ Ashman, Wor. Norman Rollo, Wor. Del Rollo, Wor. Edn Burroughs.

Before phone calls were made, cards were mailed out to the entire area. The combination of mail and phone call was very effective.

The following helped load and unload the truck:

Bro. Gene Brendel, Wor. Ed Gillot, Bro. Tom Michielsen, Bro. Garn Rollo, Wor. Norm Rollo, 4 Boy Scouts.

I wish to report, Worshipful Master and Worthy Matron, that our joint effort has been very successful. This was the very best drive since we started a few years ago. It is hoped that the Lodge and Chapter will unite again next year and perhaps do even better.

The Red Cross sends their thanks and I wish to express my own personal thanks to all who participated, and especially low this year, and this drive could not have come at a better time. Again, my thanks to each of you.

How Often Do You Use Your Trowel?

Dear Brethren,

How good and how pleasant it was to read so much Good News on Page 1 of the September Monroe Masonic News. Such a contrast to what we so often read on Page 1 of our daily newspapers.

Good News is so uplifting, very precious, and indeed consistent with the principles of Free Masonry.

It was good to read that our Service Bureau will award scholarships to deserving students. Also that our Grand Master will be with us on October 10th and November 2nd.

We read about volunteering for service at the VA Hospital in Canandaigua on Sunday, October 5th, and signing up for the December 18th bus ride to our Home in Utica.

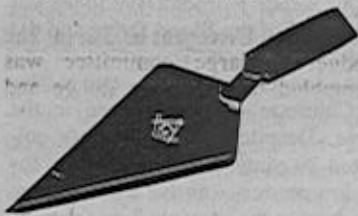

Did you also read the Good News that an offer has been received by the Trustees for purchase of our Temple? It has been a very slow process, but maybe now an agreement can be worked out to the satisfaction of all.

Let's hope so. Our Representative, **Bro. Willis Seville**, has been very much involved in the discussions and will keep us informed.

Our Temple is a very stately edifice. We can be proud of it and thankful that we can meet there. However, while dwelling on the material building, let us not lose sight of the much more important Spiritual Building.

It's like spreading the cement "which unites the several parts of the building into one common mass"—on the one hand—and spreading the cement of Brotherly Love, on the other.

Let us use our Masonic trowel to

spread the cement of Brotherly Love in caring and sharing with our Brothers in John A. Robertson Lodge. Some of our Brothers are in a situation where they would love to receive a card, phone call or visit.

It would take so little of our time and we would be spreading a brand of cement that would be meaningful, Brotherly and rewarding. Our out of town Brothers could participate with their cards and letters.

Just call me at 266-3074 and say, "I want to put my Masonic Trowel to work!"

DID YOU ATTEND OUR TRILODGE STEAK ROAST on August 24th at Churchville Park? Almost 200 Brethren, their families and friends were there. It was an overwhelming success and everyone had a marvelous time.

The chairman, **Bro. Gary Caswell**, Jr. Warden of Valley Lodge, his wife **Marcia**, and all the Brethren and Ladies who assisted, certainly deserve a great, big THANK YOU for all their hard work in planning and making it such an outstanding event.

The steaks were done to perfection and served right from the two large grills. Then, to accompany the steak, were salt potatoes, chef salad, corn on the cob, beer, pop, tea, coffee, birthday cake and watermelon.

Bro. Caswell and **WB George Bundoc**, Master of Valley Lodge, wanted to share their birthday celebration by providing the cake!

Snacks were served earlier—consisting of doughnuts, bagels, chips, dips, cheese, veggies, crackers, sausage—beer, pop, coffee and tea all day long. Wow!

Jean DeCrocce entertained with her guitar and we all sang.

What a party! It was a beautiful day—the sun was shining, some were playing bocci, tossing horse shoes, and a few were fishing in Black Creek! And next year it will even be bigger!

At this writing, Sept. 4, Doris and I are about to get underway with

At the Tri-Lodge Steak Roast -- Some of the the Brethren and Ladies of John A. Robertson, Valley and Charlotte-Corinthian Lodges gather at Churchville Park for the Annual Steak Roast. Almost 200 were present.

vacation on Cape Cod. I am grateful to our Sr. Warden, **WB Al Connon**, for serving as Skipper of our Loveboat during the month.

DDGM Vernon L. Goodrich will honor John A. Robertson Lodge when he makes his official visit on Monday evening, October 6th. It will also be **SAM GROVER NITE**. We should all be present for this very special occasion.

Be sure to bring your Lady for dinner at 6:30. The Ladies will join us later in the Lodge Room when we honor our illustrious chaplain.

SECOND DEGREE—October 20th, dinner at 6:30 P.M. **WB Al Connon** will confer the degree. Let's all be present in Lodge that evening.

Remember when you were greeted as a Brother Fellowcraft? Now it's your turn to be the greeter!

REHEARSAL FOR SECOND DEGREE—Monday, October 13th, 7:30 P.M. in our Lodge Room. All officers must be present to properly prepare for the degree on October 20th.

ANOTHER OPPORTUNITY TO DEMONSTRATE BROTHERLY LOVE—The Masonic Service Bureau needs you and me to drive to the Canandaigua Veterans Hospital on Sunday, October 5th, and assist with giving ice cream, cake and cookies to those men who fought for our country in time of war.

Now, in peacetime, we should show our gratitude in this small way. We will meet at the Volunteers' Lounge, Building 7, at 1 P.M.

THIRD DEGREE—Monday, November 17th. Dinner at 6:30 P.M. with our Ladies. We need a BIG turnout to greet our Brothers who will become Master Masons.

THIRD DEGREE REHEARSAL—Monday, November 10th, 7:30 P.M., in our Lodge Room.

TOM WALKER—**WB Ed Walker's** son, has been confined to bed in a body cast for six months. His progress has been very slow. Tom can now slowly move about in a walking cast with the aid of crutches. We pray for his complete recovery.

PLEASE CHECK YOUR MEMBERSHIP CARD—If it is not current, please send your check to our Secretary, **WB L. Edward Walker**, 162 Campbell St., Rochester, N.Y. 14606. Phone: 647-2381. We do need your cooperation in order to meet our financial obligations. Thank you.

AT DEADLINE we have received the good news that **WB Eddie Lobo** of Seneca Lodge will join us on Monday, November 3rd, to give a slide presentation on Kenya. Make plans now to attend—dinner at 6:30 with our Ladies—and you may be sure our Ladies will join us for **WB Lobo's** program.

Masonry is a Demonstration Of Brotherly Love,
Paul A. Robertson,
Worshipful Master.

Apron Presentation October 10th

It seems every time I write a column, a Brother has passed away. **Bro. Lawrence K. Dygert** passed away Sept. 2nd, 1986. A Masonic Service was held and I would like to thank the 14 Brothers who turned out on 10 hours notice. Mrs. Helen Bygert was very pleased with the service and thanked everyone who came out.

