

## M.:W.: Richard P. Thomas, and his Grand Line Officers Are re-elected to their Second Term for Year 1991-1992

### ● Hi-Lights ●

From the 210th Annual Communication  
Grand Lodge F. & A. M. State of New York  
By R.:W.: Maurice Solomon

Among actions at the 210th Annual Communication of Grand Lodge F. & A. M. of the State of New York, during the first week of May, 1991 were:

An announcement that over 5,000 Masons served in the Persian Gulf during the War. Each will receive a plaque and certificate commemorating their service.

#### Excerpt Grand Master's Address

An excerpt from the Grand Master's address wherein he declared that in the future, any Lodge failing to file a certificate of election by deadline date each year will have its charter temporarily suspended until it complies. Some lodges have not filed for several years.

A Judge Advocate ruling on Sec. 503 of the Book of Constitutions (no Lodge shall meet on Sunday for Masonic labor, etc.) declares that the law does not apply to Public Installations, meetings called to present awards (such as the De Witt Clinton), etc.

#### Constitutional Amendments

M.:W.: Arthur Markewich summarized Constitutional Amendment action for both first readings and second or final readings. We all recall that an amendment must be voted upon favorably at two annual communications of Grand Lodge to become law.

#### First readings included:

**Section 276** ---would permit applicants for membership in the Masonic War Veterans to include Nationals of countries that allied with the United States in a fight against a common enemy.

**Section 111** ---would create a new Grand office of Grand Organist, carrying the title of Right Worshipful.

**Section 302**--- would require the Master, Wardens and Secretary and Treasurer of a Lodge to be elected at the first communication of the Lodge following the Grand Lodge annual communication in May. It also would require that they be installed no later than June 30.

**Second readings (now the law):**  
**Section 508**--- is changed to remove recognition of Shrine and Grotto as Masonic bodies.

**Section 322**--- now declares that Lodge minutes may be read at the NEXT stated communication subject to the discretion of the Master or brother occupying the chair, instead of the communication at which taken.

**Section 600.9** ---has adjusted so that Grand Lodge dues will increase at the rate of \$1 each year through 1996 for each Lodge member.

Other Grand Lodge action included the creation of Infinity Lodge in the Home at Utica for study and research purposes and a report from the Unity Committee. This latter report discusses the edict issued by the Grand Lodge of England which forbids visits to or from jurisdictions which have recognized Prince Hall Grand Lodges. That means visits by members of the Grand Lodge of England to or from the jurisdictions of the Grand Lodges of Washing-

ton, Wisconsin, Nebraska and Connecticut are forbidden.

Detailed Grand Lodge actions and discussions will be conveyed to the membership by District officers on their visits and Masters of Lodges or their proxies during upcoming communications, or in their news articles.

*R.:W.: Charles C. Spiegel, Jr.  
Is District Deputy Grand Master  
For the First Monroe District  
Appointed from the Office of  
Grand Steward for the State of N.Y.*

R.:W.: Charles C. Spiegel, Jr., was appointed by Grand Master M.:W.: Richard P. Thomas to the position of District Deputy Grand Master of the First Monroe District. R.:W.: Brother Spiegel served as Grand Steward during the 1990-1991 term. The Grand Master's desire to retain as many of last year's District Deputies and Staff Officers as their cable tows would permit was the primary cause of this event.

R.:W.: Brother Spiegel resides at 21 Westover Drive, Webster, N. Y. 14580 with his wife Elaine. They have five children and 4 grandchildren.

#### Pa. Native

Brother Spiegel was born in Pittsburgh, PA. in 1929 and was raised in Fort Pitt Lodge #634 in that city in December, 1959. He affiliated with Wakan-Hubbard Lodge #154 in 1980. ### Grand Lodge, State of New York Presents DeWitt Clinton Award to Mrs. Martha A. Tack On May 19, 1991 She Also received the Masonic Service Bureau Community Service Award

On Sunday morning May 19, 1991, Mrs. Martha A. Tack was awarded the Masonic Service Bureau Community Service Award at the Main Street Masonic Temple. The presentation was the featured event in the 53rd Annual Masonic Interfaith Service and Breakfast. R.:W.: Brother David C. Clarke, Vice-President of the Bureau, made the presentation. Mrs. Tack became the 34th recipient of the Award.

Among the two hundred attendees were former Community Service Award recipients Lennarth C. Anderson (1966), F. Ritter Shumway (1974), R. Kenneth Crawford (1986), Gabe Dalmuth (1987), Jerry Flynn (1988) and Willis Sprattling (1989).

Martha is completing a term as President of the "Home Away from Home" Ronald McDonald House at 333 Westmoreland Drive near the Strong Memorial Hospital, the 128th House in the U. S. and Canada. She succeeded Nancy Robbins, who was Chairman of the Board of Directors of the House when an April article in this paper by R.:W.: H. A. Fritz Friedrich featured the opening ceremonies.

M.:W.: Robert C. Singer, Grand Secretary of the Grand Lodge of New York, was the guest speaker at the annual breakfast. He made an unexpected award presentation in also giving Martha the Grand Lodge DeWitt Clinton Award for community service, which was authorized by Grand Master M.:W.: Richard P. Thomas, just before M.:W.: Brother Singer left his New York City offices on Friday. Nancy Robbins had been an earlier recipient of this very award for her devotion to the Ronald McDonald House as well as serving other causes in the Community.

R.:W.: Brother Robert P. Zabel was this year's Toastmaster at the Breakfast. Father Francis McNamara of McQuaid Jesuit High School, R.:W.: and Reverend Paul Gleason (President of the Masonic Service Bureau), R.:W.: Maurice Solomon and President of the Finger Lakes Chapter, Master 4 Degree, Knights of Columbus, Sir Knight Paul Alfano, were all participants in the Interfaith Service in Cathedral Hall. The Union Congregational United Church of Christ Choir of Churchville, N. Y., with W.: Brother William Kuehne at the organ, provided the musical accompaniment for the Service. R.:W.: Brother William Baldwin was the annual event chairman, ably assisted by W.: Brother Stan Allen, R.:W.: Charles Spiegel, R.:W.: Paul Spillane, Matilda Burger and Linda Zahn.

Mrs. Tack, in her response, informed attendees that there will be a special Open House at the Home on Sunday, September 22, 1991, exclusively for the Freemasons and their guests. She invites all to participate in this singular event, designed to recognize those who contributed time, talent and treasure to "the House that Love Built".

**Community Work**

R.:W.: Brother Hebner created the annual Masonic Fund Drive for Monroe Community Hospital. This permits resident patients to be transported to their homes for the Holidays, if they desire to do so, by providing the necessary special motorized equipment necessary to transport them. Funds are solicited from area Lodges and O.E.S. Chapters, as well as allied bodies. Brother Hebner also actively participated in the "Bobby Whalen Van Fund Drive" which was covered in the Masonic News and the Empire State Mason during 1989-1990.

The Genesee-Wyoming Deputy served in the U. S. Navy from January 1949 through December 1953. He is a veteran of the Korean conflict. Leonard A. Latta, Scribe

It is with a sad heart that we report that Brother Joe Dimino is not well and has had to curtail most of his activities. This includes resigning as treasurer of the Forest and as District Deputy Supreme Tall Cedar. We wish Joe the best and hope he will be able to attend a meeting of the Forest from time to time.

The Royal Court Degree was conferred in full form on several of the newer members of the Forest who had not seen the Degree before. The cast of the Degree did an excellent job, even with a few last minute substitutions. We will be conferring the Degree again in the fall.

By the time you read this, the Forest will have had its evening at Silver Stadium. The Red Wings play the team from Nashville that evening. Hopefully the game was exciting and the Red Wings won. Brother Len Latta was able to get us reserved seat tickets for a good price along the third base line. Our past outings to Silver Stadium were enjoyed by all, and each time the Red Wings won.

Mark your calendar for Thursday, June 27. This is the evening of our annual sausage roast. The sausage roast will be held at Ellison Park in the Hazelwood Lodge. According to Brother Carl Busack, the entrance to the park has been moved to the west of the old entrance. The sausage roast will start at approximately 6:30 pm. Bring a dish to pass and your own place setting. Call Grand Tall John Zabel at 223-3228 in the evenings, or 724-0411 during the day to make reservations. We plan to have both pork and turkey sausage, hot and mild. The cost has not yet been determined.

**R.:W.: Paul W. Spillane Re-Appointed  
District Deputy Grand Master  
For the Second Monroe District**

R.:W.: Brother Paul W. Spillane was appointed by Grand Master M.:W.: Richard P. Thomas to succeed himself as District Deputy Grand Master of the Second Monroe District for the year 1991-1992.

R.:W.: Brother Spillane was born in Depew, N. Y. in 1938. He was raised in Column Lodge, Trenton, N.J. on February 8, 1971, and he affiliated with Union Star Lodge #320 in Honeoye Falls in 1982. He served as Master of Union Star in 1985, and also repeated in that position in 1988. He is a member of the Valley of Rochester, A.A.S.R., Damascus Temple of the Shrine and had previously served as President of the Director's Staff of Crescent Temple in New Jersey. Since 1984, Brother Spillane has been active both in his Lodge and in the Monroe Districts, where he served on a number of committees. He also has participated in the dramatic sections of degrees in the Scottish Rite.

R.:W.: Brother Spillane is the President of Tech-Mark, Inc., Mendon, N. Y. He is married to the former Nancy Simpson of Buffalo.

For future planning, our next regular meeting will be September 26, followed by our annual steak roast on Saturday, September 28. More information will be in the next issue of the Masonic News as well as mail and phone announcements.

As many of you are aware, the Forest is looking into planting a Cedar tree. The investigation committee is headed by Junior Deputy Grand Tall Don Bell. Don has reported that he has received favorable response from the Town of Penfield. He also reports that he has gotten a name of a possible source of a Cedar tree from Lebanon. The committee's work will continue and a report will be given either at the sausage roast or our regular meeting in September.

This is our last report until September. I wish all the members of the Forest a good and prosperous summer, and hope to see many of you at the sausage roast.

