BROTHERHOOD FUND CAMPAIGN UNDERWAY

The Brotherhood Fund Campaign reports are starting to come in, so it is evident that some of the Lodge officers have recovered. The day getting word to the members that the Brotherhood Fund Campaign is a continuing effort and must be in our minds at all times. The two monies are part of the Liquid and Masonic Masters immediate domain, therefore, I feel whoever does not contribute to the Brotherhood Fund Campaign should be most gratifying to him.

There are hundreds in our membership who have contributed in any way to the Brotherhood Fund. The ever-faithful can be relied on for their contributions, but if those who have never given, could now find it in the goodness of their hearts to consider this contribution, it would be greatly appreciated. Contributions are tax deductible, so it might be possible between now and the end of the year to get the benefit of the deduction in your tax return.

If any of you have not yet heard from your Lodge Chairman, do not wait any longer, but take the initiative and send a check to him. If you do not know who he is, send it to the Secretary or any Lodge Mason to the Masonic Service Bureau. No matter who you send it to, your lodge will receive credit. The most important thing is to make sure every Mason in Monroe County makes a contribution.

R. W., Leonard Parker R. W., Howard W. Potts, Grand Lecturer, and R. W., Charles B. Barrow, Assistant Grand Lecturers and all the others who helped make this a successful convention, I want to sincerely thank you all.

Investiture Service

The time has once again arrived for our annual Investiture Service, so ably conducted by W. Herman A. Sarachan, Assistant Grand Lecturer. The attendance has increased each year until now the Master-elect of the 31 lodges of the Monroe County joins in this most impressive ceremony.

MASTER’S MESSAGE
The Past Masters’ and Old Timers’ Night program will always be remembered by me as one of the most memorable meetings of my year as Master. There were twenty-six Old Masters in attendance along with many of our younger Brethren. My sincere thanks to all of you that attended and made this evening so wonderful. Three of our Fifty-year members received their Pins from R. W., W. Donald M. Walser, DDGM of the 2nd Monroe District, R. W., W. Luther J. Webster received his Grand Lodge Judge Advocate Apron in a most befitting presentation by W. W. Edward H. Lampe and the Dedication ceremony of our new lodge. The ceremony was conducted by Bro. Nicholas V. Tishas was performed in a most inspirational manner by our Chaplain, W. Bro. John A. R. Brink, who conducted the Memorial Service for our departed members. The ceremony was conducted by W. Bro. Thomas A. Albo, a Veteran of the James A. Chester Lodge. Mr. Albo conducted the service in a most befitting manner following a very beautiful rendition of the Lodge Service. The service was conducted by Bro. Ray Neill. My deep appreciation to the Committee — in charge of the Memorial Service— for making this a never-to-be-forgotten evening.

On Monday evening, December 5th, we had another program that I feel sure you will all want to miss. We will have a short business meeting starting at 7:30 and will then adjourn in a body to attend a meeting with the D. Moley Chapter. They have a fine program arranged including a speaking and any other business that may come up. FROM THE EAST
I am very pleased and proud of the "Past Masters" Night which will be held November 11th. It was a tremendous dinner party and served by the members and their wives. The success can be attributed to the efforts of W. J. B. John Hoit and his wife, Nellie. I also wish to thank all of the Past Masters for their cooperation for giving us such an enjoyable evening, Our "High Light" for the evening was the presentation of a beautiful watch to W. Bro. David Dall, Secretary of the Lodge. His twenty-five years of loyal and devoted service as our Secretary has endeared him to the members of the Lodge.
Again I want to remind you of our Brotherhood Fund, Let's all get behind this wonderful cause to help achieve our goal.

MASTERS’ MESSAGE
Brethren:
This is the second time within the last year that I have been privileged to greet you in print, by this time, you should have received a copy of our Lodge publication, the 

Clio Lodge #759 has about 15 brethren present at our last meeting on November 7, 1964. Dinner Night, it was a foggy night which delayed the arrival of our fifteen brethren, but did not dampen our fellowship. A good time was had by all. So as not to elaborate on what may be old hat, I will emphasize only two communications. These are the District Deputy Grand Master’s official visit on December 1st, and our Annual Meeting on December 15th. Both are very important. Another annual meeting is our Lodge Christmas Party, which will be December 16th. Starting off in 1965, our first communication will be the installation of officers on January 5th. We are looking forward to having all of us on all these important occasions.