To all BROTHERS, please make sure your wife knows where your White Apron is and inform her if you want a Masonic Service or not and who to contact. You have no idea how much time this saves. To Brothers out of state, this is very important. Make sure your wife knows, for it is hard for us here to find a local lodge in another state.

The rear of the building has been stoned and blacktopped, so we are not walking in weeds. I would like to thank any Brother who does small jobs about the Temple that goes unnoticed, like **W. Merte Rogers** fixing the toilets. I am hoping that we will have some degrees this fall. Remember the apron presentation on October 10th and the interfaith service on November 2nd. Also our meeting nights October 14th and 28th. Please come out and fill up the sidelines.

Remember the Brotherhood Fund starts October 15th and S.W. Norman Barrett is chairman. A happy birthday to all who had birthdays in June, July, August and September.

First of all, we have a very important date change! The date for our visitation to Modestia Lodge in Buffalo N.Y. has been changed from October 13th, 1986 to October 27th, 1986. The bus is waiting for us at the parking lot behind the Temple and will be leaving from there at 6:00 PM sharp and from Westgate Plaza at 6:15 PM. Tickets and refreshments on the bus are \$7.00 and are available from your Master, senior Warden and junior Warden. For reservations call 671-4144, 427-729 or 392-2641 as soon as possible.

Our next most important date is the official visit of the DDGM, the R.W. Vernon L. Goodrich on October 8, 1986. This date is also our Awards Night and will be preceded with a dinner in the 3rd floor dining room at 6:15 PM. Please try to attend those two events and again call the numbers from above.

The annual Steak Roast is on October 19, 1986 at Robert and Esther Dibble's premises, 32 Dade Parkway Rochester, from 1 PM till 2. Thank you Esther and Robert for hosting the roast again. Again make reservations early.

The Corn & Sausage roast was well attended, the food was good and all had a great time. Our friend George Schamberger graciously donated beer mugs which found happy acceptance, let it bring the memories of happy times with our fraternity to mind. My sincere thanks to our junior Warden, Oscar Reber for a job well done. A special thank you to our Treasurer Heinz Gunkel and his wife Olga, who so generously put their home and yard at our disposal for this event. A thank you to all who participated in preparing food, not to forget the entertainment by Friedrich (Fritz) Griesmeier he just knows how to make one smile.

Now think Masonry, see you in Lodge.

Steak Roast October 23rd

Brethren,

Many thanks to the brothers and the two brothers' wives that came out to work at the Good Neighbor Days Festival Tent. Unexpected difficulties surfaced just prior to opening time and alternatives were worked out by the second day. The street dance that was scheduled for Friday evening near our concession was rained out and the rains came again on Saturday to terminate the operation prematurely. Food items not sold are being liquidated as time and opportunity permit.

101 pints of blood were collected at the Webster Masonic Temple during the blood drive in August which represents 75% of the goal that was preconceived for us to attain. Full particulars of the Masonic blood drive can be found in an article elsewhere in this paper.

We extend our sympathy to Brother Richard J. Patterson whose mother is ill, and Brother Keith Griswold whose father is ill. We also wish a speedy recovery for Wor. Brother Vernon Collier who is recovering from surgery on his shoulder.

Those that attended our September 4th meeting were enlightened by a presentation by Mrs. Nancy Gulen about the Ronald McDonald House program.

By the time this reaches you, our Sr. Warden will have conferred the Entered Apprentice Degree upon our fall class.

Be sure to attend lodge on October 2nd when we will honor our Past Masters. A delightful evening is planned with a program that should please all. A dinner will be served at 6:30 by O.E.S. #171. Reservations are as easy as a phone call to Bro. "Steve" at 671-3296. Call today!

Our Jr. Warden will confer the Degree of Fellowcraft on October 16. All officers with a part in the degree are expected to attend the rehearsal on Wednesday evening, October 15, at 7:30. Conductors are encouraged to attend also.

The Webster Lodge Fellowcraft Club will host its annual (stag) STEAK ROAST on October 23 at the Webster Masonic Temple. Euchre, refreshments, get acquainted and reacquainted will begin at 5:00. Dinner will be served at 7:00. Come early, bring a guest. Reservations only \$5.00 each person. Call: C. Moore 872-1094, Dick Patterson 671-6943, or Wesley Beard 265-1423.

Please plan to attend the Grand Lecturers Convention at the downtown temple. Let's keep the banner at Webster Lodge another year.

Northfield Lodge opened the fall session Sept. 18 by the Past Masters filling the chairs. All Past Masters retained their former knowledge of all positions when they were going through the chairs. A job well done.

The following certificates were presented to the following brothers: R.W. Charles Zeitler, W. Charles Lusk - 60 yrs.; Bro. Jack Perriqo - 50 yrs.; Brothers Richard Kurtz and Ralph Matthews - 25 yrs.

On October 2nd the 1st degree is scheduled, dinner 6:30 p.m. For reservations call W. Robert Zahn or Bro John Williams by Mon., September 29th.

On October 16th, there will be a regular meeting plus sport's night.

The Brothers reported in the last issue are still recuperating, plus Bro. Fred Hull is now under doctor's care.

Please attend our meetings and show the officers we care.

W: Jack Ryan is at home with his daughter after a protracted stay in the hospital with a broken hip.

Did you notice W: Webb Shechy in Lodge with his new eyes? He was checking on everything that was going on.

W: Larry Beikirch made a flying visit home from Atlanta for Brother Ed Doud's wedding and our Past Master's night.

Make a note now - M:W: Robert C. Singer, Grand Master of Masons in the State of New York, will visit Wakan-Hubbard Lodge on November 10th and a dinner will precede the meeting.

The Master's Ball will take place at Nordic Village on November 15th. Our guest of honor will be R:W: the Hon. Frank Horton. Officers will call for reservations.

The annual visit of Wakan-Hubbard Lodge to our sister Lodge, Coronation Lodge of Weston, Ontario, Canada, will take place on October 25th. Letters will be sent requesting your reservations.

We noted the absence of Brother Wells "Speedy" Latta at the first meeting in September. Why Speedy? Ask Wells.

It was with great pleasure that we noted the presence of Brother John Dick at our first meeting in September. It was felt that Brother John might not have recovered sufficiently from his many picturesque swan-dives from the water skiing endeavors at the Fellowship steak-roast

Charlotte—Corinthian Lodge
No. 1088
1st and 3rd Tuesdays

First of all, I must express my regret for not having an article in the last issue of the *Monroe Masonic News* for our lodge. I did not realize that there was a September issue and as a result did not send in an article.

Consolidation Update

As most of you must know by now, effective May 13th, our two lodges were consolidated to form a new lodge. Both lodge charters were sent to Grand Lodge during the summer recess. The Corinthian Charter has been voided and is hanging in the lodge. The Charlotte Charter has been noted as a temporary working charter until our new charter is issued after the next annual convention in May. The records, artifacts and other possessions of Corinthian Temple have been moved to the Charlotte Masonic Temple on Lake Ave. Our computer chairman, Ralph Ward, has added all member of Corinthian Temple to our computer roster.