I know we were all shocked and saddened to learn of the death of our most beloved Brother and Webster Lodge Tiler, Jack Levy on April 23. What can I say about Jack that has not already been said? We know how much Jack loved Masonry and particularly Webster Lodge and how much he looked forward to all of the activities. It didn't matter what it was, a dinner, Webster Good Neighbor Days, the Shrine Circus, a visit to our sister Lodge in Hamilton, Ontario, a Fellowcraft "shelf night", a fishing trip with his Brothers or just a regular communication of "his" Lodge, Jack was there making us laugh and offering his help. Perhaps his desire to help others is a good way to remember Jack. Jack was always quick to offer his assistance whenever and wherever it seemed like help was needed. He didn't wait to be asked but

jumped right in. Yes, Jack will surely be missed.

We were pleased to participate in the Masonic service put on by Flower City Lodge, Jack's other Lodge on Thursday afternoon, April 25. Sorry we could not inform all of you in advance.

Those of you that attended the May 2 meeting had two treats - a great chili dinner put on by Jr. Warden (what chow, and only five bucks), and a very interesting slide presentation put on by R.W. Ronald P. Kamp, Director of Development and Communications, Masonic Medical Research Laboratory. I am sure all in attendance were proud of the work being done by all of the researchers at The Lab. Ron also presented the Lodge with a certificate of Humanity and tree pin in recognition of the donations given by the Brothers of Webster Lodge to the L.E.A.F. Campaign. We were also advised that a leaf will be inscribed on the Raymond C. Ellis Tree of Humanity in honor of our Lodge. I will be honored to wear the pin to let all know of your generosity and pass it on to my successor at the end of my term. I know that W. Bruce Chilton, as Master, was as pleased as I was (as L.E.A.F. Chairman) to receive a certificate of recognition from The Lab.

It was sure great to see so many of the Brothers and their guests at the Fellowcraft Sausage Roast, May 9. Keep up the good work Brothers. I know we received two Petitions for Affiliation and I expect to receive at least one for Initiation and Advancement. President Bruce kept his promise of a short meeting - I think it was two minutes. I know he wanted to get on with the "Card Lessons". I understand that Bro. John Clapp was a quick study. "Andy-man" what happened? A lot of fun and fellowship was enjoyed by all.

Thanks for allowing me to represent Webster Lodge at Grand Lodge May 6,7 - very impressive. I won't go into the details of the meeting - I am sure they are covered elsewhere in the paper.

Fraternally,  
Mark

His warrant was announced by Grand Master M. W. Richard P. Thomas. R. W. Brother Jennings is a charter member of Eagle Valley Lodge 1161 which is located in Bliss, N. Y. Eagle Valley is one of the 12 lodges in the Genesee-Wyoming District. The District has several lodges which subscribe to the Masonic News. R. W. Brother Jennings affiliated with Eagle Valley in 1960 and was elected Master in 1983. He has also been a perennial Tiler of the Lodge, according to Lodge Secretary W. Brother Sheldon J. Moden.

Brother Jennings, who was born May 10, 1910, was raised in Triluminar Lodge #543 in Pike, Wyo-

**Brother Paul J. Rogers is appointed to R. W. Grand Representative of the Grand Lodge of Missouri near the Grand Lodge of N.Y.**

R. W. Paul J. Rogers of 46 Golden Rod Lane (Henrietta), Rochester 14623, received notice of his appointment from Grand Master M. W. Richard P. Thomas. The warrant was effective April 20, 1991.

**Test Pilot**

R. W. Brother Rogers has been a resident of Rochester for 27 years, 25 of which have been at his current address. He was born in Georgia, Vermont, March 26 1919. He attended the University of Vermont, leaving there in 1940. He became a test pilot for the military, flying in that capacity from 1941 through 1943. He then entered the intelligence service with the U. S. Army's Adjutant General's office, remaining on active duty until 1946. Prior to his 1960 discharge, he also performed services for the government in several detached duty capacities. His services continued to be called upon into the 1970's.

While with the Armed Forces

Western Pacific, Paul installed composing room equipment at military installations throughout the Far East. He rebuilt the Bureau of Printing for the Philippine government, for example.

**Newspaper Production**

In 1946, our Grand Representative served as Production Manager of the Burlington Daily News in Burlington, VT., which he helped reorganize. In 1950, he moved on to Boston, MA, to install printing plants for the Cambridge Chronicle-Sun and the Summerville Journal Press. From 1951 to 1954, he was a service engineer in the Boston office of the Ludlow Typograph Company of Chicago, IL. In 1954, he migrated to service engineer at the Erie Dispatch, then to Reno, Nevada to rebuild a printing plant. He continued rebuilding plants through 1956, involving for example, composing and press rooms at the Chronicle-Telegram in Elyria, OH., hopscotching to a position as service and production engineer for Mergenthaler Linotype Company from 1956 through 1971, then was picked up by the Rochester Institute of Technology for the next 12 years, retiring from the position of Coordinator of Technical Services of the School of Printing in the College of Graphic Arts and Technology.

**Joined Masonic Service Bureau**

In 1983, our intrepid Grand Representative migrated to the Masonic Service Bureau of Monroe County. He served as a volunteer, working with R. W. Warren J. Trimble, whom he respected and admired. Warren was then Executive Director of the Bureau. Paul worked on the Masonic News with then editor Brother Albert R. Johnson, Jr., who is a member of East Rochester's Ancient Craft #943.

R. W. Brother Rogers became the Bureau's Executive Director for one year, then was succeeded by W. Brother Roderick C. Meier of Churchville Lodge #667. The latter was then succeeded by R. W. Robert C. Pettit in July of 1988, currently in that position.

Brother Rogers became Editor of the Masonic News with the January 1985 issue.

**Masonic Career**

His basic Masonic career sees him raised in Henrietta Lodge #526 in 1969, where he served in several appointed offices. In 1988, he affiliated with Wakan-Hubbard #154. In 1969 also, he became a member of the Ancient Accepted Scottish Rite, Valley of Rochester. He has regularly been a member of the stage crew, performed degree dramatiza-

tions and has been through the entire officer lines of both the Chapter of Rose Croix and the Lodge of Perfection. During Consistory service, he has missed only one reunion. His dedication was recognized in Syracuse in 1982 when he was presented the Meritorious Service Award, and again in Grand Rapids, MI. where he received the patent as a member of the Royal Order of Scotland in 1988.

In 1969, our distinguished representative became a member of Damascus Temple of the Shrine, where he served on various committees, was with the Clowns, on the director's staff, and has missed serving at only two circuses in the past 22 years.

Paul is a past member of the Grotto, was Associate Patron and Patron in the Anna M. Shipman Court of the Order of Amaranth, and served a term as Assistant Grand Lecturer.

While still residing in his native State of Vermont, Paul was a Grand Knight in the Knights of Columbus, Degobriand Council, Burlington. He also was Faithful Navigator, 4th degree and District Deputy of the 4th Degree Assembly.

**Fun Time**

Since he obviously had time to spare throughout his adult life, he served as a Fire/Police Commissioner in Burlington, VT., was Chairman of the Veteran's House Committee there; was on the political action committee in Henrietta, N.Y., served as a district party committeeman and worked extensively on the Town's sesqui-centennial decorations committee.

Paul owned his own airplane for several years. He held both military and private multi-engine rated licenses.

He and his wife Dolores married in 1960. Paul has 3 sons, James who is a U.S. Army LCol living in Lowell, MA., Stephen who is at Xerox in Webster, N.Y., and Richard who is with the Strategic Air Command. Collectively, they have given 7 grandchildren to our Grand Representative. Paul and Dolores belong to the Lutheran faith.

While fulfilling duties as a Grand Representative, Paul and Dolores plan to be able to travel to places they have yet to see, as well as family in different climes, starting early this summer.

There will be no speakers for the months of June, July and August. I am sure Charles Spiegel will present a nice selection of movies for these months.

I must apologize for giving the wrong date for our picnic at Braddocks Bay Park. The right date is June 3, 1991 at 12:00 Noon.

For those who will be attending, you are asked to bring a dish to pass. The price will be divided among those who attend.

We were saddened by the deaths of Edward Willis and Arthur Fontaine. These Nobles were very dedicated to the Lunch Club, and will be sadly missed.

The dinners will be resumed with our first meeting in the Fall, September 3, 1991.

Our annual Ladies night and bowling party was well attended with approximately 30 members and guests attending. I'm sure a good time was had by all!

Our annual corn and sausage roast will be held at the home of Ed and Dorothy Schmidt. Information will be mailed out. The date is August 17th. Our annual steak roast will be September 21st, time and place to be announced.

The Village of Hilton has recently planted four trees in the front lawn of the Lodge. The right-of-way between the sidewalk and East Avenue is not accessible due to recent road and utility improvements. We granted permission to the Village to plant on our property as did other residents and businesses in the area. I might add, this was completed at no cost whatsoever to the Lodge.

Our first "Bring-a-Friend" night will be held on Tuesday, June 4th, commencing with dinner at 6:30 p.m. The regular communication opens at 7:30 p.m.

Due to schedule conflicts it has become necessary to move our DeWitt Clinton Awards presentation to Sunday, June 9, 1991 at 3:00 p.m. These awards were discussed in the last issue of this publication. Our hopes are for a good turnout from Clio, as well as from other Lodges in the District. These awards are an honor for our Lodge as well as for the recipients. Plan to be with us on the 9th of June.

The Master Mason Degree will be conferred by the Master, W. Gary Thompson, on Tuesday, June 18th. We anticipate a full class. A picnic-type supper

will begin at 6:30 p.m. with the Degree to follow. This, Brothers, will be our last communication before summer recess.

It is our sincere wish that each and every one of you have a safe and enjoyable summer season. Please keep in mind the Clio Lodge - Leah Chapter Annual Picnic on Sunday, August 11th. It will be held again this year at Parma Town Park, 1300 Hilton-Parma Corners Road, Route 259. The park is directly behind the Parma Town Hall. All the usual picnic fare will abound. I would like to add that a shelter has been reserved in case of inclement weather, and lavatory facilities are available.