And now my brethren, may I wish you all a Merry Christmas and a Prosperous New Year.

Fraternally yours,
Lawrence C. Alman

IN MEMORIAM

Five years since the last one was printed. A lot of hard work has gone in to making this accurate, but errors can happen. Kindly address the Secretary if you notice any.

LOST & FOUND
At the October 6th communication, one of our brethren found a grayish black watchband, probably belonging to "Edmonton" where he had left a black Citizen watch on the coat. The first coat is 1
2 or shorter for the brother who owned the Penny coat. An exchange would be appreciated. Kindly contact the Secretary or the Master.

FROM THE WEST
As we approach this time called "Thanksgiving Day," we are mindful of all our appreciation for the gifts which Masonry offers to us - gifts which are ours only for the taking through the extension of our fellow brotherhood and brotherly love. This, as well as the opportunity to help in some way those who have not shared the fullest benefits of good fortune, invites us to reach out far beyond satisfactions derived from usual pursuits.

Our next regular communication will be held on December 18, 1964. A short business session is planned with refreshments to follow and an occasion to enjoy fellowship with your brother lodge members. The Annual Meeting, called for the election of officers and the presentation of financial and committee reports will be on December 21st. This is an important meeting to all of us.

We recognize the demands on our free time at that period of the year; however, we hope for a good attendance and make every effort to close lodge as early as possible.

Our steward plans a delicious meal and nice taste-treat for those who can stay for refreshments.

Installation of officers will take place on January 4, 1965. A dinner and a speaker have been arranged for that occasion, and the meeting will precede this event.

The annual Christmas party arranged for underprivileged children is under the sponsorship of Chairman Dean Critchley. The cooks and the committee of the Duchesne, done their fair share for those who are less fortunate than others for the things most of us and ours enjoy at Christmas time.

Our Worshipful Master, Arley Harrison, has had major surgery and is recovering at Strong Memorial Hospital. Clifford (Rod) Hankel also had major surgery and is recuperating at Northside Hospital. Red will be home after the holidays.

We join with all our brethren in wishes for the very best for Arley and Rod and any other brothers who have the misfortune of being ill. May God guide and speed their recovery.

Your lodge officers are most diligent in learning of all the events that occur in or to distress. A call to the Jusey family and to Brother Roach over the phone. It seems that the Senior Warden Elmer W. Holl, the Junior Warden A. Larry Reetz will be appreciative in such cases. Brother Reetz assures us that this event will please contact Dean. The date and place are still undecided.

The sympathy of the lodge is extended to those whose losses are great at this season of the year. Whether you have lost a member, or are suffering for yourself, I am happy to know that you are a part of our Lodge family.

May you accept our sincere wishes for a happy Thanksgiving.

Fraternally,
Elmer W. Holl

ETOLIAN CHAPTER No. 308
Order of the Eastern Star
On Monday, Nov. 19th the Chapter observed Associate Matron and Associate Patron Nite. They occupied the East for the first time.

On the 20th, Brother, Canadian Green from Stanley Lodge in Canada were visitors of Etolian Lodge #479, and the Chapter served dinner for these honored guests.

Fourteen members attended the Monroie District Banquet, at which time Associate Matron Sister Doris James received her Gavel Pin.
Nov. 2nd was the occasion of Master Mason's nite and this evening saw 40 Master Masons in attendance, to enliven the evening a luncheon spread was enjoyed by our Masonic visitors.

The District Communion Service was held at the Lake Avenue Baptist Church and the Brethren were also invited to the Masonic Temple in Rochester. Sixteen Chapter members attended these events on Nov. 4th.

Sister Marian Hoisie has been an effective Chairman in her effort to increase our silverware, especially spoons. Betty crochet coupons are needed to keep this effort going and it is hoped that the Sisters donate as many such Coupons as possible to her at 25 Webster road, Rochester, so that we can order a grant for any Eastolian Sister. We have had bad coupons from as far away as California whose offers were to attend this paper was so inclined.

SICKNESS & DISTRESS
Sisters Elizabeth Egmone, Virginia Morgan, Mary Powell and Inez Allen are all feeling better. Miss Margaret Wallingford, Ann Everett and Bro. Ed Preest were ill at this writing. Brother Associate Patrons Mrs. mildred Mcdowell from St. Mary's Hospital undergoing exploratory medical investigations for his lengthy illnesses which has developed into incapacitating bed rest