Building Improvements

Our Trustees, Rt. Wor. Bert Steene, Rt. Wor. Warren Trimble, Wor. Stan Geer, Wor. Tom Paglia and Wor. Keith Stambach met with the elected officers of the lodge to decide what projects could be completed this summer. At the June 17th meeting, monies were appropriated for the purchase and installation of a new rug, a new and more efficient furnace to replace the one in the kitchen and to replace the rear door.

Bert did an outstanding job this summer displaying the lodge memorabilia. The preparation room has been cleaned up, the back of the dining hall has been cleared out to give us more dining space and the Past Masters Apron's have been hung up on the dining room wall along with other memorabilia. These are only a few of the improvements that have been made this past summer. Both Bert and Tom have been giving of their spare time removing and replacing the seats for the rug installation, painting, cleaning, sorting, and many things too numerous to mention. A special thanks to both of them and especially to their wives Betty and Cora for putting up with absentee husbands.

I urge you all to come and visit YOUR lodge and see all the things that have been accomplished. Call a brother and share a ride. Your trustees have done a splendid job and wish to express to the membership that the physical properties of the building will be their primary concern for future renovations which will make Charlotte Lodge Masonic Temple a showplace in Monroe County. Annual Apron Presentation Dinner is October 10th.

Brother Gordon Howe Receives Honors

Brother Gordon Howe, Former Monroe County Manager and a member of our Lodge, has been awarded a Honorary Degree in Political Science from Monroe Community College. A course in Political Science was also named after him. Brother Gordon led the way to establish the college which opened in 1962. The college has played an important part in the education of many Monroe County residents including myself, my wife and now my daughter who is attending the college. Congratulations and thanks to Brother Gordon Howe.

Golf Tournament

The bad news—Yonnandio got lucky and kept the fur-lined pot. The margin was 3.375 strokes. The good news—Shorty Buchannon did an outstanding job of not only organizing the tournament between the two lodges, he also was chairman of the committee that planned the interlodge golf tournament. A big thank you to Shorty for a job well done.

Sickness and Distress

It is my sad duty to report the deaths of six of our brothers. Brother Thomas A. Williams, Dedicated Service Award winner and Tiler of our lodge, passed away on June 7, 1986. Brother Tom will always be remembered by the manner in which he did the Apron presentation for the First Degree. Brother Ray E. Gardner passed away

"Looks like Harry's out for volunteers again."

raised his son Glenn in our Lodge just a few years ago. Brother Roy Jebson who resided in Largo, Florida, passed away on April 22, 1986. Brother Brooks Stringer passed away on July 10, 1986. Brother Jerold N. Luckhurst passed away on July 29, 1986. Brother James Douglas McCarroll passed away on August 18, 1986. Remember these brothers and their families in your prayers.

Brother Jim Radcliffe, one of the organists, recently had a stroke and is now recovering at home. Brother Jim Hastings was in the hospital and is now at home. Wor. Merle Evoy's grandson passed away during the summer and brother Charlie Peterson's wife Inez is at Highland hospital.

Tri-Lodge Steak Roast

The Tri-Lodge steak roast at Churchville Park was a great success. Everyone who went had a great time. We had about 40 people there representing Charlotte-Corinthian out of a total of almost 200. We have decided to maintain the tri-lodge relationship. I want to thank Wor. Bill Baker for coordinating with the other Lodges for this function. The other Lodges in the tri-lodge are John Robertson Lodge and Valley Lodge.

Blood Drive

Our Senior Warden Dave Jones was Chairman of the Blood Drive and did an outstanding job. The drive was held at the lodge on Aug. 11. Our sisters of Charlotte Chapter helped in the drive. Despite all this we only collected 29 pints. The main reason for the low amount was that a blood drive was held in the area just 3 weeks prior to ours.

Awards

RT. WOR. Duane Manchester, Grand Directors of Ceremonies and a member of our lodge was officially presented with the apron of his new office at our Sept. 2nd meeting. Brother Harry Lake and Shorty Buchanan were awarded Meritorious Certificates for their contributions of time and effort to the Lodge. Congratulations to Brother Eino Laakso, DSA, who has recently become a Great-Grandfather for the first time.

Ladies Night

Our annual Ladies Night will be at the Country House in East Rochester on Oct. 4th. Please see Davy Jones for reservations or call him at 621-4788 or you can call me at 392-5583.

GRAND LECTURER

The Grand Lecturer's Convention is on Oct. 29 at 7:30 in the Masonic Temple on Main St. We will be responsible along with Craftsma Lodge for putting on the 3rd Degree up to the obligation. The attendance banner will also be awarded that evening. I urge as many of you to attend not only to bring the banner back to our Lodge but also for the valuable knowledge to be gained.

Widows Program

The widows pin and card has been presented to Mrs. Mary Williams. On Sept. 22, widows pins and cards will be presented to Charlotte Chapter Ladies whose husbands were members of our Lodge.

In closing, I again urge you all to attend lodge and see the changes that have been made to your building.

This Is The Place To Learn

Companions of Hamilton Chapter, Ever wish you could learn more about Masonry?? Royal Arch Masonry?? Where can we learn more? More important, where can we learn in an atmosphere of enjoyment and companionship?

On St. John the Evangelists' Day (December 1985) I addressed the Past High Priests Of Hamilton Chapter prior to being installed as High Priest. On that occasion I promised them Masonic Education in Chapter Meetings. Since then we've learned many new Masonic things at our Chapter Convocations. Our King, Robert Wright, gave us insight into our Chapter Penny—things like its' true value and its' relationship to the lives of men several hundreds of years ago. We learned why King Solomons' Temple was dismantled Brick by Brick from our Scribe, Gerald Jones. If you see him ask him about this. We also learned that to recreate the temple today that it would take a sum larger than the current National Debt of the United States of America!

We saw the Jewish Tabernacle of the wilderness via a slide presentation and discussed the veils. We gained some further insight into the symbolism of the Most Excellent Master Degree. We learned about some Masonic Philosophy from our Treasurer, R.E. Ralph Biggar.

I must congratulate the Officers of Hamilton Chapter for their part in this effort. As High Priest, I am very pleased to see the current gain of attendance and hear the many favorable comments that their work is obtaining. This is not all they are doing for our chapter, of course—They are laundering our robes, repairing our equipment, learning their lines for impressive degree presentations and always doing that extra something for us. They are following the charge I gave them last January. I told them that I want the meetings to be for the companions.

It is my hope that any companion reading this will make the decision, right now, to do all in his power to fellowship with us real soon. There is more to come as the Captain of the Host, Ted Diehl, and the Principal Sojourner, Robert Zahn, each chair an evening in October. What will they have for us? I do not know for sure, but knowing that they have both been working on their nights for over a year now, I can't wait to find out. Can you?