Second Monroe District**Imagine if you will . . .**

Imagine if you will, that you were asked to move to a foreign country to live and work. After thinking about it, you decided, of your own free will and accord to do so. As you get off the plane you realize that you have made one grievous error. You have not made the effort to learn the Language of your new home. You feel uncomfortable, ill at ease, unable to negotiate much of the workings of everyday life. Soon you decide that this is too big of an adjustment, that the time commitment is too great and you leave, never to return except on infrequent visits.

For many of our Brethren this scenario is played out in real life. After not taking the time to learn the ritual, the Language of Freemasonry and more importantly the lessons therein contained, many of our Brethren feel uncomfortable, ill at ease, time pressured and unable to negotiate much of the workings of the Lodge they have joined of their own freewill and accord. They leave, never to return except on infrequent visits.

Learning the ritual and what it means is an important step in truly becoming a Freemason. You are hearing the call for Masonic Renewal, for MEMBERSHIP, and for LEADERSHIP at all levels of the gentle Craft. Yet we often forget that the first intensive experience that any man has with Masonry is the Degree system. How we present those Degrees has a great deal of bearing on what a new Mason thinks about the Craft.

Why are we writing about this in June? Simply stated, we are asking you to consider the summer as an excellent time to increase your ability in the Ritual work of our Fraternity. Take

your little ritual book on the boat, to the beach, and into the woods.

Any 1991 Master reading this can assist the Craft by assigning Ritual parts now and allowing for our Brethren to be really sharp in the fall.

**School of Ritual  
Set for September**

The fall School of Ritual is set for Monday, September 30, 1991. The school will take place at Clio Lodge in Hilton. As of this writing we are attempting to arrange a dinner for your convenience. Notice of this will be sent to Masters under separate cover. Participating Lodges will be Clio and Etolian and the focus will be on the First Degree.

We have purposely set our calendar to closely mirror your Lodge calendar. Hence we are presenting the First Degree right around the time most of you are conferring it. Please accept our invitation to attend and have some fun while learning.

**Overseers of the Work**

As your AGL'S we are working hard to see that consistently good work is done in the Lodges. We are therefore asking, requesting, pleading, cajoling or begging each MASTER to appoint an "Overseer of the Work" (Ritual Director) BEFORE SEPTEMBER 10, 1991 AND COMMUNICATE THIS INFORMATION TO THE APPROPRIATE AGL!

We are asking for this information so that we may call a meeting with the Brethren entrusted with overseeing the work in each Lodge. By doing this we can help insure that all of the Monroes are on the same page of the Ritual Book.

**Wouldn't It Be Nice**

It is a great honor to be called into the Grand East at the annual communication of Grand Lodge.

The May Ceremonial was conferred upon one of the larger classes that we have had in quite a few years. The Membership Chairman passed out pins to the Prophets who had brought in a new member. These pins were from the Supreme Council as part of their "One-on-One" Campaign. Good work guys!

It was nice to see Ted Theodore, our Venerable Prophet, out and about at the Masonic Gothic Bowling League Banquet. He's coming along slow but sure.

Dear Brethren,

The month of May has seen a whirlwind of Masonic activity and in its variety has held something for everyone. Grand Lodge, move-up night, a program from Eureka Lodge, the Interfaith Breakfast and Service, Canadian Lodge visit. To all the Brothers who have contributed to the success of each of these a sincere thank you.

This would be the right place to talk about our very successful spaghetti dinner on April 23, put on by the Fellowcrafters. Special thanks to Ray and Karen Kneppar for their afternoon preparations and to the Junior Officers for their help in serving. Our "Bring A Friend" program which followed was well received. R.W. Ron Mertens, W. David Crawford, David Hockenberry, and Carl Maason all spoke well on behalf of Masonry. Well enough so that several petitions are forthcoming.

It's not too late to sign up for the Interlodge Golf Tournament. We have been challenged by Charlotte Corinthian to play for Masonic golf bragging rights. If you're interested, see Brother Larry.

Grand Lodge was a good experience from beginning to end. It's hard to say what was the best part of the trip, but certainly having the opportunity to get to know well the '91 Masters on the train ride down and back was valuable. Having dinner on the Lower East side with Maury, Rich, Herb and Jake was a memorable first in my life, also. The newly renovated Grand Lodge makes it one of the most beautiful Grand Lodge buildings in the world. I encourage each of you to visit.

Just a reminder that I have tickets to the Masters and Wardens picnic on June 29 at Camp DeMolay. This should be a good affair for the whole family. Also a reminder that our Lodge picnic is on July 14. Make plans now to attend this at Rand Lodge in Powder Mills Park. Reservations can be made with Brother Ray Kneppar.

In closing, let me urge all Brothers to attend our June picnic meeting. Dress is sports shirt and our program features a presentation by W. Brother Rich Friedman. Dinner is at 6:30 and reservations can be made by contacting Brother Ray Kneppar (385-4447). Anybody needing a ride should let Brother Ray know when they call in their dinner reservation.

Lastly, we like to hear from all our Brothers. If you can't come to a meeting, drop us a line and let us know how you are doing; sharing your correspondence in Lodge is a highlight of every

travels with Most Worthy Sara Lou Smith, Grand Matron, has found the visits to the various district to be very interesting in their various styles of presentation. She has noted that attendance at the official visits throughout the State has been excellent, and enthusiasm for the order very high.

She has had two very interesting experiences on these travels. One was a tour given to the Grand Line Officers of the Veterans Hospital at Bath, New York. This facility is 101 years old and is now administered by the Veterans Administration. It has been extensively remodeled and now has a 900-bed capacity, which includes General Medical, Psychiatric, Domiciliary and Nursing Home Care. The hospital also serves 5,000 veterans monthly on an outpatient basis. The expansion of the hospital has attracted top notch people in the medical profession and they are able to handle any medical problem. R.W. Wanda believes they are worthy of all the support that we can give them.

The second highlight was the installation of the Grand Officers of the Constellation of Junior Stars of the State of New York. This was held on April 27th at the Watson Homestead, near Painted Post, New York. The Grand Matron and Grand Patron of the Eastern Star were the installing officers. It was particularly gratifying to R.W. Wanda because seven of the elected and appointed officers were from the Francis Hitchcock Shea Constellation of Hilton, New York. Those installed were:

Amy Elsenheimer - Grand Exalted Star of Light and Love  
Eugenia Wiegand - Grand

Star of Happiness

Ann Van Ostrand - Grand Star of Records

Laurie Detaye - Grand Star of Treasures

Bridgette Aucter - District Deputy

Michele Yeager - Grand Star of History

Chris VanWuckyhuese - Grand Star of Service

As a result of their efforts this past year the girls raised \$6,500. It was presented to the National Cystic Fibrosis Foundation at the installation ceremonies.

They have named the Day Care Center of the Eastern Star home in Oriskany to be the recipient of their fund raising endeavors in 1991-92, Please give them your support.

A dinner and reception will be held in Hilton on June 5th. This will be an open meeting. Those wishing to attend dinner at 6 p.m. should contact R.W. Jean Garbutt (663-7847) for reservations by June 2nd. The reception will follow at 8 p.m.

In the midst of all these activities the Grand Matron attended the opening session of the Grand Lodge communication on May 6th, presenting the Grand Master a donation for his discretionary fund. She was also a guest at the testimonial dinner.

R.W. Donna Laundry has completed her district official visits. She was especially pleased with the warm reception extended to her and to R.W. Brother Don Freeman by each Chapter they visited. She also extends her appreciation to R.W. Dianna Woodruff, Grand Representative of Missouri who attended each of the 17 visits with them.

One of the highlights of R.W. Donna's visits were her very informative talks on the American Flag. She has compiled these talks into a booklet which may be purchased for \$2.00. The proceeds will go to the Grand Matrons and the Grand Patrons projects.

R.W. Donna also attended Official visits in Ontario, Seneca-Yates Livingston, and Genesee-Wyoming Districts. She reports that each District does things a little differently and she enjoyed the variation of these meetings. She also reported that each of these meetings had 55-80 people in attendance. Wouldn't it be wonderful if we could attract crowds like that?!

R.W. Donna also attended four Grand Matron's visits, including the above mentioned installation of the Junior Constellation Grand Officers. She was very pleased with the election of the local people and urges support of the Constellation by the members of the Eastern Star of Monroe District.

R.W. Donna and R.W. Don also attended the installation of Mary Fisher as Beloved Queen of Fidelity Triangle, who is pictured with them above.

As this column is being written, Monroe District is busy planning for the Grand Matron's visit on May 16th. We will report fully on that in the next issue.

The Past Grand Officers met at Oatka Temple in Scottsville on April 25th, and enjoyed a delicious meal served by that Chapter. In the following business meeting, the group voted to present the Grand Conductress with a \$100 money tree for the

Share Booth at Oriskany. Also, being concerned about attendance at our District Official visits, they discussed the various ways of changing the format of the meetings, to make them more attractive to the membership. Several ideas were brought forth and the matter was tabled for further discussion at the October meeting. This was done to allow the members to go back to the Chapters and get input from the general membership. Please speak to them and offer your thoughts on this very important subject.

Please note that each Grand Officer remarks on the various meeting styles throughout the State and the interest and enthusiasm generated in other Districts. We should heed these remarks and explore the opportunities to "Grow in Monroe".

There sure was (is) a lot happening around here in May! We state it in that manner because some of the events we'll be talking about haven't yet taken place as of this writing.

The first item of immediate interest was (is) the conferring of the First Degree at our First Regular Communication in May. The evening, May 14, began (will begin) with a dinner prepared by Bros. Jerry Werner and Mel Doverspike. (Since this hasn't happened yet, and they won't tell us what's on the menu, we can't report on how delicious it's going to be. We're hoping for the same "Mystery" meat that we had last time!)