If you ever wished you knew more about masonry, and especially Royal Arch Masonry, join us—won't you. You won't be alone.

Fraternally,

Donald W. Wright
High Priest

Sir-Knights

We held our first meeting of the year, Friday September 5th in Cathedral Hall. We had in attendance, one newly knighted member, Richard Ramariz. This will be the only meeting in Sept. Grand Conclave at the Granit Hotel, falls on our next meeting nite which is the 19th of September. Our next meeting will be Friday, October 3rd. All newly knighted members are commanded to attend; To sign our commandery book. I would like to see all our newly elected officers in attendance. We need to practice full form openings for our yearly inspection. We have a Fall festival coming up, but the date is not definite. Go out and get some new members. We lost five Sir Knights over the summer; They are—Lloyd A. Jamison, Fred L. Walker, Charles G. Plomasen, Walter F. Schaubman and Gasten-Lee Breckelridge. They will be missed by all.

At our last meeting, Sir Knight Ron Brown P.C., and Zone Officer, presented Sir Knight Harry Goates with a well deserved Past Commanders Jewel. A Commandery picnic was held this summer at S.K. Ron Brown's home, about 25 attended. A good time was had by all. We need all our new S.K., and old members to become active. Come to meetings.

Important Meeting October 28th

Sorry for the mix up of our 1st meeting date which should have been Sept. 23rd, 1986. Will try and not let this happen again. Then something else pops up.

As this has to be in even before our first meeting in Sept. there will not be too much for our article. Next time.

Hope that all of you had a wonderful summer wherever you were and ready to come back now. We need you all.

Our meeting in October will be on the 28th of the month in the Masonic Temple, Rochester, NY at 8 PM. This is a very important meeting to all Companions.

No new sickness to report except Comp. Donald S. Ballou is now using a walker. Please send cards or pay them a visit. We have one death to report: Herman Hilgerman passed away on Sept. 4th 1986. He was Exalted in our Chapter on April 26th, 1932. He was our Secretary in our Chapter for a long time, until sickness got the better of him. We who knew him will miss his presence as we all thought a lot of him as a Companion to all. 54 years a member of our Chapter.

To all who have not paid their dues please do so ASAP and many thanks. We need your support and also your presence at our meetings. Come on out, you will enjoy our company.

Not much extra news this time but better luck next time.

Believe that is all for this time except this saying: "Death is not the end but only the beginning of a new life

Past II. Master Frederick Holderle Received An Award

DD Grand Master,
R.A. St. Louis, Jr.
Here October 15th

I hope that each of you has had a very good summer, and are ready to resume our fall activities.

The 163rd Annual Assembly of the Grand Council of Cryptic Masons of the State of New York is now history. It certainly proves that the years of preparation which our M.I. Raymond R. Beardsley had planned has paid off. Each event started on time and ended on time.

I had charge of the Registration and Credential Desk, and I want to thank all the Companions who helped me for their courteous and efficient support in this important function. All registrations were handled with speed and efficiency and there were no long lines of visiting Companions awaiting to be registered.

Doric Council #19 opened Grand Council on Monday Aug. 18th, 1986 and I want to thank all of the Officers for the proficient manner in which they gave their parts. We all knew our parts letter perfect and I received several compliments of the fine job done by all.

Ill. Frederick S. Holderle our immediate Past Ill. Master received an award for Greeting more than 5 new members during his term of Office. Congratulations.

By the time you read this article in the "Monroe Masonic News", our 1st meeting, Sept. 17th will be history. Our next meeting Oct. 15th, 1986 will be in the Masonic Temple, Rochester, NY, at 7:30 PM. At this time we will greet our District Deputy Grand Master, Roland A. St. Louis, Jr., on his Annual Visitation. I hope that we will have a large turn out to hear his message. After our meeting I will put on a slide show which the Masonic Stamp Club has put together entitled "Masonic Architects of Freedom". This is a slide show which shows Famous Masons of U.S. Postage Stamps and First Day Covers. We will have refreshments after.

Last but not least I want to put out an S.O.S. Our Conductor of the Council Apron is missing. If any Companion remembers putting it away in some strange place please let me know. It was probably misplaced during our Council Festival this last spring. So I am asking all of you to scratch your head and see if we can find it. Thanks.

I hope that each of you will attempt to attend our meetings this year and if we can be of help to anyone please do not hesitate to call.

Under sickness & distress we have: Companion Donald S. Ballou gets around with a walker now. No other new sickness and no deaths to report.

To all Companions who have not paid their dues for this year we send out an S.O.S. also. Please A.S.A.P. and thanks.

Believe that is all for this time except this: "Something good is going to happen to us." Have fun till next time.

Two Conclaves In October

As this has to be in before our Commandery Conclave on the 19th, 20th and 21st of Sept. the report of that Conclave will be in the Nov. Issue.

We had our first Conclave on the 12th of September and we had a Pot Luck Dinner before put on by the Schicker Club. A grand time was had by all. We will have our other Conclave in September on the 26th, 1986, 8 PM in the Masonic Temple, Rochester, NY. Come on out and be with us.

We have no new sickness to report at this time except: S.K. Donald S. Ballou is around with a walker at this time. If you can pay a visit please do so. Cards are always welcome by those who are sick.

Our Em. Commander, Ronald J. Bertie and his wife hope that all of you had a very good summer wherever you were and ready to come back with us.

We will have 2 Conclaves in October and they will be on the 10th and the 24th of the month at 8 PM.

Tough getting started for reporting in the fall after summer time and so better luck next time. They say no news is good news but let's have some anyhow.

Our dues is coming in but for those who have not contributed to our Commandery please ASAP and thanks.

Please let us know of anything happening to our S.K's and their friends so that we may be of help in their time of troubles. We need the support of all of you all of the time. Thanks.

Believe that is all for this time except this: "I can claim my dearest loved one to be God's property NOW." One of our beliefs for a life hereafter. Have fun til next time.

Brethren,

With the summer over and Brotherhood having to be put back into practice it is with great pleasure we inform you that the Lodge has five petitions for Initiation and advancement. We hope that you will make every effort to attend these Candidates degree and help us make them feel that they are indeed part of the greatest fellowship and brotherhood there is.

While on the subject of dinners. Your Lodge started in January a sit down dinner before each Communication. These dinners have been increasing in attendance each month, and as participation increases so does the menu as with more people it's easier and more economical.

The Master opens the Lodge at 5:30 P.M. and breaks for refreshment about 6:00. Dinner is served at 6:30 with Lodge being resumed at 7:45. This affair is most enjoyable and we want you to make an extra effort to join with us. Reservations please.

Congratulations

Congratulations are in order for Past Master Bruce Harington and Terri Madigan. The two of them became man and wife during August and will be living in Sarasota, Florida, following an extended honeymoon along the east coast.