Sr. Warden Jim McNeese was in the East for the Degree. His officers for the evening were W. Master Tom Rauber, as Sr. Warden; Mel Doverspike, Jr. Warden; W. Jerry Werner, Secretary; R.W. Bob Rudman, Chaplain; Bro. Neil Laundry, Sr. Deacon; Bro. Jim Merriman, Jr. Deacon; Brother Steve Wiebeld, Marshal; Bro. Steve Harris, Sr. M. of C.; Bro. Bob Chamberlain, Jr. M. of C.; Bro. Mel Mosher, Steward; and W. Jim Wilkins, Jr., Tiler. Bro. Bob Patton shared in the

"With the ever-changing roles of women in today's society, with our newly-found freedoms and opportunities, the place of Masonry can often be misunderstood by many. Male-only organizations are often viewed with suspicion. Let me assure you that in the 26 years my husband has been a Mason, I have never had cause to doubt its good effects upon his character. The men with whom he has associated in his "Lodge work" have been consistently men of honor and good reputation. The organization attracts men of genuine quality. As such, you should feel great personal pride that your husband is now counted among such an association.

In the reality of today's world, there are too many things which can lead an individual astray. During my marriage, I have observed that Masonry is one element which has done only good for my husband, myself and my children. As such, my advice to you would be to not only support your husband in his membership, but also to strongly encourage his active participation so that he may well learn the lessons which are taught."

An Invitation To Freemason-

The following statement was authorized by the Grand Lodge of Manitoba and has been given to all Manitoba Masons. Because of the great interest within the Masonic Community about how a prospective member can be properly approached we are presenting it here for your information.

"A Freemason may initiate a conversation with a non-mason about the nature and objects of the Craft, and his family and community involvement as a member of the Fraternity. If the individual expresses interest, the Freemason should enter into further discussion with him and his family, making him aware that the final decision to join Freemasonry is his and his alone.

### Drug & Alcohol Abuse Update

The Conference of Grand Master's National Masonic Foundation for Prevention of Drug and Alcohol Abuse Among Children held a highly successful Fourth Annual Meeting at San Diego. The first day's session heard Grand Master Bob Ford (IL) deliver a stirring description of how the aggressive pursuit of "Masonic Model" Training in his jurisdiction was not only saving children's lives but was reawakening interest in Masonic activities among Illinois Blue Lodges and individual Freemasons. On Monday, at a first appearance by the Foundation before the Conference of Grand Secretaries, Foundation Executive Committee member PGM Bill Miller (WA) described the basic operation, and reasons for the establishment, of the Foundation program. At Tuesday's "Public Awareness Workshop", the Foundation took part with opening remarks by Brother Emanuelson and then individual descriptions of Grand Lodge programs by Most Worshipful Brothers Ron Sherod (CA) and Dick Curtiss (VT) and Right Worshipful Brothers George Pulkkinen (ME) and Bob Downey (MO).

## Annual Bicycle Rodeo Promotes Fun and Safety

The 23rd Annual Bicycle Safety Rodeo was held Saturday, May 11, 1991 at the north parking area of the Middle School on the Brockport Central School Campus. Sponsored by Monroe Masonic Lodge #173, the yearly event was free and open to all youngsters in Kindergarten through Fifth Grade. Flyers announcing the event were posted in area schools and local business establishments.

The Rodeo consisted of a series of nine individual events

presentation of the Q&A's and Bro. Rich Felgner, Charlotte-Corinthian # 1088, was kind enough to join us and assume the responsibility for the Apron Presentation. Thanks to all of the Brothers who helped with the preparation and presentation of the Degree.

(We're also told that R.W. Jay McCullough is planning on making it up for the Degree. If that's the case, it will sure be a treat to sit in Lodge with him again. Hey "Big Fella", you take it easy now, ya hear?)

Another May highlight was the Annual Monroe Lodge Bike Safety Rodeo on May 11th. Chairman Paul Nevele and Coordinator Mel Mosher did a super job arranging for the facilities, the great turn-out, and the weather. (Paul tells us that Mel had an "in" concerning the weather!) This year's turn-out was phenomenal and everyone had a good time; kids, parents, Masons, et al. One parent commented regarding his surprise at the nature of the "Rodeo". He said that he had expected the kids to just come up and ride around some obstacle course. Instead he found, "There's a whole lot of teaching going on here. This is a really valuable program for the kids. Thank you and thank the rest of the guys for a great job." Well, Brothers!...Guess that about say it all!

(Further info re: winners, etc. will be published in the Brockport Post.)

We can't leave the old news without jumping back to April and thanking Bro. Derek VanHouten, Seneca Lodge, for joining us on April 22nd to give an enjoyable and informative talk and video presentation on the Shrine Crippled Children's Hospitals. Derek, Oriental Guide of Damascus Temple and Divan Rep. to the Towpath Shrine Club, spoke on behalf of the Club which is organizing a road show to spread the word about the Shrine's Crippled Children and Burn Hospitals. If you are aware of any groups which might be interested in such a presentation, please call Bro. Lavern Johnson, President of the Towpath Shrine Club, for additional information.

As far as upcoming events, the Giant End-of-the Century Garage Sale is still in the works. Come on out to the Lodge for the latest details. Also, mark your calendar for August 10, 1991: The Annual "Rudman's Roost" Steak Roast. (Hey Bob, where's my lawn chair?)

Last, but not least, hello to all of our guys out there recovering from bad backs, and bad shoulders, and smashed hands, and heart surgery, and all the rest. You're in our thoughts and prayers. Get well soon, hurry back and have a super summer!

designed to teach and test the rider's bicycle-handling skills and the application of those skills and rules in simulated traffic situations. Prizes were awarded in each category with special recognition given for overall high scores.

In addition to the course competition, crime prevention specialist Mark Ricci of the Department of Public Safety, SUNY, volunteered for his 5th year to conduct the bicycle inspection and to engrave identification numbers. The bicycles so identified are then registered with local law enforcement agencies.

Paul Neville, the Chairman of this year's event, and Mel Mosher, Activities Coordinator, note the outstanding generosity of the many local Brockport Community businesses which contributed prizes and refreshments for this event. Without their continued support it would be very difficult to offer this sort of worthwhile program to the kids of our community.

The idea for the Bike Safety Rodeo was first offered to the Lodge by Elwood R. Lawrence, Lodge member and former B.C.S. Administrator, who also chaired the event for several years during the past two decades. Lawrence's suggestion was officially recognized last spring when the Masonic Grand Lodge of the State of New York awarded the Lodge a Special Recognition Plaque for its continuing service to the youth of the Brockport Community through the offering of this particular activity.

Left to right--W. Robert Simon, Past Master of Churchville Lodge No. 667; Brother Stewart Dick, recipient of the award; and Brother Richard Kern, member of Churchville Lodge No. 667.

A 65 year pin and certificate was presented to Brother Stewart Dick at his home in Lake Wales, Florida. W. Bro. Robert Simons, Bro. Richard Kern and spouses performed the ceremony for the Lodge. Bro. Stu joined Churchville Lodge in 1926, retired from General Railway Signal in 1968 and moved to Florida in 1975. He and his wife Eleanor are enjoying themselves and wish to extend their good wishes to all their friends. We hear that they may be coming north this summer and we look forward to hearing from them.

Brother Stewart Dick was born in Bergen, New York on August 22, 1902. He was raised in Churchville Lodge No. 667 on March 24, 1926. He retired in 1968 from General Railway Signal after 22 years. He resides in Lake Wales, Florida with his wife Eleanor, to whom he has been married for 68 years.

On Tuesday June 11th at 7:30 p.m., Churchville Lodge will host a ceremony inducting a Brother as an honorary member into the Bear Clan of the Seneca Nation. This ceremony is open to the public and will consist of authentic Indian dress and songs. A reception will follow with light refreshments.

It is also my sad duty to report the passing of Brother Merton Richards. Bro. A Masonic service was held on Sunday May 5th and the sympathy of the Lodge was extended to the family.

passion which I can only describe as a flame that burns within us with such intense heat, that it glows with a pure white light and cannot be extinguished by despair, misfortune, infirmity or not being at home when an important phone call comes in. Passion is the Super Bowl of enthusiasm. To have a passion of life is not only to wake up in the morning and hear birds singing, but it's taking the time to open the window to see where they're perched on the tree. That's one of the side benefits of passion. You pay attention to details. And it's the details that determine the quality of life.

breath to hear the reviews, if they are favorable, is both joyous and unexpected. If they are negative, they are despairing and surprising. Surprising because although you may be despairing, you are also alive, breathing normally, drinking some Perrier and, with a little help from your friends, eating some pasta and a little chocolate mousse. In my own case, failure gets me up earlier the next morning than success. If you get right back to work, yesterday's pain becomes today's

Commencement at Williams College, 1984, excerpt of Neil Simon's Address.

"There is one last bit of advice I'd like to leave you with, and for this we move into sobering territory. In an effort to find a phrase or a word that I would like to pass on as inspirational I thought about what best expressed the theme of my own life. It's a word I mentioned just a few moments before...Passion! It's the force that has governed and motivated all my energies, that has given me the discipline that is mandatory in all creative efforts and that without it, life seems to me rather bleak and dismal.

It can be argued that passion is a luxury that not all of us can afford. It's not necessary to have a passion for food to know what it is to be hungry. But it seems the ones who end up feeding us, nurturing us, teaching us, and loving us are the ones who are never devoid of passion. Their passion is the welfare of others.

**East Rochester's Ancient Craft Lodge Presents 70 Year Service Award For Grand Lodge, State of Ohio**

On April 1, 1991 District Deputy Grand Master Stephen R. Whittaker, First Monroe District, with the assistance of Frank Granata, Master of East Rochester's Ancient Craft No. 943, presented Brother Theodore H. Wallace with his 70 continuous years award. Brother Wallace was made a Master Mason in Newark, Ohio on June 21, 1921 in Newark Lodge No. 97, and has been a continuous member of that lodge since then.

Left to right--R.-W.: Frank R. Granata, Master East Rochester's Ancient Craft Lodge No. 943; Brother Theodore H. Wallace, member of Wakan-Hubbard Lodge (son of recipient), Bro. Theodore H. Wallace, recipient, and R.-W.: Stephen R. Whittaker, District Deputy Grand Master for the First Monroe District.