Dear Brothers:

It is again with mixed emotion we have received the news that our Marshal and acting Junior of Stewards, Brother Pano Holiastos has been transferred out of the Rochester area. The Schlegel Corporation has asked Brother Pano to head up a new automotive division it is developing in Tennessee. As with our other two line officers who have been transferred this past year, Junior Warden Brother Charles Gillman and Junior of Stewards Brother Gerald Munro, our lodge will suffer a loss with Brother Pano's departure. We are deeply appreciative of the contributions Brother Pano has made to our Fellowship and wish him God speed as he undertakes new challenges and responsibilities.

Our Fall schedule has gotten off to a busy start with the official visit of our DDGM Rt. Wor. Donald Wright. A brief summary of the message Rt. Wor. Donald Wright brought on behalf of our Grand Master M.W. Robert C. Singer will be set forth in the next Trestleboard. Thanks to the efforts of our acting Junior Warden, Brother Wayne Hoover and our new Fellowcraft Chairman, Brother Bruce Frederes, our steak roast held at Powdermill Park provided an evening of good food and fellowship for many of our brothers and their spouses.

During October, I remind all Brothers we will be holding two meetings—one on October 7th to confer the first degree and again on October 21st when we could have as many as eight candidates for the degree of Fellowcraft. We will open lodge promptly at 5:30 P.M. for both degrees with dinner at 6:45 P.M. We would very much enjoy having you share with us the unveiling of masonic light for our new brothers.

In our last Trestleboard, our secretary, Wor. Donald Scrivens, presented a summary picture of our lodge finances. Our 1986 budget, as are all of our budgets, was adopted with the understanding that each member of our fraternity as part of his tie to the craft would meet his financial commitments, unless in distress and therefore unable to do so. In order for our lodge to meet its' obligations, it is critical that all outstanding arrears be paid before the end of our fiscal

I trust that each of you had a fine summer. Prior to the summer break Brother Gregory Haight was raised to the sublime Degree of MM at our June meeting. I would particularly like to thank the Past Masters who joined us on that occasion enabling us to perform the degree: W. Robert E. Rudman, W. John Burr, W. Gerald Werner, W. Calvin E. Tripp, W. Roy E. Maxwell, W. Melvin Doverspike, and W. Lavern Johnson. We appreciate your efforts and are glad that you joined us in our labors. We only regret that more brothers were not on the sidelines to witness the raising of a Brother.

Our annual Bicycle Rodeo was also a big success thanks to the efforts of Br. Bill Gilliam, Chairman; Br. Ken Campbell who arranged for our use of NYS Police grounds and Br. Michael Socha who contacted the area merchants for the prizes awarded to the winners and to each and every participant. Thanks too, for the assistance of Brothers George Brege, Bob Rudman, Zack Lee, Walter Johnson, Greg Haight. If we can instill bicycle safety in our young people perhaps we can save a life; in any event our efforts are worthwhile.

I have been advised that RW, Donald Wright, Dist. Deputy, 1st Monroe and RW Lawrence K. Canfield will make their official visit to our Lodge on October 14th, not the date previously announced. I hope that all Brothers will make a special effort to attend on this evening to greet the DD, who incidently is a member of Clio Lodge. It was good to see several "snow birds" around town during the summer. It would be good to see you in Lodge before you head south for the winter.

I've been advised that the Towpath Shine Club has been formed in our western area with W. John Warthman, President and Lavern Johnson. Should you be interested contact these good brothers for more info.

It is my sad duty to report the passing of Mrs. Charlotte Coapman, Past Matron, Mary Jane Homes Chap. OES, wife of Br. Edgar A. Coapman and mother of Brothers Edgar Coapman III and Carl A. Coapman. Charlotte performed many kindnesses for our Lodge and for each of us on countless occasions. She died on September 27th. A memorial service was held at the Presbyterian Church on September 30th. Our thoughts and prayers are with her and her family at this time of sorrow and great loss. She will live in our memories until we meet again.

Brethern:

The September meeting was one filled with Fellowship & Ritual followed by a social hour put on by the stewards.

Much transpired as all the Grand Lodge Communications covering the summer were read, committee reports given on the Brotherhood Fund, the temple situation by our representative, W. Gerald Glaser, Fellowcraft and the exemplification of the First Degree by our Jr. Warden, Bro. John Keller.

John did an excellent job sitting in the East as the Worshipful Master for the first time. He was assisted by many Brothers and Past Masters who also showed the excellence of ritual work for which Flower City is known.

Our October meeting will have R. W. Maurice Solomon in the East as we put on the Second Degree. Please show your support by attending Lodge on October 14th.

Information from Palestine Lodge special meeting on October 22nd may be found in my letter to your home. (This might make you read it?) Shall we visit? Let me know.

Perseverance Lodge in Buffalo will host a Ladies Nite on November 1st. See my letter on this one too.

At our October meeting, a proposed change to our By-Laws will be read pertaining to the Advisory Board.

It becomes my sad duty to report the death of four of our friends and Brothers: Jack Berlove, Lester Appelbaum, Louis E. Percman, and Jack Cohen.

Our sympathy and prayers are extended to all of their families and friends.

Also, Bro. George Freeling has been in and out of the hospital twice and is now at home. Drop in (call first) or send him a card.

Good news reported that R. W. Joe Silverstein celebrated his 90th birthday at the Jewish Home with a little party. And a long time Brother "Red" Holeman was inducted into the NBA Hall of Fame in Springfield Mass. A belated congratulations to you, Red. Also W.R. Adrian Solomon has started his studies in Toledo leading to a law degree.

W. Earl C. Branch Presented Dedicated Service Award

My Dear Brothers,

As I mentioned in my last article, we had the privilege of honoring our Past Master Earl C. Branch, with the Dedicated Service Award, presented by D.D.G.M., R.W. Gerald Becker, on behalf of Grand Lodge of Free and Accepted Masons of the State of New York. Earl has been a very active Man in Masonry. Among his many accomplishments are: Chaplain of both Ancient Craft and Fame Lodge, a Director in the Masonic Service Bureau, Past Patron of Germania Chapter No. 72, O.E.S., Past Grand Sentinel of the Grand Chapter O.E.S., Past Master of Travel-Genesee Valley Chapter No. 46 of the National Campers and Travelers, Member of Rochester Cosistory, Damascus Temple, and Past Master's Degree Team. He is supported in all these and his many other activities by his wife, Clara.

Many of our brothers can certainly take a lesson from Earl's dedication to the Craft. He is a Mason's Mason. The cards he carried in his wallet aren't just for social status, but because Masonry is close to his heart.

He has not forsaken his blue Lodges, but actively promotes them. Earl knows, that without them, Masonry will not survive, nor will his other affiliations.

My brothers, start your Fall by reviving your interest in your Lodge. **WE NEED YOU . . . AND YOU NEED US!**
Fraternally,
Franklin G. Granata
Master

Brethern,

As you read this, 2 meetings will have gone by in the Fall session. If you are not in Lodge - you are missing out on a great deal.

For our first meeting in October, we will be having a new candidate take his first degree. I would like to see a large turnout for this event. New members are important, however present brethren make the Love live and without your presence - Lodge seems to be hollow and carry less meaning.

SIR KNIGHT JOHN CLEVELAND ROBINSON

John Cleveland Robinson was born in Binghamton, New York, on April 10, 1817. He was a seventh generation descendant of the Reverend John Robinson, pastor of the body of Puritan exiles who, after having first found refuge in Leyden, Holland, landed on the shores of Massachusetts in 1620, and founded the colony of the pilgrim fathers.

His parents Dr. Tracy and Sarah (Cleveland) Robinson, natives of Connecticut, settled in Binghamton, New York, in 1810, and Dr. Robinson was prominently identified with Binghamton's growth and development. As well as practicing his profession, he opened a drug store there. He was made associate judge and justice of the peace, and had the honor of being the first judge appointed from Broome County. Dr. Robinson was also one of the founders of Christ Church in Binghamton, and twelve years after Andrew Jackson became President in 1829, he served as Binghamton's postmaster.

John Cleveland Robinson was educated at Oxford Academy, at that time one of the best known educational institutions in the State of New York. In 1835 at the age of eighteen, he entered the military academy at West Point. He left West Point for the purpose of studying law but three years later returned to the military to pursue a career. He received a commission as second lieutenant in the U.S. Infantry on October 27, 1839.

The Mexican War

Early in 1835 the United States Congress voted for the annexation of Texas. As a result, the Mexican government severed diplomatic relations. President Polk sent a negotiator to secure the Rio Grande boundary and to discuss the purchase of California, but that action only served to infuriate the Mexican government even more. Polk dispatched troops to occupy the disputed territory where they clashed with Mexican troops, and in May 1846 the United States declared war on Mexico. During 1846, General Zachary Taylor invaded Mexico while other detachments took possession of California and New Mexico.

In September of 1845, Robinson was ordered to the Rio Grande, where he joined Taylor's "Army of Occupation" at Corpus Christi. In Mexico, Robinson took part in engagements at Palo Alto where on May 8, 1846, the first battle of the war took place. During an effort to join troops at Fort Brown, Taylor's forces of about 2,200 regular came upon a superior number of Mexicans estimated to be between 4,000 and 6,000 men under General Mariano Arista. The Mexican lines were cut by bombardments from Taylor's artillery. The grass was set afire by the shells, so that a dense smoke screen

engulfed the two armies. In the haze, the trained leaders of the U.S. forces met the Mexican attempts to encircle the left with a barrage of artillery fire. At day's end the Mexican attempt to encircle the left with a barrage of artillery fire. At day's end the Mexican loses were seven times that of the United States. Robinson engaged the Mexicans in Reseca de la Palma, Vera Cruz, and was honorably mentioned for distinguished service in the battle of Monterey. On June 18, 1846, Robinson was promoted to first lieutenant, and in 1850 he was promoted to Captain.

Seminole Wars in Florida

With the influx of settlers into the newly-made state of Florida, problems with the Seminole Indians became more acute which required the Seminole Nation to be relocated to Indian Territory (now Oklahoma) where they became one of the Five Civilized Tribes. There were three Indian wars (1817-1818; 1836-1842; 1855-1858). Many runaway slaves had found refuge with the Seminoles and were living with them. Robinson commanded an expedition to the Everglades in Florida during which he made a trip of some 300 miles against the Seminole Nation.

Utah and the Mormons

In March of 1849 the Mormons at Salt Lake established a provisional government and petitioned the U.S. Congress for admission into the Union as the State of Desert, which was denied. In 1850, however, the area was organized as a territory under the name of Utah.

During the 1850's, frequent altercations occurred between Governor Brigham Young and Federal officials. The Mormons were charged with treason. Associate Justice William W. Drummond, for example, filed affidavits with Jeremiah Black, U.S. Attorney General, claiming that the records of the territorial supreme court had been destroyed by action approved by Brigham Young. President Buchanan (a Mason and a Past Master of his Lodge) accepted Drummond's report as well as similar charges filed by the mail contractor and the Indian agent that the Mormons

were in rebellion against the United States.

To complicate the whole matter a group of Mormons had massacred several people at Mountain Meadows, and the Army was dispatched to Utah with Albert Sidney Johnston in command. Newly-appointed Governor Alfred Cumming, and Judge D. R. Eckles accompanied the train.

Captain Robinson was ordered to Utah in the summer of 1857 with the Johnson expedition. The march took him along Fremont's route and the South Pass. Because of the severity of the weather, and the effective guerrilla tactics displayed by the Mormons, the troops were compelled to remain at Fort Bridger, Wyoming, for the winter. Robinson remained there with three companies, having charge of the supplies while the rest of the regiment under Johnston encamped in the vicinity.

A compromise was worked out between the Mormons and the U.S. government, and the army was allowed to camp within 60 miles of Salt Lake City. The investigation that followed found that the whole affair had been a hoax. The military episode was to become known as "Buchanan's Blunder" and contributed to the political demise of the President in the following election.

In 1861, Captain Robinson was ordered to Fort McHenry, Maryland. This was two months prior to the bombardment of Fort Sumter.