In the play, Amadeus, Salieri, the court composer, realizing young Mozart's genius when he hears his music for the first time, contemplates his own mediocre gifts by comparison and confides to the audience, "Is it enough just to have passion?" My daughter Nancy, who saw the play and was quite affected by it, talked to me about her own aspirations and questioned her own abilities and talents asked me the very same question. My answer was, "It's not only enough. It's everything." I have seen more talented and gifted people fail to attain their aspirations because of a lack of

More simply stated, whatever path you follow from the moment you hopefully take off those long black gowns, do it as though Gershwin had written music to underscore your every move. Romantic and idealistic, yes. But I can't think of anything in life worthwhile that was achieved without a great desire to achieve it. Basic Playwriting Rule Number One: The main character in your play has to want something and he has to want it ferociously. He has to want it in every act, every scene, every line of dialogue...whether it's in the text or sub-text.

There is to be fair, the flip-side of passion. It is Caution and Timidity caused by an acute fear of failure. I can tell you from my own experience that the fear of failure is infinitely greater than failure. Waiting with bated

inspiration.

Don't confuse passion with success. Passion is the joy of getting there. Success can be a trap. I think this country and culture glorifies and deifies the Goddess Success to the point that whenever we try and fail, we hear our own inner voices say, "Shame upon you." If there is any shame, it's in the fact that we inflict such heavy punishment on ourselves. No world ranking tennis player wants to be Number Two, no football coach would tolerate a loss in the playoffs (remember the phrase, "Winning is everything!") Television networks have late night emergency meetings because their newest show was third in the ratings and only a paltry audience of thirty million viewers. Shame on them. Don't listen to that kind of thinking. There's probably not much thinking behind it anyway. Don't listen to those who say, "It's not done that way." Maybe it's not but maybe you will. Don't listen to those who say, "You're taking too big a chance." If he didn't take a chance, Michaelangelo would have painted the Sistine Floor and it surely would be rubbed out by today...And most important, don't listen to yourself when the little voice of fear inside of you rears its ugly head and says, "They're all smarter than you out there. They're more talented, they're taller, blonder, prettier, luckier, and they have connections. They have a cousin who took out Meryl Streep's baby sitter"...Give any credence at all to that voice, and your worst fears will surely come true. Don't turn over power so easily. Don't make those who speak with a louder voice automatically right. Respect is one thing, submission another. Walk into any situation in life, whether it's professional, artistic, competitive or personal...walk in with a lack of self-esteem and you've just turned over the upper hand to someone who may not even have asked for it.

I firmly believe that if you follow a path that interests you, hopefully with a passion, and if you bring to it a sense of your own worth, not to the exclusion of love, sensitivity and cooperation with others, but with the strength of conviction that you can move

others by your own efforts, and do not make success or failure the criteria by which you live, the chances are you'll be a person worthy of your own respect.

My congratulations to all who have Graduated in 1991, surely you can see by this address above, the road of life has to be experienced by you alone. So connect up with the positive attitude's of women and men in your path and when choosing a fraternity please ask about the Masonic Fraternity.

Your assemblage held its last meeting on April 28, 1991 at the Rochester Masonic Temple. We discussed the establishment of a new Assemblage in Buffalo, New York. Your assemblage will put in the Order of David some time this summer for the new candidates from the Buffalo area.

The next meeting of Assemblage #1 will be held at the home of Commander Ronald J. Bertie. We will have a picnic, steak roast. The date is Sunday, July 14, 1991 at 3 p.m. We will ask everyone to bring a dish to pass. The committee will contact you with details.

I wish everyone to have a safe and a very good summer and drive with care. There are some who do not and that is bad.

Genesee  
York Rite College  
No. 25  
Rochester, New York  
(Chartered July 14, 1962)

As my year as Preeminent Governor of Genesee York Rite College #25 is coming to a close, I want to thank all the members for the support and help that we received. It has been another good year, that will be long remembered. There has been ups and downs, but the ups about balance the downs.

We met with Niagara Frontier College on the 9th of March. It was the 10th anniversary of Niagara Frontier College. The basis of which was started in 1979, when many of their members received the Order of the Knight of York in Genesee York Rite College in Rochester. Genesee Rite College had 3 candidates and Niagara Frontier had 10. The order was conferred, with members of both Colleges taking part.

Our Noble Primate Ronald J. Bertie has done a terrific job heading up the Gold Honor Award Committee. There were responses from 28 Lodges from the Districts in our area. These awards will be presented by members of the Genesee York Rite College, as set up by the Chairman of the Committee.

The meeting in June, the 8th, will be the annual meeting of our Genesee York Rite College and will be held at Oatka Lodge Temple in Scottsville at 3 p.m. Our new Officers will be elected and installed that day. Our ladies will be with us, too. We will be having a dinner at Charlie's Coldwater Station, 607 Coldwater Road, in Gates, New York. You will be receiving the letter from me before June and it will include the menu, prices, time, etc. Also, trains go right by the old station. Watch for my letter. Remember to wear your tux.

Again, thanks to all. By giving your support to our new Officers, the College will continue to grow. May you all have a good summer and a safe one. Take time to remember to drive safely, and if you drive don't drink.

Arrangements have been made for a New York State Assembly the weekend of July 26-28 at the Masonic Home in Utica, New York. Friday, July 26th arrival, July 27th morning and afternoon sessions and dinner in the evening, July 28th departure. There will be limited accommodations at the Home for Governors, Secretaries and one or two others. Details will be forthcoming as to a minimal registration fee, price of dinner, time of meetings, etc. Check with the secretary. Gr. Gov. Calvin G. Bond.

As we have a lot to get completed at our meeting on the 8th,

let's all try to get there early and get set up. You all should have received my letter at this time. Believe that is all for this time so see you all soon.

The time has come to change the guard at the Temple, and this was done on the 3rd of May at a notified meeting which was attended by ten of our Sir Knights in attendance. The following Sir Knights were elected, some positions were not filled and consequently some stations were in need of being temporarily assigned to a voluntary number of Sir Knights....

The steady decline of attendance at the meetings has given me the opportunity to meet about a handful of Sir Knights....it sure has been a disappointment to show up for a meeting and unable to do business. I am sending out a "Plea"....for some support to again establish Monroe #12 as an Outstanding Commandery of New York State.

To accomplish this it will take a lot of help from our present membership. Grand Commander Sir Knight Robert Cook is sojourning across the State promoting attendance, and asking every Sir Knight to pass a petition to a worthy Brother...and to become more involved with the Commandery to enable to do the work that have set out to do.

Assuming that some Sir Knights are unable to attend both meetings if they would try to make one meeting per month, this could be a start to something big...I am very interested in any idea that may be beneficial to improving matters. We now have coffee ready before meetings to allow a few moments of fellowship to take place and get some small business done, thereby asylum, allowing more fellowship later or even getting home earlier. more fellowship later or even getting home earlier.

My undertaking this year is to bring Morality, Friendship, and Brotherly love back to Monroe

#12 as it used to be, don't you wish that you could say "Hey, you know I helped too." Surely there must be some anchormen out there to help.

The New York State conclave being in Rochester this year, there is a great amount of work to be done in a short time a large number of volunteers would make a small job of it, the Grand Commander is also trying to make it one to remember. How about giving me a call at 227-3150 and see where you can assist, there are small jobs for everyone, if we all chip in we can all enjoy it together. Out there in the wilderness are some good organizers whose great expertise would be Greatly Appreciated.....

Again you are being asked to carry the brunt of things maybe with the passing out of petitions to some likely candidates will take the burden off your back and allow you to sit back and see things work again...let's see the call for assistance disappear and the days of sideliners return, only you can do it.

### Police and Fire

Brethren:

I am happy to report that we had a good turnout for Ladies Night, on Sunday, April 28. We enjoyed an excellent slide presentation by Frank Dobson, who is a native Rochesterian, and an active birder and wildlife photographer for over thirty years. His column on birds can be found in the sports section of the newspaper every Sunday. The ladies received little teddy bears as gifts. It was a great success, having this banquet on a Sunday afternoon, and we voted in the affirmative to continue holding it on the fourth Sunday of April, at 4 p.m. in future years, until further notice.

The Special Project Fund is coming along pretty well, and if you have not sent in, or sold your book of tickets, please do so A.S.A.P. Also, you were all asked for your dues, in the Ladies Night letter. If you haven't paid them as of April, please send them in. Without your support the Club will not survive very long. You can pay dues for 1991, or 1991 & 1992 if you feel you can. The amount is \$5.00 per year. The dues money helps keep down the cost of the Steak Roast & Chicken BBQ, and Ladies Night, as the Club picks up part of the tab of those events.

It is with deep regret that I have to report that Life Member, George H. Lyon was called home by the Supreme Architect on April 28, 1991. He was a life member of West Webster Fire Dept., and retired fire commissioner. He belonged to Penfield Union Lodge # 154, Rochester Consistory, Damascus Temple Shrine, and was Past Monarch of Lalla Rookh Grotto in 1954, Commander WWI VA, Monroe County, and a 23-yr. member of the Metro Club...being a life member since 1983.

For those of you who didn't make Ladies Night, I would like to pass along to you that Sally Haas, wife of 15-yr. member Ralph Haas, is recuperating from surgery. Because of this, they were unable to attend the banquet, but have been a very dedicated couple in to most every outing since Ralph became a member. Let's get some cards of cheer off to Sally at 554 Gillette Rd., Spencerport, N.Y. 14559. This is what Masonry is all about.

This will be my last column until September. A letter will be sent out in July for the August 10 Steak Roast & Chicken BBQ. Please send in your dues, and have a safe and enjoyable summer. Check your smoke detectors... they save precious lives.

4550 Lake Avenue  
Rochester, New York-14612

Brethren,

I am writing this soon after returning from the 210th Communication of Grand Lodge in N.Y.C. and I must say it was a worthwhile and enjoyable trip. Our 1st & 2nd Monroe's Master group arrived in N.Y.C. late Saturday afternoon by Amtrak and until Monday morning we did the sights and restaurants in smaller groups. Grand Lodge convened on Monday morning and for the next two days business was conducted in a speedy and businesslike manner. Those changes in the Constitution that required a second vote all passed again and the proposed new changes that were discussed in Lodge all passed a first vote with little discussion and more than likely will pass the final vote next year. This will all have been reported on in greater detail in my report at our May 21st meeting.

I was totally impressed by the renovations that were made in the Grand Lodge building and marvelled at the amount of work that was done by Old-World craftsmen. Our group arrived home on Amtrak on Wednesday morning at 2:30 a.m. Sue and I heartily thank the Lodge for sponsoring our trip as we both felt we really saw New York this time. Many thanks are due to Wor. Bill Lindsay, Master of Towpath Lodge for his guidance as our Tour Guide on what to see and where to go in N.Y.C. We would have been lost without you Bill.

By the time this is published, we will have had our Table Lodge on the 21st of May attended by our D.D.G.M. Paul Spillane and our Grand Sword Bearer George Simon and I am sure it was well attended by our Brothers and everyone had a good time.

Our next meeting on June 4th will be our annual Strawberry Festival put on by our J.W. Cliff Short and our Stewards Frank Jaansen and Jim Thomsen. Bring your Ladies, and after a short meeting we will enjoy the festivities.

Don't forget our Annual Lodge Picnic on Fathers' Day, June 16th at Braddocks Bay Park starting any time after 12:00 noon. Friends and relatives are welcome, just be sure to make a reservation with Bro. Cliff Short at 255-0464, Brother Frank Jansson at 227-6132 or Bro. Jim Thomsen at 865-7181.

This year the 1991 Masters will be having an area-wide Masonic family and friends picnic on Saturday, June 29th at Camp DeMolay. The picnic will begin at noon (arrival) with lunch being served at 2:30 p.m. Tickets are \$3.00 each and with the support of our members we believe that we can hold a successful picnic which will become an important annual event in our Masonic calendar. Each ticket will be good for all food and beverage on that day. We do ask that each person attending bring a place

setting and a favorite lawn chair. You can get your tickets in Lodge or call Keith Stambach at 865-7416.

We have all been invited by Germania Chapter No. 72 Order of the Eastern Star to attend the Homecoming in honor of our own Past Master and Right Worthy Donald E. Freeman, District Grand Lecturer of Monroe District on Monday evening, June 3rd at eight o'clock at the Charlotte Mason Temple, 4550 Lake Ave. Won't you all come out and show our respect for Wor. Don Freeman and all the work he has done over the years.

Happy Birthday to all our Brothers celebrating in June: James D. Goodness, John E. Bridgeman, George W. Pifer, Robert D. Scott, Michael Friedman, John W. Nipe, George A. Burgess, C. William Fleming, Keith L. Bower, Richard Benedict, Edward R. Shaw, Robert W. Judd, Donald P. Fox, Thomas Auld, Joseph E. Norman, Henry E. Van Neil, Jr., Arthur F. Maupin, Jack C. Smith, Walter L. Gay, Irving C. Matthews, Richard M. Green, William E. Baker, Edward L. Cone, Wesley M. Evans, Vernon R. Newell, Eugene Gassler, Jr., Robert W. Watson, Bjarne B. Iverson, William M. Patrick, G. Drexel Gridley, and also all our Brothers celebrating over the summer in July and August. Many Happy Returns!

Sickness and Distress

Since the last report I have received no new news on any of our Brothers who may be under the weather. It is with pleasure that I report that R.W. Bro. Bert Steene is now at home recovering from his recent surgery. He is scheduled for radiation therapy as a follow up on the surgery for the next several weeks, so I don't imagine we will be seeing him before our summer break. I can't believe the strength of this man in fighting to get well again and rejoin us in our Masonic endeavors that are a great part of his life. We are all pulling for you Bert and know we will see you in Lodge soon.

Dues

Brethren, we are falling behind again in the collection of this years dues and some of last years too. Won't those of you who have not become current please do so now. The Lodge Budget is predicated on this money being current and a shortfall will make it impossible to continue our Lodge activities. Remember, you belong to the GREATEST FRATERNITY IN THE WORLD!

Brethren, since this is my last column until the September issue, I wish all of you a safe and enjoyable Summer. I am sure I will see some of you at other Masonic functions over the Summer and I look forward to sharing these good times.

Brethren:

Here it is June and we are breaking for the summer months. But remember that there are some of us who are at the Lodge almost every Tuesday. If you are looking for some fellowship stop by your Lodge and see us.

I would like to thank the Past Masters for their fine job in running the Lodge on Past Masters Night. It was nice to sit on the sidelines and watch the work being done for a change. It was also nice to see some of the Brothers back from the south and in Lodge once again.

On the 21st of May the Bring-A-Friend meeting wasn't as well attended as the last one was, but we already have one Petition, so you can see they work. We will have another one in the fall so start promoting the Craft now. We are finally moving in the right direction, but we must keep up the good work or we will become stagnant once again. Remember you can ask a good man to become a Mason, so don't be afraid to ask.

The Ham Dinner on the 18th of May was successful once again, thanks to the endeavors of the Fellowcraft Club. This Lodge couldn't survive without our Fellowcraft Club and I would like to thank you one and all for your hard work and dedication. Don't forget the steak roast on June 4.

The annual Lodge-Star picnic will be on June 25th. The Lodge and Star will supply the meat and you should bring your own place setting and a dish to pass. Please call either myself at 334-7353 or our Jr. Warden Norm Johnstone at 533-1274 so we know how much meat to have on hand.

Don't forget that we will be at the Town Park on the 4th of July selling fried dough once again. We can use some help on this project, but if you can't help just stop by and say hello. If you can help call Gary Mastrella at 334-3130.

Enough for now. See you at Lodge or out and about at one of our summer functions. Don't forget your Lodge in your Will.

It is our sincere hope that all of you will enjoy your membership in the Valley of Rochester and will take part in the work of the Scottish Rite.

New members are the life-line of an active and growing Valley. We wish to thank every member who sponsored a candidate. Your efforts are greatly appreciated!

### Orator's Response

Illustrious Commander-in-Chief, Distinguished Guests, Brothers of the Scottish Rite and Ladies:

I was surprised and pleased to be designated Class Orator to represent my Brothers of the 124th Class Reunion who have advanced to the 32 Degree - Sublime Prince of the Royal Secret.

However, our first responsibility is to celebrate the life and accomplishments of our Class Sponsor, the Illustrious and Reverend I. Vincent Lloyd, 33 Degree. As he passed away on October 30, 1990, most of the Class Members did not have the opportunity to meet and know him. After talking with members of the Craft who did know him, I am certain that we would have enjoyed and benefited from that experience.

At the time of his death, Reverend Lloyd was Pastor Emeritus of the Hilton Baptist Church where he served as Pastor for 35 years. He also was Interim Pastor of the Parma-Greece United Church of Christ.

Illustrious Brother Lloyd was raised in Clio Lodge No. 799 F. & A.M. where he served as Master and Chaplain. He became the Grand Chaplain of the Grand Lodge of New York. In 1949 he completed the Scottish Rite Degrees and in 1975 was

created a Sovereign Grand Inspector General, 33 Degree, Honorary Member of the Supreme Council. He also was active in the functions of Damascus Temple, A.A.O.N.M.S.

Illustrious Brother Lloyd was a Charter Member of the Hilton Rotary Club and served its President. He was honored for his outstanding contributions by the Town of Parma and Village of Hilton, the Hilton Fire Department, American Legion and Parma Historical Society.

We all thank Illustrious Brother Lloyd's Family for sharing this talented and remarkably dedicated man with so many others whom he aided and influenced.

Let me now turn my remarks to the experiences of the 124th Reunion Classes. We came to the Scottish Rite in search of "more light in Masonry" and were rewarded by viewing and participating in a series of artfully prepared and beautifully presented ceremonies and dramas. The lessons taught reinforce and elaborate upon the basic principles of human responsibility and conduct which we learned as Master Masons.

Attaining the 3 Degree, 32 Degree, or "Shrine" Memberships are not ends, but rather waypoints on our journey as Masons. Our obligation is to fully embrace and actively display these principles in all of our interpersonal relationships; be they in Masonry, normal social intercourse or our regular vocations. We teach best by; and learn most easily from example.

No organization, including the Masonic, has a body and life in and of itself. Organizations prosper only as the result of the active participation of a highly principled and dedicated membership. "Belonging" is not sufficient-working in the administrative or operational functions yield results.

As principled individuals we can effect the thought processes and actions of others. As a strong consolidated group of such individuals we can strengthen our fraternity and expand its influence to the benefit of all mankind.

My Brothers, our Class Sponsor set a high standard for dedication to principle and personal service. Each of us should work toward matching the benchmark he has set for us.

Fraternally,  
James A. Hill IV, 32 Degree,  
Orator

## Who Is The Ranking Officer

In line with our endeavors to cover matters concerning the Rite, so that our Members will be informed, we print the following article from a past News-Letter.

In a local Valley of the Scottish Rite no presiding officer outranks another. That is not always understood. Occasionally, a Commander-In-Chief assumes that his authority extends to the other three subsidiary bodies. As a matter of fact, his responsibility is limited to the Consistory.

The Sovereign Grand Commander and the Committee on Jurisprudence of the Rite made that crystal clear several years ago. (See Digest of Laws, pp. 368-369). The Scottish Rite system is unique. There are four subordinate co-equal bodies, each subject to the Supreme Council. They have in common a code of laws, a declaration of fealty and allegiance, and - as a general rule - they all elect the same Secretary and Treasurer for convenience and efficiency in administration. "There is not in each Valley any one body, or any one man whether at the head of a body or not, charged with the responsibility for Scottish Rite Masonry in that Valley."

### Atomism or Co-ordination

It is therefore, the legal right of any subordinate body to be atomistic, to play the game alone, to be separatist in spirit and in administration. This is true in few Valleys. Four separate programs are sent out; there are no conferences around a table to work out a unified policy. Each group, entirely friendly to be sure, holds itself aloof from the others. The Scottish Rite is not envisaged as a unit. In rare instances there has been an aggressive leader who pushed his Lodge, Council, Chapter or Consistory out into the limelight, monopolizing social activities and the interest of all Scottish Rite members. In sheer self-defense, the other bodies have been forced to set up competitive programs.