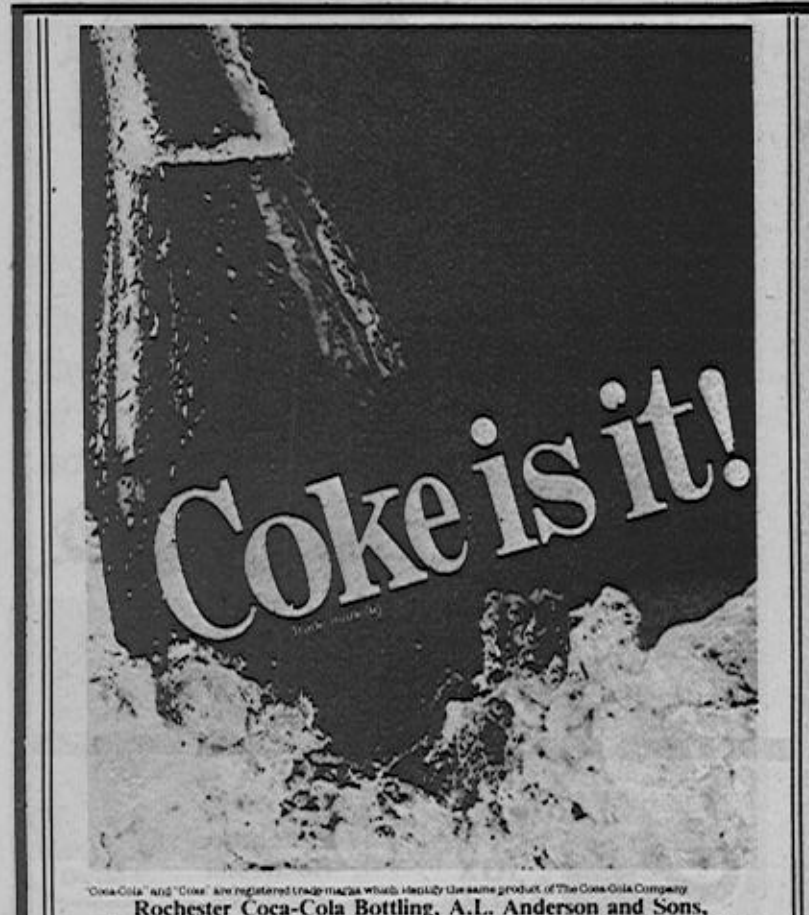

The Civil War

Fort Sumter was attacked April 12, 1861, precipitating the Civil War. The Sixth Massachusetts Regiment on its way to Washington was attacked at Baltimore on April 19, 1861, by a rioting mob; three soldiers and eleven of the attackers were killed. The rioters were contemplating the attack and seizure of Fort McHenry which was then commanded by

Captain Robinson with a garrison of sixty.

Robinson received news of the impending attack by the southern sympathizers. With only sixty men he would do very little but keep his men on alert. During the night the steamer Spaulding came into the harbor and anchored under the guns of the Fort. Taking advantage of the situation, he circulated a report that the ship had brought 800 reinforcements. He had his men pitching every tent they could find and moving gun emplacements all through the day. Had the rebel elements been able to gain possession of Fort McHenry, Washington probably would have fallen. Maryland would have undoubtedly passed an ordinance of

secession and would have been the seat of the war instead of Virginia.

A few days earlier, on April 15, President Lincoln called for 75,000 volunteers and another 500,000 on May 3. On May 5, 1861, two days after president Lincoln's second call Captain Robinson was sent to Ohio and Michigan on mustering duty. In Michigan where he had been a lieutenant, he had considerable success recruiting and was made a Colonel of the First Michigan Volunteers. Promotions came to him in quick succession. He was promoted to the rank of Major in the regular army in February 1862 and, two months after, was appointed a Brigadier General of the volunteers, just a year after his tour at Fort Mchenry. When advanced to General he was in Portsmouth, in the Department of Virginia.

General Robinson was transferred to the Army of the Potomac on June 10, 1862, where he took command of the First Brigade, Third Division of the Third Corps. his brigade engaged Lee at Oak Grove, Glendale, Fraziers Farm and Malvern Hill. In another campaign Robinson's regiments

were hotly engaged at Bristol Station, Groveton and Bull Run. In the encounter at Bull Run, General Robinson was struck by a shell but was not injured. He also led his brigade in the Manassas Campaign. After distinguishing himself at the Battle of Fredericksburg, Robinson was placed in charge of the Second Division of the First Corps, December 29, 1862.

At Chancellorsville, General Robinson's division was held in reserve and was not actively engaged, though his pickets seized about a hundred prisoners. The casualties of the First Corps in this engagement were only 292 of which 75 were sustained by General Robinson's division, the Second. Wadsworth commanded the First Division and Doubleday the Third.

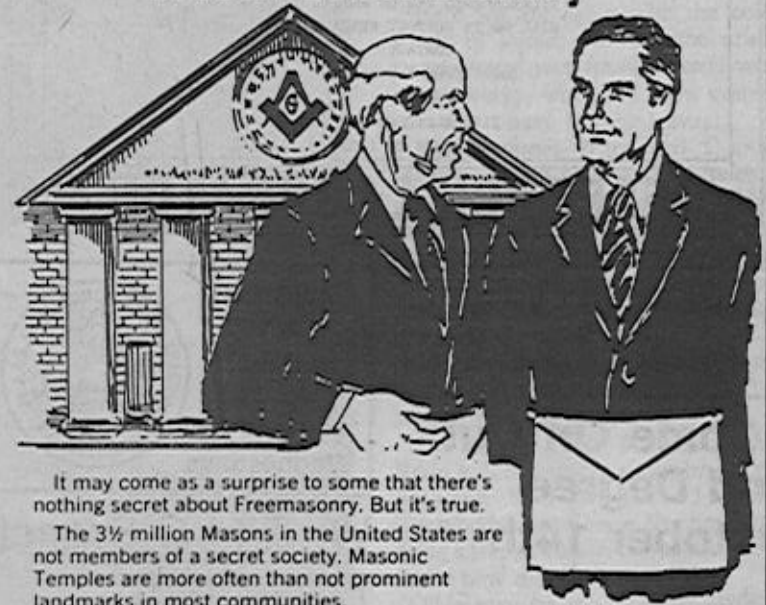

At Gettysburg, the morning of that historic day July 1, 1863, he had heard the beckoning call of Doubleday's guns thundering on Seminary Ridge while at Marsh Creek, six miles away. He rushed his division to Doubleday's assistance and handled his troops so expertly that for four hours his two division (8,500 men) held 5 Confederate division (30,000 — 40,000 men) at bay. During the battle two horses were shot from under him.

In March of 1864, Grant was made Lieutenant-General and the Army of the Potomac was reorganized. The First corps became part of the Fifth under Warren. The following is the report made by General Robinson in his last battle, known as the battle of Alsop's Farm, May 8, 1864:

"At 9 p.m. on the 7th the army commenced the flank movement to the left, the Fifth corps leading, with my division in advance. Our march was impeded by darkness, bad roads, small streams and fallen timber; yet knowing the importance of reaching Spotsylvania Court House before the enemy, the troops were urged forward as rapidly as possible. At daylight the morning of the 8th I overtook the advance guard of the cavalry, which was engaged by the enemy. I immediately deployed two brigades, holding the third in reserve, pushed by the cavalry (commanded by Brigadier-General Merritt), and drove the light troops and artillery of the enemy from one position to another, through woods and across open fields about three miles. Coming to another field I could plainly see the enemy's line in the edge of the timber beyond. I here halted and reformed the division, and again advanced to attack. The division was soon checked, and it became evident that here was the enemy's main line, but his strength was underdeveloped. Knowing that my brave men would follow, wherever I led the way, I placed myself at their head and led them forward to the attack. At this moment a part of Griffin's division advanced out of the woods on my right. Cheering my own men on, we had arrived within fifty yards of the woods when I received a musketball on the left knee, resulting in the amputation of my leg. This unfortunate wound caused the result I feared, for as I was borne off the field I saw that our troops were repulsed and the attack had failed. Our loss that day was heavy."

General Robinson was moved to Washington where the Surgeon-General Barnes, removed

There's Nothing Secret About Freemasonry

It may come as a surprise to some that there's nothing secret about Freemasonry. But it's true.

The 3 1/2 million Masons in the United States are not members of a secret society. Masonic Temples are more often than not prominent landmarks in most communities.