Fortunately, the trend is toward complete, fraternal co-ordination. A local device is set up which unifies the Valley. It may be a Board of Trustees, an Executive Committee, a Fiscal Agency, or an Officer's Association. There is no ranking officer but one is chosen as a sort of Chairman of the Board. Ideally, this leadership should be passed around so that no one presiding officer - whether he heads the fiscal agency or not - should act as Chairman or spokesman for more than one year at a time.

In this set-up, only one reunion program is issued, all social activities represent the Valley as a unit. There is no tension, no competition, no one worrying over who is "greatest" in the Scottish Rite Kingdom. They move forward together.

There is no law to govern this matter. The choice between these alternatives is a free choice. There can be no valid legal criticism of the choice which is made deliberately in any Valley. The acid test is the impact of the Scottish Rite upon the community.

**Cancer center.** A new cancer center that combines cancer specialists and the latest in medical technology has been opened by the Illinois Masonic Medical Center in Chicago. The center will perform diagnostic and treatment procedures as well as serve as a focal point for research, education and screening programs.

**Southern journal.** We cannot let it pass without comment. Our counterpart in the Southern Jurisdiction of the Scottish Rite is Dr. John W. Boettjer, 32°, managing editor of the *Scottish Rite Journal*, formerly known as *The New Age*. Brother Boettjer produced a special issue for April dedicated to America's children and the Southern Jurisdiction's Aphasia program. The program supports a series of clinics for childhood language disorders in 34 states. Currently there are 77 clinics in operation and 11 more either under construction or in the planning stage. Most of these clinics are located within Masonic buildings.

We were especially impressed with the way in which the program was presented in the special issue of the magazine and want to commend the staff for an impressive piece of work.

**District Deputy Grand Master**  
Genesee - Wyoming District

*Just an  
observation*

What is the best thing about Grand Lodge? Is it the Grand Masters message? Oh, that's important all right, but that's not it. Is it all the new rules and regulations changes? I think not. Is it the few days in the big city with all its bright lights? Nice, but....

Maybe it is Grand Lodge procedures, or elections, or possibly the installation of the new Grand Line. Maybe it is shopping in the New York City stores. The bargains, the deals or the products we don't see in our stores back home... No, not that either.

Well, what is it then?

In my opinion, the very best thing that comes out of Grand Lodge is the renewal of old friendships and making new friends who have a common bond.

How about that bus trip shared with another District? You meet 32 new friends, share

laughter, exchange ideas, munch on homemade goodies provided by someone you did not know three hours before. You eat a sweet, snappy, crisp apple from somebody else.

You sit in Grand Lodge amongst new faces from other Districts. They are friendly faces to which names become attached. The friendships develop. You see that Brother you have not seen in one, two or ten years. The joy and laughter, excitement and pleasures are more than words can describe. The inner feeling of warmth and comradeship are beyond belief.

When Grand Lodge concludes there is a slight feeling of remorse. For you know some of these names and faces, who are now friends, may never be seen again. The memories, however, will remain pictures of the mind.

That is what Grand Lodge is all about.

## Warsaw Masonic Lodge No. 549 Experiences the Meaning of Serendipity

By W. Lester Schoenthal

### Drug Poster Committee

Left to right - W. Richard Benn, Master of Warsaw Lodge No. 549; Timothy Olsen, Principal Wyoming Central School; Brother Clifton Drum, Warsaw Lodge Junior Warden; R. W. Robert H. Hebner, DDGM Genesee-Wyoming and W. Bill Danley, Warsaw Lodge No. 549 Past Master.

### Certificates for Art Work

Four Young Students Presented Certificates for their Contribution to the Drug Awareness Program

Warsaw Masonic Lodge #549 commissioned Junior Warden Brother Clifton Drum, with the job of contacting Wyoming Central and Warsaw Central Elementary Schools, to seek their interest in a Drug Awareness Poster Making Campaign. It was no small undertaking, for there often are requests that represent a great deal of busy work for school personnel, who are not really looking for more things to do!

Fortunately, Bro. Drum received a positive commitment from the Principal, Mr. Timothy Olsen, at Wyoming Central School. Mr. Olsen in turn met a cooperating response from Miss Kim Alfee, the art teacher for the elementary grades. The chain of activity was forged.

What a happy happenstance that Principal Olsen was able to convey the idea that this was not to be just an ordinary competitive poster contest. In this endeavor, every pupil would be a winner if he or she received a mind-frame of meaning for Drug Awareness.

Mr. Olsen made suggestions for topics at different grade levels. For Kindergarten he suggested, "I'm glad to be me"....(so why would I need to take something to change me?) For Grade One the suggestion was "I am a special person"....(giving linkage to the idea that I'm a special person, so let's leave well enough alone). Grade Two worked with, "I'm at my best when I am"....(doing whatever I feel best about, so I don't need something to take to feel better). Grades Three and Four worked with the idea, "Fun with my friends"....(and

I can have fun with my friends without pills or gimmicks"). Grade Five worked with, "The future looks good"....(and it points up that there is a tomorrow, and we don't want to spoil it). To suggest some possible forethought at grade level where some temptations or decisions might take place by peer pressure or suggestion, the pupils worked with the theme, "I've Decided".... A suggestion to try drugs might meet a mind-set from remembrance, that I've already decided. To be sure, these were only suggestions for linkage with Drug Awareness, but they caught the imagination of the pupils. The response with posters was excellent and varied, far exceeding expectations.

At a February stated meeting, W.M. Richard Benn appointed a drug awareness poster committee consisting of Junior Warden, Bro. Clifton Drum, W. John Herman, and W. Bill Danley. They had their first contact with Mr. Olsen, the Wyoming Central School Principal on February 25, 1991. The poster program was initiated at that time.

On Wednesday, April 10, 1991, there was an assembly to present the certificates of recognition. A committee had already judged the posters and selected some thirty that were rather exceptional. They received additional wording on their certificates, but no other distinction.

Members of Warsaw Masonic Lodge #549, Warsaw, NY were on hand to assist in handing out the certificates of recognition. Present and enjoying the task were Genesee-Wyoming District Deputy R.W. Robert H. Hebner,

Greetings Brethren:

I hope you enjoyed last month's article. I know it was long but when you have an active Lodge that goes with the territory. Here is a run down on our last two meetings.

April 15, 1991: 14 in attendance, under sickness and distress it was reported that Howard Smith would be returning to his daughters residence, Bro. Alton Nevinger has moved to East Side Nursing Home in Warsaw, Room 214, and Bro. Ed Meyer is recuperating at home. Cards were sent. A petition for initiation and advancement was read, received and referred to an investigating committee. A petition for affiliation was received from Bro. Kenneth Unger of Mt. Vernon Lodge and referred to investigating committee. A Trestle Board from Batavia Lodge was read announcing upcoming events. W. Paul Baetzold reported that \$754 was raised for the Gordon M. Brown Memorial Scholarship Fund from the Roast

(Continued on Page 15)

W. William Danley, W. Richard Benn, who is the current Master of the Warsaw Lodge, and Junior Warden, Bro. Clifton Drum who was Chairman of the committee.

Bro. Drum had the certificates of participation made of parchment, and the Masonic Emblem was of gold leaf put on by hand by Sylvia Schlenker, the wife of Bro. Gerald Schlenker, the Senior Deacon of Social Lodge #713, Kendall, N.Y. The certificates were designed by James Prentice. Each pupil's name was put on in lovely old script with a lettering pen by Miss Kim Alfee. Two clasped hands on the monogram are surrounded by the words, "Education And Communication Solves All Problems".

When the ceremonies in the assembly were over the 194 students (K-6) were given a pizza and pop party. The pizza was furnished by the Cornerstone Restaurant, and the pop was donated by Douries Shop Wise Market, both "Concerned Businesses" of Wyoming, N.Y. It was dispensed by the Brothers from Warsaw Lodge #549 who helped present the certificates.

Principal Olsen thanked the Brothers from Warsaw Masonic Lodge for their help and for the certificates and especially for the pizza party! In conclusion, Mr. Olsen said that it was a fine example of what he had in mind when he said that the "success of a school program depends a great deal on the extent of community cooperation with the education process".

The Brothers of Warsaw Masonic Lodge #549 said that they felt very pleased with the warm cooperation they received from the school personnel and the pupils.

On April 10, 1991 at 4 p.m. there was a preliminary meeting at Warsaw Central School with Linda Bailey for a poster campaign at their school. The idea was very warmly received.

We welcome West Star #413 into the fold. They have elected to receive the Masonic News, and are contributing a column as of last month.

The First Degree was conferred on April 16th to a new Brother. The Second is scheduled on May 21st with our Sr. Warden, Bro. George Taylor in the East. The Third is tentatively scheduled for June 18th.

As mentioned last month, a Chicken Bar-B-Q will be held on May 27th, hopefully on the Temple grounds, if no rain. Hope you were able to make it.

On June 4th, we will present the DeWitt Clinton Award to Jim Dourie of Wyoming. Another award will be made in the fall to another worthy recipient. More later on this.

Our June breakfast will be held on June 9th at the Warsaw Temple as usual. Don't forget the annual breakfast at Letchworth Park on June 16th.

July and August are coming up and we normally are fairly inactive during this period, but this year is an exception. We will host a cornerstone laying at the new addition to the United Church in Warsaw on August 3rd. This should be a big event. I am sure you will hear more concerning this later.

## Grand Director Of Ceremonies Of the Grand Lodge Of New York

R. W. Robert G. Seils

Who would think that it is summertime already? Well it is and I am sure that all of us are planning a summer full of excitement. This is the last letter until again we are called back to labor in September.

I just got back from Grand Lodge Sessions in New York City and it was a good time. I think this is one thing that every Mason should do just once in their Masonic life. It is a great place to meet new friends and see some old friends. I know that I was able to do both on this trip.

The Genesee-Wyoming District had the pleasure of going with the Niagara-Orleans District and I met a lot of new friends. When I was in New York I also got to see a friend that I first met when I went through my training at Utica last summer. It was sure great to see him again. We sure had a few things to talk about with our busy year that we have just completed as Purple Aprons.

The Niagara Orleans District were great hosts on this trip and I would like to THANK them for inviting us along on this great adventure to New York City.

I would like to wish you all a great and exciting summer and hope to see all of you in the fall.