Although many Masons do not talk much about their membership in the fraternity, this has nothing to do with secrecy. Masons prefer to demonstrate their beliefs by the example they set with their lives.

Like other fraternities, the Masons have "secrets" . . . words and symbols that bind them together in the world's oldest and largest fraternal order.

At a time when many men feel isolated and alone, the Masonic fraternity offers men of good character the opportunity to share their ideals and aspirations with each other. We're proud to make no secret of that.

In 1866 he was Commander of the State of North Carolina and in the same year was Commissioner of the Bureau of Refugees, Freedmen and Abandoned Lands. He was Commander of the South in 1867 and in 1868 Commander and Judge-Advocate in the Department of the Lakes. He was in command of Fort Wayne, Michigan. In 1869 he retired from the United States Army with the rank of Major-General. General Robinson was elected Lieutenant-Governor of the State of New York in 1872 and served a two-year term under Governor John A Dix. In 1877 he was chosen Commander-in-Chief of the Grand Army of the Republic.

Masonic Record

Sir King Robinson was a member of Valley Lodge No. 109, F. & A.M., Rochester, New York (1848), and later affiliated with Binghamton Lodge No. 177, December 7, 1870. Records show that he also affiliated with U.S. Army Lodge No. 432 and was first Master of Rocky Mountain Lodge No. 205, Camp Floyd, Utah Territory. His Royal Arch Chapter is unknown, but he was Knighted in Monroe Commandery No. 12, Rochester, New York, on February 4, 1851. Robinson also received the Scottish Rite Degrees, May 1867, apparently in the inaugural class for Otsenigo (NY) bodies, and was awarded the 33rd Degree in August 1874.

General Robinson was a man of striking appearance. Ash he advanced in years his beard turned white as snow. Towards the end, his sight became dim and finally he was totally blind. He died on February 18, 1897, at his home in Binghamton, having reached the age of 79 years. Robinson was awarded the

FAIRPORT LODGE No. 476 2nd and 4th Mondays

My Brothers, it was a pleasure to return to lodge after the summer months and be greeted by so many of you and particularly to be able to give honor to our Past Masters of Fairport Lodge. We are indeed fortunate to have so many of our Past Masters able to strengthen our lodge with their participation and support and I feel proud to be associated with them as I anticipate my own future status as a Past Master. However, we must never be content to become a lodge of Past Masters. But this does not mean that every member should not be encouraged to become an officer and work through the chairs to become Master. Rather, each of us should be vigilant to recognize these men who would make good Master Masons and give these men the opportunity to request a petition for membership. Because we wished to set aside a night to honor our Fairport Masons Little League Team which we sponsored over the summer and to allow more time for petitions to be acted upon, we have moved our First Degree night to our second meeting in October. This means that even petitions brought in before our Official Visit could be acted upon for this year's class of candidates. But let's not wait until the last minute before we share the pride we have in Fairport Lodge with a prospective new brother.

Heartiest congratulations to our Civic Affairs Chairman, Bro. Kel Kelsey, and all the brothers who assisted him to help Fairport Lodge become the top contributor in the Monroe Masonic Blood Drive. Brother Kel's enthusiasm and organization with the assistance of our Sr. Warden, Bro. Dwight Turner, were prime factors in the success of this effort and we can all take pride in this tremendous accomplishment. My own thanks go to each and every brother who participated.

I look forward to a good attendance at our annual awards night during the Official Visit of our District Deputy and I also encourage you, my Brothers, to return the respect and support of the ladies of Fairport Chapter #444 OES by attending their Master Mason night on Oct. 21. Their participation in our Fairport OES night in April was nother short of enthusiastic and this is one good way we can show them our appreciation of all that they mean and do for us.

Sir:

In the September 1986 issue of the Monroe Masonic News in the Temple Trustees' column and I quote We received notice that there was a "Matrons of Masonic Temple" meeting held in July presumably to discuss the future of the ladies organizations. unquote. Coming as it did at the end of a column regarding almost entirely the fate of the Temple, it could be misinterpreted. The meeting, of the Matrons, Patrons, and secretaries, was open to all interested chapters; to discuss how to solve the problems of obtaining line officers and getting members to attend meetings. A possible solution, to these problems of dwindling sideline numbers and officers, was discussed. One of the suggestions was that of consolidation of the chapters. The Matrons who felt this was a suggestion that should be brought up to their membership sent out questionnaires. There will be another meeting on September 29th at which time the results of the questionnaires will be discussed. I hope this clears up any misunderstanding of the reason for our meeting.

Sincerely and Fraternaly,

CHURCHVILLE LODGE No. 667 2nd and 4th Wednesdays

Come Out And Take A LOOK; New Renovations

It's a lot easier to write this when there is a lot to write about. To begin with, the Lodge room has been redecorated. It has a new dropped ceiling, new paint, and paneling. This is due to the work of two men, R.W. Bro. Earl Steffen and W. Bro. George Simons. We all owe them the courtesy of a visit to Lodge to express our thanks to them. It was a monumental task and it looks great.

The picnic at the Daycock Compound managed to escape the early rain and everyone had a great time. The combined Star and Lodge picnic brought out the following: Ellis and Julia Erickson, John and Judy Lenzi, and her dad "Punt", Bill, Sue and Ellie Baxter, Andy, Maureen, Annie and Drew Baxter, Earl and Arlene Steffen, George and Lula Simons, Rod Meier, Abby Learn, Jessie Zorn, Paul and Charlotte Bayne, Arnie and Judy Phillips, Stu and Eleanor Dick, Vick Gross, Dean Hiler, guests Neil and Bev Totten and of course Charlie, -eboris, Onnolec, Steve and Diane Daycock. There was enough food for two picnics, all low cal. With games of Jarts, Horse-shoes, Euchre, and Volleyball, challenges were issued and accepted. Many thanks to the Daycocks who were responsible for a great picnic.

By the time you read this, we will put on the First Degree and will have the Second Degree on Oct. 22nd. We need help for these and if you haven't been contacted, please show up anyway. Please check the Trestle Board for coming events.

Our first meeting was Sept. 10th and in attendance was W. Bro. Doug

Varley. He retired 11 years ago and moved to Indiana. He is presently residing in Arkansas. He wanted to see some of the Brothers once again and was disappointed that more were not at the meeting. (SO WERE WE)

The Grand Lodge Newsletter has arrived. This first issue has a two month schedule of events, a list of newspapers that will carry the first two Masonic Ads, an article on community service and some Grand Secretary's Reminders. The accent is on COMMUNICATIONS.

It was announced that R. W. Earl Steffen is on the Masonic Fellowship Committee and R. W. Charles Daycock is on the Masonic Blood Donor Program. These are Grand Lodge Committees and it's an honor for Churchville Lodge to have Brothers of this caliber. The "Monroe Masonic News" has a new look and is full of activities. I'll be looking for you in Lodge.