Fraternally,  
Robert Seils

"Go-to-Church Sunday" is scheduled to be held at the United Church in Warsaw on August 4th with various dignitaries in attendance. A breakfast preceding services will be held at the Masonic Temple across the street within walking distance. Why not attend?

We still have no takers on the Camp Turk camp. If any Brother has a young friend or relative who wishes to attend, please contact anyone in the Warsaw Lodge and I am sure you will be given our attention.

Many years ago, W Bro. Bill Smallwood set up a Master's Benevolent Fund, a savings account that is passed along from Master to Master. It is to be used by the Master for any need of Masonic Charity. There are no rules for its use and the Master does not report on its use.

Should a Sojourning Brother, Widow, or Orphan be in need of help, aid or assistance, they may apply to the Master as such and the Master may contribute to their needs as liberally as he wishes or as the Fund permits.

To all my brothers of O-AT-KA, I would like to apologize for not getting my newsletter in on time for the April Masonic News. In March, we raised three new members and entered them on O-AT-KA's rolls. We are pleased to announce that E. J. Arledge, Kevin Fisher and Carmen Valeri are our new brothers and we welcome them and urge all other members of the Lodge and anyone that knows them to say congratulations and show them some of the best that Masonry can provide in Friendship and Brotherly Love. The third degree was performed by members of the Tri-lodge Degree Team: Henrietta, O-AT-KA and Union Star. The team had the assistance of our District Deputy Paul Spillane who is from Union Star. Thanks to one and all.

In April, we had a Senior Member Night and had a very good turnout. Some old friends made the acquaintance of some new friends. A good time was had by all.

Also in April, I had the distinct honor and privilege of presenting the DeWitt Clinton Award to Glen Sickles of the Scottsville Fire Department. He had previously made a visit to our Lodge to present his talk on Fire Prevention for Children. The Grand Lodge officers from the District were also in attendance at the presentation ceremony.

I had a very exciting time at the Grand Lodge session in New York City on May 6th and 7th, and am looking forward to relating stories to the membership at the next meeting.

Please remember to send in your dues if you have not already done so for 1991. Help keep your Lodge financially strong by paying your dues! Remember, the Lodge exists for and because of YOU!

We believe that our Lodge is the "FUN" Lodge and we encourage all

Brethren,

Our First Degree in the Lodge was held on the 28th of May. I would like to thank Bro. Ted Honea and the rest of the officers that participated in the Degree. Most of all I would like to thank all the Brothers that stood on the sideline showing support for the candidate.

This month will be bringing us out for three Tuesdays of fun and entertainment. Our meeting on the 14th will be the annual sport shirt night (leave the suit and ties home for the night) and Strawberry Festival. Bring the family, everyone is invited. While we will be in the meeting I will have some entertainment for the Ladies. After the business meeting we will have Nancy McWilliams from SOBER come and talk with us. Nancy started Sober as an alternative to the streets for kids. She has spoken at other Lodges and I understand that her talk is captivating.

Fellowcraft will be meeting on the 21st contact W. Herb Spencer for more details.

On the 28th, we will have a Second Degree. Bro. Grant Romer will be sitting in the east. Please come and support him as we lead the first candidate of the Lodge through the Degrees. Summer is here and I hope you will attend the family picnic planned for the 2nd weekend in July. We will be sending more

Our Senior Warden, Bro. Glen Ide recently returned from the Grand Lodge Convention in New York, stating it was a most rewarding experience-good that you are back safe and sound Bro. Glen despite your "wee hour" arrival home at 2:30 a.m. via Amtrack. We had another 1st Degree April 16th which was very well directed by Wor. Master, Dave King-the 1st and 2nd parts of the lectures were recited by Rt. Wor. V. Goodrich (last minute request and well done) and his son Wor. Ken Goodrich, and Brethren Vitali and Ide respectively. Wor. Clyde Siverd's throat was bothering him so Wor. Bro. Frankel did the charge, R. W. V. Goodrich presented the apron.

Our Master, Dave King is planning a dinner June 18th along with a 3rd Degree presentation. Our congratulations go out to the following Brethren with birthdays in May: Edgar Bastian, Alfred Bowers, Mark Cold, Herman Eggiman, Charles Freida, William Leggett, Leonard Schulerich, and Charles Chatfield.

We would like to hear from more of our Brothers-if unable to attend meetings, please drop a line or pick up the phone and let us know how you are doing-your phone calls and correspondence are shared in Lodge and a highlight of every meeting. Any Brother in distress or in need of assistance, please contact our Hospitaler, Wor. Bro. Volney Frankel at 244-1644.

Until next month, I wish everyone great success in all your endeavors and may all your pleasant dreams come true.

### Fidelity Triangle #4

Busy bees make happy bees  
and that's what we've been.

April 28th was our very own Rochester Chapter DeMolay's second installation of Officers. Great job, guys! May 1st we were able to go to Kenmore DeMolay and their ceremony proved both interesting and instructive. May 4th was Lockport Triangle's Friendship night. A Degree was presented and everyone received smile suckers. May 11th was Mary Fisher's first meeting and every thing went well. Great job, QUEENIE!! The 16th we were at the Grand Matron's visit at the Gate Way Inn in Henrietta to hand out programs and be presented. We served at the interfaith breakfast and we hope you enjoyed your meal plus courteous service.

This summer we are supposed to have a camp out at Mary Fisher's house and more information will follow. As a reminder, we are still looking for the names of your past Triangle and DeMolay members. You can contact the number below.

We are the oldest living and the only Triangle in Rochester and we would like to keep going even though we are small. So please support us by buying a candy bar so that we may go to Convention. Thank you for those who are also helping us now.

"Play it again Sam!" If you have girls or know of any girls between the ages of 11-21 please contact me at 334-7953 for further information. Feel free to ask any questions.

### Order of DeMOLAY

In Monroe County  
NEWS

By Les Andrews

The installation of Officers for the Rochester Chapter, Order of Demolay which took place Sunday, April 28th at Charlotte-Corinthian Temple was a great success, however it was disappointing to note how few M.M.s took advantage of the opportunity to witness the fine job done by Kenmore Chapter in installing our Officers.

I understand, according to "Dad" Staub, that plans are in the process to take a trip to the Kenmore Chapter, to thank them sincerely for their work, and then the boys will be driven to Niagara Falls for a fun evening.

Then on June 8th the boys will be driven to Hilton masonic Temple, to take part in the reception for Miss Amy Elsenheimer who this year is the "Grand Exalted Star" of Light and Love.

June 7th at the Charlotte-Corinthian Temple we will see the boys put on their first "Bring a Friend Nite". I think it promises to be quite a success.

You know my Brothers, the Marines have a saying which implies "We need a few good men", and at this time, that remark is applicable and certainly to the point within the "Rochester Chapter, Order of Demolay". We do need a few good men right now, as Advisors and to meet once a month with the Advisory Council of the Order, so please search your souls, and try to help us out in this most worthwhile cause.

Thank you.

## Masonic Bowling League Completed The Season With Banquet At The Elks Club

The Masonic Gothic Bowling League completed their season with a banquet held at the Elks Club on Jackson Rd. with President Cosmo Pusateri presiding.

As usual, we have made some Masons from the non-Masons who bowl with us.

We are looking for three teams this year, and it would be a great

way to have some new Masonic bodies put in some teams comprised of three Masons and two non-Masons. Our success in obtaining applications has been phenomenal.

The League bowls on Wednesday night at Maiden Lanes from 8:30 p.m. to 11:00 p.m.

The New York State Masonic Bowling Association has also opened its tournament to combination teams, mainly as a result of our team philosophy.

Put a team together and call Jerry Glaser at 381-3340 or 442-5825 and prepare yourselves not only for an evening of fun, but also to obtain candidates for your organization.

It really works well!

**National Camping Travelers Inc.**  
Genesee Valley Chapter #46

National Camping Travelers was organized at Gettysburg, Pennsylvania on August 13, 1966. It is composed of Master Masons and their families who enjoy camping together and creating and participating in family activities.

Chapter #46 hosts weekend campouts each month from May to October. Chapter members also have get-togethers most other months. Chapters are formed into Districts, also. Genesee Valley Chapter is in District 11 along with eleven other Chapters in the State and in Ontario, Canada.

There is a District and a National Rally each summer. The 1991 District Rally is scheduled for Stysh's Brown Barn Campground, Booneville, New York, August 22 through 25. It is expected there will be 60 to 70 recreational vehicles arriving for the event. Prior to that will be the National Rally at Buena Vista Camping World in Buena, New York, July 22 through 25. Attendance at the National is usually around 650 RV's.

We urge all to join Chapter #46 campers this season! Members and guests bring their tents, pop-ups, conversion vans, travel trailers, motor homes and share in good fellowship and family fun.

June 21-23, we will be at Sun Valley Campground in Arkport, New York. August 16-18 will find us at Four Winds Campground, Tencly Road, Portageville, New York. September 20-22, we are scheduled for Flint Creek Campground in Middlesex, New York and finally, October 11-13, we will wind up the camping season at Woodstream Campground, Gainesville, New York.

For further information about the Chapter, contact Brother Harry Hopkins (716-659-2236), 38 Banner Beach, Kendall, New York 14476. He enjoys socializing with new and reacquainting with old friends and Brothers.

Brothers,  
This news article is going to be brief as we have not yet had our May meetings. This past week I did attend our Grand Lodge communication. The Second Monroe District sat right up front and this kept us on our best behavior. All propositions brought before the convention passed, and this includes the first reading to have the Lodge year coincide with the Grand Lodge year. There was much discussion and good points were made on each behalf. A further report will be made at our June meeting.

Congratulations are in order for W. Harvey Closs, D.S.A., W. Brother Closs was presented this honor during an open Lodge session on May 13th by R.W. K. Buckland, assisted by R.W. Paul Spillano, District Deputy Grand Master, Second Monroe District. This application was started by W. Joe Cotteleer during his year as Master.

My next newsletter should be very big and will have activities of the past two meetings and information on the upcoming ones.

I hope that all have a safe and eventful summer.

Fraternally,  
Kenneth Buckland  
Master
